DWS Circular Letter #2019-14

To: Community Public Water Systems
From: Lori J. Mathieu, Public Health Section Chief 
Date: July 9, 2019
Subject: Service Connections for the Safe Drinking Water Primacy Assessment

The Department of Public Health is required to issue a statement to each water company that owns a community water system or systems showing the number of service connections and the source of such number each community water system or systems has listed in the Department's records as of the date of issuance of the statement.

The attached table lists PWS IDs, PWS names, towns and service connection numbers associated with each system as of July 9, 2019. Please note that the source of all service connection data is the Department's Safe Drinking Water Information System (SDWIS). Please review the attached information and notify the Department of any discrepancies by emailing dph.fee@ct.gov by August 9, 2019.

For more information on the Safe Drinking Water Primacy Assessment, including important links and future updates, please visit our new website at <http://www.portal.ct.gov/DPH/Drinking-Water/DWS/Safe-Drinking-Water-Primacy-Assessment>.
