

Connecticut Department of Public Health's Water Supply Planning

New England Conference of Public Utilities Commissioners

Lori J. Mathieu, Public Health Section Chief
Drinking Water Section

Mystic Marriott, Groton CT.
June 10, 2013

Coordinated Water System Plans (CWSP)

1. What is it? – CT General Statutes Section 25-32d & 25-33h
2. Why does it exist?
3. How does it operate?
4. When convened?
5. What is the present status?
6. Why is it important?
7. What is the future vision/thinking?
8. How to accomplish this vision?

CWSP - What is it? & Why does it exist?

- 1981 Drought
- Water Resources Task Force Report
- Legislature created water supply planning – CGS Section 25-32d & Sections 25-33c – 25-33i - 1985
- Regulations
- CGS Section 25-33c – Legislative Intent – ...adequate supply of potable water is vital, readily available water for use is limited and should be developed with a minimum of loss and waste, DPH administer a process to coordinate planning

Water Utility Coordinating Committee - How does it operate?

- Map
- Organization
- Committee
- Procedures
- Practices
- Plan creation
- Schedule of WUCCs, priority order

Public Water Supply Management Areas

WUCC – When were they convened?

- Housatonic WUCC – plan completed 1988
- Upper CT River WUCC – plan completed 1989
- South Central CT WUCC – plan completed 1991
- Southeast WUCC – plan completed and approved 2001
- Northeast WUCC – not convened
- North West WUCC – not convened
- South West WUCC – not convened

WUCC – What is the present status?

- 4 of 7 areas convened, one plan approved
- Revived meetings
- Identification and discussion of issues/concerns
- Renewed interest
- Connection to Certificate process

WUCC – Why important?

- Discussion of water supply issues
- Regional planning effort
- Use of plan as a guide
- Certificate process
- Bring together CEOs, LHD, RPOs, Town Planners, and public water systems
- Highlight on regional water supply needs
- Forum to resolve issues locally
- Guide for water system growth and individual water supply plans – set Exclusive Water Service Areas

WUCC – What is the future vision?

- Continue to actively engage WUCCs
- Continue to work with ESA providers
- Continue to meet
- Outline a method to address plan development for CT's NE, NW and SW regions

WUCC – How to move forward?

- Engage staffing resources, identify others
- Identify and update important items
- Continue to meet, discuss and engage stakeholders
- Develop & follow standard procedures

Need to Complete Statewide Water Supply Planning

- Understand water supply needs and excess capacity
- Plan to meet future supply needs
- Include partners and stakeholders
- Additional focus on water conservation and emergency preparedness
