---

The CT Department of Public Health Drinking Water Section (DWS) is pleased to announce a free training opportunity intended for public water system watershed inspectors and their managers. This technical training is designed to provide watershed inspectors with tools and guidance in optimizing their watershed survey program.

This training will allow watershed inspectors to earn 3.5 Training Contact Hours (TCHs).

This event is being held in-person and registration is free. Details on location, dates and how to register are here: <https://www.train.org/connecticut/welcome> (use keyword '1105957') or in the attached flyer.

We look forward to seeing you at this important training event.
