### ENVIRONMENTAL HEALTH AND DRINKING WATER BRANCH

#### EHDW Circular Letter #2023-29

**TO:** Certified Treatment Plant Operators  
Community Public Water Systems

**FROM:** Lori J. Mathieu, Public Health Branch Chief *Lori J. Mathieu*  
Environmental Health & Drinking Water Branch

**DATE:** August 2, 2023

**SUBJECT:** CDC Water Fluoridation Online Training  
Course Training Contact Hour Opportunity

The CT Department of Public Health Drinking Water Section (DWS) is pleased to inform you of a **free** online training opportunity approved for Certified Water Treatment Plant Operators. The CDC Water Fluoridation Training Course (FLO) is self-paced training designed to build the capability of state fluoridation programs, and to help increase knowledge and refine skills to implement and maintain community water fluoridation. This training has been approved for **8.0** Training Contact Hours (TCHs).

#### Overview of FLO Training:

- Module 1: Science – The history and science of fluoridation, benefits, and health effects
- Module 2: Program – State program management and oversight, and communication principles
- Module 3: Water system overview and design
- Module 4: Technical information for water fluoridation additives and operations

#### Registration:
