Every course has a detailed list of course pre-requisites/participation requirements and the target audience - please review carefully *prior* to registering.

Some special notes:

- Classes labeled “(*interactive*)” are limited to small class sizes and require Users to be actively logged into WebEOC and participating in exercises with other participants/instructors
- Camera functioning and ON entire class
- Microphone functioning
- Basic computer skills and understanding of internet browsers
- Commitment to actively participate during entire class session

Zoom links for courses will be sent *15-20 minutes before the first class of the day for that topic* – links will only be forwarded to those individuals that met the pre-requisites before event date.

- Never share class links or WebEOC login credentials.

Public Water Systems can submit the WEBEOC credential request for the staff responsible for entering emergency service updates by submitting the [PWS WebEOC Credentials request form](#).
