Subject: Free Water Sector Security Culture Webinar Series

The DPH wishes to share with you an important webinar series being jointly hosted by Water ISAC and NRWA. This series is designed to provide utilities with cybersecurity educational presentations that supply basic security advice which can be incorporated by water and wastewater utilities of all sizes. All three webinars have been created for everyone, from brand new operators to members of your board.

Please see the link below to register for Part 1- Security Culture webinar.
