**EXISTING PWS OFFER OF SERVICE TO A  
NEW WATER SYSTEM/WATER COMPANY FORM**

The applicant named on this form has made a request to the Exclusive Service Area (ESA) provider or existing Public Water System (PWS) (that serves 1000 or more persons or 250 or more service connections, and is within one linear mile of the project location), for water service for a proposed new water company/public water system. The following form is to be filled out by the PWS provider as a statement of willingness or unwillingness to serve and to supply the additional information that is required by 16-262m-5(f) of the Regulations of Connecticut State Agencies. Attach additional comments as necessary.

Name of Applicant: <u>TOWN OF OXFORD</u>	Date: <u>2 FEB 14</u>
Name of Project: <u>JACKSONS COVE</u>	DPH Project #:
Property address (include city): <u>JACKSON COVE ROAD, OXFORD</u>	
<b>Existing PWS information</b>	
Name & PWSID: <u>HERITAGE VILLAGE WATER COMPANY PWSID CT 1300021</u>	
Name of PWS representative completing form: <u>RAYMOND F ADAMAITIS</u>	
Project within named PWS's ESA? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	
<b>PWS offer of service (check all that apply)</b>	
<input type="checkbox"/> Water main extension	
<input type="checkbox"/> Satellite ownership of new system by existing PWS (i.e. new PWS will be owned and operated by existing PWS) - requirement for community public water systems	
<input checked="" type="checkbox"/> Neither water main extension, nor satellite ownership are feasible	
<input type="checkbox"/> Other (i.e. Engineering services, systems operation, etc...) - not mandatory for applicant	
<b>PWS water main extension information (To be filled out regardless of the offer of service made above for the purpose of determining the feasibility of an interconnection.)</b>	
Estimated distance of water main extension to serve proposed project	<u>over 5 miles</u>
Size and material description of pipe	
Are there existing plans in place to provide water service via main extension to the area of proposed project?	<u>NO</u>
If yes, what is the date of expected water service?	<u>N/A</u>
What is the estimated cost to the applicant for a water main extension? (include cost estimate details)	<u>N/A</u>
Are any other facilities necessary with water main extension (specify)? (e.g. new source, storage tank, booster facilities, etc.) - If so, describe facilities and estimated costs.	<u>N/A</u>
<b>Discuss the alternative of owning and operating the system as a non-connected satellite system, including system components and estimated costs.</b>	

Raymond F Adamaitis  
 (Signature of ESA/existing PWS representative completing form)  
Raymond F ADAMAITIS  
 (Print name of ESA/existing PWS representative completing form)

Stantec Consulting  
2321 Whitney Avenue  
Hamden, CT 06518

**Attn: Ann M. Scholz, P.E.**

**Re: Wells at Deer Lake Boy Scout Camp, Killingworth, CT**

Dear Ms. Scholz:

After reviewing a copy of a letter from the Connecticut Water Company, dated December 4, 2008, the South Central Water Utility Coordinating Committee (SCWUCC) recommends the State Department of Public Health approve the formation of a new water system to provide service to the above referenced address.

If you have any questions regarding this matter, please call me.

Sincerely,

John J. Keefe, Jr., Chairman  
South Central WUCC

Town of Bethany  
40 Peck Lane  
Bethany, CT 06524-3378

**Attn: Isabel Kearns, Land-Use Administrator**

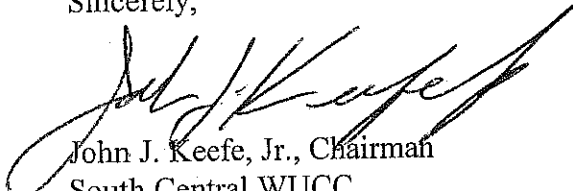

**Re: 265 Beacon Road, Bethany, CT**

Dear Ms. Kearns:

After receiving your letter and supporting documentation, the South Central Water Utility Coordinating Committee (SCWUCC) recommends the State Department of Public Health approve the formation of a new water system to provide service to the proposed pavilion located at the Veterans' Memorial Park, at the above reference address.

If you have any questions regarding this matter, please call me.

Sincerely,

John J. Keefe, Jr., Chairman  
South Central WUCC
