Please note the following:

1. The residual disinfectant concentration must be measured at the same location and time as each total coliform sample.
2. If a Collection Period is specified, all water quality samples must be collected during the specified period.
3. Depending on results, additional monitoring may be required (i.e. repeat or confirmation samples). This schedule is subject to change, and any inaccuracies contained herein will not relieve the owner or operator of the requirement to maintain compliance with the applicable regulations.

If you have any questions, please contact the Drinking Water Section at (860) 509-7333.
