DRAFT
CONNECTICUT MEDICAL ADVISORY COMMITTEE
April 12, 2018
Location: 61 Pomeroy Avenue, Meriden CT 06450

TOPIC	DISCUSSION	ACTION
Meeting called to order at 1030	The minutes of March 2018 CEMSMAC meeting were reviewed	<ul style="list-style-type: none"> • Motion and second to accept as distributed–unanimous approval.
DPH/OEMS Report	<p>Report (See attached)</p> <ul style="list-style-type: none"> ▪ EMS trauma data: work behind the scenes ongoing to upgrade. ▪ CT Opioid response. Additional conferences planned. ▪ Opioid OD heat map pilot consideration ongoing. ▪ Poison control: EMS opportunity to call in the future. ▪ CT EMS awards opportunity on DPH website. Submission by May 1st. ▪ National Registry: All levels of certification. Opportunity to be recognized national and for local testing opportunities. Would meet state requirements. EMR no. EMT already. ▪ Qualidigm: Red envelope initiative has not been universally accepted by nursing homes. Issue of EMS not allowed to open red envelope discussed. <u>(more information requested by CEMSMAC from Qualidigm)</u> ▪ Wellness for EMS. Roles of looking at Teenage EMS providers 	
		<ul style="list-style-type: none"> ▪ Continued request for sharing best practices.

<p>Electronic Applications For EMS Communication (ongoing discussion and next steps)</p>	<ul style="list-style-type: none"> ▪ EMS to ER hand-off tool discussed. App for transmission of limited info to ER. 	<p>Several depts are trying apps or paid services for EMS tracking and info boards in lieu of med patches, and for handoff communications.</p> <ul style="list-style-type: none"> ▪ Plan: keep on agenda and continue to discuss
<p>Regional MAC Reports – (Regional Reps)</p>	<ul style="list-style-type: none"> • Region I: No report • Region II: No report • Region III: No report • Region IV: No report • Region V: Report below: <ul style="list-style-type: none"> ○ Meeting 3/29/18 in Waterbury, CT. Approx 15 in attendance. ○ Ketamine <ul style="list-style-type: none"> ▪ Indication: Excited / Agitation Delirium or Extreme Agitation. ▪ Dose: 3-4 Mg. / Kg. IM ONLY ▪ Track usage to determine feasibility of use ▪ Place in at least one (1) locked box ○ Ketorolac, Ibuprofen, and Tylenol: Deferred until all committee members have an opportunity to review the specific statewide protocols as they were only distributed on 3/28/2018) ○ Lactated Ringer's: The use of Lactated Ringer's in the setting of trauma was unanimously disapproved in the pre-hospital setting, citing, among other things, short transport time and appropriately permissive hypotension. Long discussion. 	

	<ul style="list-style-type: none"> ○ Fentanyl: The endorsement of Fentanyl was unanimously disapproved in the pre-hospital setting as alternative treatment modalities are in use without untoward outcome. The potential addition of non-opiate pain management treatment was also cited. 	
OTHER BUSINESS/ONGOING INITIATIVES	<p>SCT Review Process Update:</p> <ul style="list-style-type: none"> ○ Await Massachusetts input. 	
Connecticut Unified EMS Protocols (Protocol Sub-Committee/group)	<ul style="list-style-type: none"> ● Metoprolol available, diltiazem <u>not consistently currently</u>. <ul style="list-style-type: none"> ○ Discussion that it is OK to cross over classes between calcium channel blockers and beta blockers ● Combined OB emergencies as well as childbirth and newborn care protocols. Adding magnesium, not including oxytocin. When to rupture placenta added. ● Hypoglycemic protocol reviewed. Adding 12 lead EKG. Separating peds and adult protocol. 10ml/kg repeat x 1. Adults 500 ml bolus, may repeat x 1. ● Hyperthermia: Korey Stringer website gives tools for preparation. Cooling on scene takes priority over transport. Transport when improving. Rectal probes assist, if available. Consensus statement just published endorsing EMS role in preparation for sporting events where EHS (different mechanism and very time sensitive treatment <30min to temp correction). 	<ul style="list-style-type: none"> ● Discussion of softening language in protocols to allow cross class treatment by EMS in the case of shortages or allergy etc ● Kyle to draft new protocol for review at next Protocol committee.
Fireground Rehab (Cone)	<ul style="list-style-type: none"> ○ Compromise of having someone come out of the scene if they have a medical complaint, but not mandating that they stay out for at least 24 hours ○ Link below - go to page 18 - section on emergency incident rehab - https://www.google.com/url?sa=t&rct=j&q=&esrc=s&source=web&cd=1&ved=0ahUKEwjJvrH_PfVAhWEJ5oKHTWTDIEQFggmMAA&url=https%3A%2F%2Fwww.amr.net%2Fsolutions 	

	%2Ffederal-disaster-response-team%2Freferences-and-resources%2Fdhs-fema-als-blsprotocols.pdf&usg=AFQjCNH9vWZX6P1HNiHThI4-I1XNoUogPw	
EMS Destination Guidance (OEMS)	<ul style="list-style-type: none"> ○ Patients allowed to choose destination ○ High utilizers: ○ Hospice direction: may be hospital dependent. 	<ul style="list-style-type: none"> ● Need further clarification from DPH
EMS Hand-off Process (Begg)	<ul style="list-style-type: none"> ● Plan to have all regional MAC's and CEMSMAC provide high level synopsis of what each hospital network is doing relative to EMS to ER handoff. 	
Mobile Integrated Healthcare:	No update.	
Revision Of State DNR/Discontinuation Of Resus Document	Referred to Protocol Sub-Committee

DRAFT
MINUTES
CONNECTICUT EMS MEDICAL ADVISORY COMMITTEE
September 13, 2018
Location: 143 Hope Hill Rd., Wallingford, CT 06492

Member Attendees: Richard Kamin, Kyle McClaine, Doug Latham (phone), William Begg, James Castellone, Jim Parker

Guests: Ralf Coler, Stacey Durante, Patrick Ciardullo, Tasha Desai, Chris Colonar, Joe Danao, Leonard Guercia, Charles Johndro, Katherine Coupe, Jeff Way, David Bailey, Kevin Burns, Blair Blamforth, Terence Sheehan, Michael Bova, Sean Fitch, Joe Larcheveque (phone), Paul Rabouf (phone)

Chaired by: Richard Kamin and Kyle McClaine

TOPIC	DISCUSSION	ACTION
Meeting called to order at 10:00 am	The minutes of the June 2018 CEMSMAC meeting were reviewed	<ul style="list-style-type: none"> • Motion and second to approve – unanimous approval.
DPH/OEMS Report	<ul style="list-style-type: none"> • As distributed • New HPA will be starting December 28th • Legislative proposal included transition to national registry • Opioid conference to be held, early November in Danbury area • Discussion regarding opioid reporting via poison control center (PCC), OD map tool also to be used via PCC • Data vender discussions ongoing – early discussions 	

**Regional MAC Reports
(regional reps)**

Region I: meeting last month, ongoing desire for regional consensus, regional CEU, training requirements (min standard), define medical director, regional tag day planned

Region II: no report

Region III: CPR Protocol

- Discussion took place on recently published articles in the NEJM and a Cochrane review. Specifically regarding 30:2 versus continuous compressions in cardiac arrest
- Training and system issues have been reported regarding protocol CPR versus AHA CPR
- Will await AHA release before further discussion.

Epinephrine in Cardiac Arrest

- The question regarding the benefit of epinephrine in cardiac arrest was discussed, no change suggested

Supraglottic airways vs ETI in cardiac arrest

- Consensus was to recommend changing verbiage in CPR protocol reversing order of ETI/SGA to reflect greater emphasis on SGA being an appropriate first line advanced airway in cardiac arrest.

Local STEMI/Stroke Plans

- Request that local/regional plans referenced in the State Protocols be inserted in document. Concerns regarding document length or multiple protocol documents that may become confusing. Discussion regarding whether local STEMI plans could be unified.

	<p><u>Region IV:</u> met 9/5, current status of region IV NECOG study for recruitment and retention discussed, regional EMS plan submitted, TXA to be evaluated for reconsideration for inclusion in statewide protocol.</p> <p><u>Region V:</u></p> <ul style="list-style-type: none"> • ketamine IM for agitation being considered – currently at drug control, • use of nor-epi statewide 	<ul style="list-style-type: none"> • Request to query OEMS to try to get estimate of how often nor-epi being used statewide
Connecticut Unified EMS Protocols	<ul style="list-style-type: none"> • Meeting ongoing prior to formal CEMSMAC • Productive Summer • Ongoing protocol review with expectation for Spring revision 	
Meeting Location	<ul style="list-style-type: none"> • Will hold October 2018 at 61 Pomeroy Ave <ul style="list-style-type: none"> ○ Group wishes to continue to explore virtual meeting options and Pomeroy has that capacity • CT Dept. of Veterans Affairs at 287 West Street, Rocky Hill is potential space if needed 	<ul style="list-style-type: none"> • Consistent available space is desired and preferred. Will continue to solidify.
January Meeting Date	<ul style="list-style-type: none"> • Conflict due to National Association of EMS Physicians 	<ul style="list-style-type: none"> • Will send out on-line pole to determine what Thursday other than 2nd will be best for group
EMT Scope of Practice Change	<ul style="list-style-type: none"> • Application from UConn Health (via Region III MAC) to change EMT scope of practice to include intra-muscular injection of epinephrine for anaphylaxis/allergy • Due to cost and availability of epinephrine auto-injectors • Plan to base on other already implemented programs (New York, New Hampshire) 	<ul style="list-style-type: none"> • Unanimous approval with discussion and understanding that State Education and Training will be consulted to develop training material and that entire packet (training, protocol, policies, etc.) will then go for approval at EMSAB and ultimately DPH Commissioner before implementation is possible.

	<ul style="list-style-type: none"> Concern from Bailey and Guercia with discussion regarding if approved should be state wide and should not be sponsor hospital specific. This would have pertinent education included in initial and refresher EMT courses. Ultimately concerned that is not statewide would result in significant amount of work that sponsor hospital would have to be responsible to implement in an unfunded fashion 	
Ongoing Issues		<ul style="list-style-type: none"> SCT Changes to State Hemorrhage Control Education
Adjourned	<ul style="list-style-type: none"> Next meeting: October 11, 2018 – 61 Pomeroy Ave, Meriden CT 06450, Conference Room 1 	<ul style="list-style-type: none"> Call in number for this meeting: 860 972 6338, Access Code, 27367

Respectfully submitted: Richard Kamin MD and Kyle McClaine MD
