

CT EMS Advisory Board

Data Committee

September 28, 2021

Member Attendees: Josh Beaulieu, Charles Dunn

Excused Members: Greg Allard, Kevin Ferrarotti, Mike Loiz

OEMS Staff: Heidi Fitzgerald, Eliza Little, Rich Kamin, Mike Zacchera,

Topic	Discussion	Action
Meeting called to order at 15:04hrs	No minutes to approve	
Membership	Eliza Little was introduced as the new epidemiologist at OEMS and will handle EMS data coordination	
Old Business	<p>M. Zacchera reports that the annual data report will be posted on the OEMS website. He reported on the volume of incidents and the content of the data to be reported on.</p> <p>The committee discussed at length the data reporting capabilities of our current software and database. The ability to filter for redundant patients or incidents was discussed as well as data validity.</p> <p>Some data reliability and data point availability will be achieved with the transition to NEMSIS 3.5</p> <p>H. Fitzgerald discussed some state reporting configuration items and states data reliability is at about 49%.</p> <p>The need or utility of different reports was discussed.</p>	
New Business	None	
Info Sharing	None	
Adjournment	15:50hrs	Next Meeting – Tuesday 10/19/21 at 3:00pm
