| <i>Old Business</i> | E. Little reports the office is working on the annual report and considering data to include. There is an effort to automate OD reporting for the OD map. Discussion on new fields to be added to ePCR and opportunities to track items such as naloxone leave behind incidents. M. Zacchera reports on information auditing, including best practices for data collection and performance outcome data. The group discussed performance metrics at the service level extensively, to include sources of data other than ePCRs. | Committee leadership for 2022 was voted for unanimously. Charles Dunn – Chair Josh Beaulieu - Vice-chair |
| New Business | 2022 goals will include developing EMS core performance measures, promoting the use of HDEs and work on a data quality report and dashboard for agencies | |
