CT MIH Implementation Update	<p>Presentation by Angelique Pearson of DSS on a program using assistive technology to address beneficiary health needs. This program is open to a wide range of Medicaid beneficiaries. It provides "check in" services as well as supportive technology to aid in maintaining independence at home. DSS is seeking community hub providers to assist with the program. There is some nexus between this DSS program and services that could be offered within an MIH framework.</p> <p>M. Zacchera – Review of application process with the committee. The latest application will be available on Trello. This will be submitted to Director Calciano for final approval soon.</p>	

	December meeting will review MIH provider education.	
<i>New Business</i>	J. Beaulieu will be working on the End of Year report. Please forward anything specific you'd like included. Committee leadership nominations will be accepted at the December meeting, for voting in January. Members who regularly attend and contribute to this committee should consider seeking a committee leadership position. Contact J. Beaulieu with questions.	
<i>Info Sharing</i>	Farmington Valley Health has expressed excitement around the potential to partner with MIH programs in their area.	
<i>Adjournment</i>	Meeting adjourned at 3:15 PM	Next Meeting – Thursday December 22, 2022
