
**MUNICIPALITY REQUEST TO CHANGE PRIMARY SERVICE AREA
RESPONDER (PSAR)**

This form must be completed and submitted for a municipality to petition and/or request to remove, change, or suspend its Primary Service Area Responder (PSAR) under the following provision(s) of the Connecticut General Statutes (“the Statutes”), and/or the Regulations of Connecticut State Agencies (“the Regulations”).

_____ (name of municipality) is requesting (check all that apply):

*Pursuant to Section 19a-181c (b) (1) of the Statutes - **Remove the current PSAR alleging that a performance crisis exists** (include all supporting documentation as attachments to this form).*

*Pursuant to Section 19a-181c (b) (2) of the Statutes - **Remove the current PSAR responder alleging unsatisfactory performance of the responder** (include all supporting documentation as attachments to this form).*

*Pursuant to Section 19a-181d of the Statutes - **A hearing be held by DPH as it cannot reach a written agreement with the current PSAR concerning performance standards** (include all supporting documentation as attachments to this form).*

*Pursuant to Section 19-181f of the Statutes - **Change the PSAR for the municipality by submission of an alternative local emergency medical services plan** (include as an attachment) for the following reasons (check all that apply):*

The municipality’s current PSAR has failed to meet the standards outlined in the local emergency medical services plan, established pursuant to section 19a-181b of the Statutes.

The municipality has established a performance crisis or unsatisfactory performance, as defined in Section 19a-181c of the Statutes.

The current PSAR does not meet a performance measure provided in regulations adopted pursuant to section 19a-179 of the Statutes.

The municipality has developed a plan for regionalizing service.

The municipality has developed a plan that will improve or maintain patient care and the municipality has the opportunity to align a new primary service area responder that is better suited than the current primary service area responder to meet the community’s current needs.
