June 24, 2016

Dear Chief Elected Official,

In accordance with Connecticut Public Act 16-43 Section 1 the following information is being requested by State of Connecticut Office of Emergency Medical Services (OEMS). Public Act 16-43 Section 1 stipulates:

(e) Not later than October 1, 2016, each municipality shall amend its local emergency medical services plan, as described in section 19a-181b, to ensure that the emergency responder, including, but not limited to, emergency medical services personnel, as defined in section 20-206jj, or a resident state trooper, who is likely to be the first person to arrive on the scene of a medical emergency in the municipality is equipped with an opioid antagonist and such person has received training, approved by the Commissioner of Public Health, in the administration of opioid antagonists.

The OEMS has attached a one page addendum to be returned to our office no later than October 1, 2016. Once completed, please send the attached addendum electronically or hard copy via U.S. mail to the Health Program Assistant assigned to your region. If you have questions about these new requirements please contact:

For regions 1, 2, and 5:

Steven Hotchkiss
Health Program Assistant
(860)509-7832
steven.hotchkiss@ct.gov

For regions 3 and 4:

Jonathan Lillpopp
Health Program Assistant
(860)509-7813
jonathan.lillpopp@ct.gov

Sincerely,

A handwritten signature in blue ink, appearing to read "Raffaella Coler".
