Environmental Health Section, Lead Poisoning Prevention and Control Program

The Lead Poisoning Prevention and Control Program (LPPCP) operates in concert with the Environmental Practitioner Licensure Unit in the Department of Public Health (DPH). The major goal is to eliminate confirmed elevated blood lead levels ($\geq 10\mu\text{g}/\text{dL}$) in children less than 6 years of age in Connecticut by the year 2010. The underlying objective is to protect the health and safety of the people of Connecticut and to prevent lead poisoning and promote wellness through education and a wide range of lead poisoning prevention activities. These activities include:

- (1) monitoring environmental lead related health hazards,
- (2) regulating lead hazard identification, abatement and remediation contractors and activities, and
the practitioners who provide lead consultant and lead abatement services,
- (3) providing testing and monitoring support in concert with the state laboratory,
- (4) collecting and analyzing environmental health data related to lead exposure,
- (5) developing lead poisoning prevention policies, laws, regulations and strategies,
- (6) maintaining a statewide lead surveillance data system,
- (7) providing case management, investigation oversight, and associated services for children ages 6
months through 6 years (in support of local health departments), and
- (8) providing community and professional outreach and educational services.

January 8, 2009		<p data-bbox="521 289 1541 390">CPSC Clarifies Requirements of New Federal Children’s Product Safety Laws - Effective 2/10/09 <i>Guidance Intended for Resellers of Children’s Products, Thrift and Consignment Stores</i></p> <p data-bbox="521 432 1268 464">http://www.cpsc.gov/CPSCPUB/PREREL/prhtml09/09086.html</p> <p data-bbox="521 506 1520 747">In February 2009, new requirements of the Consumer Product Safety Improvement Act (CPSIA) take effect. Manufacturers, importers and retailers are expected to comply with the new Congressionally-mandated laws. Beginning February 10, 2009, children’s products cannot be sold if they contain more than 600 parts per million (ppm) total lead. Certain children’s products manufactured on or after February 10, 2009 cannot be sold if they contain more than 0.1% of certain specific phthalates or if they fail to meet new mandatory standards for toys.</p>

Date	Product	Message
January 13, 2009	"High Speed" Pull Back Toy Cars	<p>The recalled pull back toy car is yellow with "PROWL" printed on the side, "VICTOR" printed on the hood, and a blue and red police warning light on the top. Surface paint on the toy cars contains excessive levels of lead, violating the federal lead paint standard. Importer TDI International, of Los Angeles, Calif.</p> 

Date	Product	Message
January 26, 2010	Children's Sunglasses	<p>The two tone sunglasses come in Spiderweb Blue and Spiderweb Red with a spider web etched in between the eyes and "Made in China" engraved on the right-hand side of the frame. Surface paint on the recalled sunglasses can contain excessive levels of lead, violating the federal lead paint standard. The two tone sunglasses come in Spiderweb Blue and Spiderweb Red with a spider web etched in between the eyes and "Made in China" engraved on the right-hand side of the frame. Importer Axiom International Inc., of Billings, Mont.</p> 

Date	Product	Message
January 27, 2009	Lip Gloss Keychains	<p>This recall involves lip gloss with a metal clasp keychain attached to the cap by a chain. Markings on the lip gloss container read, "Lip Gloss," "Brillant à lèvres," "Fantasy Makers®" and "from the creators of Wet n Wild." The metal clasp attached to the keychain contains high levels of lead. Lead is toxic if ingested by young children and can cause adverse health effects. Imported by Markwins Beauty Products, of City of Industry, Calif.</p> 

Date	Product	Message
January 27, 2009	High School Musical Manicure Kit	<p>This recall involves the pouch that contains the “High School Musical” manicure kit. The 7-1/2 inch by 4-3/4 inch plastic see-through pouch has a pink zipper with “High School Musical” printed in yellow gold with glitter and “Sharpay” printed in dark red on one side. The lettering “HIGH SCHOOL MUSICAL” with glitter on the pouch used with the manicure kit contains excess levels of lead. Lead can be toxic if ingested by young children and cause adverse health effects.</p> 

Date	Product	Message
January 29, 2009	Construction Play Sets	<p>The recall involves the 136-piece Mega Construction Play Set (item# 911346) and includes various construction equipment, vehicles, buildings and roads. The play sets are packaged in a black and yellow box with the word "Builder" printed in the upper left hand corner of the package. Surface paint on the play sets can contain lead, violating the federal lead paint standard.</p>
