Subject: Be Included in Monday's Announcement: Expanded Walk-Up Appointments

Connecticut Department of Public Health

Dear Connecticut COVID Vaccine Providers,

On Monday, we will be announcing expanded walk-up access for COVID-19 vaccine appointments across the State of Connecticut.

We would like to feature as many providers and locations as possible who are offering walk-up appointments - where no pre-scheduling is needed.

To have your provider and location included in Monday's announcement, please send an email to Caroline.Hou@ct.gov with the following information about each clinic offering walk-up appointments:

- **Name of clinic**
- **Location**
- **Days & Hours**

Please send in your information by 11am on Monday morning to be included in this announcement.

Information about the walk-up locations will be included in a press release, featured on our ct.gov/covidvaccine website, and made available to community partners.

Many providers have been offering walk-ups for several weeks as an important way to reduce barriers to COVID vaccine access. We celebrate these efforts, as well as the many other outreach and access efforts that all of you are undertaking.

Thank you!

Department of Public Health
410 Capitol Ave.
Hartford, CT 06134
