DEPARTMENT OF PUBLIC HEALTH

Dear COVID Vaccine Providers,

We are launching a telephone-based scheduling solution in order to ensure that elderly individuals and those with limited technology access will be able to find and receive vaccine. We are looking for a small number of sites to join this pilot project in the next week. More information about how you can sign up / indicate interest will be available soon.

This will be implemented on top of a third-party VAMS clinic or your own process for walk-up clinics.

More information about this opportunities is in the attached memo – and this will be further discussed at this morning’s 9am COVID-19 Vaccine Provider Call.

Thank you,

CT DPH COVID 19 Vaccine team
