DEPARTMENT OF PUBLIC HEALTH

CDC has issued [Interim Considerations for Preparing for the Potential Management of Anaphylaxis at COVID-19 Vaccination Sites](#). Appropriate medical treatment for severe allergic reactions must be immediately available in the event that an acute anaphylactic reaction occurs following administration of Pfizer-BioNTech COVID-19 Vaccine.

Vaccination providers should also be reminded to review, implement, and consult [CDC's Interim Clinical Considerations for Use of Pfizer-BioNTech COVID-19 Vaccine](#). All ACIP recommendations related to COVID-19 vaccine can be found at [ACIP COVID-19 Vaccine Recommendations | CDC](#)

Attached is an updated Pfizer-BioNTech COVID-19 Vaccine Standing Orders Template that includes the anaphylaxis guidance. The template will be updated online this morning.
