

CT WiZ Webinar Registration

Once you have completed online registration for the specific webinar you would like to attend, complete this registration and submit it to DPH.Immunizations@CT.Gov. **Reminder the online webinar registration closes 48 hours prior to the start of the training.**

Clinic:

PIN:

1. Who will be using CT WiZ?

*Please fill in all names that apply to any of the below roles. All individuals who are assigned a role in the table below will need to request access to CT WiZ. This can be done [here](#) by clicking on "Request User Account" and must be done at least **24 hours prior** to the training.*

Primary Vaccine Coordinator	
Backup Vaccine Coordinator	
Vaccine Forecasting/"Recommender"	
Printing out Official Immunizations Records	
Documenting/Entering Immunizations Given	
Conducting Reminder/Recall	
Managing the quality of the patient's data (fixing errors, running reports)	

2. Does anyone in your office currently have access to VTrckS? If so, who?
3. We need a final inventory prior to your scheduled training. This inventory must be exact and will be entered into CT WiZ as your starting inventory. A member of the CVP team will e-mail you an excel file prior to your training of what we currently have on hand for your clinic. Please update this and email back to us at least 1 hour prior to the start of the training.
4. Where do you keep your MMR? Refrigerator Freezer
