CALL TO ORDER : 8:30 pm.

Discussion of February 24, 2023 Meeting : Informed that February 24, 2023 did not formally constitute a meeting as only one member was in attendance. Will revisit the December 2022 meeting minutes for vote. All members will be given a link to view the December 2022 meeting to vote on the minutes.

New Business : Dr. Young explained to new member what to expect from Board responsibilities regarding schools and disciplinary action, and use of the term “Naturopath”.

Dr. Young stated there used to be a jurisprudence exam, in which the NDs in the state took an exam to show they are aware of the scope of practice. Dr. Young would like to know at the next meeting if the exam will be brought back.

Discussion of Status of Pending Cases : Report from Chris Andresen as presented by Board Liaison. There was a single complaint received in 2021 and a single complaint received in 2022. Neither rose to the level or warranting discipline. A complaint has been filed in 2023 and is under investigation.
