	LLL 2022 Update	Due to the potential registration system CT-LLL is considering using for the 2022 HPS, the State agency likely will not be able to pay for 1 staff person per permanent site. Local agencies will have to pay for all staff they plan to send. Sorry for this inconvenience. If anything changes, we will let you know.	All
	Pump update	Manual pumps were delivered to host agencies. If local agencies need electric pumps, we have them available at the State agency as we are awaiting the new warehouse to be selected.

Question on CAPTA and DCF reporting was referred to contact at DCF and follow-up will be discussed in January.
