Local agency Breastfeeding Coordinators Meeting Summary

Friday, February 21, 2025

Virtual Meeting: 12:30-1:30pm

Time	Topic	Actions/Outcome	Lead
12:30pm-12:35pm	Welcome	Announcements, check-in	ML
12:35pm-1:15pm	Cannabis and the Perinatal Period: Connecticut, 2022- Jennifer Morin, MPH, PRAMS Director, Maternal Child Health-CT DPH	<p>Learning Objectives</p> <ol style="list-style-type: none"> 1. Gain a better understanding of cannabis use before, during, and after pregnancy. 2. Learn more opportunities for public health practice, including improved patient education during maternity care encounters. 	JM
1:15pm-1:20pm	Review Cannabis Guidance	Brief review of Jenn's presentation and thoughts re: how to share with staff. Noted the updated resources added to the guidance document shared via email.	ML/LG
1:20pm- 1:25pm	Content sheet assignments	<p>Individuals replied in the chat regarding their workgroup preferences. Updates to the breast pump staff training content sheet, Pumping for Work/School and Exclusive Pumping will begin in March. See attached table for workgroup assignments.</p> <p>Note: Staff training group will focus on funding information on effectiveness of hands-free pumps, other 2 workgroups will review existing content sheet resources and talking points, with emphasis on prenatal education re: pump selection. Information may be shared among Content Sheets.</p>	All
1:25pm-1:30pm	Wrap-up	<p>Additional discussion related to what is the recourse if a participant receives a pump from HUSKY insurance and then reports it is not effective. See WIC 300-12 Guidelines for Breast Pump Issuance for specifics on how to assist participants with HUSKY provided pumps and their questions. wic-300-12-guidelines-for-breast-pump-issuance-revised-10-3-22.pdf</p>	ML/LG
