

For WIC Staff Use Only

Guidance for WIC Staff regarding HUSKY Health Coverage of Breast Pumps

HUSKY A: Children, Parents/caretaker relatives & pregnant women

HUSKY B: Children up to age 19 with family income between 202% and 323% of Federal Poverty Level (FPL)

HUSKY C: Individuals & couples who are Aged, Blind or Disabled (ABD).

HUSKY D: Eligible Low-Income Adults (former LIA or SAGA)

- HUSKY covers Manual Breast Pumps (E0602) and Electric (E0603, AC and/or DC) Breast Pumps with a prescription.
- Hospital grade pumps (E0604) require prior authorization for medical necessity and are rented only.
- Breast pumps are dispensed as durable medical equipment (DME). To find participating DME provider, please call the HUSKY Health Program Medical ASO Member Services, below.
- For questions regarding breast pumps, please contact WIC Breastfeeding Coordinator, Marilyn Lonczak, 860-509-8261 Marilyn.Lonczak@ct.gov and/or Ginny Mahoney (DSS Medical Policy Consultant) at 860-424-5145, Ginny.Mahoney@ct.gov

Member contacts: Please refer WIC participants and HUSKY members to the Community Health Network- CT, (CHNCT) Member Services line 1-800-859-9889 for questions about coverage, use of breast pumps and list of DME providers HUSKY Health
