

Welcome to the Connecticut WIC Vendor Portal New Application User Guide, a screen-by-screen review of the online application screens necessary to apply for Connecticut WIC vendor authorization.

This document is a reference guide for the Connecticut WIC Vendor Portal. It focuses on how to apply online for authorization in the WIC Program. It has procedures for registering for a user account and how to create and submit an application. This user guide does not provide information on the WIC Vendor Agreement that determines authorization into the WIC Program. Information regarding authorization can be found on the Department of Public Health WIC Retailers webpage at <a href="https://portal.ct.gov/DPH/WIC/Retailers">https://portal.ct.gov/DPH/WIC/Retailers</a>.

**PLEASE NOTE**: The Connecticut WIC Program requires that all vendors be SNAP authorized and open continuously for one full calendar year prior to application to be eligible for authorization.

If at any time during this process you have questions please call the Connecticut WIC Program at 860.509.8084 and press #2 or send an email to <u>DPH.ptwic@ct.gov</u> and ask for assistance with the online portal application.

This application process will require you to enter demographic information in a variety of internet screens. To help you with this task, review and complete the **Vendor Portal Worksheet** available for download and printing on the WIC Retailers webpage.

You will also be required to upload documents to the application through the portal. These uploads can take the form of PDF, word documents, and images. For help with scanning, search your mobile device's app store for "scanner apps." You may also want to consult with your local office supply store about scanning.

Lastly, no matter the internet browser that you use, turn off the pop-up blocker in that browser to ensure that all required screens and pop-ups can open.

Let's begin. Proceed to the Login Page of the vendor portal <u>https://ctwicportal.dph.ct.gov/Account/Login</u>.

## Login Page – First time users must click on the Register as a new user button.

When all data has been entered on the **Food Price Entry** screen click Save. The message "Data Saved Successfully" will appear in the blue bar at the bottom of the screen. You may now click Next.

You have now been navigated to the **Uploaded Documents** screen which can be found under the **Communication** button. On the **Uploaded Documents** screen, you are required to **Upload** a minimum of three different documents. The required documents are the following: The **Owner Information Form**, the **Owner's** valid and current state or federal picture **identification**, and the **Connecticut Department of Revenue Services Sales and Tax Use Summary form OS-114**. There are other documents that may be required for uploading depending on your store's demographic profile. See below.

The **Owner Information Form** must be printed from the WIC Retailers webpage and filled out completely. You must then scan the **two-page form as a one-page PDF** (creating one document) for uploading to this screen.

The Connecticut WIC Program considers a **state issued driver's license or picture identification card** as a valid form of identification if it is not expired. The Program also considers a **U.S. government issued passport or visa** as a valid form of identification if it is not expired. You must take a photo of the valid identification and upload it to this screen.

If you have a **store manager**, you are required to upload their valid picture identification to this screen.

You are required to provide your **Sales and Tax Use Summary form OS-114** for the last four tax filing quarters (the previous twelve months). For each filing, depending on whether you file quarterly or monthly, these documents are two pages each. These two-page documents (eight pages total if you file quarterly or twenty-four pages total if you file monthly) should be **scanned as one document** and then uploaded to your application in the portal.

If you have not fulfilled all the system requirements from the Vendor Application screens, clicking will produce an "Ineligibility" message that will provide information as to why you are not eligible to submit the application. There are many different versions of this "ineligibility" message. These messages may be generated due to missing information or failure to meet the Connecticut WIC Program's Vendor Selection Criteria. You should, at all times, refer back to the Vendor Agreement and Appendix A Vendor Selection Criteria for review. The vendor agreement is always available on the WIC Retailers webpage. If you have questions regarding the submission of your application please call the Connecticut WIC Program at 860.509.8084 and press #2 or send an email to <u>DPH.ptwic@ct.gov</u> and ask for assistance with the online portal application.

# If your application was successfully submitted, you will receive an email similar to the one found below at the email addresses entered on the **Demographics** screen.

Dear OPEN ENROLLMENT TEST STORE: Your WIC application has been approved for OPEN ENROLLMENT TEST STORE. You are invited to attend training for WIC authorization. You must
attend a training to complete your application process. Bring this email and a copy of the WIC Vendor Agreement to the training.
If the person who will attend is someone other than the owner of the store, he or she must bring a signed training authorization letter that authorizes that person to be trained on their behalf by the WIC Program and present it to be admitted to the training session. This representative will be responsible for training the owner and all other employees handling WIC transactions. The training authorization letter is found on the WIC website.
You may log back into your vendor portal account and select the training date and location that is most convenient for you. All trainings start promptly and you will not be allowed to enter after the training has begun.
If you have any questions about your application, please contact us at <u>DPH.PTwic@ct.gov</u> .
Thank you.

At any time, and for any reason (completing or editing the application, submitting the application, or choosing training), when **RE-ENTERING THE PORTAL** you will now be re-directed from the **State** screen to the **Make Active** screen seen below. **EVERY TIME** that you login to the vendor portal you will be re-directed to this screen and you must make the vendor record that you want to access "Active." Do this by clicking on the row then clicking **Make Active**. The message "Vendor has been made active" will appear in the blue bar at the bottom of the screen.
