

## Connecticut WIC Program Retailer Bulletin October 2016

---

### **CLARIFICATION: INFANT FORMULA - EFFECTIVE OCTOBER 1, 2016**

#### **Enfamil**

Enfamil products must still be available and sold to WIC participants if it is on their eWIC card family benefit list or last receipt. Connecticut WIC vendors are no longer required to stock Enfamil Infant at all times as a minimum inventory item. However, if any Enfamil products are requested, they must be made available within 48 hours in order to serve participants.

#### **Similac**

Substitutions of Similac for Enfamil are not allowed and vice versa. New benefits for Similac products are being issued this month to WIC participants. Similac Advance powder in 12.4 ounce cans, and/or Similac Advance concentrate in 13 ounce metal cans are now required to be carried and only provided when on the eWIC card.
