Cheryl Davis, R.N. Public Health Services Manager  
Kim Hriceniak, R.N. Public Health Services Manager

DATE: October 24, 2023

SUBJECT: Facility Licensing and Investigation Section Portal Updates

---

The Department of Public Health's Facility Licensing and Investigations Section (FLIS) will be updating the web-based Reportable Event Portal.

The updates include adding additional questions if the facility answers "YES" to law enforcement being notified.

In addition to streamline the reporting system, each instance of resident-to-resident abuse can be submitted on one report that will include the names of both residents who were involved.

As a reminder, when the *initial report* is made, please provide as much information as possible to show the immediate actions that have been taken to protect the residents.

The updates to the portal are planned to go live on October 25, 2023.

For questions on updates to the reporting portal please contact [dph.flisadmin@ct.gov](mailto:dph.flisadmin@ct.gov)
