SUBJECT: The Medication Administration and Supervision Training to Support Recovery (MASTSR) Program, (the training program for the Medication Administration Training (MAT) initiative)

In order to support Residential Care Home (RCH) staff in successfully completing the Phase I: Medication Administration Training and Exam, Carelon, the Department of Social Services' (DSS) Administrator for the RCH Medication Administration Certification, has pulled together the following resources to assist staff in studying for the exam:

Study Resources for the Medication Administration Exam are available through the CT Department of Public Health [website](#):

- [Student Manual](#)
- [Phase 1 resource manual 2023](#)

Additionally, Carelon is offering online virtual test preparation sessions for staff who have completed the online training and are preparing for the proctored exam.

A Medication Certification Virtual Test Preparation class is offered weekly, on the first and third Wednesday from 2:30-3:30pm and second and fourth Friday from 10-11am via TEAMS.

Please reach out to CTBHPMASTR@carelon.com for upcoming scheduled dates, to receive invite(s) to the training and/or with any additional questions or concerns.
