James Augustyn, Public Health Services Manager

DATE: October 16, 2024

SUBJECT: Back to Basics Conference

On November 13, 2024, the Department of Public Health (DPH) in collaboration with the Connecticut Department of Social Services (DSS) and the Connecticut Long Term Care Ombudsperson Program (LTCOP) is hosting and presenting a conference titled, Level Setting Back to Basic: Critical Items Post Covid.

In a post-Covid environment, the nursing home transition from response to recovery has been difficult and complicated by challenges that include access to qualified and competent staff. More so than ever, it is critical that we return to the basics. This conference is intended to support nursing homes with presentations from DPH, DSS and LTCOP in taking that step.

This training is appropriate for Nursing Home Administrators and Directors of Nursing. Please see the attached to assist with registration.
