Attention Families:

Limited funds are available for families who have children and youth with special health care needs (CYSHCN) for **direct respite services**. The purpose of respite is to provide some relief to families caring for children and youth with special health care needs. These direct respite services are to be family directed, with the provider and the location of the respite services to be determined by family choice.

The limited respite funds will be awarded based upon family need.

To be considered eligible for Respite Service Funds:

- 1. Fill out the Entire application including Respite Service Funds Form B, Request Form A, and the Children and Youth with Special Health Care Needs and Family Need Checklist attached to this letter. We need all 7 pages, as well as proof of income. You must include both parent and child's social security numbers, in order to be considered for funds. Please return all forms in the postage free envelope provided.**
