---

The Public Health Preparedness and Local Health Section would like to share that Renee DiNardi has left the Department of Public Health to pursue a new career opportunity. We wish her the best of luck in her future pursuits.

Many of you consulted with Ms. DiNardi during your contractual budget review processes for the Epidemiology and Laboratory Capacity (ELC1) funding, Per Capita funding, and Public Health Emergency Preparedness (PHEP) contracts.

In her absence, we ask that you continue to direct questions and contractual documents to the appropriate email accounts set up for managing the section's contractual obligations.

- For PHEP contract funding questions, including budget and programmatic reports: [DPH.PHEP@ct.gov](mailto:DPH.PHEP@ct.gov)

If you have emailed or asked Ms. DiNardi questions recently that remain outstanding, please consider resending your questions to the email accounts noted above, so that we can address them in a timely manner. Thank you.
