The Department will not accept a postmark date as the basis for meeting the submission due date and time. Proposals received after the due date and time may be accepted by DPH as a clerical function, but late proposals will not be evaluated. At the discretion of the Department, late proposals may be destroyed or retained for pick up by the submitters.

An acceptable submission must include the following:

- One (1) original unbound proposal (marked as original);
- Five (5) conforming unbound copies (marked as copy) of the original proposal; and
- One (1) conforming electronic copy of the original proposal.

The original proposal must carry original signatures and be clearly marked on the cover as "Original." Unsigned proposals will not be evaluated. The original proposal and each conforming copy of the proposal must be complete, properly formatted and outlined, and ready for evaluation by the Screening Committee.

The electronic copy of the proposal must be compatible with **Microsoft Office Word 2013**. For the electronic copy, required forms and appendices may be scanned and submitted in Portable Document Format (PDF) or similar file format.

- 11. Multiple Proposals.** The submission of multiple proposals is not an option with this procurement.
- 12. Declaration of Confidential Information.** Proposers are advised that all materials associated with this procurement are subject to the terms of the Freedom of Information Act (FOIA), the Privacy Act,

and all rules, regulations and interpretations resulting from them. If a proposer deems that certain information required by this RFP is confidential, the proposer must label such information as CONFIDENTIAL. In Section IV. C of the proposal submission, the proposer must reference where the information labeled CONFIDENTIAL is located in the proposal. *EXAMPLE: Section G.1.a.* For each subsection so referenced, the proposer must provide a convincing explanation and rationale sufficient to justify an exemption of the information from release under the FOIA. The explanation and rationale must be stated in terms of (a) the prospective harm to the competitive position of the proposer that would result if the identified information were to be released and (b) the reasons why the information is legally exempt from release pursuant to C.G.S. § 1-210(b).

13. Conflict of Interest - Disclosure Statement. Proposers must include a disclosure statement concerning any current business relationships (within the last three (3) years) that pose a conflict of interest, as defined by C.G.S. § 1-85. A conflict of interest exists when a relationship exists between the proposer and a public official (including an elected official) or State employee that may interfere with fair competition or may be adverse to the interests of the State. The existence of a conflict of interest is not, in and of itself, evidence of wrongdoing. A conflict of interest may, however, become a legal matter if a proposer tries to influence, or succeeds in influencing, the outcome of an official decision for their personal or corporate benefit. The Department will determine whether any disclosed conflict of interest poses a substantial advantage to the proposer over the competition, decreases the overall competitiveness of this procurement, or is not in the best interests of the State.

In the absence of any conflict of interest, a proposer must affirm such in the disclosure statement. Example: "[name of proposer] has no current business relationship (within the last three (3) years) that poses a conflict of interest, as defined by C.G.S. § 1-85."

D. PROPOSAL FORMAT

- 1. Required Outline. All proposals must follow the required outline presented in Section IV – Proposal Outline. Proposals that fail to follow the required outline will be deemed non-responsive and not evaluated.**
- 2. Cover Sheet.** The Cover Sheet is Page 1 of the proposal. Proposers must complete and use the Cover Sheet form provided by DPH in Section V. A. 1. Attachments.

Legal Name is defined as the name of private provider organization, CT State agency, or municipality submitting the proposal. *Contact Person* is defined as the individual who can provide additional information about the proposal or who has immediate responsibility for the proposal.

Authorized Official is defined as the individual empowered to submit a binding offer on behalf of the proposer to provide services in accordance with the terms and provisions described in this RFP and any amendments or attachments hereto.

- 3. Table of Contents.** All proposals must include a Table of Contents that conforms to the required proposal outline. (See Section IV. Proposal Outline)
- 4. Executive Summary.** Proposals must include a high-level summary, not exceeding two (2) pages of the main proposal and cost proposal.
- 5. Attachments.** Attachments other than the required Appendices or Forms identified in Section IV are not permitted and will not be evaluated. Further, the required Appendices or Forms must not be altered or used to extend, enhance, or replace any component required by this RFP. Failure to abide by these instructions will result in disqualification.
- 6. Style Requirements.** Submitted proposals must conform to the following specifications:

7. Pagnation. The proposer’s name (e.g., agency or organization name) must be displayed in the header of each page. All pages, including the required Appendices and Forms, must be clearly and consecutively numbered at the bottom center of each page.

8. Packaging and Labeling Requirements. All proposals must be submitted in sealed envelopes or packages and be addressed to the Official Contact. The Legal Name and Address of the proposer must appear in the upper left corner of the envelope or package. The RFP Name or Number must be clearly displayed on the envelope or package.

Any received proposal that does not conform to these packaging or labeling instructions will be opened as general mail. Such a proposal may be accepted by DPH as a clerical function, but it will not be evaluated. At the discretion of the Department, such a proposal may be destroyed or retained for pick up by the submitters.

E. EVALUATION OF PROPOSALS

1. Evaluation Process. It is the intent of the Department to conduct a comprehensive, fair, and impartial evaluation of proposals received in response to this RFP. When evaluating proposals, negotiating with successful proposers, and awarding contracts, the Department will conform with its written procedures for POS procurements (pursuant to C.G.S. § 4-217) and the State’s Code of Ethics (pursuant to C.G.S. §§ 1-84 and 1-85).

2. Screening Committee. The Department will designate a Screening Committee to evaluate proposals submitted in response to this RFP. The contents of all submitted proposals, including any confidential information, will be shared with the Screening Committee. Only proposals found to be responsive (that is, complying with all instructions and requirements described herein) will be reviewed, rated, and scored. Proposals that fail to comply with all instructions will be rejected without further consideration. Attempts by any proposer (or representative of any proposer) to contact or influence any member of the Screening Committee may result in disqualification of the proposer.

3. Minimum Submission Requirements. All proposals must comply with the requirements specified in this RFP. To be eligible for evaluation, proposals must (1) be received on or before the due date and time; (2) meet the Proposal Format requirements; (3) follow the required Proposal Outline; and (4) be complete and in compliance with requirements specified in the RFP. Proposals that fail to follow instructions or satisfy these minimum submission requirements will not be reviewed further. The Department will reject any proposal that deviates significantly from the requirements of this RFP. **In addition, applicants with long-standing significant unresolved issues on current or prior year contracts with the DPH may be removed from consideration for additional funding.**

4. Evaluation Criteria (and Weights). Proposals meeting the Minimum Submission Requirements will be evaluated according to the established criteria. The criteria are the objective standards that the Screening Committee will use to evaluate the technical merits of the proposals. Only the criteria listed below will be used to evaluate proposals. The criteria are weighted according to their relative importance. The weights are disclosed below (Total of 100):

- Organizational Profile (15)
- Service Requirements - Scope of Services (30)
- Staffing Requirements – Implementation Plan (15) *see note*
- Data and Technology Requirements (10)
- Work Plan (10)

- Financial Profile (10)
- Budget Requirements - Budget and Budget Narrative (10)

Note:

As part of its evaluation of the Staffing Plan, the Screening Committee will consider the proposer's demonstrated commitment to affirmative action, as required by the Regulations of CT State Agencies § 46A-68j-30(10).

- 5. Proposer Selection.** Upon completing its evaluation of proposals, the Screening Committee will submit the rankings of all proposals to the Department head. The final selection of a successful proposer is at the discretion of the Department head. Any proposer selected will be so notified and awarded an opportunity to negotiate a contract with the Department. Such negotiations may, but will not automatically, result in a contract. Pursuant to Governor M. Jodi Rell's Executive Order No. 3, any resulting contract will be posted on the State Contracting Portal. All unsuccessful proposers will be notified by e-mail or U.S. mail, at the Department's discretion, about the outcome of the evaluation and proposer selection process.
- 6. Debriefing.** Within ten (10) days of receiving notification from the Department, unsuccessful proposers may contact the Official Contact and request information about the evaluation and proposer selection process. The e-mail sent date or the postmark date on the notification envelope will be considered "day one" of the ten (10) days. If unsuccessful proposers still have questions after receiving this information, they may contact the Official Contact and request a meeting with the Department to discuss the evaluation process and their proposals. If held, the debriefing meeting will not include any comparisons of unsuccessful proposals with other proposals. The Department will schedule and hold the debriefing meeting within fifteen (15) days of the request. The Department will not change, alter, or modify the outcome of the evaluation or selection process as a result of any debriefing meeting.
- 7. Appeal Process.** Proposers may appeal any aspect the Department's competitive procurement, including the evaluation and proposer selection process. Any such appeal must be submitted to the Department head. A proposer may file an appeal at any time after the proposal due date, but not later than thirty (30) days after an agency notifies unsuccessful proposers about the outcome of the evaluation and proposer selection process. The e-mail sent date or the postmark date on the notification envelope will be considered "day one" of the thirty (30) days. The filing of an appeal shall not be deemed sufficient reason for the Department to delay, suspend, cancel, or terminate the procurement process or execution of a contract. More detailed information about filing an appeal may be obtained from the Official Contact.
- 8. Contract Execution.** Any contract developed and executed as a result of this RFP is subject to the Department's contracting procedures, which may include approval by the Office of the Attorney General.

II. MANDATORY PROVISIONS

This section of the RFP provides information about the State's mandatory procurement and contracting requirements, including, the standard Purchase of Service contract, proposer assurances, the terms and conditions of this RFP, the rights reserved to the State, and compliance with statutes and regulations. The Department is solely responsible for rendering decisions in matters of interpretation of all mandatory provisions.

A. POS STANDARD CONTRACT, PARTS I AND II

By submitting a proposal in response to this RFP, the proposer implicitly agrees to comply with the provisions of Parts I and II of the State's "standard contract" for POS:

Part I of the standard contract is maintained by the Department and will include the scope of services, contract performance, quality assurance, reports, terms of payment, budget, and other program-specific provisions of any resulting POS contract. A sample of Part I is available from the Department's Official Contact upon request.

Part II of the standard contract is maintained by the Office of Policy and Management (OPM) and includes the mandatory terms and conditions of the POS contract. Part II is available on OPM's website at: http://www.ct.gov/opm/fin/standard_contract

Note:

Included in Part II of the standard contract is the State Elections Enforcement Commission's (SEEC) notice (pursuant to C.G.S. § 9-612(g)(2)) advising executive branch State contractors and prospective State contractors of the ban on campaign contributions and solicitations. If a proposer is awarded an opportunity to negotiate a contract with the Department and the resulting contract has an anticipated value in a calendar year of \$50,000 or more, or a combination or series of such agreements or contracts has an anticipated value of \$100,000 or more, the proposer must inform the proposer's principals of the contents of the SEEC notice.

Part I of the standard contract may be amended by means of a written instrument signed by the Department, the selected proposer (contractor), and, if required, the Attorney General's Office. Part II of the standard contract may be amended only in consultation with, and with the approval of, the Office of Policy and Management (OPM) and the Attorney General's Office.

B. ASSURANCES

By submitting a proposal in response to this RFP, a proposer implicitly gives the following assurances:

- 1. Collusion.** The proposer represents and warrants that the proposer did not participate in any part of the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance. The proposer further represents and warrants that no agent, representative, or employee of the State participated directly in the preparation of the proposer's proposal. The proposer also represents and warrants that the submitted proposal is in all respects fair and is made without collusion or fraud.
- 2. State Officials and Employees.** The proposer certifies that no elected or appointed official or employee of the State has or will benefit financially or materially from any contract resulting from this RFP. The Department may terminate a resulting contract if it is determined that gratuities of any kind were either offered or received by any of the aforementioned officials or employees from the proposer, contractor, or its agents or employees.

-
- 3. Competitors.** The proposer assures that the submitted proposal is not made in connection with any competing organization or competitor submitting a separate proposal in response to this RFP. No attempt has been made, or will be made, by the proposer to induce any other organization or competitor to submit, or not submit, a proposal for the purpose of restricting competition. The proposer further assures that the proposed costs have been arrived at independently, without consultation, communication, or agreement with any other organization or competitor for the purpose of restricting competition. Nor has the proposer knowingly disclosed the proposed costs on a prior basis, either directly or indirectly, to any other organization or competitor.
 - 4. Validity of Proposal.** The proposer certifies that the proposal represents a valid and binding offer to provide services in accordance with the terms and provisions described in this RFP and any amendments or attachments hereto. The proposal shall remain valid for a period of 180 days after the submission due date and may be extended beyond that time by mutual agreement. At its sole discretion, the Department may include the proposal, by reference or otherwise, into any contract with the successful proposer.
 - 5. Press Releases.** The proposer agrees to obtain prior written consent and approval of the Department for press releases that relate in any manner to this RFP or any resultant contract.

C. TERMS AND CONDITIONS

By submitting a proposal in response to this RFP, a proposer implicitly agrees to comply with the following terms and conditions:

- 1. Equal Opportunity and Affirmative Action.** The State is an Equal Opportunity and Affirmative Action employer and does not discriminate in its hiring, employment, or business practices. The State is committed to complying with the Americans with Disabilities Act of 1990 (ADA) and does not discriminate on the basis of disability in admission to, access to, or operation of its programs, services, or activities.
- 2. Preparation Expenses.** Neither the State nor the Department shall assume any liability for expenses incurred by a proposer in preparing, submitting, or clarifying any proposal submitted in response to this RFP.
- 3. Exclusion of Taxes.** The Department is exempt from the payment of excise and sales taxes imposed by the federal government and the State. Proposers are liable for any other applicable taxes.
- 4. Proposed Costs.** No cost submissions that are contingent upon a State action will be accepted. All proposed costs must be fixed through the entire term of the contract.
- 5. Changes to Proposal.** No additions or changes to the original proposal will be allowed after submission. While changes are not permitted, the Department may request and authorize proposers to submit written clarification of their proposals, in a manner or format prescribed by the Department, and at the proposer's expense.
- 6. Supplemental Information.** Supplemental information will not be considered after the deadline submission of proposals, unless specifically requested by the Department. The Department may ask a proposer to give demonstrations, interviews, oral presentations or further explanations to clarify information contained in a proposal. Any such demonstration, interview, or oral presentation will be at a time selected and in a place provided by the Department. At its sole discretion, the Department may limit the number of proposers invited to make such a demonstration, interview, or oral presentation and may limit the number of attendees per proposer.

-
- 7. Presentation of Supporting Evidence.** If requested by the Department, a proposer must be prepared to present evidence of experience, ability, data reporting capabilities, financial standing, or other information necessary to satisfactorily meet the requirements set forth or implied in this RFP. The Department may make onsite visits to an operational facility or facilities of a proposer to evaluate further the proposer's capability to perform the duties required by this RFP. At its discretion, the Department may also check or contact any reference provided by the proposer.
 - 8. RFP Is Not An Offer.** Neither this RFP nor any subsequent discussions shall give rise to any commitment on the part of the State or the Department or confer any rights on any proposer unless and until a contract is fully executed by the necessary parties. The contract document will represent the entire agreement between the proposer and the Department and will supersede all prior negotiations, representations or agreements, alleged or made, between the parties. The State shall assume no liability for costs incurred by the proposer or for payment of services under the terms of the contract until the successful proposer is notified that the contract has been accepted and approved by the Department and, if required, by the Office of the Attorney General.

D. RIGHTS RESERVED TO THE STATE

By submitting a proposal in response to this RFP, a proposer implicitly accepts that the following rights are reserved to the State:

- 1. Timing Sequence.** The timing and sequence of events associated with this RFP shall ultimately be determined by the Department.
- 2. Amending or Canceling RFP.** The Department reserves the right to amend or cancel this RFP on any date and at any time, if the Department deems it to be necessary, appropriate, or otherwise in the best interests of the State.
- 3. No Acceptable Proposals.** In the event that no acceptable proposals are submitted in response to this RFP, the Department may reopen the procurement process, if it is determined to be in the best interests of the State.
- 4. Award and Rejection of Proposals.** The Department reserves the right to award in part, to reject any and all proposals in whole or in part, for misrepresentation or if the proposal limits or modifies any of the terms, conditions, or specifications of this RFP. The Department may waive minor technical defects, irregularities, or omissions, if in its judgment the best interests of the State will be served. The Department reserves the right to reject the proposal of any proposer who submits a proposal after the submission date and time.

Primary care and mental/behavioral services are provided in accordance with nationally recognized standards.

Referrals to the SBHC come from numerous sources including, but not limited to: parents/guardians, school nurses, student support personnel (social workers, psychologists, guidance counselors) teachers, administrators and other school staff, and other outside entities.

Primary care services include, but are not limited to: health assessments, including comprehensive physical exams, health screenings and risk appraisals, individual and group health counseling, diagnosis and treatment of acute illness and injury, management and monitoring of chronic diseases including, but not limited to asthma, obesity and diabetes, administering immunizations, providing reproductive health care as appropriate, laboratory testing and prescribing and administering medications, follow-up and referral to community based health providers or medical home for needed services outside the scope of SBHC practice.

NOTIFICATION TO BIDDERS

The contract to be awarded is subject to contract compliance requirements mandated by Section 4-114a of the Connecticut General Statutes; and, when the awarding agency is the state, Section 46a-71(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 4-114a et. seq. of the Regulations of Connecticut State Agencies which establish a procedure for the awarding of all contracts covered by Sections 4-114a and 46a-71(d) of the Connecticut General Statutes.

According to Section 4-114a-3(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to "aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials." "Minority business enterprise" is defined in Section 4-114a of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: "(1) who are active in the daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n." "Minority" groups are defined in Section 32-9n of the Connecticut General Statutes as "(1) Black Americans...(2) Hispanic Americans...(3) Women...(4) Asian Pacific Americans and Pacific Islanders; or (5) American Indians..." The above definitions apply to the contract compliance requirements by virtue of Section 4-114a-1 (10) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder's qualifications under the contract compliance requirements:

- a) the bidder's success in implementing an affirmative action plan;
- b) the bidder's success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Connecticut General Statutes, inclusive;
- c) the bidder's promise to develop and implement a successful affirmative action plan;
- d) the bidder's submission of EEO-1 data indicating the composition of its work force is at or near parity when compared to the racial and sexual composition of the work force in the relevant labor market area; and
- e) the bidder's promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 4-114a-3 (10) of the Contract Compliance Regulations.

1.0 Purpose

The Deficit Reduction Act (“Act”) of 2005 is the federal government’s legislative effort to control spending for entitlement programs, such as Medicaid. The Department is also required to establish and inform all employees, contractors, qualified providers and agents about the Department’s policies and procedures for the detection and prevention of fraud, waste and abuse, the protection afforded to any person who reports an incident of a false claim to a regulatory body (e.g., Whistleblower Protection) and any civil or criminal penalties for false claims.

4.0 Compliance

4.1 False Claim Act

The FCA prohibits any person, firm, corporation or entity from knowingly presenting, or causing to be presented, a false claim or statement to a federally funded program, including Medicaid, or conspiring to defraud the federal government. Any person, company or entity that acts in deliberate ignorance of or with reckless disregard of the truth of such information is considered to have acted knowingly.

The civil penalty for violating the FCA is a fine of not less than \$5,000 and not more than \$10,000 per violation. The person, company or entity may also be fined an additional three times the amount of damages sustained by the federal government. The PFCRA also provides that any person or company that commits fraud by making a false statement or claim can be assessed a penalty of \$5,000 per false claim or statement in addition to the penalties available under the FCA.

A person may bring a civil action for violating the FCA on behalf of said person and the United States government. If the federal government proceeds with an action brought by such person then that person shall receive at least 15 percent but not more than 25 percent of the proceeds of the action or settlement. If the federal government does not proceed with the action and the person initiating the action proceeds, then the person bringing the action shall receive a reasonable amount, to be determined by the court, but not less than 25% and not more than 30% of the proceeds of the action or settlement.

The FCA prohibits retaliation by an employer against an employee for bringing a false claim action or participating in such action (Whistleblower Protection). Any employee subject to retaliation by an entity, contractor or agent shall be entitled to all relief necessary to make the employee whole, including but not limited to reinstatement, two times the amount of back pay, interest on back pay and special damages.

4.2 State False Claim Related Acts

Under Connecticut's Vendor Fraud statute it is illegal for a person on his own behalf or on the behalf of an entity, with intent, to fraudulently provide goods or services to a beneficiary or recipient under Title XIX or to fraudulently receive goods or services. Connecticut law also prohibits any vendor from fraudulently providing services or goods for any recipient of General Assistance. The State Whistleblower law provides any employee who reports a suspected violation of state or federal law with protection against retaliation by the employer. State law also prohibits any person, corporation, state or political subdivision from blacklisting any employee.
