- (a) No amendment to or modification or other alteration of this Contract shall be valid or binding upon the parties unless made in writing, signed by the parties and, if applicable, approved by the OAG.

- (c) If the Agency decides to reduce the compensation, the Agency shall send written Notice to the Contractor. Within twenty (20) Days of the Contractor's receipt of the Notice, the Contractor and the Agency shall negotiate the implementation of the reduction of compensation unless the parties mutually agree that such negotiations would be futile. The Agency, after receiving written Notice from the Contractor of any such change, may require such contracts, releases and other instruments evidencing, to the Agency's satisfaction, that any individuals retiring or otherwise separating from the Contractor have been compensated in full or that allowance has been made for compensation in full, for all work performed under terms of the Contract. The Contractor shall deliver such documents to the Agency in accordance with the terms of the Agency's written request. The Agency may also require, and the Contractor shall deliver, a financial statement showing that solvency of the Contractor is maintained. The death of any Contractor Party, as applicable, shall not release the Contractor from the obligation to perform under the Contract; the surviving Contractor Parties, as appropriate, must continue to perform under the Contract until performance is fully completed.
- (c) Assignment. The Contractor shall not assign any of its rights or obligations under the Contract, voluntarily or otherwise, in any manner without the prior written consent of the Agency.

3. Breach.

- (a) If either party Breaches this Contract in any respect, the non-breaching party shall provide written notice of the Breach to the breaching party and afford the breaching party an opportunity to cure within ten (10) Days from the date that the breaching party receives the notice. In the case of a Contractor Breach, the Agency may modify the ten (10) day cure period in the notice of Breach. The right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure, but the nature of the Breach is such that it cannot be cured within the right to cure period. The Notice may include an effective Contract cancellation date if the Breach is not cured by the stated date and, unless otherwise modified by the non-breaching party in writing prior to the cancellation date, no further action shall be required of any party to effect the cancellation as of the stated date. If the notice does not set forth an effective Contract cancellation date, then the non-breaching party may cancel the Contract by giving the breaching party no less than twenty four (24) hours' prior written Notice after the expiration of the cure period.
- (b) If the Agency believes that the Contractor has not performed according to the Contract, the Agency may:

4. **Non-enforcement Not to Constitute Waiver.** No waiver of any Breach of the Contract shall be interpreted or deemed to be a waiver of any other or subsequent Breach. All remedies afforded in the Contract shall be taken and construed as cumulative, that is, in addition to every other remedy provided in the Contract or at law or in equity. A party's failure to insist on strict performance of any section of the

Contract shall only be deemed to be a waiver of rights and remedies concerning that specific instance of performance and shall not be deemed to be a waiver of any subsequent rights, remedies or Breach.

5. **Suspension.** If the Agency determines in its sole discretion that the health and welfare of the Clients or public safety is being adversely affected, the Agency may immediately suspend in whole or in part the Contract without prior notice and take any action that it deems to be necessary or appropriate for the benefit of the Clients. The Agency shall notify the Contractor of the specific reasons for taking such action in writing within five (5) Days of immediate suspension. Within five (5) Days of receipt of this notice, the Contractor may request in writing a meeting with the Agency Head or designee. This action of the Agency head or designee shall be considered final.
6. **Ending the Contractual Relationship.**
 - (a) This Contract shall remain in full force and effect for the duration of its entire term or until such time as it is terminated earlier by either party or cancelled. Either party may terminate this contract by providing at least sixty (60) days prior written notice pursuant to the Notice requirements of this Contract.
 - (b) The Agency may immediately terminate the Contract in whole or in part whenever the Agency makes a determination that such termination is in the best interest of the State. Notwithstanding Section D.2, the Agency may immediately terminate or cancel this Contract in the event that the Contractor or any subcontractors becomes financially unstable to the point of threatening its ability to conduct the services required under this Contract, ceases to conduct business in the normal course, makes a general assignment for the benefit of creditors, suffers or permits the appointment of a receiver for its business or its assets.
 - (c) The Agency shall notify the Contractor in writing of Termination pursuant to subsection (b) above, which shall specify the effective date of termination and the extent to which the Contractor must complete or immediately cease performance. Such Notice of Termination shall be sent in accordance with the Notice provision contained on page 1 of this Contract. Such Records are deemed to be the property of the Agency and the Contractor shall deliver them to the Agency no later than thirty (30) days after the Termination of the Contract or fifteen (15) days after the Contractor receives a written request from the Agency for the specified records whichever is less. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to ASCII or .TXT.
 - (d) The Agency may terminate the Contract at any time without prior notice when the funding for the Contract is no longer available.
 - (e) The Contractor shall deliver to the Agency any deposits, prior payment, advance payment or down payment if the Contract is terminated by either party or cancelled within thirty (30) days after receiving demand from the Agency. The Contractor shall return to the Agency any funds not expended in accordance with the terms and conditions of the Contract and, if the Contractor fails to do so upon demand, the Agency may recoup said funds from any future payments owing under this Contract or any other contract between the State and the Contractor. Allowable costs, as detailed in audit findings,

incurred until the date of termination or cancellation for operation or transition of program(s) under this Contract shall not be subject to recoupment.

7. Transition after Termination or Expiration of Contract.

- (a) If this Contract is terminated for any reason, cancelled or it expires in accordance with its term, the Contractor shall do and perform all things which the Agency determines to be necessary or appropriate to assist in the orderly transfer of Clients served under this Contract and shall assist in the orderly cessation of Services it performs under this Contract. In order to complete such transfer and wind down the performance, and only to the extent necessary or appropriate, if such activities are expected to take place beyond the stated end of the Contract term then the Contract shall be deemed to have been automatically extended by the mutual consent of the parties prior to its expiration without any affirmative act of either party, including executing an amendment to the Contract to extend the term, but only until the transfer and winding down are complete.
- (b) If this Contract is terminated, cancelled or not renewed, the Contractor shall return to the Agency any equipment, deposits or down payments made or purchased with start-up funds or other funds specifically designated for such purpose under this Contract in accordance with the written instructions from the Agency in accordance with the Notice provision of this Contract. The Contractor shall deliver such documents to the Agency in accordance with the terms of the Agency's written request. The Agency may also require, and the Contractor shall deliver, a financial

statement showing that solvency of the Contractor is maintained. The death of any Contractor Party, as applicable, shall not release the Contractor from the obligation to perform under the Contract; the surviving Contractor Parties, as appropriate, must continue to perform under the Contract until performance is fully completed.

- (c) Assignment. The Contractor shall not assign any of its rights or obligations under the Contract, voluntarily or otherwise, in any manner without the prior written consent of the Agency.

In the case of a Contractor Breach, the Agency may modify the ten (10) day cure period in the notice of Breach. The right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure, but the nature of the Breach is such that it cannot be cured within the right to cure period. The Notice may include an effective Contract Termination date if the Breach is not cured by the stated date and, unless otherwise modified by the non-breaching party in writing prior to the Termination date, no further action shall be required of any party to effect the Termination as of the stated date. - (7) any combination of the above actions.
- (c) The Contractor shall return all unexpended funds to the Agency no later than thirty (30) calendar days after the Contractor receives a demand from the Agency.
- (d) In addition to the rights and remedies granted to the Agency by this Contract, the Agency shall have all other rights and remedies granted to it by law in the event of Breach of or default by the Contractor under the terms of this Contract.
- (e) The action of the Agency shall be considered final. If at any step in this process the Contractor fails to comply with the procedure and, as applicable, the mutually agreed plan of correction, the Agency may proceed with Breach remedies as listed under this section.
4. **Non-enforcement Not to Constitute Waiver.** No waiver of any Breach of the Contract shall be interpreted or deemed to be a waiver of any other or subsequent Breach. All remedies afforded in the Contract shall be taken and construed as cumulative, that is, in addition to every other remedy provided in the Contract or at law or in equity. A party's failure to insist on strict performance of any section of the Contract shall only be deemed to be a waiver of rights and remedies concerning that specific instance of performance and shall not be deemed to be a waiver of any subsequent rights, remedies or Breach.

See SEEC Form 11 reproduced below:

NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF CAMPAIGN CONTRIBUTION AND SOLICITATION BAN

This notice is provided under the authority of Connecticut General Statutes § 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined below):

Campaign Contribution and Solicitation Ban

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract* or *state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or *solicit* contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties—\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The Department shall notify the Contractor of the specific reasons for taking such action in writing within five (5) business days of cancellation. Within five (5) business days of receipt of this notice, the Contractor may request in writing a meeting with the commissioner of the Department or his/her designee. 6. **Equipment.** In the event this Contract is terminated or not renewed, the Department reserves the right to recoup any equipment, deposits or down payments made or purchased with start-up funds or other funds specifically designated for such purpose under this Contract. For purposes of this provision, equipment means tangible personal property with a normal useful life of at least one year and a value of at least \$5,000. Equipment shall be considered purchased from Contractor funds and not from

Prior to incurring expenses related to the orderly transfer or continuation of services to service recipients beyond the terms of the contract, the Department and the Contractor agree to negotiate a termination amendment to the existing agreement to address current program components and expenses, anticipated expenses necessary for the orderly transfer of service recipients and changes to the current program to address service recipient needs. The Contractual agreement may be amended as necessary to assure transition requirements are met during the term of this contract. The Contractor and the Department agree to negotiate on the implementation of the reduction within 30 days of receipt of formal notification of intent to reduce the contracted amount of compensation from the Department. If agreement on the implementation of the reduction is not reached within thirty (30) calendar days of such formal notification and a contract amendment has not been executed, the

Department may terminate the contract sixty (60) days from receipt of such formal notification. The Department will formally notify the Contractor of the termination date.

3. **Default by the Contractor:**

- a. If the Contractor defaults as to, or otherwise fails to comply with, any of the conditions of this contract the Department may:
- (1) withhold payments until the default is resolved to the satisfaction of the Department;
 - (2) temporarily or permanently discontinue services under the contract;
 - (3) require that unexpended funds be returned to the Department;
 - (4) assign appropriate state personnel to execute the contract until such time as the contractual defaults have been corrected to the satisfaction of the Department;
 - (5) require that contract funding be used to enter into a sub-contract arrangement with a person or persons designated by the Department in order to bring the program into contractual compliance;
 - (6) terminate this contract;
 - (7) take such other actions of any nature whatsoever as may be deemed appropriate for the best interests of the state or the program(s) provided under this contract or both;
 - (8) any combination of the above actions
- b. In addition to the rights and remedies granted to the Department by this contract, the Department shall have all other rights and remedies granted to it by law in the event of breach of or default by the Contractor under the terms of this contract.
- c. Prior to invoking any of the remedies for default specified in this paragraph except when the Department deems the health or welfare of service recipients is endangered as specified in Part II Section A.3 of this agreement or has not met requirements as specified in clause 8, the Department shall notify the Contractor in writing of the specific facts and circumstances constituting default or failure to comply with the conditions of this contract and proposed remedies. Within five (5) business days of receipt of this notice, the Contractor shall correct any contractual defaults specified in the notice and submit written documentation of correction to the satisfaction of the Department or request in writing a meeting with the commissioner of the Department or his/her designee. Any such meeting shall be held within five (5) business days of the written request. At the meeting, the Contractor shall be given an opportunity to respond to the Department's notice of default and to present a plan of correction with applicable time frames. Within five (5) business days of such meeting, the commissioner of the Department shall notify the Contractor in writing of his/her response to the information provided including acceptance of the plan of correction and, if the commissioner finds continued contractual default for which a satisfactory plan of corrective action has not been presented, the specific remedy for default the Department intends to invoke. This action of the commissioner shall be considered final.

- d. If at any step in this process the Contractor fails to comply with the procedure and, as applicable, the agreed upon plan of correction, the Department may proceed with default remedies.
4. **Non-enforcement not to constitute waiver:** The failure of either party to insist upon strict performance of any terms or conditions of this agreement shall not be deemed a waiver of the term or condition or any remedy that each party has with respect to that term or condition nor shall it preclude a subsequent default by reason of the failure to perform.
5. **Cancellation and Recoupment:**
 - a. This agreement shall remain in full force and effect for the entire term of the contract period specified on page 1 of this agreement, unless either party provides written notice ninety (90) days or more from the date of termination, except that no cancellation by the Contractor may be effective for failure to provide services for the agreed price or rate and cancellation by the Department shall not be effective against services already rendered, so long as the services were rendered in compliance with the contract during the term of the contract.
 - b. In the event the health or welfare of the service recipients is endangered, the Department may cancel the contract and take any immediate action without notice it deems appropriate to protect the health and welfare of service recipients. The Department shall notify the Contractor of the specific reasons for taking such action in writing within five (5) business days of cancellation. Within five (5) business days of receipt of this notice, the Contractor may request in writing a meeting with the commissioner of the Department or his/her designee. Any such meeting shall be held within five (5) business days of the written request. At the meeting, the Contractor shall be given an opportunity to present information on why the Department's actions should be reversed or modified. Within five (5) business days of such meeting, the commissioner of the Department shall notify the Contractor in writing of his/her decision upholding, reversing or modifying the action of the Department. This action of the commissioner shall be considered final.
 - c. The Department reserves the right to cancel the contract without prior notice when the funding for the contract is no longer available.
 - d. The Department reserves the right to recoup any deposits, prior payment, advance payment or down payment made if either party terminates the contract. Allowable costs incurred to date of termination for operation or transition of program(s) under this contract shall not be subject to recoupment. The Contractor agrees to return to the Department any funds not expended in accordance with the terms and conditions of the contract and, if the Contractor fails to do so upon demand, the Department may recoup said funds from any future payments owing under this contract or any other contract between the state and the Contractor.
6. **Transition after Termination or Expiration of Contract:** In the event that this contract is terminated for any reason except where the health and welfare of service recipients is endangered or if the Department does not offer the Contractor a new contract for the same or similar service at the contract's expiration, the Contractor will assist in the orderly transfer of clients served under this contract as required by the Department and will assist in the orderly cessation of operations under this contract. Prior to incurring expenses related to the orderly transfer or continuation of services to service recipients beyond the terms of the contract, the Department and the Contractor agree to negotiate a termination amendment to the existing agreement to address current program components and expenses, anticipated expenses necessary for the orderly transfer of service recipients and changes to the current program to address service recipient needs. The contractual agreement may be amended as necessary to

assure transition requirements are met during the term of this contract. If the transition cannot be concluded during this term, the Department and the Contractor may negotiate an amendment to extend the term of the current contract until the transition may be concluded.

7. **Program Cancellation:** Where applicable, the cancellation or termination of any individual program or services under this contract will not, in and of itself, in any way affect the status of any other program or service in effect under this contract.
