CONCLUSIONS OF LAW

1. Section 17b-260 of the Connecticut General Statutes (“CGS”) provides for acceptance of federal grants for medical assistance. The Commissioner of Social Services is authorized to take advantage of the medical assistance programs provided in Title XIX, entitled "Grants to States for Medical Assistance Programs", contained in the Social Security Amendments of 1965 and may administer the same in accordance with the requirements provided therein, including the waiving, with respect to the amount paid for medical care, of provisions concerning recovery from beneficiaries or their estates, charges and recoveries against legally liable relatives, and liens against property of beneficiaries.

2. Section § 17b-264 of the CGS provides for the extension of other public assistance provisions. All of the provisions of sections 17b-22, 17b-75 to 17b-77, inclusive, 17b-79 to 17b-83, inclusive, 17b-85 to 17b-103, inclusive, and 17b-600 to 17b-604, inclusive, are extended to the medical assistance program except such provisions as are inconsistent with federal law and regulations governing Title XIX of the Social Security Amendments of 1965 and sections 17b-260 to 17b-262, inclusive, 17b-264 to 17b-285, inclusive, and 17b-357 to 17b-361, inclusive
3. Title 45 of the Code of Federal Regulations (“CFR”) § 155.505(c)(1) provides that Exchange eligibility appeals may be conducted by a State Exchange appeals entity or an eligible entity described in paragraph (d) of this section that is designated by the Exchange, if the Exchange establishes an appeals process in accordance with the requirements of this subpart.
4. 45 CFR § 155.505(d) provides that an appeals process established under this subpart must comply with § 155.110(a).
5. 45 CFR § 155.110(a) provides that the State may elect to authorize an Exchange established by the State to enter into an agreement with an eligible entity to carry out one or more responsibilities of the Exchange. Eligible entities are: (1) An entity: (i) Incorporated under, and subject to the laws of, one or more States;(ii) That has demonstrated experience on a State or regional basis in the individual and small group health insurance markets and in benefits coverage; and(iii) Is not a health insurance issuer or treated as a health insurance issuer under subsection (a) or (b) of section 52 of the Code of 1986 as a member of the same controlled group of corporations (or under common control with) as a health insurance issuer; or (2) The State Medicaid agency, or any other State agency that meets the qualifications of paragraph (a)(1) of this section.
6. 42 CFR § 435.603(d)(1) provides for the construction of the modified adjusted gross income (“MAGI”) household. *Household income—(1) General rule.* Except as provided in paragraphs (d)(2) through (d)(4) of this section, household income is the sum of the MAGI-based income, as defined in paragraph (e) of this section, of every individual included in the individual's household.
7. The Appellant files as head of household. She is a MAGI household of one person.
8. 42 CFR §435.603(d) provides for the application of the household’s modified adjusted gross income (“MAGI”). The household’s income is the sum of the MAGI-based income, as defined in paragraph (e) of this section, of every individual included in the individual’s household. Effective January 1, 2014, in determining the eligibility of an individual using MAGI-based income, a state must subtract an amount equivalent to 5 percentage points of the Federal Poverty Level for the applicable family size only to determine the eligibility of an individual for medical assistance under the eligibility group with the highest income standard using MAGI-based methodologies in the applicable Title of the Act, but not to determine eligibility for a particular eligibility group.
9. Five percent of the FPL for one person is \$52.05. ($\$1041 \times .05$)
10. The Appellant’s household’s countable MAGI for a household of one based on the reported income was \$1934. $55(\$1986.60 - \$52.05[5\%])$

11. 42 CFR § 435.119 provides that Medicaid health coverage is available for individuals age 19 or older and under age 65 at or below 133 percent of the Federal Poverty Limit ("FPL").

(b). Eligibility. Effective January 1, 2014, the agency must provide Medicaid to individuals who:

- 1) Are age 19 or older and under age 65;
- 2) Are not pregnant;
- 3) Are not entitled to or enrolled for Medicare benefits under part A or B of the title XVIII of the Act
- 4) Are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part; and
- 5) Have household income that is at or below 133 percent FPL for the applicable family size.

12. One Hundred thirty three percent of the FPL for a household of one is \$1384.53. (\$1041 X 1.33)

13. The Appellant's household's countable MAGI household income of \$1934.55 per month exceeds the income threshold for one, \$1384.53.

14. The Appellant's income exceeds the allowable limit for Medicaid/HUSKY D medical insurance.

15. AHCT was correct to discontinue HUSKY D/Medicaid for the Appellant's household because her income exceeds the allowable limit.
