(b) The Commissioner of Social Services shall amend the Medicaid state plan to allow persons specified in subsection (a) of this section to qualify for medical assistance. The amendment shall include the following requirements: (1) That the person be engaged in a substantial and reasonable work effort as determined by the commissioner and as permitted by federal law and have an annual adjusted gross income, as defined in Section 62 of the Internal Revenue Code of 1986, or any subsequent corresponding internal revenue code of the United States, as amended from time to time, of no more than seventy-five thousand dollars per year; (2) a disregard of all countable income up to two hundred per cent of the federal poverty level; (3) for an unmarried person, an asset limit of ten thousand dollars, and for a married couple, an asset limit of fifteen thousand dollars; (4) a disregard of any retirement and medical savings accounts established pursuant to 26 USC 220 and held by either the person or the person's spouse; (5) a disregard of any moneys in accounts designated by the person or the person's spouse for the purpose of purchasing goods or services that will increase the employability of such person, subject to approval by the commissioner; (6) a disregard of spousal income solely for purposes of determination of eligibility; and (7) a contribution of any countable income of the person or the person's spouse which exceeds two hundred per cent of the federal poverty level, as adjusted for the appropriate family size, equal to ten per cent of the excess minus any premiums paid from income for health insurance by any family member, but which does not exceed the maximum contribution allowable under Section 201(a)(3) of Public Law 106-170, as amended from time to time. (c) The Commissioner of Social Services shall implement the policies and procedures necessary to carry out the provisions of this section while in the process of adopting such policies and procedures in regulation form, provided notice of intent to adopt the regulations is published in the Connecticut Law Journal within twenty days after implementation. Uniform Policy Manual ("UPM") § 2540.85 provides there are two distinct groups of employed individuals between the ages of 18 and 64 inclusive who have a medically certified disability or blindness and who qualify for Medicaid as working individuals with disabilities. These groups are the Basic Insurance Group and the Medically Improved Group. There is a third group of employed individuals consisting of persons at least 18 years of age who have a medically certified disability or blindness who also qualify for Medicaid as working individuals with disabilities. This is the Balanced Budget Act Group. Persons in this third group may be age 65 or older.

The Appellant is eligible under the Balanced Budget Act Group.

5. UPM § 2540.85(A)(3) provides for the asset criteria. a. The asset limit is \$10,000.00 for an individual and \$15,000.00 for a married couple living together. b. In addition to the assets excluded under the Medicaid program, the following assets are also excluded: (1) retirement and medical savings accounts established pursuant to 26 USC 220 and held by either the individual or his or her spouse; and (2) accounts held by the individual or spouse and designated by such person as being held for the purpose of buying goods or services that will increase the employability of the individual. Such accounts are subject to the approval of the Department. c. The assets excluded in section 2540.85 A. 3. b. retain their excluded status for the life of the individual, even if he or she loses eligibility under this coverage group.

The Appellant is a household of one. Her asset limit is \$10,000.00.

6. UPM § 4030.05(A) provides that bank accounts include the following. This list is not all inclusive: 1. Savings account; 2. Checking account; 3. Credit union account; 4. Certificate of deposit; 5. Patient account at long-term care facility; 6. Children's school account; 7. Trustee account; 8. Custodial account.

Such accounts are subject to the approval of the Department.

UPM § 4099.05(A) provides for the asset limit requirement. 1. The assistance unit must verify its equity in counted assets. 2. If the unit does not verify its equity in counted assets, the unit is ineligible for assistance.

UPM § 4099.10(A) provides for Ownership Determination. 1. The assistance unit must verify that it is not the legal owner of an asset if the unit claims to be merely the record owner of the asset. 2. If the unit is unable to verify that it is merely the record owner, and not the legal owner of an asset, the Department counts the asset as owned by the assistance unit.

The Department correctly determined that additional information was required when they received the AVS results showing that the Appellant is associated with additional bank account that was not included on her application.

The Department correctly issued W1348 requesting verification of the bank statements from the for savings account.

The Department correctly determined that the Appellant's asset of \$60,031.00 is more than the asset limit of \$10,000.00 for \$05.

On 2021, the Department correctly discontinued the Appellant's benefits for S05 for exceeding the asset limit.
