STATEMENT OF THE ISSUE

The issue to be decided is whether the Department correctly denied the Appellant's SNAP application.

FINDINGS OF FACT

1. On [REDACTED], 2021, the Appellant applied for SNAP benefits for a household of one. (Exhibit 1: Online Application, Department's Testimony)
2. The Appellant is 61-years-old [DOB: [REDACTED] 1959]. (Appellant's Testimony, Exhibit 1)
3. On [REDACTED], 2021, the Department completed the telephone interview with the Appellant. (Exhibit 9: Case Notes)
4. On [REDACTED] 2021, the Appellant withdrew his SNAP application. (Appellant's Testimony, Department's Testimony, Exhibit 9).
5. On [REDACTED] 2021, the Department issued the Appellant a NOA denying his SNAP application for the following reasons:
 - You asked to have your application withdrawn.
 - No household members are eligible for this program.(Exhibit 4: Notice of Action)
6. The issuance of this decision is timely under Connecticut General Statutes 17b-61(a), which requires that a decision be issued within 60 days of the request for an administrative hearing. The hearing request was received on [REDACTED] 2021; therefore, this decision is due no later than [REDACTED] 2021.

CONCLUSIONS OF LAW

1. Section 17b-2 of the Connecticut General Statutes authorizes the Commissioner of the Department of Social Services to administer the SNAP program in accordance with federal law.
2. "*Recording the filing date.* The date of application is the date the application is received by the State agency. State agencies must document the application date on the application. If the application is received outside normal business hours the State agency will consider the date of application the next business day. For online applications, the date of application is the date the application is submitted, or the next business day if it is submitted after business hours. For telephonic applications, the date of application is the date on which the household member provides verbal assent." Title 7 of the Code of Federal Regulations ("C.F.R.") § 273.2 (c)(iv)

The Department correctly screened the SNAP application effective [REDACTED], 2021.

3. *“Interviews.* (1) Except for households certified for longer than 12 months, and except as provided in paragraph (e)(2) of this section, households must have a face-to-face interview with an eligibility worker at initial certification and at least once every 12 months thereafter. State agencies may not require households to report for an in-office interview during their certification period, though they may request households to do so. For example, State agencies may not require households to report en masse for an in-office interview during their certification periods simply to review their case files, or for any other reason. State agencies may not require an in person interview solely to take a photo. Interviews may be conducted at the SNAP office or other mutually acceptable location, including a household's residence. If the interview will be conducted at the household's residence, it must be scheduled in advance with the household. If a household in which all adult members are elderly or disabled is certified for 24 months in accordance with §273.10(f)(1), or a household residing on a reservation is required to submit monthly reports and is certified for 24 months in accordance with §273.10(f)(2), a face-to-face interview is not required during the certification period. The individual interviewed may be the head of household, spouse, any other responsible member of the household, or an authorized representative. The applicant may bring any person he or she chooses to the interview. The interviewer must not simply review the information that appears on the application, but must explore and resolve with the household unclear and incomplete information. The interviewer must advise households of their rights and responsibilities during the interview, including the appropriate application processing standard and the households' responsibility to report changes. The interviewer must advise households that are also applying for or receiving PA benefits that time limits and other requirements that apply to the receipt of PA benefits do not apply to the receipt of SNAP benefits, and that households which cease receiving PA benefits because they have reached a time limit, have begun working, or for other reasons, may still qualify for SNAP benefits. The interviewer must conduct the interview as an official and confidential discussion of household circumstances. The State agency must protect the applicant's right to privacy during the interview. Facilities must be adequate to preserve the privacy and confidentiality of the interview.” 7 C.F.R. § 273.2 (e)(1)
4. “The State agency may use a telephone interview instead of the face-to-face interview required in paragraph (e)(1) of this section for all applicant households, for specified categories of households, or on a case-by-case basis because of household hardship situations as determined by the State agency. The hardship conditions must include, but are not limited to, illness, transportation difficulties, care of a household member, hardships due to residency in a rural area, prolonged severe weather, or work or training hours that prevent the household from participating in an in-office interview. If a State agency has not already

provided that a telephone interview will be used for a household, and that household meets the State agency's hardship criteria and requests to not have an in-office interview, the State agency must offer to the household to conduct the interview by telephone. The State agency may provide a home-based interview only if a household meets the hardship criteria and requests one. A State agency that chooses to routinely interview households by telephone in lieu of the face-to-face interview must specify this choice in its State plan of operation and describe the types of households that will be routinely offered a telephone interview in lieu of a face-to-face interview. The State agency must grant a face-to-face interview to any household that requests one." 7 C.F.R. § 273.2 (e)(2)

The Department correctly completed the SNAP interview with the Appellant on [REDACTED] 2021.

5. "*Withdrawing application.* The household may voluntarily withdraw its application at any time prior to the determination of eligibility. The State agency shall document in the case file the reason for withdrawal, if any was stated by the household, and that contact was made with the household to confirm the withdrawal. The household shall be advised of its right to reapply at any time subsequent to a withdrawal." 7 C.F.R. § 273.2 (c)(6)
6. "*Denying the application.* Households that are found to be ineligible shall be sent a notice of denial as soon as possible but not later than 30 days following the date the application was filed. If the household has failed to appear for a scheduled interview and has made no subsequent contact with the State agency to express interest in pursuing the application, the State agency shall send the household a notice of denial on the 30th day following the date of application. The household must file a new application if it wishes to participate in the program. In cases where the State agency was able to conduct an interview and request all of the necessary verification on the same day the application was filed, and no subsequent requests for verification have been made, the State agency may also deny the application on the 30th day if the State agency provided assistance to the household in obtaining verification as specified in paragraph (f)(5) of this section, but the household failed to provide the requested verification." 7 C.F.R. § 273.2 (g)(3)

The Department correctly denied the Appellant's application on [REDACTED] 2021 as he requested his application to be withdrawn.
