PROCEDURAL BACKGROUND

On ██████████, 2022, the Department of Social Services (the “Department”) sent ██████████
██████████ (the “Appellant”) a Notice of Action (“NOA”) denying her application for the
Supplemental Nutritional Assistance Program (“SNAP”) benefits due to excess income.

On ██████████, 2022, the Appellant requested an administrative hearing to contest the denial
of her SNAP application due to excess income.

On ██████████, 2022, the Office of Legal Counsel, Regulations, and Administrative Hearings
(“OLCRAH”) issued a notice scheduling the administrative hearing for ██████████, 2022.

On ██████████, 2022, the following individuals participated at the hearing telephonically
per the Appellant’s request.

██████████, Appellant
Juan Santiago, Department’s representative
Joseph Alexander, Administrative Hearing Officer

STATEMENT OF THE ISSUE

The issue to be decided is whether the Department correctly denied the Appellant’s SNAP application due to excess income.

FINDINGS OF FACT

1. On [REDACTED], 2022, the Appellant submitted an online application (“ONAP”) requesting SNAP for herself only. (Dept. Ex. 2: Online Application)
2. On [REDACTED] 2022, the Department completed an interview with the Appellant. (Dept. Ex. 4: Case Note dated [REDACTED])
3. The Appellant’s household consists of the Appellant only. (Appellant Testimony)
4. The Appellant is not elderly and is not disabled. (Appellant Testimony)
5. The Appellant is employed with [REDACTED] and is paid bi-weekly. (Dept. Ex. 5: Equifax Record)
6. The Department used the following gross pay to calculate the household’s gross monthly income.

| Pay Date | Gross Amount |
|------------------|---------------------|
| [REDACTED] 2022 | \$1,440.00 |
| [REDACTED], 2022 | \$1,459.89 |
| [REDACTED] 2022 | \$1,464.45 |

The Department did not count the Appellant’s gross income of \$10,222.04 received on [REDACTED] 2022, as this amount was unusually high. (Dept. Ex. 4: Case Note dated [REDACTED] Dept. Ex. 5: Equifax Record)

7. The household has no other sources of income. (Appellant Testimony)
8. The Department calculated the Appellant’s gross monthly income as follows:
$$[REDACTED] \$1,440.00 + [REDACTED] \$1,459.89 + [REDACTED] \$1,464.45 = \$4,364.34 / 3 = \$1,454.78 \times 2.15 = \$3,127.77$$
(Hearing Record)
9. The gross income limit for a household of one is \$1,986.00. (Dept. Ex. 6: Income Limits & Standards Chart effective [REDACTED])
10. On [REDACTED] 2022, the Department issued an NOA to the Appellant denying her application for SNAP benefits due to excess income. (Dept. Ex. 2: NOA dated [REDACTED])

11. The issuance of this decision is timely under Connecticut General Statutes 17b-61(a), which requires that a decision be issued within █ days of the request for an administrative hearing. The Appellant requested an administrative hearing on █ 2022, making this decision is due no later than █, 2022.

CONCLUSIONS OF LAW

1. Section 17b-2 of the Connecticut General Statutes authorizes the Department of Social Services to administer the SNAP in accordance with Federal law.
2. "Recording the filing date. The date of application is the date the application is received by the State agency. State agencies must document the application date on the application. If the application is received outside normal business hours, the State agency will consider the date of application the next business day. For online applications, the date of application is the date the application is submitted, or the next business day if it is submitted after business hours. For telephonic applications, the date of application is the date on which the household member provides verbal assent." Title 7 of the Code of Federal Regulations ("C.F.R.") § 273.2 (c)(iv)

The Department correctly screened the Appellant for SNAP benefits as of █, 2022.

3. "Interviews. (1) Except for households certified for longer than 12 months, and except as provided in paragraph (e)(2) of this section, households must have a face-to-face interview with an eligibility worker at initial certification and at least once every 12 months thereafter. State agencies may not require households to report for an in-office interview during their certification period, though they may request households to do so." 7 C.F.R. § 273.2 (e)(1)
4. "The State agency may use a telephone interview instead of the face-to-face interview required in paragraph (e)(1) of this section for all applicant households, for specified categories of households, or on a case-by-case basis because of household hardship situations as determined by the State agency. The hardship conditions must include, but are not limited to, illness, transportation difficulties, care of a household member, hardships due to residency in a rural area, prolonged severe weather, or work or training hours that prevent the household from participating in an in-office interview. If a State agency has not already provided that a telephone interview will be used for a household, and that household meets the State agency's hardship criteria and requests to not have

an in-office interview, the State agency must offer to the household to conduct the interview by telephone. The State agency may provide a home-based interview only if a household meets the hardship criteria and requests one. A State agency that chooses to routinely interview households by telephone in lieu of the face-to-face interview must specify this choice in its State plan of operation and describe the types of households that will be routinely offered a telephone interview in lieu of a face-to-face interview. The State agency must grant a face-to-face interview to any household that requests one.” 7 C.F.R. § 273.2 (e)(2)

The Department correctly completed an interview with the Appellant on [REDACTED], 2022.

5. “Elderly or disabled member means a member of a household who: (1) Is 60 years of age or older; (2) Receives supplemental security income benefits under title XVI of the Social Security Act or disability or blindness payments under titles I, II, X, XIV, or XVI of the Social Security Act; (3) Receives federally or State-administered supplemental benefits under section 1616(a) of the Social Security Act provided that the eligibility to receive the benefits is based upon the disability or blindness criteria used under title XVI of the Social Security Act; (4) Receives federally or State-administered supplemental benefits under section 212(a) of Pub. L. 93-66; (5) Receives disability retirement benefits from a governmental agency because of a disability considered permanent under section 221(i) of the Social Security Act. (6) Is a veteran with a service-connected or non-service-connected disability rated by the Veteran's Administration (VA) as total or paid as total by the VA under title 38 of the United States Code; (7) Is a veteran considered by the VA to be in need of regular aid and attendance or permanently housebound under title 38 of the United States Code; (8) Is a surviving spouse of a veteran and considered by the VA to be in need of regular aid and attendance or permanently housebound or a surviving child of a veteran and considered by the VA to be permanently incapable of self-support under title 38 of the United States Code; (9) Is a surviving spouse or surviving child of a veteran and considered by the VA to be entitled to compensation for a service-connected death or pension benefits for a nonservice-connected death under title 38 of the United States Code and has a disability considered permanent under section 221(i) of the Social Security Act. “Entitled” as used in this definition refers to those veterans' surviving spouses and surviving children who are receiving the compensation or pension benefits stated or have been approved for such payments, but are not yet receiving them; or (10) Receives an annuity payment under: section 2(a)(1)(iv) of the Railroad Retirement Act of 1974 and

is determined to be eligible to receive Medicare by the Railroad Retirement Board; or section 2(a)(1)(v) of the Railroad Retirement Act of 1974 and is determined to be disabled based upon the criteria used under title XVI of the Social Security Act. (11) Is a recipient of interim assistance benefits pending the receipt of Supplemented Security Income, a recipient of disability related medical assistance under title XIX of the Social Security Act, or a recipient of disability-based State general assistance benefits provided that the eligibility to receive any of these benefits is based upon disability or blindness criteria established by the State agency which are at least as stringent as those used under title XVI of the Social Security Act (as set forth at 20 CFR part 416, subpart I, Determining Disability and Blindness as defined in Title XVI)." 7 C.F.R. § 271.2

6. "Participation in the Program shall be limited to those households whose incomes are determined to be a substantial limiting factor in permitting them to obtain a more nutritious diet. Households which contain an elderly or disabled member shall meet the net income eligibility standards for SNAP. Households which do not contain an elderly or disabled member shall meet both the net income eligibility standards and the gross income eligibility standards for SNAP. Households which are categorically eligible as defined in § 273.2(j)(2) or 273.2(j)(4) do not have to meet either the gross or net income eligibility standards. The net and gross income eligibility standards shall be based on the Federal income poverty levels as provided in section 673(2) of the Community Services Block Grant Act (42 U.S.C. 9902(2))." 7 C.F.R. § 273.9(a)

The Department correctly determined that the Appellant is not elderly or disabled. Therefore, the household is subject to both the net and gross income eligibility standards.

7. "Categorically eligible PA and SSI households. (i) The following households are categorically eligible for SNAP benefits unless the entire household is institutionalized as defined in §273.1(e) or disqualified for any reason from receiving SNAP benefits. (E) Any household in which all members receive or are authorized to receive PA and/or SSI benefits in accordance with paragraphs (j)(2)(i)(A) through (j)(2)(i)(D) of this section." 7 C.F.R. § 273.2 (j)(2)(i)(E)

The Appellant is not a recipient of Public Services (cash assistance) or Supplemental Security Income ("SSI") and therefore is not considered a categorically eligible household.

8. "Income only in month received. (i) Income anticipated during the certification period shall be counted as income only in the month it is expected to be received, unless the income is averaged. Whenever a full month's income is anticipated but is received on a weekly or biweekly basis, the State agency shall convert the income to a monthly amount by multiplying weekly amounts by 4.3 and biweekly amounts by 2.15, use the State Agency's PA conversion standard, or use the exact monthly figure if it can be anticipated for each month of the certification period. Nonrecurring lump-sum payments shall be counted as a resource starting in the month received and shall not be counted as income." 7 C.F.R. § 273.10 (c)(2)(i)

The Department correctly calculated the Appellant's monthly gross income from [REDACTED] to be \$3,127.77 ([REDACTED] \$1,440.00 + [REDACTED] \$1,459.89 + [REDACTED] \$1,464.45 = \$4,364.34 / 3 = \$1,454.78 x 2.15 = \$3,127.77)

9. The standards used in SNAP are adjusted each year on the first day of October. The Federal Poverty Standards applicable to the Appellant's SNAP eligibility determination effective April 5, 2022, are published in the Federal Register, Vol. 86, No. 19 / Monday February 1, 2021, pp. 7732-7734

The Department correctly determined that 185% of the FPL for a household size of one is \$1,986.00 per month.

The Department correctly determined the Appellant's monthly gross income of \$3,127.77 exceeds the allowable \$1,986.00 FPL gross income limit (185% of FPL) for a household of one seeking categorical eligibility.

10. "The gross income eligibility standards for SNAP shall be as follows: (i) The income eligibility standards for the 48 contiguous States and the District of Columbia, Guam and the Virgin Islands shall be 130 percent of the Federal income poverty levels for the 48 contiguous States and the District of Columbia." 7 C.F.R. § 273.9 (a)(1)(i)

11. The United States Department of Agriculture Food and Nutrition Services issued general guidance pertaining to the changes to the Income Eligibility Standards (see: www.fns.usda.gov/snap/allotment/COLA):

"The following tables provide the monthly income eligibility standards for FY 2022 (effective [REDACTED] 2021, through [REDACTED] 2022)."

Gross Monthly Income Limit (130% of Federal Poverty Level)

| Household Size | Income Limit (130% FPL) |
|------------------------|--------------------------------|
| 1 | \$1,396.00 |
| 2 | \$1,888.00 |
| 3 | \$2,379.00 |
| 4 | \$2,871.00 |
| 5 | \$3,363.00 |
| 6 | \$3,855.00 |
| 7 | \$4,347.00 |
| 8 | \$4,839.00 |
| Each Additional Member | + \$492.00 |

The Department correctly determined the Appellant's total gross monthly income of \$3,127.77 exceeds the monthly SNAP net income limit of \$1,396.00 for a household of one.
