ADMINISTRATIVE DISQUALIFICATION HEARING
NOTICE OF DECISION
PARTY

██████████
██████████
██████████

PROCEDURAL BACKGROUND

The Department of Social Services (the “Department”) requested an Administrative Disqualification Hearing (“ADH”) to seek the disqualification of ██████████ (the “Defendant”) from participating in the Supplemental Nutrition Assistance Program (“SNAP”) for a period of twelve (12) months. The Department alleged that the Defendant committed an Intentional Program Violation (“IPV”) by trafficking her SNAP benefits. The Department seeks to recover the overpaid SNAP benefits of \$917.00. This is the Defendant’s first IPV offense in the SNAP program.

On ██████████, 2022, the Office of Legal Counsel, Regulations, and Administrative Hearings (“OLCRAH”) notified the Defendant of the initiation of the ADH process via certified mail and scheduled an in person hearing for ██████████, 2022, at 11:00 AM. The notification outlined a Defendant's rights in these proceedings. The Defendant did not sign for the certified mail per USPS tracking and a notice was left by the USPS on ██████████, 2022.

On ██████████, 2022, the OLCRAH mailed a copy of the notification of the initiation of the ADH process and a copy of the ADH package to the Defendant by USPS first class mail.

On ██████████, 2022, the Defendant picked up the original certified letter from a postal facility per USPS tracking.

On ██████████, 2022, in accordance with Sections § 17b-88 of the Connecticut General Statutes and Title 7 § 273.16 of the Code of Federal Regulations (“C.F.R.”) the OLCRAH held an Administrative Disqualification Hearing. The

Defendant did not appear for the hearing. The Defendant did not show good cause for failing to appear. The following individuals were present at the hearing:

Morgan Stoker, Social Services Investigator, Department's Representative
Kirsten Powell, Fair Hearing Liaison, Department's Representative
Melissa Prisavage, Administrative Hearing Officer, Observer
Joseph Davey, Administrative Hearing Officer

STATEMENT OF THE ISSUE

The first issue to be decided is whether the Defendant committed an IPV of the SNAP.

The second issue to be decided is whether the Department's proposal to disqualify the Defendant from the SNAP for twelve months (12) and recoup a SNAP overpayment of \$917.00 is correct.

FINDINGS OF FACT

1. The Defendant was a recipient of the SNAP for a household of 7 until [REDACTED], 2022. (Exhibit 11: SNAP EDG Summary printout, Exhibit 12: Eligibility Determination Results printout.)
2. The Defendant has no prior IPV's. (Exhibit 2: Electronic Disqualification Recipient System ["EDRS"] printout, Department's testimony)
3. On [REDACTED], 2021, the Defendant completed and electronically signed an online renewal for her SNAP benefits. By signing, she attested that she had read and understood the Rights and Responsibilities form which states in part that "...I may not let others use my card [unless they are an authorized SNAP shopper.]" (Exhibit 8: Online Renewal form dated [REDACTED], Exhibit 9: W-0016RR Rights and Responsibilities form)
4. On [REDACTED], 2022, the Defendant filed a police report with the [REDACTED] Police Department ("[REDACTED] PD") in which she stated that lost her Electronic Benefits Transfer ("EBT") card in a friend's car. She alleged that her friend then used the card and stole \$1400.00 in SNAP benefits. (Exhibit 5: [REDACTED] PD Incident Report dated [REDACTED].)
5. On [REDACTED], 2022, the Department received a fraud hotline referral. The referral alleged that the Defendant was selling her SNAP benefits for money. (Exhibit 4: Referral printout, Department's testimony)

6. On [REDACTED], 2022, the Department conducted an interview with the Complainant who made the fraud referral. The Complainant alleged that the Defendant was referred to her via a mutual friend on Facebook and that between the months of [REDACTED] and [REDACTED] of 2022, she purchased SNAP benefits from the Defendant via Cash App. (Hearing Record)
7. On [REDACTED], 2022, the Complainant provided the Department with Facebook and text messages between herself and the Defendant which discussed the sale of SNAP benefits for money. (Exhibit 6: Screenshots of Facebook and text messages between Complainant and Defendant)
8. On [REDACTED], 2022, the Department conducted an interview with the Defendant regarding the alleged SNAP benefit sale. During the interview, the Defendant asserted that her EBT card was left in a friend's car and that said friend used the card without her permission and stole \$1400.00 in SNAP benefits. (Hearing Record, Department's Testimony)
9. The Department alleges that during [REDACTED] and [REDACTED] 2022, the Defendant sold \$917.00 in SNAP benefits for money. The amount was determined by text messages between the Complainant and the Defendant. (Exhibit: 6, Department's testimony)
10. The Department alleges the \$917.00 in SNAP benefits were sold by the Defendant in the following amounts on the following dates: \$400.00 on [REDACTED], 2022, \$200.00 on [REDACTED], 2022, \$150.00 on [REDACTED], 2022 and \$167.00 on [REDACTED] [REDACTED] 2022. (Hearing Record)
11. EBT records provided by the Department display the following balances in the Defendant's account on the dates of the alleged transactions: \$42.44 on [REDACTED], 2022, \$1337.00 on [REDACTED], 2022, \$717.42 on [REDACTED], 2022 and \$167.00 on [REDACTED] [REDACTED] 2022. (Exhibit 10: EBT transaction history [REDACTED] - [REDACTED])
12. The Department alleges that the Defendant committed an IPV by trafficking her SNAP benefits and seeks to disqualify her from the SNAP for twelve (12) months. In addition, the Department wishes to recoup the \$917.00 in SNAP benefits they identified as having been trafficked. (Hearing Record, Department's testimony)
13. On [REDACTED], 2022, the Department sent the Defendant an ADH Processes and Rights Information form ["W-1447,"] a Prehearing Interview letter ["W-1448,"] a Waiver of Disqualification letter ["W-1449"] and a Rights and Responsibilities form ["W-0016RR"]. The W-1448 scheduled a Prehearing Interview for the Defendant on [REDACTED], 2022, at 9:00AM. (Exhibit 3: W-1448/W1449, Exhibit 9, Department's testimony)

14. The Defendant did not appear for the scheduled Prehearing Interview, did not contact the Department regarding a reschedule and did not sign the Waiver of Disqualification. (Department's testimony)
15. The Defendant was not present at the Administrative Disqualification Hearing on [REDACTED], 2022 and did not show good cause for failing to appear. (Hearing Record)
16. The issuance of this decision is timely under Title 7 Section § 273.16(e)(2)(iv) of the Code of Federal Regulations, which requires that a decision be issued within () days of the date the household member is notified in writing that a State or local hearing initiated by the State agency has been scheduled. The OLCRAH notified the Defendant of the initiation of the ADH process via certified mail on [REDACTED], 2022. This decision is therefore due no later than [REDACTED], 2023.

CONCLUSIONS OF LAW

1. Connecticut General Statutes (Conn. Gen. Stat.) § 17b-2 provides that the Department of Social Services is designated as the state agency for the administration of (7) the supplemental nutrition assistance program pursuant to the Food and Nutrition Act of 2008.

The Department has the authority to administer the SNAP.

2. Conn. Gen. Stat. § 17b-88 provides if a beneficiary of assistance under the state supplement program, medical assistance program, aid to families with dependent children program, temporary family assistance program, state-administered general assistance program, food stamp program, or supplemental nutrition assistance program receives any award or grant over the amount to which he is entitled under the laws governing eligibility, the Department of Social Services (2) shall take such other action as conforms to federal regulations, including, but not limited to, conducting administrative disqualification hearings for cases involving alleged fraud in the food stamp program, supplemental nutrition assistance program, the aid to families with dependent children program, the temporary family assistance program or the state-administered general assistance program.

The Department has the authority to recoup SNAP benefits.

3. 7 C.F.R. § 273.16 (e) provides that the State agency shall conduct administrative disqualification hearings for individuals accused of an Intentional Program Violation.

The Department has the authority to conduct Administrative Disqualification Hearings.

4. 7 C.F.R. § 273.16(e)(3) provides for the advance notice of the hearing. (i) The State agency shall provide written notice to the individual suspected of committing an intentional Program violation at least 30 days in advance of the date a disqualification hearing initiated by the State agency has been scheduled. If mailed, the notice shall be sent either first class mail or certified mail return receipt requested. The notice may also be provided by any other reliable method. If the notice is sent using first-class mail and is returned as undeliverable, the hearing may still be held. (ii) If no proof of receipt is obtained, a timely (as defined in paragraph (e)(4) of this section) showing of nonreceipt by the individual due to circumstances specified by the State agency shall be considered good cause for not appearing at the hearing. Each State agency shall establish the circumstances in which non-receipt constitutes good cause for failure to appear. Such circumstances shall be consistent throughout the State agency. (iii) The notice shall contain at a minimum: (A) The date, time, and place of the hearing; (B) The charge(s) against the individual; (C) A summary of the evidence, and how and where the evidence can be examined; (D) A warning that the decision will be based solely on the information provided by the State agency if the individual fails to appear at the hearing.

7 C.F.R. § 273.16(e)(4) provides for the scheduling of the hearing. The time and place of the hearing shall be arranged so that the hearing is accessible to the household member suspected of intentional Program violation. If the household member or its representative cannot be located or fails to appear at a hearing initiated by the State agency without good cause, the hearing shall be conducted without the household member being represented. Even though the household member is not represented, the hearing officer is required to carefully consider the evidence and determine if an intentional Program violation was committed based on clear and convincing evidence. If the household member is found to have committed an intentional Program violation but a hearing official later determines that the household member or representative had good cause for not appearing, the previous decision shall no longer remain valid, and the State agency shall conduct a new hearing. The hearing officer who originally ruled on the case may conduct the new hearing. In instances where good cause for failure to appear is based upon a showing of nonreceipt of the hearing notice as specified in paragraph (e)(3)(ii) of this section, the household member has 30 days after the date of the written notice of the hearing decision to claim good cause for failure to appear. In all other instances, the household member has 10 days from the date of the scheduled hearing to present reasons indicating a good cause for failure to appear. A hearing official must enter the good cause decision into the record.

The Defendant was properly notified of the ADH on [REDACTED], 2022. On that date, a packet containing the date, time, and place of the hearing, a summary of the charges against the Defendant, a summary of the

evidence (including and how and where it can be examined,) as well as a warning that the decision will be based solely on the information provided by the State agency if the Defendant fails to appear at the hearing was mailed to the Defendant. The Defendant signed for the packet at the post office on [REDACTED], 2022.

The Defendant failed to appear for the scheduled ADH on [REDACTED], 2022 and did not display good cause for failing to appear.

5. 7 C.F.R. § 273.16(a)(1) provides that the State agency shall be responsible for investigating any case of alleged intentional Program violation and ensuring that appropriate cases are acted upon either through administrative disqualification hearings or referral to a court of appropriate jurisdiction in accordance with the procedures outlined in this section. Administrative disqualification procedures or referral for prosecution action should be initiated by the State agency in cases in which the State agency has sufficient documentary evidence to substantiate that an individual has intentionally made one or more acts of Intentional Program Violation as defined in paragraph (c) of this section. If the State agency does not initiate administrative disqualification procedures or refer for prosecution a case involving an overissuance caused by a suspected act of intentional Program violation, the State agency shall take action to collect the overissuance by establishing an inadvertent household error claim against the household in accordance with the procedures in § 273.18. The State agency should conduct administrative disqualification hearings in cases in which the State agency believes the facts of the individual case do not warrant civil or criminal prosecution through the appropriate court system, in cases previously referred for prosecution that were declined by the appropriate legal authority, and in previously referred cases where no action was taken within a reasonable period of time and the referral was formally withdrawn by the State agency. The State agency shall not initiate an administrative disqualification hearing against an accused individual whose case is currently being referred for prosecution or subsequent to any action taken against the accused individual by the prosecutor or court of appropriate jurisdiction if the factual issues of the case arise out of the same or related circumstances. The State agency may initiate administrative disqualification procedures or refer a case for prosecution regardless of the current eligibility of the individual.

The Defendant's case has not been referred for civil or criminal prosecution. The ADH was properly initiated by the Department.

6. 7 C.F.R. § 273.16(a)(3) provides that the State agency shall base administrative disqualifications for Intentional Program Violations on the determinations of hearing authorities arrived at through administrative disqualification hearings in accordance with paragraph (e) of this section or on determinations reached by courts of appropriate jurisdiction in accordance with

paragraph (g) of this section. However, any State agency has the option of allowing accused individual either to waive their rights to administrative disqualification hearings in accordance with paragraph (f) of this section or to sign disqualification consent agreements for cases of deferred adjudication in accordance with paragraph (h) of this section. Any State agency which chooses either of these options may base administrative disqualifications for Intentional Program Violation on the waived right to an administrative disqualification hearing or on the signed disqualification consent agreement in cases of deferred adjudication.

The Defendant did not sign or return the Waiver of Disqualification Hearing form (W-1449) the Department sent to her on [REDACTED], 2022.

7. 7 C.F.R. § 273.16(c) provides the *Definition of intentional Program violation*. Intentional Program violations shall consist of having intentionally: (1) Made a false or misleading statement, or misrepresented, concealed or withheld facts; or (2) Committed any act that constitutes a violation of SNAP, SNAP regulations, or any State statute for the purpose of using, presenting, transferring, acquiring, receiving, possessing or trafficking of SNAP benefits or EBT cards.

7 CFR § 271.2 defines trafficking as: (1) The buying, selling, stealing, or otherwise effecting an exchange of SNAP benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signature, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone.

7 C.F.R. § 273.16(e)(6) provides the *Criteria for determining intentional Program violation*. The hearing authority shall base the determination of Intentional Program Violation on clear and convincing evidence which demonstrates that the household member(s) committed, and intended to commit, an Intentional Program Violation as defined in paragraph (c) of this section.

The Department established with clear and convincing evidence that the Defendant willfully committed an IPV by trafficking her SNAP benefits. Extensive documentation provided by the Department show Facebook and text conversations between the Defendant and Complainant. These messages between [REDACTED] and [REDACTED] of 2022 provide ample proof that the Defendant intentionally sold her SNAP benefits for money.

8. 7 CFR § 273.16(b) provides for *Disqualification penalties*. (1) Individuals found to have committed an intentional Program violation either through an administrative disqualification hearing or by a Federal, State or local court, or who have signed either a waiver of right to an administrative disqualification

hearing or a disqualification consent agreement in cases referred for prosecution, shall be ineligible to participate in the Program: (i) For a period of twelve months for the first intentional Program violation, except as provided under paragraphs (b)(2), (b)(3), (b)(4), and (b)(5) of this section.

7 CFR § 273.16(e)(8)(i)(ii)(iii) provides for the *Imposition of disqualification penalties*. (i) If the hearing authority rules that the individual has committed an intentional Program violation, the household member must be disqualified in accordance with the disqualification periods and procedures in paragraph (b) of this section. The same act of intentional Program violation repeated over a period of time must not be separated so that separate penalties can be imposed. (ii) No further administrative appeal procedure exists after an adverse State level hearing. The determination of intentional Program violation made by a disqualification hearing official cannot be reversed by a subsequent fair hearing decision. The household member, however, is entitled to seek relief in a court having appropriate jurisdiction. The period of disqualification may be subject to stay by a court of appropriate jurisdiction or other injunctive remedy. (iii) Once a disqualification penalty has been imposed against a currently participating household member, the period of disqualification shall continue uninterrupted until completed regardless of the eligibility of the disqualified member's household. However, the disqualified member's household shall continue to be responsible for repayment of the overissuance which resulted from the disqualified member's intentional Program violation regardless of its eligibility for Program benefits.

The Department correctly determined that the disqualification period for the Defendant's first IPV is one year.

9. 7 CFR § 273.16(b)(12) provides that even though only the individual is disqualified, the household, as defined in § 273.1, is responsible for making restitution for the amount of any overpayment. All intentional Program violation claims must be established and collected in accordance with the procedures set forth in § 273.18.

7 CFR § 273.18(a)(1)(ii) provides that recipient claim is an amount owed because of: (ii) Benefits that are trafficked. Trafficking is defined in 7 CFR 271.2.

7 C.F.R. § 273.18(b) provides for types of claims. There are three types of claims: (1) Intentional Program violation (IPV) any claim for an overpayment or trafficking resulting from an individual committing an IPV. An IPV is defined in § 273.16. (2) Inadvertent household error ("IHE") defined as any claim for an overpayment resulting from a misunderstanding or unintended error on the part of the household; (3) Agency error ("AE") defined as any claim for an overpayment caused by an action or failure to take action by the State agency.

7 CFR § 273.18(a)(4)(i) provides that the following are responsible for paying a claim: (i) Each person who was an adult member of the household when the overpayment or trafficking occurred.

The Department correctly determined that the Defendant is responsible to make restitution for the SNAP benefits she trafficked.

10.7 CFR § 273.18(c)(2)(i)(ii)(iii) provides for *Calculating the claim amount for Trafficking related claims*. Claims arising from trafficking-related offenses will be the value of the trafficked benefits as determined by: (i) The individual's admission; (ii) Adjudication; or (iii) The documentation that forms the basis for the trafficking determination.

The Department incorrectly determined the amount of the Defendant's trafficking related claim.

DISCUSSION

The Department clearly and convincingly established that the Defendant committed an IPV by selling her SNAP benefits for money. Printouts of Facebook and text messages provided by the Department, in which the Defendant explicitly referenced the sale of her SNAP benefits, served as strong evidence.

However, in regard to the Department's proposal to recoup \$917.00 in SNAP benefits, these same messages and texts were only partially sufficient to meet the clear and convincing standard necessary to recoup the full amount proposed. The Department testified that the messages and texts were the basis upon which they established the proposed recoupment amount. Absent any further documentation, these messages and texts were the only source that could be examined in order to rule on the recoupment of \$917.00.

Alleged sales of the Defendant's SNAP benefits on [REDACTED], 2022, [REDACTED], 2022, and [REDACTED], 2022, were all backed by date stamped messages and/or texts which specifically referenced the amounts of SNAP benefits sold by the Defendant. These sales totaled \$517.00 in SNAP benefits.

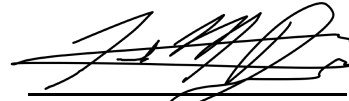

The Department also alleged a sale of SNAP benefits on [REDACTED], 2022, which totaled \$400.00. Although there are messages from [REDACTED], 2022, discussing the sale of SNAP benefits between the Defendant and complainant, they are not adequately clear to establish the amount sold. The messages referencing amounts on [REDACTED], 2022, read: "So 200 for 400", "She want 300 for herself so that's 150" also "I could do the 100 for 200" and lastly "Ok (text missing) 600 in total 400 for me and 200 for her." In addition, EBT records displayed that the Defendant only had \$42.44 in her account at the time of the alleged [REDACTED], 2022, transaction. The account balance remained below \$400.00 until \$1337.00 in SNAP benefits were deposited on [REDACTED]

■, 2022. During all of the other alleged transactions, the Defendant's account balance was over the amount that was sold.

The amount of the alleged sale on ■■■■■, 2022, does not meet the standard of clear and convincing regarding the specific amount sold. Therefore, only \$517.00 of the alleged \$917.00 in SNAP benefit sales could be established.

DECISION

1. The Defendant is **GUILTY** of committing her first SNAP Intentional Program Violation for trafficking SNAP benefits.
2. The Department is authorized to disqualify the Defendant from participation in the SNAP for a period of twelve (12) months and to seek recovery of \$517.00 of the \$917.00 proposed for recoupment.
