PART I: INTRODUCTION; OVERVIEW

INTRODUCTION

Evergreen Woods (the “Community”) brings to residents of Connecticut, aged 62 and over, a form of retirement living with a full continuum of care available. Sometimes known as “life plan”, “continuing care”, or “life-care”. This concept offers active retirees a lifestyle that is designed to meet their unique needs while allowing them the freedom to pursue their personal interests. Communities, such as Evergreen Woods, encompass four important components: a private apartment home, a wide array of available personal services, the security of an on-site professional Health Center, offered within a sound financial plan.

One of the purposes of this Information Booklet (Disclosure Statement) is to explain to prospective residents, their families and advisors, who and what is involved in the operation of the Community. This Information Booklet was prepared on the basis of information available at the time of its publication and assumptions that were believed to be realistic as of that date. Such information and assumptions are, of course, subject to change and in particular are significantly affected by changes in inflation and interest rates. In addition, there usually will be differences between the forecasted and actual results, because events and circumstances frequently do not occur as expected and those differences may be material. Moreover, the achievement of any financial forecast is dependent upon future events, the occurrence of which cannot be assured and future changes in circumstances and in the economy may require changes in the future operation of the Community.

Although we have prepared this Information Booklet carefully and have tried to use non-technical language, it is possible that there may be some differences between the text in this booklet and certain of the contracts summarized herein. In the event of any difference, the provisions of such contracts shall govern.

GUIDING PRINCIPLES

The following Guiding Principles are the foundation upon which we operate:

People First, Always. We approach our business with a People Over Policy mindset. This allows our team members to make the decision at any given time which puts the Members we serve first. In addition, we believe in an empowered workforce. Our product is only as good as the hands that deliver it. That’s why we extend our People First principle to those we’re working alongside.

We Exist to Serve Our Members. If we lose sight of the individuals that we’ve built our community to serve and care for, then we don’t deserve to be in business. This is why we stress our mission on a daily basis to everyone from our front-line caregivers to our administrative staff.

We Have A Responsibility to be Full. We believe that we have the best community offering the best services resulting in industry-best care. As our community grows we are able to serve more and more Members for whom this quality of life is the best option. Therefore, it is our responsibility to be full. And by maintaining our position as best-in-class in all that we offer, we

believe we can help shape a changing culture that allows our person-centered, dignity-focused philosophy to trickle down to every other community in the nation.

PART II: THE COMMUNITY

EVERGREEN WOODS

Evergreen Woods is located on an attractive 88-acre wooded site that is conveniently located on the tri-town border of North Branford, Branford, and Guilford. The address of the Community is 88 Notch Hill Road, North Branford, Connecticut 06471.

Evergreen Woods is a continuum of care community designed to accommodate persons 62 years of age or older. The Community provides active retirees a lifestyle designed to meet their unique needs while allowing them the freedom to pursue their personal interests. Continuing-care communities, such as Evergreen Woods, encompass these important components: a private apartment home, a wide array of available personal services, and the security of an on-site professional Health Center.

The Community consists of 249 apartments, numerous common spaces and a 50-bed Health Center. Common amenities include a reception lobby, a library, an indoor swimming pool with a state-of-the-art exercise room and Jacuzzi-style whirlpool spa, an auditorium with stage, an attractive dining room with an excellent view of the woods, a private dining room, which may be reserved by residents who wish to entertain a group, and several lounges designed for card playing, games, conversation or reading. Other common amenities include a country store, an arts-and-crafts room, a billiards room, a multi-media room, a beauty/barber shop, a woodworking shop and a cocktail lounge. Outdoor facilities include garden plots, hiking trails, and scenic seating areas.

The Health Center is licensed to provide chronic and convalescent nursing home care and is designed with both private and semi-private rooms. The Health Center includes a rehabilitation therapy room, recreational therapy area, dining rooms, lounges, and a beauty/barber shop. An enclosed garden courtyard with gazebo offers residents and visitors an opportunity to enjoy the outdoors. Emphasis in the Health Center is on restorative care, with the goal of returning residents to living in their apartments. The Health Center features a comprehensive, inpatient and outpatient rehabilitation program encompassing physical, occupational and speech therapy. The Health Center also provides intravenous (IV) therapy.

The Supportive Care Neighborhood is designed to meet personal care and mobility needs while promoting independence. Often referred to as a “community within a community”, this resourceful neighborhood gathers services, conveniences and social interactions into a cozy and easy-to-navigate enclave. The Supportive Care Neighborhood connects the friendly and welcoming spirit of the Community, the beautiful apartments and maintenance-free services, the convenient dining and gathering features, and favorite social activities with respectful care provided in the privacy of a resident’s apartment.

Evergreen Woods supports residents in maintaining a Resident Advisory Council. Elected representatives of the residents meet monthly with administration to share ideas, make suggestions and address any concerns of residents. Regularly scheduled resident meetings are held to enable the residents to ask questions and to facilitate communication between the administration of Evergreen Woods and the residents.

THE LIFE-CARE CONCEPT

The life-care concept, as provided by Evergreen Woods, offers individuals use of an apartment, support services and long-term nursing care in an on-site Health Center if they are temporarily or permanently unable to live in their apartment. This concept has grown as the result of the increasing number of men and women reaching retirement age and the concern for providing an alternative to traditional retirement living. A resident will pay an Entrance Fee which will have various minimum refunds depending upon the plan selected by the resident (see description of the plans that we offer in the section below). After assuming residence in the Community, every resident pays a monthly service fee (the “Monthly Service Fee”) and a monthly working capital fund fee. A resident will be entitled to live in a private apartment, and, if necessary, may relocate to the on-site Health Center either on a temporary or permanent basis.

THE PLANS

The Community offers two types of entry fee plans to accommodate the preferences of its residents: (1) the Traditional Residency Plan, and (2) the Unbundled Residency Plan (collectively, the “Plans”). Both plans include the same services for independent living and provide for the provision of skilled nursing services. However, the Traditional Residency Plan is priced to allow for the provision of skilled nursing expenses at a much lower cost if the resident needs those services in the future. Under the Unbundled Residency Plan, the costs of skilled nursing care charged to residents are the daily costs at the time when such services are rendered, and both the Entrance Fee and Monthly Service Fee amounts are substantially less than such fees under the Traditional Residency Plan. Both Plans have 3 different prices to reflect whether the resident chooses to have his or her Entrance Fee refunded at zero, sixty, or ninety percent (0%, 60%, or 90%) of the amount of the Entrance Fee. Each Plan is described in more detail in the applicable Residency Agreement. (See Exhibit A for an example copy of a Traditional Residency Agreement and Exhibit B for an example copy of an Unbundled Residency Agreement.)

CONTRACTS AND FEES

The compensation to the Provider for the on-going ownership of the Community is comprised solely from entrance fees from new residents of the Community (including any second person entrance fee charged), the Monthly Service Fee and the monthly owner’s administrative fees (which are fixed for the duration of a resident’s occupancy), interest earned on deposits and/or certain escrowed monies, and other benefits generally associated with the leasing and operation of real estate. In addition, to the extent the Provider loans funds to operations that would normally be funded through the Cash Requirements Allocation Formula, if applicable, and/or funds any shortfalls between operating revenues and operating expenses, the Provider may, at its option, seek to recoup such amounts through the Monthly Service Fees.

THE SERVICES

The decision to move into a continuing-care retirement community demands careful consideration of many factors, including the services to be provided. While the services provided by Evergreen Woods to residents are listed in Sections 5 and 6 of the Residency Agreement, which

governs all such obligations, the following is a description of those services most frequently asked about.

Dining Services

Each month, each individual resident receives 600 dining credit points called “Flexible Dining Dollars” (**prorated for partial months**) for use towards:

- Restaurant dining in the Community’s main dining room for lunch or dinner;
- Casual dining in the bar or café for lunch or dinner;
- Private dining events in the Community’s private dining rooms;
- Take-out meals;
- Catered events in common areas or in the resident’s home;
- Beverage services in the Clubhouse dining and bar areas;
- Social events and parties.

A continental breakfast service is offered daily at no additional charge.

The monthly dining credit amount is sufficient for most residents to have at least one full meal (e.g., soup or salad, an entrée with sides, dessert, a beverage and a glass of wine or beer) per day each month in the main Clubhouse dining room or other dining areas. While each dining venue in the Community’s Clubhouse has a standard menu, some menus also include additional daily “Wellness” offerings for residents who wish to indulge in healthier fare. The service of the dietitian is available to residents who desire nutritional counseling.

In addition to the standard menus and Wellness offerings, the Community’s chefs prepare daily entrée, appetizer and dessert specials based on market availability and seasonal offerings, and the Community hosts a variety of special meals throughout the year (e.g., Thanksgiving Dinner) and these additional offerings are customized and priced accordingly.

“Take-out” service is available for lunch and dinner meals. There is no additional charge to the resident for delivery service when the resident is ill and such delivery service is approved by Evergreen Woods.

Pricing for menu items is clearly marked and, following each meal, the resident will receive a detailed receipt for that meal, the number of Flexible Dining Dollar points used for the meal and a balance of his or her Flexible Dining Dollar points remaining for the month. If a resident exceeds his or her dining credit amount in a particular month, he or she will be charged at a percentage of the amount of such excess on his or her next monthly statement. If a resident ends the month with Flexible Dining Dollar points remaining, then that balance is carried over and added to the resident’s dining credit balance for the next month. For example, if Mr. Smith uses only 100 of his 600 Flexible Dining Dollar points in May, then in June, Mr. Smith will begin the month with 1,100 Flexible Dining Dollar points. There is no limit to the unused Flexible Dining Dollar points that can be carried forward.

At the end of each year, any resident who has remaining Flexible Dining Dollar points can choose to either carry his or her Flexible Dining Dollar points forward in the normal course, or to

apply those unused dining credits to his or her next Monthly Service Fee in an amount equal to 30% of the Flexible Dining Dollar points credit balance. If a resident leaves the Community (or relocates to the Health Center), he or she will receive cash back in the amount of 30% of his or her remaining balance at the time of departure.

Guests are always encouraged and residents may use their Flexible Dining Dollar points to pay for guests' meals.

Residents may also use their Flexible Dining Dollar points towards adult beverages and other entertainment in the lounge and dining areas of the Community.

Flat Laundry

Evergreen Woods provides weekly service for the residents' flat laundry (i.e., sheets, pillowcases, towels, face cloths and dish cloths) which is washed, dried, folded and returned within a set time. Although the use of permanent press linen is strongly recommended, the associates will launder nonpermanent press items, but will not iron flat laundry.

Health Center

In the event a resident requires skilled nursing care, he or she may be admitted by physician's order directly to the Health Center from his or her apartment. Residents of the Community have priority access to the Health Center over nonresident patients desiring admission. Flexible Dining Dollar points may not be used in the Health Center; instead the resident's monthly billing statements will be adjusted when he or she is admitted to the Health Center to include the costs of Health Center meals. Visitors and volunteers are encouraged to visit the patient. Friends, relatives or spouses may take meals with patients with advance notification.

The costs of skilled nursing care are charged to residents who have the Unbundled Residency Plan at the then published daily rate for skilled nursing plus fees for supplies, medication, and any rehab provided.

A resident who has the Traditional Residency Plan will pay for skilled nursing at what he or she otherwise had been paying for his or her apartment Monthly Service Fee plus fees for the extra meals provided and for supplies, medication, and any rehab provided.

Evergreen Woods is licensed to provide rehabilitative, skilled nursing care. Evergreen Woods is not licensed to provide hospital-level care or certain other services including, but not limited to, acute psychiatric care and ventilator therapy. The Monthly Service Fee does not cover, and Evergreen Woods will not be responsible for, the costs of any hospitalization required by residents.

A physician has been retained on a consulting basis to act as medical director for the Health Center. Residents in the Health Center must be seen and followed by a physician who is credentialed by Evergreen Woods and must comply with all state and federal requirements for licensed health care centers.

While in the Health Center, the resident will be provided nursing care in a semi-private room. If a resident desires an available private room, the resident may obtain one, subject to availability, and upon agreement to pay the difference in cost between semi-private and private rooms, calculated based on private-pay rates. Semi-private Health Center care includes basic nursing care and emergency medical care when the medical director is summoned by Health Center associates. The resident is responsible for the services of his/her personal physician. In the event the resident's personal physician or the Community's medical director orders medication, therapy, or various supplemental services for the resident's care, the resident shall be responsible for the cost of such services and medication.

Refer to Section 7 of the Residency Agreement for more details on charges in the Health Center.

Maintenance of the Living Unit

Evergreen Woods maintains all common spaces and provides weekly housekeeping services for resident apartments. Housekeeping services include: cleaning and dusting the interior of the apartment and vacuuming, all on a weekly basis; washing and waxing hard surface floors; and the annual cleaning of ovens and windows. Carpets will be cleaned approximately every 24 months, and, at other times, spot cleaning will be done. Associates will assist residents in arranging and moving furniture as needed during the first 3 months of occupancy at no charge. Extra cleaning help will be available at additional cost.

Other Charges

Other services may be provided to residents at additional charge, which may be added to the monthly bill. Such services include guest accommodations, newspapers, personal transportation, guest meals not covered by the resident's Flex Dining Dollars point balance, nursing and personal care services provided by the Resident Services Department, beauty/barber shop services, additional resident meals (available at a discount if taken on a monthly plan), additional housekeeping, personal laundry service and such other reasonable services as requested.

Pets

In recognition of the strong role that pets play in our lives, certain pets are permitted, accordance with our Pet Policy. Please see your Lifestyle Advisor for a current copy of the policy.

Supportive Services for Apartment Residents

Those residents who do not require care in the Health Center, but who need additional personal care services to continue living in their apartments may receive the services of the Resident Services Department staffed by a professional counselor, registered and licensed nurses and certified nursing assistants. The Resident Services Department provides services such as Wellness Clinic, nursing treatments, medication management, case management, bathing, dressing, additional housekeeping, shopping, escort and laundry services to the residents at additional cost. Such services are made available to the residents at an extra charge. Evergreen Woods reserves the right to add to, delete from, or modify such additional services and charges from time to time.

Evergreen Woods is a licensed Assisted Living Services Agency (ALSA) and registered Managed Residential Community (MRC) with the Connecticut Department of Public Health. The Resident Services Department offers nursing and personal care services to apartment residents who qualify under Connecticut law. Residents are free to contract with other Connecticut-licensed home health care agencies, so long as such agencies meet certain criteria and their staff meets the same requirements of the Evergreen Woods staff (i.e., background screens, drug testing, documentation, and community specific training).

Telephone Service

Each apartment has “live” jacks in various locations. Actual telephone service is at the resident’s expense.

Transportation

Scheduled bus and other transportation services are provided. Transportation to theater, outings, museums and other special events is offered and may be at extra cost to the resident. Regularly scheduled bus transportation is provided to shopping centers, medical offices and local religious services. Private transportation services are also available at an additional charge.

THE RESIDENCY AGREEMENT

Evergreen Woods’ Residency Agreement (the “Residency Agreement”) sets out the contractual agreements between the residents and the Community. See Exhibit A for an example copy of a Traditional Residency Agreement and Exhibit B for an example copy of an Unbundled Residency Agreement. There are three versions of each type of Residency Agreement (Traditional and Unbundled); the only substantive difference between the three versions is the refund provisions, which are described under “PROMISSORY NOTE” on page 33. Evergreen Woods reserves the right to offer to new prospective residents alternative forms of residency agreements from time to time.

Upon deciding to become a resident of the Community, a future resident will execute a Residency Agreement to reserve the apartment selected. Below is a reference of key terms which are described in the Residency Agreement.

Rights of a Surviving Spouse (or Second Persons): Section 4.5 of the Residency Agreement describes the rights of a surviving spouse (or second person).

Marriage of a Resident: Section 11.2 of the Residency Agreement describes your rights if you get married or decide to have a second person live with you.

Disposition of Personal Property: Section 11.4 of the Residency Agreement describes the rights of the resident and the Community regarding the disposition of personal property upon death or cancellation or termination of the Residency Agreement.

Evergreen Woods’ Termination Rights: Section 10.1 of the Residency Agreement indicates that the Provider will not terminate the Residency Agreement except for just cause.

Limitations on Termination Rights for Financial Inability: Section 10.2 of the Residency Agreement explains limitations on termination rights for financial inability.

Notice of Termination: Section 10.3 of the Residency Agreement explains the notice of termination.

Emergency Termination: Section 10.4 of the Residency Agreement explains emergency termination.

Resident's Termination Rights: Section 9 of the Residency Agreement explains the resident's termination rights.

TAX CONSEQUENCES

PART III: FINANCIAL INFORMATION

ENTRANCE FEE ESCROW

Under the provisions of the Act, the Provider must maintain an escrow account for certain portions of the entrance fees with a bank or trust company. These are the entrance deposits that are paid to the Provider upon execution of the Residency Agreement and prior to occupancy, referred to as the “Entrance Deposit.” Such account has been established with U.S. Bank (formerly Union Trust Company), One Federal Street, Boston, Massachusetts 02110. Attached as **Exhibit C** to this Agreement is a sworn statement of U.S. Bank, affirming that the escrow required by Section 17b-524 of the Connecticut General Statutes has been established and maintained.

The ten percent (10%) Entrance Deposit, which prospective residents pay to reserve the apartment, is deposited into the entrance fee escrow account. The funds and interest earnings are held in escrow until all statutory requirements are met.

Prospective residents who desire to cancel their Residency Agreement are required to send a written notice of termination by registered or certified mail to the escrow agent at the above address and to Evergreen Woods Retirement, LLC, 88 Notch Hill Road, North Branford, Connecticut 06471. Prospective residents who cancel will not receive interest on the entrance fee deposit.

Interest earned on the entrance fee escrow account shall belong to the Provider.

OPERATING RESERVE ESCROW AND DEBT SERVICE RESERVE ESCROW

The Provider is required to and has established and maintains in trust an escrow account with KeyBank National Association, located at 100 Pearl Street, Hartford, Connecticut 06103 on a current basis, an operating and debt service reserve in an amount sufficient to cover: (a) all principal and interest, rental or lease payments due during the next six months on account of any first mortgage loan or other long-term financing or such lesser amount as determined by the Department of Social Services; and (b) the total cost of operation of the Community for a one-month period, excluding debt service and certain capital expenditures. Attached as **Exhibit D** to this Agreement is a sworn statement of KeyBank National Association, affirming that the escrow required by Section 17b-525 of the Connecticut General Statutes have been established and maintained. KeyBank National Association, as Escrow Agent, may invest all amounts held by it from time to time in such obligations of any federal or state or local authority (or in shares of a registered investment company which holds a portfolio of such securities) or such certificates of deposit, savings accounts, money market accounts, deposits, or other savings or investment securities including, without limitation, those of Escrow Agent, as the Chief Accounting Officer of SLC may from time to time direct in writing, or absent such direction, in such accounts or similar investments as the Escrow Agent shall deem advisable in its sole discretion. Interest earned on the debt service and operating reserve escrow account is payable to the Provider. The balance of the operating and debt service reserve escrow account as of April 30, 2023 was \$4,354,515.20.

PROMISSORY NOTE

Under the life-care retirement concept, no ownership interest in the real estate is transferred to the resident. Rather, the resident is provided use of an apartment, subject to and under the terms of the Residency Agreement and Connecticut statutes.

With all Residency Agreements, whether a Traditional Residency Agreement or an Unbundled Residency Agreement, the resident has a choice of three different refund plans: (1) the ninety percent (90%) refund plan, (2) the sixty percent (60%) minimum refund plan, or (3) the Endowment 0% refund plan. Between zero percent (0%) and ninety percent (90%) of the Entrance Fee is refunded to the resident or his or her estate upon termination of residency in the Community depending upon the type of plan selected by the resident and the date of termination. The 90% refund plan has a higher Entrance Fee than the 60% refund plan which has a higher Entrance Fee than the Endowment 0% refund plan.

If a resident chooses the ninety percent (90%) refund plan, then ninety percent (90%) of the Entrance Fee is refundable to the resident or his or her estate upon termination of residency in the Community no matter how long he or she has lived at the community.

If a resident chooses the sixty percent (60%) minimum refund plan, then a minimum of sixty percent (60%) of the Entrance Fee is refundable to the resident or his or her estate upon termination of residency in the Community. Ninety percent (90%) is refundable if the resident ends his or her residency in the Community during the 1st year after moving in. The refund amount declines to eighty percent (80%) during the second year and further declines to seventy percent (70%) during the third year. In the fourth year and all subsequent years, the amount refundable to the resident or his or her estate upon termination of residency in the Community is always sixty percent (60%).

If a resident chooses the Endowment 0% refund plan, then ninety percent (90%) of the Entrance Fee is refundable initially and during the first 5 months after occupancy, but is then amortized over the following forty-five (45) months to zero refund.

The refundable portion of the Entrance Fee for all plans is evidenced by a Promissory Note, an example of which is attached as an exhibit to the Residency Agreement executed by the resident and the Provider at occupancy.

FINANCING OF THE COMMUNITY

The Community is financed through a long-term lease from NHI-REIT of Evergreen, LLC, a wholly-owned subsidiary of National Health Investors, Inc., a Maryland corporation that is a real estate investment trust. The initial term of the lease runs to December 31, 2029, subject to two options to extend the initial term for an additional five years each. As of January 1, 2023 the annual lease payment for the Community is \$6,436,435, which will increase by 3% on January 1 each year. One half of the annual lease payment is required to be deposited in the operating and debt service reserve escrow described above.

AUDITED FINANCIAL STATEMENTS

Evergreen Woods Retirement, LLC was formed in 2016 and began operating the Community in November 2016. Audited financial statements of the Provider for years ended December 31, 2022, December 31, 2021, and December 31, 2020 are attached as Exhibit E.

Due to specific accounting rules applicable to continuing care retirement communities, specifically the treatment of the nonrefundable portion of entrance fees, our financial statements

can often be misleading to the average individual. While many individuals tend to focus primarily on the income statement, the most useful resource is going to be the statement of cash flows.

FINANCIAL PROJECTIONS

It is important for future residents, their families and their advisors to understand the financial basis on which the Community operates. The past experience of developing and managing senior living communities has been the basis for financial planning for the Community. As discussed in the Introduction to this Disclosure Statement, the achievement of a financial forecast is always dependent on future events.

THE PRO FORMA CASH FLOW STATEMENT

A budgeting system is an essential business tool. Naturally, the entire process is ongoing, as new developments allow for refinement. Such new developments may include external events over which there is no control.

The Pro Forma Cash Flow Statement is simply a projection, as of January 2023, of the estimated flow of cash into and out of the Community for the period beginning on January 1, 2023 and ending December 31, 2025. Assumptions and explanations are contained in the notes following the Pro Forma Cash Flow Statement.

The Pro Forma Cash Flow Statement is based on operations of Evergreen Woods as of January 2023. Such estimates are, of course, dependent upon assumptions concerning many items, including economic conditions such as inflation and interest rates, which are subject to change. Although there can be no guarantee of accuracy, it is believed that the Pro Forma Cash Flow Statement reflects sound financial planning and a rational set of assumptions, based upon experience and insight.

PRO FORMA CASH FLOW ASSUMPTIONS

- (a) Evergreen Woods maintains its operating cash under a sweep arrangement with a master account held by SLC. For purposes of the Pro Forma Cash Flow below, beginning cash was set at \$0 with ending cash an accumulation of projected net change in cash per the projection.
- (b) Apartment Service Fees represent the total of Monthly Service Fees for all apartments, increasing by 3% each year, and based on average occupancy of 73% in 2023.
- (c) Total census in the Health Center is assumed to be 32 of 50 beds (19 Pvt Pays and 13 Med A) in 2023; 33 of 50 beds (19 Pvt Pays and 14 Med A) in 2024; and 35 of 50 beds (20 Pvt Pays and 15 Med A) in 2025.
- (d) Other income represents projected income from items such as assisted living services, meals, garage rentals, guest rooms, beauty and barbershop, and application fees.
- (e) Interest income is based on estimated projections of future interest rates.

- (f) A 5% increase in operating expenses is projected.
- (g) Capital expenditures cover unit and common area improvements or refurbishments and building updates.

EVERGREEN WOODS
TRADITIONAL RESIDENCY AGREEMENT
(60% Minimum Refund)

1. ENTRANCE FEE AND PROMISSORY NOTE.

1.1 Entrance Fee. To assure you, _____ (“Resident”), a place at Evergreen Woods in North Branford, Connecticut (hereinafter “The Community”) in accordance with all terms of this Agreement, including payment of the Monthly Charges described below, you will pay to Evergreen Woods an Entrance Fee of \$ _____.

Payment of your Entrance Fee entitles you to live in the _____ Building, Apartment no. _____ (“Apartment”) at The Community for as long as you are capable of meeting the requirements of apartment occupancy as set forth in our current entrance policy, and in The Health Center at Evergreen Woods when you are no longer capable of apartment occupancy, and to receive available services all in accordance with the terms of this Agreement.

If there are two of you, then there is a one-time non-refundable Second Person Entrance Fee of \$ _____. This one-time non-refundable Second Person Entrance Fee is to be paid on or before the date you move into the Community.

1.2 Initial Deposit. You agree to pay ten percent (10%) of your Entrance Fee in the amount of \$ _____ when you sign this Agreement. We will hold this amount in escrow until such time as it may be released pursuant to Connecticut law.

1.3 Balance of Entrance Fee. You agree to pay the remaining balance (ninety percent (90%)) of your Entrance Fee in the amount of \$ _____ (the “Move-In Payment”) to Evergreen Woods on or before the date you move into The Community. You shall not be required to move into The Community before the expiration of thirty (30) days from your execution of this Agreement. In no event shall the date you move into The Community (or pay the Move-In Payment and also the Second Person Entrance Fee, if applicable), extend beyond three (3) months from the date this Agreement is signed by both you and The Community.

1.4 Promissory Note. Upon receipt of the Move-In Payment, we will execute and deliver to you the Promissory Note substantially in the form attached to this Agreement as Exhibit A, and in the original principal amount of ninety percent (90%) of the Entrance Fee. Repayment of the Promissory Note will be made in accordance with its terms and the provisions of **Section 2.2** below. Your interest in

the Promissory Note may not be mortgaged, sold, discounted, assigned, or otherwise transferred, except to certain trusts established for your benefit, subject to our prior approval and in our sole discretion.

2. REIMBURSEMENT OF ENTRANCE FEE.

2.1 Reimbursement of Entrance Fee Prior to Occupancy.

2.1.1 If you are not accepted for residency, as evidenced by Community-authorized signature of this Residency Agreement, the full amount of the Entrance Fee and any Second Person Entrance Fee that you have paid will be refunded to you without interest within five (5) business days.

2.1.2 You may cancel this Agreement at any time prior to occupying the Apartment for any reason. To cancel, you need to give us and the escrow agent, U.S. Bank, One Federal Street, 3rd Floor, Boston, MA 02110, written notice of cancellation by registered or certified mail and this Agreement will be canceled.

In such event, the full amount of the Entrance Fee and any Second Person Entrance Fee that you have paid will be refunded to you without interest within five (5) business days of written notice, except that we will retain an amount equal to any costs specifically incurred by us or The Community at your request (any such costs will be in a written addendum to this Agreement signed by both you and us).

2.2 Repayment of Promissory Note After Occupancy. In the event this Agreement is terminated or canceled after you have occupied your Apartment, the unpaid principal balance of the Promissory Note shall be repaid as stated following:

- a. The unpaid principal balance of the Promissory Note shall become due and payable to you or your estate, as the case may be, in accordance with the terms set forth below only when: (i) this Agreement has terminated; (ii) you have surrendered possession of the Apartment to us as required by this Agreement; and (iii) either we have received the full Entrance Fee from a substitute resident for the Apartment or a substitute resident moves into the Apartment or in accordance with **Section 2.2g**.
- b. We will be entitled to credits which will automatically reduce the principal balance of the Promissory Note in the following amounts, effective on the following dates:

A credit equal to 10% of the total Entrance Fee will be deducted from the principal balance on the Promissory Note if, on the first anniversary of the date that the Move-In Payment was made, this Agreement has not been terminated or you or the second person remains a resident in the Apartment or The Health Center at Evergreen Woods (i.e., we will then owe you an amount equal to 80% of the total Entrance Fee).

An additional credit equal to 10% of the total Entrance Fee will be deducted from the principal balance on the Promissory Note if, on the second anniversary of the date that your Move-In Payment was made, this Agreement has not been terminated or you or the second person remains a resident in the Apartment or The Health Center at Evergreen Woods (i.e., we will then owe you an amount equal to 70% of the total Entrance Fee).

A final credit equal to 10% of the total Entrance Fee will be deducted from the principal balance of the Promissory Note if, on the third anniversary of the date that your Move-In Payment was made, this Agreement has not been terminated or you or the second person remains a resident in the Apartment or The Health Center at Evergreen Woods (i.e., we will then owe you an amount equal to 60% of the total Entrance Fee).

The total of the credits which will occur on the first, second, and third anniversary of the date that your Move-In Payment was made is equal to 30% of the total Entrance Fee. Because the Promissory Note will initially be for an amount equal to 90% of the total Entrance Fee, the principal balance owed on the Promissory Note will not fall below 60% of the total Entrance Fee (less any amount you owe us under this Agreement at the time or after it terminates if we have elected to set-off such amount).

- c. We agree to evaluate your financial condition, upon your request, and if need is demonstrated, to apply amounts due to you on the Promissory Note to amounts you would otherwise owe us for services in The Health Center at Evergreen Woods. Any amounts so applied will become a reduction in the unpaid principal balance of the Promissory Note (i.e., a “set-off”).

- d. Upon payment to you of the unpaid principal balance due on the Promissory Note, you will execute all such documents and take all action necessary to cancel the Promissory Note.
- e. You will be responsible for payment of your own income taxes on any interest which accrues or is imputed on account of the Promissory Note pursuant to applicable state or federal law.
- f. If we have not received the Entrance Fee from a substitute resident for the Apartment or a substitute resident has not moved into the Apartment within two (2) years after this Agreement has terminated and you have surrendered possession of the Apartment to us and are not a resident in The Health Center at Evergreen Woods as required by this Agreement, then interest on the unpaid principal balance of the Promissory Note will accrue at the rate of four percent (4%) per annum and interest shall be paid to you monthly in arrears, starting on the tenth day of the month following the second anniversary of the termination date of this Agreement and continuing on the tenth day of each month thereafter until the Promissory Note is paid in full.
- g. If not sooner paid, the unpaid principal balance of the Promissory Note, plus unpaid accrued interest, shall be paid in full on the date which is three (3) years after this Agreement has terminated and you have surrendered possession of the Apartment and are no longer a resident of The Health Center at Evergreen Woods to us as required by this Agreement.
- h. Refurbishment Costs: You agree that we may deduct from the repayment to you of the principal balance our costs to refurbish the Apartment to like new condition when you leave. At a minimum, we will almost certainly replace the floor coverings and repaint the Apartment. You will be responsible for other costs in addition to paint and floor coverings for damage you, your guests, or your pets have caused to the Apartment, and such other costs will be deducted from the repayment to you of the principal balance.
- i. Tobacco Smoke Damage: You agree that the Apartment is a non-smoking residence at all times. All of our costs (at any time) to refurbish the Apartment to like new condition which are related to tobacco smoke may be deducted from the repayment to you of the principal balance. The costs to repair smoke damages are substantial

and generally include multiple replacements (such as duct work, surface finishes, even ceilings). These costs are in addition to those of **Section 2.2h** above.

- j. Pet Damage: You agree that all of our costs (at any time) to refurbish the Apartment for damages caused by your pet(s) may be deducted from the repayment to you of the principal balance. These costs are in addition to those of **Section 2.2h** above.
- k. The provisions of this **Section 2.2** shall survive termination of this Agreement.

2.3 Right of Offset. We have the right to offset against any Entrance Fee refund or Promissory Note repayment any unpaid Monthly Charges owed by you, any unreimbursed health care expenses we have advanced on your behalf, any amounts deferred by us under **Section 10.2**, and any other sums owed by you to us.

3. ONE-TIME CAPITAL CHARGE. On or before the date you move into The Community, you will pay us the amount of \$_____ (the “One-Time Capital Charge”). The One-Time Capital Charge is a one-time, non-refundable charge that will be used to fund apartment refurbishment and other capital improvements as determined by us.

4. MONTHLY CHARGES.

4.1 Working Capital Fund Fee. You shall pay a Working Capital Fund Fee of seventy-five dollars (\$75) per month for occupying your Apartment or The Health Center at Evergreen Woods. If there are two of you, a single monthly Working Capital Fund Fee shall cover both residents. There shall be no increase in your Working Capital Fund Fee during the term of this Agreement. The Working Capital Fund Fee shall be our unrestricted property, and may be used by us for any purposes.

4.2 Monthly Service Fees. You shall pay a Monthly Service Fee for the services and features provided to all residents as set forth in **Section 5**. During the current calendar year, this initial Monthly Service Fee will be \$_____ per month for one person and an additional \$_____ per month if there are two (2) of you occupying the Apartment. We will give you advance written notice of not less than thirty (30) days before any change in the Monthly Service Fee is implemented. Any change in the Monthly Service Fee may be made at our discretion.

4.3 Monthly Charges. During the current calendar year, you will pay fixed monthly charges of \$_____, which represent the Working Capital Fund Fee and Monthly Service Fee. In addition to the Working Capital Fund Fee and the Monthly Service Fee, you will also be charged for any additional services you may utilize.

4.4 Payment. On the day you move into The Community or as otherwise provided in **Section 1.3** of this Agreement, you shall pay a prorated portion of the Working Capital Fund Fee and Monthly Service Fee. Thereafter, such fixed monthly charges will be payable on the first day of each month in advance, and your additional charges for optional services will be paid on the first day of each month for the optional services obtained during the preceding month.

4.5 Termination of Charges for Apartment. The Monthly Charges for your Apartment will terminate when (a) you vacate the Apartment and remove your possessions from it or (b) you release your Apartment pursuant to the provisions of **Section 7** regarding usage of The Health Center at Evergreen Woods. In the event there are two (2) of you who occupy an Apartment and one of you dies, the second person's fees will cease and the remaining person will continue to pay the first person's Monthly Service Fee and Working Capital Fund Fee. Further, if your surviving spouse is not a resident of The Community or a party to this Agreement, then this Agreement will terminate upon your death and any fees or refunds owed will be handled pursuant to the terms herein.

4.6 Late Payment Charge; Interest and Collection Costs. Evergreen Woods reserves the right to impose a late payment charge and to assess interest at the rate of one and one-half percent (1.5%) per month for all balances that remain unpaid ten (10) days after the date on which they are due. Any account balances, including late payment charges and interest, that remain unpaid when this Agreement is terminated shall become a lien against your assets or estate after deducting any refund owed under this Agreement. You will not be entitled to full or partial repayment of the Promissory Note at the time you release your Apartment for relocation in The Health Center at Evergreen Woods.

7.9 Supplemental Insurance. You are required to maintain Medicare Part A, Medicare Part B and Medicare Part D or an equivalent insurance policy under a private or public plan. In addition you must maintain one supplemental health insurance policy or equivalent insurance coverage acceptable to us to assure your ability to fully cover a Medicare-qualified stay in The Health Center at Evergreen Woods. You shall furnish to us such evidence of coverage as we may from time to time request. Such supplemental insurance should cover Medicare co-insurance and deductibles. Should your supplemental health insurance or equivalent coverage not fully cover a Medicare-qualified stay in The Health Center at Evergreen Woods, or should you fail to purchase supplemental health insurance or equivalent coverage to fully cover a Medicare-qualified stay at The Health Center at Evergreen Woods, you

shall be financially responsible for paying deductibles, co-insurance amounts, and any other costs for each Medicare-qualified stay in The Health Center at Evergreen Woods. If you are eligible to receive the ninety (90) days of care in The Health Center at Evergreen Woods as provided in **Section 7.1** and your stay in The Health Center at Evergreen Woods is a Medicare-qualified stay, such ninety (90) days will be applied after the expiration of your Medicare-qualified stay providing you have Medicare Part A, Medicare Part B, Medicare Part D and acceptable supplemental health insurance or equivalent insurance coverage. If failure to maintain Medicare Part A, Medicare Part B, Medicare Part D (or equivalent insurance coverage) or supplemental health insurance is causing depletion of your resources and impairs your ability to meet your financial obligations, we need not defer your financial obligations as provided in **Section 10.2.3**, and we retain the right to revoke your license to reside at The Community and terminate this Agreement as provided in **Section 10**.

7.10 Managed Care. If you have chosen to participate in a managed care program as an alternative to Medicare Part A, Medicare Part B, and supplemental insurance coverage, the terms governing health center care will be as follows:

7.10.1 If The Health Center at Evergreen Woods is a participating provider with your managed care program and your stay is a Medicare-qualified stay, we agree to accept, as full payment, reimbursement at the rate negotiated with your managed care program. Such managed care stay in The Health Center at Evergreen Woods will not reduce the number of cumulative days of care that you are eligible to receive without additional charge pursuant to **Section 7.1**.

7.10.2 If The Health Center at Evergreen Woods is not a participating provider with your managed care program and you choose to receive health care services at a managed care participating provider during a Medicare-qualified stay, then you agree that you must relocate for as long as necessary for those services to be provided, and be responsible for all costs for those health care services. In addition, while receiving health care services at the managed care participating provider, you agree that unless this Agreement is terminated, you will continue to pay the Monthly Service Fee if you choose not to release your Apartment, and the Working Capital Fund Fee. Such a Medicare-qualified stay at a managed care participating provider other than The Health Center at Evergreen Woods will not reduce the number of cumulative days of care that you are eligible to receive without additional charge pursuant to **Section 7.1**.

7.10.3 If The Health Center at Evergreen Woods is not a participating provider in your managed care program and your stay is a Medicare-

qualified stay, we will attempt to negotiate an acceptable reimbursement rate with your managed care program. If we are able to negotiate an acceptable rate, we agree to accept as full payment the rate provided by your managed care program. Such a managed care stay in The Health Center at Evergreen Woods will not reduce the number of cumulative days of care that you are eligible to receive without additional charge pursuant to **Section 7.1**. If we are unable to negotiate an acceptable rate and you choose to receive health care in The Health Center at Evergreen Woods, you agree to be responsible for all charges for care in The Health Center at Evergreen Woods, as set forth in **Section 7.10.4** below.

7.10.4 If The Health Center at Evergreen Woods is not a participating provider in your managed care program and you would still like to receive health care in The Health Center at Evergreen Woods during a Medicare-qualified stay, then each day of your stay in The Health Center at Evergreen Woods will reduce by one day the number of cumulative days of care that you are eligible to receive without additional charge pursuant to **Section 7.1**. During any such Medicare-qualified stay in The Health Center at Evergreen Woods, you agree that you will continue to pay the Monthly Service Fee if you choose not to release your Apartment, the Working Capital Fund Fee, and the charges for any additional health service you may receive pursuant to **Section 7.6**. If at any time during any such Medicare-qualified stay in The Health Center at Evergreen Woods you are no longer eligible to receive any of the cumulative days of care provided for in **Section 7.1**, then you agree to pay the per diem rate for your care in The Health Center at Evergreen Woods, the Monthly Service Fee if you choose not to release your Apartment, and the Working Capital Fund Fee, while you are assigned to The Health Center at Evergreen Woods.

7.10.5 At the conclusion of each such Medicare-qualified stay, you will be entitled to nursing care under the terms of this Agreement other than as set forth in this **Section 7.10**, as adjusted to reflect any reduction during such stay in the number of cumulative days of care that you are eligible to receive without additional charge pursuant to **Section 7.1**.

8. DURATION OF YOUR RIGHT TO OCCUPY THE APARTMENT.

You can live in your Apartment for as long as you (or either of you) live, unless you (or both of you) require services that cannot be provided or accommodated in the Apartment, or this Agreement is terminated by you or by us. If, in the opinion of the Medical Director, your physical or mental health requires that nursing care be given, you will relocate to The Health Center at Evergreen Woods where Evergreen Woods is licensed to provide such care.

9. YOUR VOLUNTARY CANCELLATION RIGHTS AFTER OCCUPANCY.

After you have moved into The Community you may cancel this Agreement at any time for any reason upon at least ninety (90) days' written notice signed by you (or both of you if there are two (2) of you) and sent to us by registered or certified mail. If you give such notice, you will pay all applicable Monthly Charges and any other daily charges pursuant to the terms of this Agreement until the later of the expiration of such ninety (90) day period or your departure from The Community. The balance due on your Promissory Note will be repaid to you pursuant to its terms.

Happiness Guarantee: You will have the right to terminate this Agreement within the first six (6) months after the earlier of when you move in or when you paid the Move-In Payment, by giving written notice to us and vacating the Apartment during that six (6) month period. In such event, we will refund the entire Entrance Fee (without interest) and refund the Second Person Entrance Fee (if applicable) that you have paid minus the following amount(s): (a) our cost to restore the Apartment to new condition and the cost for restoration for any damages you have made to the Apartment; and (b) any costs of any healthcare services provided to you. This will be paid to you upon the earliest of the following to occur: (i) our receipt of the full Entrance Fee from a substitute resident, (ii) the date a substitute resident moves into the Apartment, or (iii) the third anniversary of the date this Agreement is terminated. This Happiness Guarantee shall not apply for reasons of death. This Happiness Guarantee shall not apply if you move directly from your Apartment to a healthcare facility or you move to a healthcare facility within six (6) months of the date you move out of Evergreen Woods.

10. OUR TERMINATION RIGHTS.

10.1 Just Cause. We will not terminate this Agreement except for just cause, which includes, but is not limited to, the following:

10.1.1 Except as set forth below, failure to pay any Monthly Charges or the Entrance Fee as provided herein;

10.1.2 Creation by you of a disturbance within The Community which in our judgment is detrimental to the health, safety, comfort or peaceful lodging of others;

10.1.3 You become infected with a dangerous and contagious disease or become mentally or emotionally disturbed, and the Medical Director determines that your condition is detrimental to the health, safety, or welfare of

others and The Health Center at Evergreen Woods cannot care for you within the limits of our license from the State;

10.1.4 You do not comply with the terms of this Agreement or the published operating procedures, covenants, rules, regulations and policies now existing or later created or amended by us; or

10.1.5 You refuse medical treatment which in the opinion of the Medical Director is medically required for your health or the health or safety of others.

10.2 Limitations on Termination Rights for Financial Inability. If, after you have paid the Entrance Fee, the One-Time Capital Charge, and the Second Person Entrance Fee, if applicable, you encounter financial difficulties making it impossible for you to pay the full Monthly Charges and other charges appropriate for the Apartment or for nursing care in The Health Center at Evergreen Woods, then:

10.2.1 You may remain until any applicable Title XVIII Medicare benefits and/or third party insurance benefits received by us on your behalf have been earned;

10.2.2 You shall in any case be permitted to remain at The Community for ninety (90) days after the date of failure to pay, during which time you shall continue to pay a reduced Monthly Charge based on your current financial condition; and

10.2.3 Because it is and shall continue to be our declared policy to not terminate your residency solely by reason of your financial inability to pay the full Monthly Charges and other charges, you shall be permitted to remain at The Community at a reduced Monthly Charge based on your ability to pay for so long as you establish facts, satisfactory to us in our sole discretion, to justify deferral of the usual charges, and the deferral of such charges can, in our sole discretion, be granted without impairing our ability to operate on a sound financial basis. This provision shall be rendered inoperative if you have impaired your ability to meet your financial obligations hereunder by making unapproved gifts or other transfers or by not maintaining Medicare Part A, Medicare Part B, Medicare Part D and/or adequate supplemental insurance required under **Section 7.10**. Any such charges deferred shall be offset against the refundable portion of your Entrance Fee when it is paid to you or your estate in accordance with the Promissory Note.

10.3 Notice of Termination. Prior to any termination of the Agreement by us, we will give you notice in writing of the reasons, and you will have thirty (30) days thereafter to correct the problem. If the problem is corrected within such thirty (30) day period, this Agreement shall not be then terminated. If the problem is not corrected within such thirty (30) day period, this Agreement will be terminated and you must vacate the Apartment, remove all your possessions, and leave The Community.

10.4 Emergency Termination. Notwithstanding the above, if the Medical Director determines that either the giving of notice or the lapse of time as above provided might be detrimental to the health, safety, or welfare of you or others, then such notice and/or waiting period prior to termination and relocation to a hospital or other appropriate facility shall not be required, and termination of this Agreement shall be deemed to have occurred when you are relocated. In such event, we are expressly authorized to transfer you to a hospital or other appropriate facility and will promptly notify your representative or your attending physician.

11. MISCELLANEOUS PROVISIONS WITH RESPECT TO YOUR APARTMENT.

11.1 Use of Apartment. The Apartment is for living only and shall not be used for carrying on any business or profession, nor in any manner in violation of zoning restrictions or any other municipal, state or federal law.

11.2 Occupancy of Apartment. Except as hereinafter provided, no person other than you (or both of you) may occupy the Apartment except with our express written approval. In the event that a second person who is not a party to this Agreement is accepted for residency under this Agreement at a time subsequent to the date hereof (said acceptance to be in accordance with admission policies governing all other admissions), you shall pay an Entrance Fee and, if applicable, a Second Person Entrance Fee, as determined by us, and each month thereafter the then current additional Monthly Charges for second persons shall be paid. If such second person does not meet the requirements for residency, such second person will not be permitted to occupy the Apartment for more than thirty (30) days (except with our express written approval), and you may cancel this Agreement as provided in **Section 9**. If such second person is already a resident of The Community and the two of you would like to live in the same apartment under one residency agreement, you may cancel this Agreement as provided in **Section 9**.

11.3 Compliance Changes. We may effect changes in The Community at any time to meet the requirements of the law. You agree to temporarily relocate to

other facilities provided by us without additional cost to you if it becomes necessary to vacate your Apartment in order to make such changes.

11.4 Furnishings. Furnishings within the Apartment will not be provided by us except to the extent provided in consideration for the Monthly Service Fee. Furnishings provided by you shall not interfere with the health, safety and general welfare of other residents or the staff of The Community. If removal of your furniture and other property is not accomplished upon termination of this Agreement or within thirty (30) days after your death (if there are two of you, the death of the survivor), then we may remove and store such furniture and other property at the expense of you or your estate. We may dispose of such furniture or other property not claimed within ninety (90) days after your death (if there are two of you, the death of the survivor) or termination of this Agreement.

11.5 Alterations by You. You may not undertake any alterations to your Apartment without our prior written approval. We reserve the right, upon your release of the Apartment because you have moved to The Health Center at Evergreen Woods, or upon termination or cancellation of this Agreement, to require that any alterations made by you be removed, and that the Apartment be restored to its original design at your expense. The cost of any such restoration may be withheld from the Promissory Note when it is paid to you or your estate in accordance with its terms.

11.6 Refurbishment. We will provide maintenance and repair to your Apartment for property, furnishings, and equipment owned or leased by Evergreen Woods. Other maintenance services may be available at an additional cost. Should you desire to have the Apartment refurbished in the future (i.e., new paint, floor coverings, wall coverings, counter-tops, etc.), such services may be available at an additional cost to you. You agree to pay for any necessary refurbishments caused by you or your guests that are beyond those which are customary and normal, including, but not limited to, the costs of cleaning and removal of stains, odors, and other damage caused by smoking in your apartment.

11.7 Emergency Entry. We may enter your Apartment should it be necessary to protect your health or safety or the health or safety of other residents.

12. CASH REQUIREMENTS ALLOCATION FORMULA.

The amount of your Monthly Service Fee is determined by application of the Cash Requirements Allocation Formula. The Cash Requirements Allocation

Formula has been developed to equitably apportion the costs of operating The Community among its residents who are under a traditional residency plan.

12.1 General. All projected Cash Requirements (including additions to reserves) necessary to provide accommodations and services to the residents of The Community (including residents of The Health Center at Evergreen Woods) are charged to The Community residents through the application of the Cash Requirements Allocation Formula. Generally, the projected Cash Requirements are based upon the costs incurred in connection with the operation of The Community for the preceding year with adjustments for inflation or deflation, occupancy rates, additions to reserves, and nonrecurring expenses, and reduced by projected revenues (such as fees for services, and certain investment income, etc.) for the upcoming year. Once determined, the projected Cash Requirements are then allocated among The Community residents based upon the size of the apartment that each resident occupies and the number of residents in The Community.

12.2 Benefits to Us. No portions of the costs included in the Cash Requirements Allocation Formula are paid to Evergreen Woods as fees. Our compensation for the on-going ownership of The Community is comprised solely of the Entrance Fee, the Second Person Entrance Fee, if applicable, monthly Working Capital Fund Fee (which is fixed for you for the duration of your occupancy), interest earned on deposits and/or certain escrowed monies, the appreciation of The Community, if any, and other benefits generally associated with the ownership of real estate. In the event, however, that we loan funds to operations that would normally be funded through the Cash Requirements Allocation and/or fund any differences between operating revenues and operating expenses, we may, at our option, recoup such amounts funded through the Monthly Service Fees.

12.3 Cash Requirements. As set forth in this **Section 12.3**, your Monthly Service Fee will be adjusted upward or downward each year according to the Cash Requirements of The Community, as allocated to each apartment and all second persons. The “Cash Requirements” to be allocated shall be equal to:

12.3.1 Operating Cash Requirements for the preceding year (annualized if the actual period is less than a full operating year), which shall mean all recurring and nonrecurring costs, expenses and outlays incurred in connection with the operation and administration of The Community. “Operating Cash Requirements” shall be determined by The Community management and shall include but not be limited to salaries and wages and all fringe benefits paid to employees of The Community, and other persons stationed at The Community, and other persons having day-to-day administrative, marketing and/or management

responsibilities; payroll taxes; telephone; utilities; insurance premiums; license fees, occupational taxes, property taxes, sales taxes, permits, etc., associated with the operation of The Community; lease payments, if any; legal and accounting services; bad debts and other losses related to the operation; deductibles related to insurance claims; consulting fees for specialists such as dietitians and medical directors; food and supplies; replacement and repair of equipment and all common furniture and fixtures; individual capital improvements, replacements or additions costing less than fifty thousand dollars (\$50,000) and not covered by **Section 12.3.2**; all interior building elements such as carpet, doors, repainting, and glass damage; management fees plus costs of reasonable expenses incurred in performing management services for The Community, such as transportation, living expenses, telephone expense and photocopying expense; cost of maintenance and normal replacement of landscaping; principal and interest payments on all loans except loans from residents; and other similar items related to the operation of The Community. Operating Cash Requirements shall not include income taxes, dividends, or individual capital improvements, and other replacements or additions that cost in excess of fifty thousand dollars (\$50,000); plus

12.3.2 An amount to maintain or increase the reserve for replacement described in **Section 12.6** shall be equal to three percent (3%) of the prior year's Operating Cash Requirements. This reserve is in addition to any operating reserves required under Connecticut law. Deposits to this reserve and earnings from this reserve may only be used for improving or replacing capital items of The Community that cost over fifty thousand dollars (\$50,000); plus

12.3.3 An amount projected by us to account for expected changes from the previous year in services, The Health Center at Evergreen Woods utilization, apartment occupancy, marketing, remodeling or any other material factor; plus

12.3.4 A reasonable estimate for inflation or deflation in the cost of operating The Community for the coming fiscal year; plus

12.3.5 An amount to maintain or increase the reserve for operating cash established under **Section 12.6**. Deposits to this reserve may only be used for items related to the operation of The Community; plus

12.3.6 An amount to maintain or increase the amount of any reserve required by the laws of the State of Connecticut; minus

12.3.7 The projected net revenues to be received in the coming fiscal year from (i) The Health Center at Evergreen Woods' operations; (ii) extra fees received for the furnishing of additional services to the residents as provided in **Sections 6 and 7** of this Agreement; (iii) space rentals from such support services as barber/beauty shops; (iv) income from investment of reserves required by the laws of the State of Connecticut; and (v) nonrecurring operating income.

12.4 Allocation of Cash Requirements. Allocation of the sum of the Cash Requirements described in **Section 12.3** to each individual resident's apartment and all second persons shall be accomplished by:

12.4.1 Multiplying the number of apartments in The Community of each size and the number of second person residents therein by the following factors and then summing such products:

Number of One-Bedroom Alcove (Type A) Apartments X 70.6 percent factor

Number of One-Bedroom Apartments (Type B) X 84.3 percent factor

Number of One-Bedroom Custom Apartments (Type C) X 86.3 percent factor

Number of One-Bedroom Deluxe Apartments (Type D) X 96.1 percent factor

Number of Two-Bedroom Apartments (Type E) X 100.0 percent factor

Number of Two-Bedroom Custom Apartments (Type F) X 102.0 percent factor

Number of Two-Bedroom Corner Apartments (Type FC) X 102.0 percent factor

Number of Two-Bedroom Deluxe Apartments (Type G) X 107.8 percent factor

Number of Two-Bedroom Deluxe Apartments (Type GL) X 107.8 percent factor

Number of Second Persons X 45.1 percent factor

To take into account the combination or addition of different apartments to The Community, or similar events that require the addition of new factors, factors may be added to or deleted from the above formula.

12.4.2 Multiplying the sum determined in **Section 12.4.1** above by a factor representing the projected apartment occupancy rate.

12.4.3 Dividing the sum of the Cash Requirements determined under **Section 12.3** by the amount determined under **Section 12.4.2** to arrive at the arithmetic quotient.

12.4.4 The Cash Requirements Allocation for each apartment size and for the second person shall be the product of multiplying the arithmetic quotient determined under **Section 12.4.3** by the factor assigned to each apartment and to the second person in **Section 12.4.1**. The amount of increase or decrease in the Monthly Service Fee will be the difference between the new Cash Requirements Allocation for each apartment size and for the second person and the applicable Cash Requirements Allocation for the preceding year, divided by twelve (12).

12.5 Determination and Implementation of Cash Requirements Allocation. At least thirty (30) days prior to the end of each fiscal year, we will notify you of the new Monthly Service Fee that will go into effect at the start of the next fiscal year.

12.6 Additional Reserves. Evergreen Woods has established reserves as follows: (a) A reserve for replacement (as described in **Section 12.3.2**); (b) an operating cash reserve (as described in **Section 12.3.5**); and (c) a reserve required by Connecticut law (as described in **Section 12.3.6**). The total amount of the operating cash reserves includes operating reserves required by Connecticut law. Any amounts necessary to maintain or increase such additional reserves shall, however, be included in your Cash Requirements Allocation. Copies of these reserve agreements with the bank are available upon request.

13. ARBITRATION.

Any dispute, claim or controversy of any kind between the parties arising out of, in connection with, or relating to this Agreement and any amendment hereof, or the breach hereof, shall be submitted to and determined by arbitration in North Branford, Connecticut in accordance with the commercial arbitration rules then obtaining of the American Arbitration Association. All parties shall be bound by the arbitrator's decision and judgment upon such decision may be entered in any federal or state court having jurisdiction unless the arbitration is fraudulent or so grossly erroneous as to necessarily imply bad faith. If the parties are unable to agree in good faith and within a reasonable time on the selection of an arbitrator, any party may request appointment of an arbitrator by the American Arbitration Association. The

parties shall make a reasonable attempt to select an arbitrator with experience in retirement communities, long-term care or health care operations generally. Cost of arbitration shall be shared by the parties equally. If the issue affects more than one resident, we may elect to join all affected residents into a single arbitration proceeding, and you hereby consent to such joinder.

14. AMENDMENTS.

14.1 This Agreement. Subject to **Section 14.2**, this Agreement may be amended only by written agreement of the parties to this Agreement.

14.2 Compliance with Laws. This Agreement may be modified by us at any time in order to comply with laws and regulations upon thirty days' notice to you.

15.7 Indemnity. We shall not be liable for, and you agree to indemnify, defend and hold us harmless from claims, damages, settlements, and expenses, including attorney's fees and court costs resulting from any injury or death to persons and any damages to property caused by, resulting from, attributable to or in any way connected with your negligent or intentional act or omission.

15.8 Entire Agreement. This Agreement and any Addenda or Exhibits express the entire agreement between the parties hereto and supersede any prior or contemporaneous written or oral understanding or agreement.

15.9 Reimbursement of Loss or Damage. You or your representative, if applicable, will reimburse us for any loss or damage to The Community as the result of your intentional, careless, or negligent acts or omissions or that of your guests. You agree to obtain insurance for you and your property and agree to provide us with proof of such insurance upon request.

15.10 Subordination. Except for your right of cancellation prior to occupancy, you agree that all your rights under this Agreement will always be subordinate and junior to the lien of all indentures of trust, mortgages or other documents creating liens encumbering The Community or any of the assets of Evergreen Woods, which have been or will be executed by us. You will not be liable for any such indebtedness.

In the absence of any agreement between the residents of a double occupied apartment which has been provided to Evergreen Woods prior to any repayment due on the Promissory Note, then Evergreen Woods will repay any amounts due on the Promissory Note to the estate of the surviving resident. No other rights under this Residency Agreement are assignable.

The rights and remedies of the Holder as provided in this Note shall be cumulative and may be pursued singly, successively, or together, in the sole discretion of the Holder. If Maker, (i) after obtaining the prior written consent of the owner of the fee interest in Evergreen Woods, assigns its leasehold interest in Evergreen Woods and (ii) the assignee assumes in writing all of Maker's obligations under the Residency Agreement and this Note, then Maker shall be released from all obligations under this Note and the term "Maker" shall thereafter mean such assignee.

(60% Minimum Refund)

1. ENTRANCE FEE AND PROMISSORY NOTE.

1.1 Entrance Fee. To assure you, _____ (“Resident”), a place at Evergreen Woods in North Branford, Connecticut (hereinafter “The Community”) in accordance with all terms of this Agreement, including payment of the Monthly Charges described below, you will pay to Evergreen Woods an Entrance Fee of \$ _____.

Payment of your Entrance Fee entitles you to live in the _____ Building, Apartment no. _____ (“Apartment”) at The Community for as long as you are capable of meeting the requirements of apartment occupancy as set forth in our current entrance policy and to have priority of admission to the health care services of The Community all in accordance with the terms of this Agreement.

1.2 Initial Deposit. You agree to pay ten percent (10%) of your Entrance Fee in the amount of \$ _____ when you sign this Agreement. We will hold this amount in escrow until such time as it may be released pursuant to Connecticut law.

1.3 Balance of Entrance Fee. You agree to pay the remaining balance (ninety percent (90%)) of your Entrance Fee in the amount of \$ _____ (the “Move-In Payment”) to Evergreen Woods on or before the date you move into The Community. You shall not be required to move into The Community before the expiration of thirty (30) days from your execution of this Agreement. In no event shall the date you move into The Community (or pay the Move-In Payment), extend beyond three (3) months from the date this Agreement is signed by both you and The Community.

1.4 Promissory Note. Upon receipt of the Move-In Payment, we will execute and deliver to you the Promissory Note substantially in the form attached to this Agreement as Exhibit A, and in the original principal amount of ninety percent (90%) of the Entrance Fee. Repayment of the Promissory Note will be made in accordance with its terms and the provisions of **Section 2.2** below. Your interest in the Promissory Note may not be mortgaged, sold, discounted, assigned, or otherwise transferred, except to certain trusts established for your benefit, subject to our prior approval and in our sole discretion.

2. REIMBURSEMENT OF ENTRANCE FEE.

2.1 Reimbursement of Entrance Fee Prior to Occupancy.

2.1.1 If you are not accepted for residency, as evidenced by Community-authorized signature of this Residency Agreement, the full amount of the Entrance Fee that you have paid will be refunded to you without interest within five (5) business days.

2.1.2 You may cancel this Agreement at any time prior to occupying the Apartment for any reason. To cancel, you need to give us and the escrow agent, U.S. Bank, One Federal Street, 3rd Floor, Boston, MA 02110, written notice of cancellation by registered or certified mail and this Agreement will be canceled.

In such event, the full amount of the Entrance Fee that you have paid will be refunded to you without interest within five (5) business days of written notice, except that we will retain an amount equal to any costs specifically incurred by us or The Community at your request (any such costs will be in a written addendum to this Agreement signed by both you and us).

2.2 Repayment of Promissory Note After Occupancy. In the event this Agreement is terminated or canceled after you have occupied your Apartment, the unpaid principal balance of the Promissory Note shall be repaid as stated following:

- a. The unpaid principal balance of the Promissory Note shall become due and payable to you or your estate, as the case may be, in accordance with the terms set forth below only when: (i) this Agreement has terminated; (ii) you have surrendered possession of the Apartment to us as required by this Agreement; and (iii) either we have received the full Entrance Fee from a substitute resident for the Apartment or a substitute resident moves into the Apartment or in accordance with **Section 2.2g**.
- b. We will be entitled to credits which will automatically reduce the principal balance of the Promissory Note in the following amounts, effective on the following dates:

A credit equal to 10% of the total Entrance Fee will be deducted from the principal balance on the Promissory Note if, on the first anniversary of the date that the Move-In Payment was made, this Agreement has not been terminated or you or the second person remains a resident in the Apartment (i.e., we will then owe you an amount equal to 80% of the total Entrance Fee).

An additional credit equal to 10% of the total Entrance Fee will be deducted from the principal balance on the Promissory Note if, on the second anniversary of the date that your Move-In Payment was made, this Agreement has not been terminated or you or the second person remains a resident in the Apartment (i.e., we will then owe you an amount equal to 70% of the total Entrance Fee).

A final credit equal to 10% of the total Entrance Fee will be deducted from the principal balance of the Promissory Note if, on the third anniversary of the date that your Move-In Payment was made, this Agreement has not been terminated or you or the second person remains a resident in the Apartment (i.e., we will then owe you an amount equal to 60% of the total Entrance Fee).

The total of the credits which will occur on the first, second, and third anniversary of the date that your Move-in Payment was made is equal to 30% of the total Entrance Fee. Because the Promissory Note will initially be for an amount equal to 90% of the total Entrance Fee, the principal balance owed on the Promissory Note will not fall below 60% of the total Entrance Fee (less any amount you owe us under this Agreement at the time or after it terminates if we have elected to set-off such amount).

- c. We agree to evaluate your financial condition, upon your request, and if need is demonstrated, to apply amounts due to you on the Promissory Note to amounts you would otherwise owe us for services in The Health Center at Evergreen Woods. Any amounts so applied will become a reduction in the unpaid principal balance of the Promissory Note (i.e., a “set-off”).
- d. Upon payment to you of the unpaid principal balance due on the Promissory Note, you will execute all such documents and take all action necessary to cancel the Promissory Note.
- e. You will be responsible for payment of your own income taxes on any interest which accrues or is imputed on account of the Promissory Note pursuant to applicable state or federal law.
- f. If we have not received the Entrance Fee from a substitute resident for the Apartment or a substitute resident has not moved into the Apartment within two (2) years after this Agreement has terminated and you have

surrendered possession of the Apartment to us as required by this Agreement, then interest on the unpaid principal balance of the Promissory Note will accrue at the rate of four percent (4%) per annum and interest shall be paid to you monthly in arrears, starting on the tenth day of the month following the second anniversary of the termination date of this Agreement and continuing on the tenth day of each month thereafter until the Promissory Note is paid in full.

- g. If not sooner paid, the unpaid principal balance of the Promissory Note, plus unpaid accrued interest, shall be paid in full on the date which is three (3) years after this Agreement has terminated and you have surrendered possession of the Apartment to us as required by this Agreement.
- h. **Refurbishment Costs:** You agree that we may deduct from the repayment to you of the principal balance our costs to refurbish the Apartment to like new condition when you leave. At a minimum, we will almost certainly replace the floor coverings and repaint the Apartment. You will be responsible for other costs in addition to paint and floor coverings for damage you, your guests, or your pets have caused to the Apartment, and such other costs will be deducted from the repayment to you of the principal balance.
- i. **Tobacco Smoke Damage:** You agree that the Apartment is a non-smoking residence at all times. All of our costs (at any time) to refurbish the Apartment to like new condition which are related to tobacco smoke may be deducted from the repayment to you of the principal balance. The costs to repair smoke damages are substantial and generally include multiple replacements (such as duct work, surface finishes, even ceilings). These costs are in addition to those of **Section 2.2h** above.
- j. **Pet Damage:** You agree that all of our costs (at any time) to refurbish the Apartment for damages caused by your pet(s) may be deducted from the repayment to you of the principal balance. These costs are in addition to those of **Section 2.2h** above.
- k. The provisions of this **Section 2.2** shall survive termination of this Agreement.

2.3 Right of Offset. We have the right to offset against any Entrance Fee refund or Promissory Note repayment any unpaid Monthly Charges owed by you, any unreimbursed health care expenses we have advanced on your behalf, any amounts deferred by us under **Section 10.2**, and any other sums owed by you to us.

3. ONE TIME CAPITAL CHARGE. On or before the date you move into The Community, you will pay us the amount of \$_____ (the “One-Time Capital Charge”). The One-Time Capital Charge is a one-time, non-refundable charge that will be used to fund apartment refurbishment and other capital improvements as determined by us.

4. MONTHLY CHARGES.

4.1 Working Capital Fund Fee. You shall pay a Working Capital Fund Fee of seventy-five dollars (\$75) per month for occupying your Apartment or The Health Center at Evergreen Woods. If there are two of you, a single monthly Working Capital Fund Fee shall cover both residents. There shall be no increase in your Working Capital Fund Fee during the term of this Agreement. The Working Capital Fund Fee shall be our unrestricted property, and may be used by us for any purposes.

4.2 Monthly Service Fees. You shall pay a Monthly Service Fee for the services and features provided to all residents as set forth in **Section 5**. During the current calendar year, this initial Monthly Service Fee will be \$_____ per month for one person and an additional \$_____ per month if there are two (2) of you occupying the Apartment. We will give you advance written notice of not less than thirty (30) days before any change in the Monthly Service Fee is implemented. Any change in the Monthly Service Fee may be made at our discretion.

4.3 Monthly Charges. During the current calendar year, you will pay fixed monthly charges of \$_____, which represent the Working Capital Fund Fee and Monthly Service Fee. In addition to the Working Capital Fund Fee and the Monthly Service Fee, you will also be charged for any additional services you may utilize.

4.4 Payment. On the day you move into The Community or as otherwise provided in **Section 1.3** of this Agreement, you shall pay a prorated portion of the Working Capital Fund Fee and Monthly Service Fee. Thereafter, such fixed monthly charges will be payable on the first day of each month in advance, and your

additional charges for optional services will be paid on the first day of each month for the optional services obtained during the preceding month.

4.5 Termination of Charges for Apartment. The Monthly Charges for your Apartment will terminate when you vacate the Apartment and remove your possessions from it. In the event there are two (2) of you who occupy an Apartment and one of you dies, the second person's fees will cease and the remaining person will continue to pay the first person's Monthly Service Fee and Working Capital Fund Fee. Further, if your surviving spouse is not a resident of The Community or a party to this Agreement, then this Agreement will terminate upon your death and any fees or refunds owed will be handled pursuant to the terms herein.

4.6 Late Payment Charge; Interest and Collection Costs. Evergreen Woods reserves the right to impose a late payment charge and to assess interest at the rate of one and one-half percent (1.5%) per month for all balances that remain unpaid ten (10) days after the date on which they are due. Any account balances, including late payment charges and interest, that remain unpaid when this Agreement is terminated shall become a lien against your assets or estate after deducting any refund owed under this Agreement. Evergreen Woods also reserves the right to charge you for the costs of collection, including reasonable attorney's fees.

If, in the opinion of the Medical Director, your physical or mental health requires that nursing care be given, you will relocate to The Health Center at Evergreen Woods where Evergreen Woods is licensed to provide such care or to such other health care facility as you choose.

9. YOUR VOLUNTARY CANCELLATION RIGHTS AFTER OCCUPANCY.

After you have moved into The Community you may cancel this Agreement at any time for any reason upon at least ninety (90) days' written notice signed by you (or both of you if there are two (2) of you) and sent to us by registered or certified mail. If you give such notice, you will pay all applicable Monthly Charges and any other daily charges pursuant to the terms of this Agreement until the later of the expiration of such ninety (90) day period or your departure from The Community. The balance due on your Promissory Note will be repaid to you pursuant to its terms.

Happiness Guarantee: You will have the right to terminate this Agreement within the first six (6) months after the earlier of when you move in or when you paid the Move-In Payment, by giving written notice to us and vacating the Apartment during that six (6) month period. In such event, we will refund the entire Entrance Fee (without interest) that you have paid (minus the cost to restore the Apartment to new condition and the cost for restoration for any damages you have made to the Apartment). This will be paid to you upon the earlier of the following to occur: (i) our receipt of the full Entrance Fee from a substitute resident, (ii) the date a substitute resident moves into the Apartment, or (iii) the third anniversary of the date this Agreement is terminated. This Happiness Guarantee shall not apply for reasons of death. This Happiness Guarantee shall not apply if you move directly from your Apartment to a healthcare facility or you move to a healthcare facility within six (6) months of the date you move out of Evergreen Woods.

10. OUR TERMINATION RIGHTS.

10.1 Just Cause. We will not terminate this Agreement except for just cause, which includes, but is not limited to, the following:

10.1.1 Except as set forth below, failure to pay any Monthly Charges or the Entrance Fee as provided herein;

10.1.2 Creation by you of a disturbance within The Community which in our judgment is detrimental to the health, safety, comfort or peaceful lodging of others;

10.1.3 You become infected with a dangerous and contagious disease or become mentally or emotionally disturbed, and the Medical Director determines that your condition is detrimental to the health, safety, or welfare of others and The Health Center at Evergreen Woods cannot care for you within the limits of our license from the State;

10.1.4 You do not comply with the terms of this Agreement or the published operating procedures, covenants, rules, regulations and policies now existing or later created or amended by us; or

10.1.5 You refuse medical treatment which in the opinion of the Medical Director is medically required for your health or the health or safety of others.

10.2 Limitations on Termination Rights for Financial Inability. If, after you have paid the Entrance Fee and the One-Time Capital Charge, you encounter financial difficulties making it impossible for you to pay the full Monthly Charges and other charges appropriate for the Apartment; then:

10.2.1 You shall be permitted to remain at The Community for ninety (90) days after the date of failure to pay, during which time you shall continue to pay a reduced Monthly Charge based on your current financial condition; and

10.2.2 Because it is and shall continue to be our declared policy to not terminate your residency solely by reason of your financial inability to pay the full Monthly Charges and other charges, you shall be permitted to remain at The Community at a reduced Monthly Charge based on your ability to pay for so long as you establish facts, satisfactory to us in our sole discretion, to justify deferral of the usual charges, and the deferral of such charges can, in our sole discretion, be granted without impairing our ability to operate on a sound financial basis. This provision shall be rendered inoperative if you have impaired your ability to meet your financial obligations hereunder by making unapproved gifts or other transfers or by not

maintaining Medicare Part A, Medicare Part B, Medicare Part D and/or adequate supplemental insurance. Any such charges deferred shall be offset against the refundable portion of your Entrance Fee when it is paid to you or your estate in accordance with the Promissory Note.

10.3 Notice of Termination. Prior to any termination of the Agreement by us, we will give you notice in writing of the reasons, and you will have thirty (30) days thereafter to correct the problem. If the problem is corrected within such thirty (30) day period, this Agreement shall not be then terminated. If the problem is not corrected within such thirty (30) day period, this Agreement will be terminated and you must vacate the Apartment, remove all your possessions, and leave The Community.

10.4 Emergency Termination. Notwithstanding the above, if the Medical Director determines that either the giving of notice or the lapse of time as above provided might be detrimental to the health, safety, or welfare of you or others, then such notice and/or waiting period prior to termination and relocation to a hospital or other appropriate facility shall not be required, and termination of this Agreement shall be deemed to have occurred when you are relocated. In such event, we are expressly authorized to transfer you to a hospital or other appropriate facility and will promptly notify your representative or your attending physician.

11. MISCELLANEOUS PROVISIONS WITH RESPECT TO YOUR APARTMENT.

11.1 Use of Apartment. The Apartment is for living only and shall not be used for carrying on any business or profession, nor in any manner in violation of zoning restrictions or any other municipal, state or federal law.

11.2 Occupancy of Apartment. Except as hereinafter provided, no person other than you (or both of you) may occupy the Apartment except with our express written approval. In the event that a second person who is not a party to this Agreement is accepted for residency under this Agreement at a time subsequent to the date hereof (said acceptance to be in accordance with admission policies governing all other admissions), you shall pay the then current additional Monthly Charges for second persons. If such second person does not meet the requirements for residency, such second person will not be permitted to occupy the Apartment for more than thirty (30) days (except with our express written approval), and you may cancel this Agreement as provided in **Section 9**. If such second person is already a resident of The Community and the two of you would like to live in the same

apartment under one residency agreement, you may cancel this Agreement as provided in **Section 9**.

11.3 Compliance Changes. We may effect changes in The Community at any time to meet the requirements of the law. You agree to temporarily relocate to other facilities provided by us without additional cost to you if it becomes necessary to vacate your Apartment in order to make such changes.

11.4 Furnishings. Furnishings within the Apartment will not be provided by us except to the extent provided in consideration for the Monthly Service Fee. Furnishings provided by you shall not interfere with the health, safety and general welfare of other residents or the staff of The Community. If removal of your furniture and other property is not accomplished upon termination of this Agreement or within thirty (30) days after your death (if there are two of you, the death of the survivor), then we may remove and store such furniture and other property at the expense of you or your estate. We may dispose of such furniture or other property not claimed within ninety (90) days after your death (if there are two of you, the death of the survivor) or termination of this Agreement.

11.5 Alterations by You. You may not undertake any alterations to your Apartment without our prior written approval. We reserve the right, upon your release of the Apartment because you have moved to The Health Center at Evergreen Woods, or upon termination or cancellation of this Agreement, to require that any alterations made by you be removed, and that the Apartment be restored to its original design at your expense. The cost of any such restoration may be withheld from the Promissory Note when it is paid to you or your estate in accordance with its terms.

11.6 Refurbishment. We will provide maintenance and repair to your Apartment for property, furnishings, and equipment owned or leased by Evergreen Woods. Other maintenance services may be available at an additional cost. Should you desire to have the Apartment refurbished in the future (i.e., new paint, floor coverings, wall coverings, counter-tops, etc.), such services may be available at an additional cost to you. You agree to pay for any necessary refurbishments caused by you or your guests that are beyond those which are customary and normal, including, but not limited to, the costs of cleaning and removal of stains, odors, and other damage caused by smoking in your apartment.

11.7 Emergency Entry. We may enter your Apartment should it be necessary to protect your health or safety or the health or safety of other residents.

12. CASH REQUIREMENTS ALLOCATION FORMULA.

The amount of your Monthly Service Fee is determined by application of the Cash Requirements Allocation Formula. The Cash Requirements Allocation Formula has been developed to equitably apportion the costs of operating The Community among its residents who are under an unbundled residency plan.

12.1 General. All projected Cash Requirements (including additions to reserves) necessary to provide accommodations and services to the residents of The Community (excluding residents of The Health Center at Evergreen Woods) are charged to The Community residents through the application of the Cash Requirements Allocation Formula. Generally, the projected Cash Requirements are based upon the costs incurred in connection with the operation of The Community for the preceding year with adjustments for inflation or deflation, occupancy rates, additions to reserves, and nonrecurring expenses, and reduced by projected revenues (such as fees for services, and certain investment income, etc.) for the upcoming year. Once determined, the projected Cash Requirements are then allocated among The Community residents based upon the size of the apartment that each resident occupies and the number of residents in The Community.

12.2 Benefits to Us. No portions of the costs included in the Cash Requirements Allocation Formula are paid to Evergreen Woods as fees. Our compensation under unbundled residency plans for the on-going ownership of The Community is comprised solely of the Entrance Fee, monthly Working Capital Fund Fee (which is fixed for you for the duration of your occupancy), interest earned on deposits and/or certain escrowed monies, the appreciation of The Community, if any, and other benefits generally associated with the ownership of real estate. In the event, however, that we loan funds to operations that would normally be funded through the Cash Requirements Allocation and/or fund any differences between operating revenues and operating expenses, we may, at our option, recoup such amounts funded through the Monthly Service Fees.

12.3 Cash Requirements. As set forth in this **Section 12.3**, your Monthly Service Fee will be adjusted upward or downward each year according to the Cash Requirements of The Community, as allocated to each apartment and all second persons. The “Cash Requirements” to be allocated shall be equal to:

12.3.1 Operating Cash Requirements for the preceding year (annualized if the actual period is less than a full operating year), which shall mean all recurring and nonrecurring costs, expenses and outlays incurred in connection with the operation and administration of The Community. “Operating Cash

Requirements” shall be determined by The Community management and shall include but not be limited to salaries and wages and all fringe benefits paid to employees of The Community, and other persons stationed at The Community, and other persons having day-to-day administrative, marketing and/or management responsibilities; payroll taxes; telephone; utilities; insurance premiums; license fees, occupational taxes, property taxes, sales taxes, permits, etc., associated with the operation of The Community; lease payments, if any; legal and accounting services; bad debts and other losses related to the operation; deductibles related to insurance claims; consulting fees for specialists such as dietitians and medical directors; food and supplies; replacement and repair of equipment and all common furniture and fixtures; individual capital improvements, replacements or additions costing less than fifty thousand dollars (\$50,000) and not covered by **Section 12.3.2**; all interior building elements such as carpet, doors, repainting, and glass damage; management fees plus costs of reasonable expenses incurred in performing management services for The Community, such as transportation, living expenses, telephone expense and photocopying expense; cost of maintenance and normal replacement of landscaping; principal and interest payments on all loans except loans from residents; and other similar items related to the operation of The Community. Operating Cash Requirements shall not include income taxes, dividends, or individual capital improvements, and other replacements or additions that cost in excess of fifty thousand dollars (\$50,000); plus

12.3.2 An amount to maintain or increase the reserve for replacement described in **Section 12.6** shall be equal to three percent (3%) of the prior year’s Operating Cash Requirements. This reserve is in addition to any operating reserves required under Connecticut law. Deposits to this reserve and earnings from this reserve may only be used for improving or replacing capital items of The Community that cost over fifty thousand dollars (\$50,000); plus

12.3.3 An amount projected by us to account for expected changes from the previous year in services, apartment occupancy, marketing, remodeling or any other material factor; plus

12.3.4 A reasonable estimate for inflation or deflation in the cost of operating The Community for the coming fiscal year; plus

12.3.5 An amount to maintain or increase the reserve for operating cash established under **Section 12.6**. Deposits to this reserve may only be used for items related to the operation of The Community; plus

12.3.6 An amount to maintain or increase the amount of any reserve required by the laws of the State of Connecticut; minus

12.3.7 The projected net revenues to be received in the coming fiscal year from (i) The Health Center at Evergreen Woods' operations; (ii) extra fees received for the furnishing of additional services to the residents as provided in **Sections 6 and 7** of this Agreement; (iii) space rentals from such support services as barber/beauty shops; (iv) income from investment of reserves required by the laws of the State of Connecticut; and (v) nonrecurring operating income.

12.4 Allocation of Cash Requirements. Allocation of the sum of the Cash Requirements described in **Section 12.3** to each individual resident's apartment and all second persons shall be accomplished by:

12.4.1 Multiplying the number of apartments in The Community of each size and the number of second person residents therein by the following factors and then summing such products:

Number of One-Bedroom Alcove (Type A) Apartments X 70.6 percent factor

Number of One-Bedroom Apartments (Type B) X 84.3 percent factor

Number of One-Bedroom Custom Apartments (Type C) X 86.3 percent factor

Number of One-Bedroom Deluxe Apartments (Type D) X 96.1 percent factor

Number of Two-Bedroom Apartments (Type E) X 100.0 percent factor

Number of Two-Bedroom Custom Apartments (Type F) X 102.0 percent factor

Number of Two-Bedroom Corner Apartments (Type FC) X 102.0 percent factor

Number of Two-Bedroom Deluxe Apartments (Type G) X 107.8 percent factor

Number of Two-Bedroom Deluxe Apartments (Type GL) X 107.8 percent factor

Number of Second Persons X 45.1 percent factor

To take into account the combination or addition of different apartments to The Community, or similar events that require the addition of new factors, factors may be added to or deleted from the above formula.

12.4.2 Multiplying the sum determined in **Section 12.4.1** above by a factor representing the projected apartment occupancy rate.

12.4.3 Dividing the sum of the Cash Requirements determined under **Section 12.3** by the amount determined under **Section 12.4.2** to arrive at the arithmetic quotient.

12.4.4 The Cash Requirements Allocation for each apartment size and for the second person shall be the product of multiplying the arithmetic quotient determined under **Section 12.4.3** by the factor assigned to each apartment and to the second person in **Section 12.4.1**. The amount of increase or decrease in the Monthly Service Fee will be the difference between the new Cash Requirements Allocation for each apartment size and for the second person and the applicable Cash Requirements Allocation for the preceding year, divided by twelve (12).

12.5 Determination and Implementation of Cash Requirements Allocation. At least thirty (30) days prior to the end of each fiscal year, we will notify you of the new Monthly Service Fee that will go into effect at the start of the next fiscal year.

12.6 Additional Reserves. Evergreen Woods has established reserves as follows: (a) A reserve for replacement (as described in **Section 12.3.2**); (b) an operating cash reserve (as described in **Section 12.3.5**); and (c) a reserve required by Connecticut law (as described in **Section 12.3.6**). The total amount of the operating cash reserves includes operating reserves required by Connecticut law. Any amounts necessary to maintain or increase such additional reserves shall, however, be included in your Cash Requirements Allocation. Copies of these reserve agreements with the bank are available upon request.

13. ARBITRATION.

Any dispute, claim or controversy of any kind between the parties arising out of, in connection with, or relating to this Agreement and any amendment hereof, or the breach hereof, shall be submitted to and determined by arbitration in North Branford, Connecticut in accordance with the commercial arbitration rules then obtaining of the American Arbitration Association. All parties shall be bound by the arbitrator's decision and judgment upon such decision may be entered in any federal or state court having jurisdiction unless the arbitration is fraudulent or so grossly

erroneous as to necessarily imply bad faith. If the parties are unable to agree in good faith and within a reasonable time on the selection of an arbitrator, any party may request appointment of an arbitrator by the American Arbitration Association. The parties shall make a reasonable attempt to select an arbitrator with experience in retirement communities, long-term care or health care operations generally. Cost of arbitration shall be shared by the parties equally. If the issue affects more than one resident, we may elect to join all affected residents into a single arbitration proceeding, and you hereby consent to such joinder.

14. AMENDMENTS.

14.1 This Agreement. Subject to **Section 14.2**, this Agreement may be amended only by written agreement of the parties to this Agreement.

14.2 Compliance with Laws. This Agreement may be modified by us at any time in order to comply with laws and regulations upon thirty days' notice to you.

PROMISSORY NOTE

\$ _____ North Branford, Connecticut

FOR VALUE RECEIVED, the undersigned (“Maker”) promises to pay to _____ (“Holder”) or order, the principal sum of _____ Dollars (\$ _____) payable in lawful money of the United States of America, at such place as the legal holder hereof may designate in writing, subject to the following.

This Note is given to evidence certain obligations of Maker pursuant to an Residency Agreement dated as of _____, _____ between the undersigned and Holder regarding residency at Evergreen Woods (the “Residency Agreement”) and is subject to the terms and conditions of the Residency Agreement, which are incorporated into and made a part of this Note by this reference.

Except as provided in Section 2.2 of the Residency Agreement, no interest shall accrue on the outstanding principal balance of this Note. Interest on this Note shall accrue as provided in Section 2.2 of the Residency Agreement. Maker shall make monthly payments of accrued interest, if any, on the tenth day of each calendar month.

The principal amount of indebtedness evidenced by this Note shall be automatically reduced in accordance with Section 2.2 of the Residency Agreement. If not sooner paid, the entire indebtedness, less a credit for any amount owed by Holder to Maker under the Residency Agreement, shall be due and payable on the date described in Section 2.2 of the Residency Agreement.

This Note may be prepaid in full or in part at any time without penalty or premium.

In the event of default in payment of any installment of principal or interest hereof as the same becomes due and such default is not cured within ten (10) days after written notice to Maker, then the Holder of this Note may without further notice, declare the remainder of the principal sum, together with all interest accrued thereon, at once due and payable. Failure to exercise this option shall not constitute a waiver of the right to exercise the same at any other time. The unpaid principal of this Note and any part thereof, accrued interest and all other sums due under this Note shall bear interest at the rate of twelve percent (12%) per annum after default until paid.

All parties to this Note, including Maker and any sureties, endorsers, or guarantors hereby waive protest, presentment, notice of dishonor, and notice of acceleration of maturity and agree to continue to remain bound for the payment of principal, interest and all other sums due under this Note notwithstanding any extension or extensions of time for the payment of principal and interest; and all such parties waive all and every kind of notice of such change or changes and agree that the same may be made without notice or consent of any of them.

Upon default the Holder of this Note may employ an attorney to enforce the Holder's rights and remedies and the Maker, principal, surety, guarantor and endorsers of this Note hereby agree to pay to the Holder reasonable attorney's fees not exceeding a sum equal to fifteen percent (15%) of the outstanding balance owing on this Note, plus all other reasonable expenses incurred by the Holder in exercising any of the Holder's rights and remedies upon default. The rights and remedies of the Holder as provided in this Note shall be cumulative and may be pursued singly, successively, or together, in the sole discretion of the Holder. The failure to exercise any such right or remedy shall not be a waiver or release of such rights or remedies or the right to exercise any of them at another time.

Maker holds a leasehold interest in and operates Evergreen Woods. If Maker, (i) after obtaining the prior written consent of the owner of the fee interest in Evergreen Woods, assigns its leasehold interest in Evergreen Woods and (ii) the assignee assumes in writing all of Maker's obligations under the Residency Agreement and this Note, then Maker shall be released from all obligations under this Note and the term "Maker" shall thereafter mean such assignee.

This Note is to be governed and construed in accordance with the laws of the State of Connecticut.

This Note is given to secure a debt.

IN TESTIMONY WHEREOF, Maker has executed this Note under seal as of the day and year first above written.

WHEREAS, Provider is the sponsor of a continuing-care retirement community ("Evergreen Woods") to be located in North Branford, Connecticut, and as such is a "provider" within the meaning of Section 1(d) of Connecticut Public Act No. 86-252 (the "Act"), codified as Sections 17-535 through 17-550 of the Connecticut General Statutes; and

WHEREAS, in order to comply with Section 2 and Section 5 of the Act and to protect residents or prospective residents of Evergreen Woods, the parties desire to enter into this Entrance Fee Escrow Agreement (the "Agreement") setting forth the terms under which certain deposits will be made with the Escrow Agent for the purpose of maintaining an escrow account for entrance fee payments in compliance with the Act. Attached hereto as Exhibit "A" and incorporated herein by reference is a copy of the proposed form of continuing-care contract (the "Residency Agreement") as such may be amended by Provider from time to time, which will be entered into between Provider and each prospective resident of Evergreen Woods (a "Resident").

NOW THEREFORE, in consideration of these premises and the mutual covenants herein set forth, the parties agree as follows:

1. Deposits. In accordance with Section 1 of the Residency Agreement, Provider expects to receive from each Resident a payment of that Resident's Entrance Fee (as such term is described in the Residency Agreement) at the time of execution of the Residency Agreement and to receive from each

Resident a payment of that Resident's Loan (as such term is described in the Residency Agreement) on or before the date Resident begins to reside at Evergreen Woods. On or after the date of this Agreement, Provider will deposit with the Escrow Agent, within seventy-two (72) hours of receipt thereof by Provider, all Entrance Fees received by Provider in connection with Evergreen Woods (Phase I) together with a letter substantially in the form of FORM 1 attached hereto, including a copy of the signature page of each Residency Agreement signed by a Resident.

2. Escrow Account. The Escrow Agent shall maintain all such deposits made to the Escrow Account separate and apart from any other funds of Resident or of Provider.

3. Investments. The Escrow Agent shall invest all amounts held by it from time to time in such obligations of the United States or its agencies (or in shares of a registered investment company which holds a portfolio of such securities) or such certificates of deposit, savings accounts, or other savings or investment securities as Provider may from time to time direct in writing. No amounts held by the Escrow Agent pursuant to this Agreement may be invested in any building or health-care facility of any kind, or used for capital construction or improvements or for the purchase of real estate or removed from the State of Connecticut if required to be maintained within such State. No amounts held by the Escrow Agent pursuant to this Agreement shall be pledged as collateral or subordinated to other loans or commitments of Evergreen Woods, other than first mortgage loans or other long-term financing obligations of Evergreen Woods.

4. Reports and Certificates. The Escrow Agent agrees to issue periodic statements indicating the status of the Escrow Account maintained by the Escrow Agent pursuant to this Agreement. In any event, Escrow Agent agrees to provide monthly reports to the Provider, which include a summary of all additions to, disbursements from and interest on the Escrow Account during the current period, and a detail of the investments comprising the balance in the Escrow Account as of the end of the current period.

5. Disbursements. The Escrow Agent shall release any amounts then held by it in the Escrow Account in accordance with the following terms and subject to Paragraph 5.5 hereof:

5.1 Disbursement When Resident Rescinds Within Thirty (30) Days. Upon receipt by the Escrow Agent of written notice from a Resident by registered or certified mail, pertaining to the election by the Resident to rescind his or her obligations under the Residency Agreement prior to occupancy, the Escrow Agent shall immediately notify the Provider of such request (such notice to be given by telephone and confirmed in a writing mailed to Provider at its address first set forth above) and, within five (5) business days of its receipt of a written confirmation of release of Provider (see FORM 2), release to the Resident, such portion of the Entrance Fee paid by such Resident as is required by his or her Residency Agreement, and shall remit the balance of such Entrance Fee, if any, to the Provider. The Escrow Agent shall promptly provide Provider with written notice of any such refund. Any Entrance Fees refundable to Resident pursuant to this Paragraph 5.1, are hereinafter referred to as "Refundable Deposits."

5.2 Disbursements When Resident Cancels For Any Other Reason. In the event that the Apartment at Evergreen Woods is not available for occupancy by the Resident within three (3) years after the date of execution of his or her Residency Agreement, or under any other circumstances permitting a refund of all or any portion of the Entrance Fee, the Escrow Agent shall, upon receipt of written notice thereof from the Provider certifying that such refund shall be made, return forthwith to the Resident such portion of the Entrance Fee paid by such Resident as is required by his or her Residency Agreement and shall remit the balance of such Entrance Fee, if any, to the Provider.

5.3 Disbursements to Additional Reserve. The Escrow Agent shall release amounts to the additional reserve described in Paragraph 6 below, upon receipt by the Escrow Agent of written notice from Provider substantially in the form of FORM 4 attached hereto which certifies that all conditions required by the Act have been met to permit such release, and sets forth the amount to be released to such additional reserve. Upon receipt of such notice, the Escrow Agent shall forthwith release such amount of the aggregate Entrance Fees then deposited with the Escrow Agent for deposit into such additional reserve and the balance, if any, shall be released to the Provider as described in Paragraph 5.4.

5.4 Disbursements to Provider. The Escrow Agent shall release amounts to the Provider in accordance with the following terms:

(a) With respect to a previously occupied living unit, upon receipt by the Escrow Agent of written notice from Provider stating that the previously occupied living unit to which the Entrance Fee(s) relates is available for occupancy by the Resident, the Escrow Agent shall forthwith release to the Provider the balance of any Entrance Fee(s) then deposited with the Escrow Agent pursuant to this Agreement for that Resident.

(b) With respect to a living unit which has not been previously occupied, upon receipt by the Escrow Agent of written notice from the Provider certifying that the following conditions have been met:

(i) The sum of the Entrance Fees received or receivable by the Provider pursuant to the Residency Agreements, plus the anticipated proceeds of any first mortgage loan or other long-term financing commitment, plus funds from other sources in the actual possession of the Provider, equals or exceeds the sum of seventy-five per cent of the aggregate cost of constructing or purchasing, equipping and furnishing Evergreen Woods plus seventy-five per cent of the funds estimated in the statement of anticipated source and application of funds submitted by the Provider as part of its disclosure statement on file with the Department of Aging (the "Disclosure Statement") to be necessary to fund start-up losses of Evergreen Woods plus seventy-five per cent of the amount of the reserve fund escrow required to be maintained by the Provider;

(ii) A commitment has been received by the Provider for any permanent mortgage loan or other long-term financing described in the statement of anticipated source and application of funds included in the Disclosure Statement and any conditions of the commitment prior to disbursement of funds thereunder, other than completion of the construction of Evergreen Woods, have been substantially satisfied; and

(iii) If construction of Evergreen Woods has not been substantially completed: all governmental permits or approvals necessary prior to the commencement of construction have been obtained; a maximum price contract has been entered into between the Provider and a general contractor responsible for construction of Evergreen Woods; a bond covering the faithful performance of the construction contract by the general contractor and the payment of all obligations arising thereunder has been issued by an insurer authorized to do business in the State of Connecticut with the Provider as obligee; a loan agreement has been entered into by the Provider for an interim construction loan in an amount, when combined with the amount of Entrance Fees then held in escrow under this Agreement plus the amount of funds from other sources then in the actual possession of the Provider, that will equal or exceed the estimated cost of constructing, equipping and furnishing Evergreen Woods; not less than ten per cent of the amount of the construction loan has been disbursed by the lender for physical construction or site preparation work completed; and orders at firm prices have been placed by the Provider for not less than fifty per cent in value, including installation charges if applicable, of items necessary for equipping and furnishing Evergreen Woods in accordance with the description set forth in the Disclosure Statement; or if construction or purchase of Evergreen Woods has been substantially completed, an occupancy permit covering the living unit has been issued by the local government having authority to issue these permits;

the Escrow Agent shall release to the Provider the balance of any Entrance Fees then deposited with the Escrow Agent less any Refundable Deposits then being held by the Escrow Agent. The aggregate amount of Entrance Fees which may be released to the Provider hereunder prior to the date on which any reserve fund escrow that is required to be established pursuant to the Act is established, shall not exceed the aggregate amount of Entrance Fees then received or receivable by the Provider pursuant to binding Residency Agreements less the amount of the Entrance Fees received or receivable which may be required to be initially maintained in such reserve fund escrow.

5.5 Written Confirmation by Provider of Disbursements. In any case in which the Provider believes that funds are required to be disbursed by the Escrow Agent hereunder, the Provider shall promptly give written notice to the Escrow Agent of the Provider's calculation of the amount(s) to be disbursed to Resident and/or Provider, as the case may be (refer to Paragraphs 5.2, 5.3, and 5.4 and FORM 3). In any case in which a Resident has notified the Escrow Agent that Escrowed Funds should be released to such Resident: (i) the Escrow Agent shall immediately notify the Provider of such request (such notice to be given by telephone and confirmed in a writing mailed to Provider at its address first set forth above); and (ii) the Escrow Agent shall not disburse any such funds except in accordance with written confirmation of the Provider, which confirmation shall be given by written notice substantially in the form attached hereto as FORM 2 (refer to Paragraph 5.1).

5.6 Notice to Residents. The Provider shall provide each prospective Resident of Evergreen Woods who has signed a Residency Agreement with the name, address, and telephone number of the Escrow Agent and shall file a copy of this Agreement with the Department of Aging.

6. Additional Reserve. To protect Residents and prospective Residents of Evergreen Woods and to comply with Section 6 of the Act, the Provider will establish the following additional reserve:

Operating Reserve. The Provider will establish an Operating Reserve, to be administered pursuant to a separate agreement. Such Operating Reserve shall be funded from the Escrow Account in accordance with Paragraph 5.3 above. If the Provider has already funded the Operating Reserve as required by Connecticut law, any amounts released from the Escrow Account which would have so funded the Operating Reserve shall be paid to the Provider to such extent.

7. Duties. The Escrow Agent undertakes to perform only such duties as are expressly set forth herein and no

implied duties or obligations shall be inferred or otherwise imposed upon or against the Escrow Agent. The Escrow Agent may act in reliance upon any writing or instrument under signature which it, in good faith, believes to be genuine; may assume the validity and accuracy of any statement or assertion contained in any such writing or instrument; and may assume that any person purporting to give any writing, notice, advice, or instruction in connection with the provisions hereof has been duly authorized to do so, unless Escrow Agent has reason to believe otherwise. The Escrow Agent shall not be liable in any manner for the sufficiency or correctness as to form or manner of execution or validity of any instrument deposited with or delivered to the Escrow Agent hereunder. The duties of the Escrow Agent hereunder shall be limited to the safekeeping of the Deposits and other money, instruments, or other documents received by it as Escrow Agent and for its disposition of the same in accordance with the written instructions accepted by it as Escrow Agent. Each and every determination, payment, action or duty to be taken by the Escrow Agent under this Agreement shall be taken based solely on the written direction from the Provider and, in the case of disbursements made pursuant to Paragraph 5.1, from a Resident. The Escrow Agent will be fully released from any liability hereunder if it acts in accordance with such written direction.

8. Indemnity. Provider hereby agrees to indemnify the Escrow Agent and hold it harmless from any and all claims, liabilities, losses, actions, suits, or proceedings at law or in equity, or any other expense, fees, or charges in equity, or other expenses, fees, or charges of any character or nature, which it may incur or with which it may be threatened by reason of its acting as Escrow Agent under this Agreement, unless caused by the Escrow Agent's willful misconduct or gross negligence; and in connection therewith, to indemnify the Escrow Agent against any and all expenses, including attorney's fees and the cost of defending any action, suit, or proceeding or resisting any claim. Any and all expenses incurred by the Escrow Agent hereunder shall be reimbursed by the Provider upon demand.

9. Termination. Either party may terminate this Agreement upon thirty (30) days' written notice thereof to the other party, subject to the appointment of its successor by Provider within such thirty (30) day period. Provider shall give prompt written notice to the Escrow Agent of the name and address of the successor escrow agent. If a successor escrow

agent is not appointed by provider within the thirty (30) day period, the Escrow Agent may petition the Court to appoint a successor. Upon the appointment of such successor escrow agent, the Escrow Agent agrees to deliver to such successor escrow agent all funds and documents in its possession within thirty (30) days from the date of its notice of termination or resignation, or five (5) business days from the date of appointment of the successor escrow agent, whichever shall later occur. The successor escrow agent shall also be required to have its principal place of business in Connecticut.

10. Fees. Provider shall pay the Escrow Agent its usual and customary fee for services as Escrow Agent as such amounts are set by the Escrow Agent from time to time. Fees for any additional or extraordinary services may be agreed upon by Provider and the Escrow Agent.

11. Amendments. This Agreement may be amended by the parties in writing signed by both, provided that no amendments be made without prior notification by the Provider to the Commissioner of the Connecticut Department on Aging and prior to approval by the Commissioner of the proposed changes, if and to the extent required by the Act or regulations thereunder.

12. Governing Law. This Agreement shall be construed according to the laws of the State of Connecticut.

13. Superseder. This Agreement supersedes and replaces any and all prior agreements between the parties concerning the subject matter hereof.

IN WITNESS WHEREOF, the parties have executed this Entrance Fee Escrow Agreement as of the 26 day of JANUARY, 1990.

RESERVE ESCROW AGREEMENT

This Reserve Escrow Agreement is made as of the 27th day of October 2016 by and between **Evergreen Woods Retirement, LLC** d/b/a **Evergreen Woods** (the “**Provider**”), and **KeyBank National Association**, a banking institution having a place of business in the State of Connecticut (the “**Escrow Agent**”),

Recitals:

WHEREAS, the Provider is becoming the operator of a continuing care facility commonly known as “**Evergreen Woods**” (herein, the “**Community**”) pursuant to an Operations Transfer Agreement dated as of August 3, 2016 (the “**Operations Transfer Agreement**”) between the Provider and Shoreline Life Care LLC (the “**Existing Provider**”), and, in connection with that operations transfer, will become a “**Provider**” within the meaning of Chapter 319hh of the Connecticut General Statutes as amended from time to time (the “**Statutes**”);

WHEREAS, in order to comply with Section 17b-525 of the Statutes and to protect residents of the Community, the parties desire to enter into this Reserve Escrow Agreement (the “**Agreement**”) setting forth the terms under which certain deposits will be made with the Escrow Agent for the purpose of maintaining a reserve fund in compliance with the Statutes;

WHEREAS, upon the Effective Date (as hereinafter defined) of this Agreement, the Provider will transfer funds to the Escrow Agent which shall thereafter be subject to the terms and conditions of this Agreement;

WHEREAS, the Provider and Escrow Agent intend that this Agreement supersede and replace any prior agreement as to the same subject matter; and

WHEREAS, this Agreement shall become effective (the “**Effective Date**”) on the Transfer Date (as defined in the Operations Transfer Agreement), which will occur after the Provider has received the acknowledgment from the Connecticut Department of Social Services required under Section 17b-521 of the Statutes with respect to the operations transfer from the Existing Provider to the Provider.

NOW THEREFORE, in consideration of these premises and the mutual covenants herein set forth, the parties agree as follows:

1. **Deposits.** Pursuant to Section 17b-525(a) of the Statutes, the Provider is required to establish and maintain a reserve fund escrow account (the “**Reserve Escrow Account**”) sufficient to cover the following, unless the Commissioner of Social Services of the State of Connecticut (the “**Commissioner**”) approves a lesser amount to be maintained: (1) all principal and interest, rental or lease payments due during the next six (6) months on account of any first mortgage loan or other long-term financing of the Community, and (2) the total cost of operations of the Community for a one month period, excluding debt service, rental or lease payments, and capital expenditures by the Provider, except that such requirement for the cost of operations for one month may be met in whole or part based on mortgage loan, bond indenture or long-term financing requirements to maintain a certain number of days of cash on hand.

Commencing with the Effective Date of this Agreement and on or before the commencement of each calendar year thereafter:

(a) the Provider shall certify to the Escrow Agent the amount that, based on Evergreen Woods most recent budgets, taking into account existing days of cash on hand requirements, as applicable, will be required to be maintained in the Reserve Escrow Account in order to satisfy the escrow requirements of Section 17b-525(a) of the Statutes, and

(b) the Provider shall deposit with the Escrow Agent the amount necessary, if any, to insure that the total funds held in the Reserve Escrow Account will equal the amount that, based on the Community's most recent budgets, taking into account existing days of cash on hand requirements, as applicable, will be required to be maintained in the Reserve Escrow Account in order to satisfy the escrow requirements of Section 17b-525(a) of the Statutes.

2. **Reserve Escrow Account/Waiver of Lien Rights.** The Escrow Agent shall maintain all such deposits made to the Reserve Escrow Account separate and apart from any other funds of the Provider or the residents and the Escrow Agent hereby waives any and all lien rights it may have with respect to said funds and further waives the right to set off against said funds for or in connection with the obligations of any person or entity.

3. **Investments.** The Escrow Agent shall invest all amounts held by it from time to time in such obligations of any federal or state or local authority (or in shares of a registered investment company which holds a portfolio of such securities) or such certificates of deposit, savings accounts, money market accounts, deposits, or other savings or investment securities including, without limitation, those of Escrow Agent, as Provider may from time to time direct in writing, or absent such direction, in such accounts or similar investments as the Escrow Agent shall deem advisable in its sole discretion. No amounts held by the Escrow Agent pursuant to this Agreement may be invested in any building or health care facility of any kind, or used for capital construction or improvements or for the purchase of real estate or removed from the State of Connecticut if required to be maintained within such State. No amounts held by the Escrow Agent pursuant to this Agreement shall be subordinated to other loans or commitments of the Community other than first mortgage loans or long-term financing obligations of the Community.

4. **Reports.** The Escrow Agent agrees, upon the request of Provider, to issue a statement indicating the status of the Reserve Escrow Account maintained by the Escrow Agent pursuant to this Agreement. In any event, the Escrow Agent agrees to provide monthly reports to the Provider, which shall include a summary of all additions to and disbursements from the Reserve Escrow Account during the current period, and a detail of the investments comprising the balance in the Reserve Escrow Account as of the end of the current period.

5. **Disbursements.** The Escrow Agent shall release any amounts then held by it pursuant to this Agreement in accordance with the following terms:

5.1 Upon receipt by the Escrow Agent of written certification from the Provider that the amount currently required under the Statutes to be maintained in the Reserve Escrow Account is less than the current balance held in the Reserve Escrow Account, the Escrow Agent shall promptly distribute to the Provider upon demand an amount equal to such excess.

5.2 Upon written demand of the Provider, the Escrow Agent shall promptly release to the Provider up to one-twelfth (1/12) of the required principal balance of funds held in the Reserve Escrow Account; provided, however, that the Escrow Agent shall not make any release under this Paragraph 5.2 more than once during any calendar month and provided further that the Provider shall give prompt written notice to the Commissioner of any such release of escrowed funds. The Escrow Agent shall notify the Commissioner if escrowed funds so released are not replaced by the Provider within one (1) year.

5.3 Upon written demand of the Provider, which demand contains evidence of authorization from the Commissioner for the release of additional funds held in the Reserve Escrow Account, the Escrow Agent shall release to the Provider such amounts as are authorized for release, provided that the Provider shall give prompt written notice to the Commissioner of any such release of escrowed funds. The Escrow Agent shall notify the Commissioner if escrowed funds so released are not replaced by the Provider within one (1) year.

5.4 Upon written demand of the Provider, which demand contains a copy of written authorization from the Commissioner for the maintenance of a reserve escrow in a lesser amount than the required reserve amount previously specified by the Provider pursuant to Section 1(a) above, the Escrow Agent shall release any excess escrowed funds, provided that the Provider shall give prompt written notice to the Commissioner of any such release of escrowed funds.

5.5 Upon written demand of the Provider, the Escrow Agent shall release to the Provider any interest or earnings generated from escrowed funds.

5.6 The parties acknowledge that under Connecticut law, the Commissioner must receive prior notification of any withdrawals contrary to the terms of CGS 17b-520 to 17b-535, as amended, or for any change in the terms of this escrow agreement in regard thereto.

6. **Duties.** The Escrow Agent undertakes to perform only such duties as are expressly set forth herein and no implied duties or obligations shall be inferred or otherwise imposed upon or against the Escrow Agent. The Escrow Agent's duties and obligations are purely ministerial in nature, and nothing herein shall be construed to give rise to any fiduciary obligations of the Escrow Agent. The Escrow Agent may act in reliance upon any writing or instrument under signature which it, in good faith, believes to be genuine; may assume the validity and accuracy of any statement or assertion contained in any such writing or instrument; and may assume that any person purporting to give any writing, notice, advice, or instruction in connection with the provisions hereof has been duly authorized to do so. The Escrow Agent

shall not be liable to anyone whatsoever by reason of any error of judgment or for any act done or step taken or omitted by it in good faith or for any mistake of fact or law or for anything which it may do or refrain from doing in connection herewith unless caused by or arising out of its own willfull misconduct or gross negligence. In no event shall the Escrow Agent be liable for any special or consequential damages caused by its gross negligence or willful misconduct even if previously informed of the possibility thereof. The Escrow Agent shall not be liable in any manner for the execution or validity of any instrument deposited with or delivered to the Escrow Agent hereunder, nor as to the identity, authority, or right of any person executing the same. The duties of the Escrow Agent hereunder shall be limited to the safekeeping of the deposits and other money, instruments, or other documents received by it as Escrow Agent, for its disposition of the same in accordance with the written instruction accepted by it as Escrow Agent.

7. **Indemnity.** The Provider hereby agrees to indemnify and defend the Escrow Agent and hold it harmless from any and all claims, liabilities, losses, actions, suits, or proceedings at law or in equity, or any other expense, fees, or charges of any character or nature, which it may incur or with which it may be threatened by reason of its directly or indirectly acting as Escrow Agent under this Agreement, unless caused by the Escrow Agent's willful misconduct or gross negligence; and in connection therewith, to indemnify the Escrow Agent against any and all expenses, including reasonable attorney's fees and the cost of defending any action, suit, or proceeding or resisting any claim. The parties hereto agree that the Escrow Agent does not assume any responsibility for the failure of any of the parties to make payment or perform the conditions of this Escrow Agreement as set forth herein, nor shall Escrow Agent be responsible for the collection of monies provided to be paid to it. Escrow Agent may consult with counsel of its own choice and shall have full and complete authorization and protection for any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel. The provisions of this Section 7 shall survive termination of the escrow arrangement contemplated hereby

8. **Termination.** Either party may terminate this Agreement upon thirty (30) days' written notice thereof to the other party, subject to the appointment of its successor by the Provider within such thirty (30) day period. Provider shall give prompt written notice to the Escrow Agent of the name and address of the successor escrow agent. If a successor escrow agent is not appointed by the Provider within the thirty (30) day period, the Escrow Agent may petition the court to appoint a successor. Upon the appointment of such successor escrow agent, the Escrow Agent agrees to deliver to such successor escrow agent all funds and documents in its possession within thirty (30) days from the date of its notice of termination or resignation, or five (5) business days from the date of appointment of the successor escrow agent, whichever occurs first. The successor escrow agent shall also be required to have a place of business in Connecticut.

9. **Fees.** The Provider shall pay the Escrow Agent its usual and customary fee for services as Escrow Agent as outlined in Exhibit "A" attached hereto. Any changes to such fees shall be effective if contained in writing signed by the Escrow Agent and the Provider. Fees for any additional or extraordinary services may be agreed upon in writing by the Provider and the Escrow Agent. The Escrow Agent shall be entitled to deduct its usual and customary fee for services as Escrow Agent from the Reserve Escrow Account, so long as the amount remaining in said account after any such deduction is not less than the amount required to be maintained in the

Reserve Escrow Account in order to satisfy the escrow requirements of Section 17b-525(a) of the Statutes.

10. **Authorized Persons of the Provider.** Escrow Agent will receive a list from the Provider of the individuals authorized to act on the Provider's behalf under the terms of this Agreement. The list shall contain the name, title, and signature of the authorized person. Whenever a change occurs in authorized persons, the Provider will provide a new list to the Escrow Agent.

11. **Governing Law/Headings.** This Agreement shall be governed by and construed in accordance with the laws of the State of Connecticut. The headings set forth in this Agreement are for convenience only and shall not affect the meaning of any term or provision of this Agreement.

12. **Successors and Assigns/Binding Effect.** The Escrow Agent shall not assign its rights or obligations under this Agreement without the prior written consent of the Provider, which consent may be granted or withheld in the Provider's sole and absolute discretion. Subject to the foregoing restriction on assignment, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors and assigns.

13. **Amendments.** This Agreement may be unilaterally amended by the Provider from time to time; provided, however, that no amendment shall alter the duties of the Escrow Agent without the consent of the Escrow Agent, and no amendment shall alter the covenants of the Provider under the residency agreements between the Provider and the residents of the Community. If the Provider wishes to amend this Agreement, no amendments shall be made without prior notification by the Provider to the Commissioner and prior to approval by the Commissioner of the proposed changes, if and to the extent required by the Statutes or regulations thereunder.

14. **Notices to the Parties.** All notices given to the Provider or to the Escrow Agent pursuant to this Agreement shall be in writing and shall be delivered via email, facsimile, first class mail, overnight courier or personal delivery and shall be deemed given and received on the date actually received (or the date that delivery is tendered if delivery is refused). Independent Auditor's Report

To the Member
of Evergreen Woods Retirement, LLC

Opinion

We have audited the accompanying financial statements of Evergreen Woods Retirement, LLC (a Connecticut limited liability company), which comprise the balance sheets as of December 31, 2022 and 2021, and the related statements of operations, changes in member's deficit, and cash flows for the years ended December 31, 2022, 2021 and 2020, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Evergreen Woods Retirement, LLC as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years ended December 31, 2022, 2021 and 2020, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Evergreen Woods Retirement, LLC and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Evergreen Woods Retirement, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Evergreen Woods Retirement, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Evergreen Woods Retirement, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

EVERGREEN WOODS RETIREMENT, LLC
Notes to Financial Statements
December 31, 2022 and 2021

NOTE A - SIGNIFICANT ACCOUNTING POLICIES

Business Activity - Evergreen Woods Retirement, LLC (the Company) was formed on June 27, 2016. It operates a continuing care retirement community (CCRC) in North Branford, Connecticut. It features 235 independent living apartments, 15 assisted living units, and 50 skilled nursing units.

Limited Liability Company/Income Taxes - The Company is a single member Limited Liability Company (LLC), whose LLC member is Senior Living Communities, LLC. The Company's taxable earnings or losses are passed through to the Company's member who is then taxed based on the taxable earnings or losses. Accordingly, no provision or benefit for federal or state income taxes has been reported by the Company.

As an LLC, the member's liability is limited to amounts reflected in the member's capital account.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications - Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

Cash and Cash Equivalents - The Company considers all highly liquid unrestricted investments with maturities of three months or less to be cash equivalents. The Company had no cash equivalents during the years ended December 31, 2022 and 2021.

Accounts Receivable and Allowance for Doubtful Accounts - Accounts receivable are reported net of an allowance for doubtful accounts. On a periodic basis, management evaluates accounts receivable balances and establishes an allowance for doubtful accounts based on its analysis of collectability as the receivables age. The allowance for doubtful accounts at December 31, 2022 and 2021 is \$395,774 and \$479,108, respectively.

Accounts receivable includes amounts due from third-party payors. Billings for services under third-party payor programs are recorded at amounts expected to be collected. Subsequent positive or negative adjustments are recorded when known. Contractual or cost related adjustments from Medicare are accrued when assessed. Gross amounts due from third-party payors at December 31, 2022 and 2021, are \$755,142 and \$985,667, respectively.

Inventory - Inventories are stated at cost determined on the first-in, first-out basis.

Property and Equipment - Property and equipment are carried at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Major renewals and improvements are capitalized while replacements, maintenance, and repairs, which do not improve or extend the life of the assets, are expensed currently. When assets are sold or retired, their cost and accumulated depreciation are removed from the accounts and resulting gains and losses are included in the statements of operations.

Deferred Commissions - The Company pays commissions on all occupancy agreements. The Company will occasionally provide move-in services or other incentives to residents to sign an occupancy agreement for independent living units. In accordance with Accounting Standards Codification (ASC) 606, *Revenue from Contracts with Customers*, incremental costs of entering into contracts with customers are recognized as an asset and amortized over the expected life of the contracts. The nonrefundable portion of occupancy fees received from independent living residents prior to moving into the community is earned over a five-year amortization period. The related costs are expensed on a straight-line basis over the same five-year amortization period. If a resident moves out prior to the end of the five-year period, the remaining costs are expensed in the same period. Amortization of these costs is included in marketing expenses. Accumulated amortization of deferred commissions at December 31, 2022 and 2021 is \$1,188,219 and \$866,627, respectively.

NOTE A - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Deferred Commissions (continued) - The Company expenses as incurred costs related to acquiring healthcare rental agreements with residents who move into assisted living or skilled nursing under the practical expedient permitted under ASC 340, *Other Assets and Deferred Costs*, because these contracts are considered rentals that are renewed monthly.

Goodwill - The Company follows Accounting Standards Update (ASU) 2017-04, *Intangibles – Goodwill and Other (Topic 350): Simplifying the Accounting for Goodwill Impairment*. This ASU requires entities to calculate impairment as the amount by which a reporting unit's carrying value exceeds its fair value, not to exceed the carrying amount of goodwill. The ASU requires the same test be applied to goodwill for all reporting units, even those with zero or negative carrying amounts, and requires entities to disclose the amount of goodwill at reporting units with zero or negative carrying amounts. The Company has a single reporting unit. The carrying value of goodwill at December 31, 2022 and 2021 is \$56,089,440.

For the years ended December 31, 2022, 2021 and 2020, no impairment of goodwill was identified.

Checks in Process - The Company has a sweep arrangement with its bank. Under this arrangement, the Company's operating accounts are zero balance accounts. The daily ending balances are cleared by sweep transfers to a master account held by Senior Living Communities, LLC. When funds are required in the operating account to clear checks and other disbursements, automatic transfers from the master account to the operating account occur for the required amounts. Checks issued and outstanding are shown as a current liability on the Company's balance sheets.

Compensated Absences - Employees of the Company are entitled to paid time off depending upon job classification, length of service, and other factors. The amount of paid time off earned but not taken by employees is recorded as a current liability on the balance sheets. The amount reflects as of December 31, 2022 and 2021, all unused time off employees have earned at their current rate of pay that would be payable upon termination under the Company's payout policy. The applicable share of employer-related taxes payable on the eventual payments has not been accrued as it is not practicable for the Company to estimate. The Company's policy is to recognize the employer-related taxes when the payment is made to the employee. Accrued paid time off at December 31, 2022 and 2021, totals \$359,968 and \$346,105, respectively.

Self-Insurance The Company has established a self-insured health plan for the benefit of its employees and those of related parties (see Note J). Under the plan, the Company covers health claims for participants up to certain limits. Claims in excess of these limits are insured with stop-loss insurance. Beginning January 1, 2021, claims paid by the plan are pooled and allocated to each participating entity based on its respective number of participants in the plan. Through December 31, 2020, claims paid by the plan were allocated to and reimbursed by the employer of the participant who made the claim. Had the Company used the same claims allocation method for the year ended December 31, 2020, the costs allocated to the Company would have been an additional \$108,951.

The Company has accrued a liability it believes is adequate to cover the outstanding claims and claims that have been incurred but not yet reported based on historical experiences, changes in medical costs, and changes in the number and age of plan participants. Any subsequent changes in estimate are recorded in the period in which they are determined.

Revenue Recognition - The Company offers various forms of contracts (occupancy agreements) with independent living residents which require an entrance fee to be paid upon moving into its communities. The nonrefundable portion of the occupancy fee paid represents contract revenues to be recognized over the expected length of time a resident will reside in the community's independent living. Monthly service fees are revenues associated with the contracts with residents and are billed monthly in advance. The Company recognizes revenue from monthly service fees as services are provided to residents under guidance that applies to contracts that are monthly with the option to renew. Monthly service fee revenue is recognized at the billing rates that the Company establishes from time to time. Ancillary income is recognized from services provided to residents on an "as needed" basis and for which a separate charge is assessed and billed in arrears. See Note K for further discussion of the Company's revenues.

Notes to Financial Statements (Continued)
December 31, 2022 and 2021

NOTE A - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Obligation to Provide Future Services (FSO) - The Company periodically calculates the present value of the net cost of future services and use of facilities to be provided to current residents and compares that amount with the balance of deferred revenue from nonrefundable entrance fees. If the present value of the net cost of future services and use of facilities exceeds the unamortized deferred revenue from nonrefundable entrance fees, a liability is recorded (FSO) with a corresponding charge to income. No FSO liability has been recorded as of December 31, 2022 and 2021, because the present value of the net cost of future services and use of facilities is less than the deferred revenue from entrance fees.

Government Grants - The Company recognizes income from government grants over the periods in which it recognizes the related expenses for which the grants are intended to cover when there is reasonable assurance of compliance with the applicable terms and conditions of the grants received.

Leases - On November 8, 2016, Senior Living Communities, LLC entered into a lease agreement with NHI-REIT of Evergreen, LLC for this community. The lease has an initial lease term that is set to expire on December 31, 2029 and has two options to extend the lease for an additional five years with each extension. Senior Living Communities, LLC entered into a sub-lease agreement with Evergreen Woods Retirement, LLC under the same lease terms it has with NHI-REIT of Evergreen, LLC.

Following ASC 842, *Leases*, the Company determines whether an arrangement is or contains a lease at lease inception. Operating leases are included in operating lease right-of-use (ROU) assets, current operating lease liabilities and non-current operating lease liabilities in the consolidated balance sheets. The ROU asset represents the Company's right to use the leased assets over the term of the lease. Lease liabilities represent the Company's obligations to make lease payments over the term of the lease.

For operating leases, the Company determines the present value of the lease payments over the lease term, including any renewal periods that they are reasonably certain they will exercise. To determine the present value of the lease payments, the Company uses the rate implicit in the lease if it is determinable. When the rate implicit in the lease is not determinable, the Company uses its incremental borrowing rate at the commencement date of the lease. Lease expense is recognized on a straight-line basis over the lease term. The Company has elected not to recognize an asset or obligation for leases with an initial term of twelve months or less. The expense associated with short-term leases is included operating expenses in the statements of operations.

For finance leases, after lease commencement the lease liability is measured on an amortized cost basis and increased to reflect interest on the liability and decreased to reflect the lease payments made during the period. Interest on the lease liability is determined each period during the lease term as the amount that results in a constant period discount rate on the remaining balance of the liability. The ROU asset is subsequently measured at cost, less any accumulated amortization and any impairment losses. Amortization is recognized over the period from commencement of the lease to the earlier of the end of the useful life of the asset or end of the lease term. The discount rate used by the Company for the finance leases is the Company's incremental borrowing rate as determined at lease inception.

To the extent that a lease arrangement includes both lease and non-lease components, where the Company is the lessee, the components are accounted for separately.

See Note M for further discussion of the Company's leases.

Advertising - The Company expenses advertising costs when the advertising first takes place. Advertising expenses for the years ended December 31, 2022, 2021, and 2020 are \$153,170; \$186,678 and \$254,286, respectively.

Fair Value of Financial Instruments - ASC 820, *Fair Value Measurement*, defines fair value and establishes a three-level valuation framework and hierarchy for disclosure of fair value measurements. That framework prioritizes the inputs to valuation used to measure fair value of an asset or liability as of the measurement date. The hierarchy gives the highest priority to the lowest level of input that is significant to the fair value measurement.

EVERGREEN WOODS RETIREMENT, LLC
Notes to Financial Statements (Continued)
December 31, 2022 and 2021

NOTE A - SIGNIFICANT ACCOUNTING POLICIES (Continued)

The three levels are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.
 Level 2 - Inputs to the valuation methodology include quoted market prices for similar assets or liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Cash and occupancy fee deposits in escrow are carried at amounts considered by management to approximate fair value based on Level 1 valuation.

NOTE B - CASH AND RESTRICTED CASH

The lease agreement with National Health Investors, Inc. requires the Company to maintain certain escrow accounts. These restricted cash accounts are reported on the balance sheets as current assets. In addition to the escrow accounts required by the lease, the state requires certain deposits received from residents to be temporarily held in an escrow account before it is available to be used in the Company's operations. Additionally, the Company has segregated certain resident monies from its operating cash.

The Operating Reserve Escrow represents the funds contributed by the Company since it began operating the community to a reserve fund escrow account required by Connecticut state law to cover certain debt obligations and operating costs of the community. This restricted cash account is reported on the balance sheets as a noncurrent asset.

The following table provides a reconciliation of cash, cash equivalents, and restricted cash reported within the balance sheets to the amounts shown in the statements of cash flows:

	<u>2022</u>	<u>2021</u>
Cash	\$ 7,361	\$ 6,945
Occupancy Fee Deposits in Escrow	35,760	40,000
Operating Reserve Escrow	<u>270,000</u>	<u>185,000</u>
Total Cash and Restricted Cash shown in the Statements of Cash Flows	<u>\$ 313,121</u>	<u>\$ 231,945</u>

NOTE C - CONCENTRATIONS

Evergreen Woods Retirement, LLC maintains its cash balances at one bank under a sweep investment arrangement. The operating account of Evergreen Woods Retirement, LLC is a zero-balance account. The daily ending balance of the account is cleared by sweep transfers to a master account held by Senior Living Communities, LLC. The balances on hand are combined with those of Senior Living Communities, LLC and its subsidiaries. Funds held in the master account are owned by the respective entities. When funds are required in the operating account to clear checks and other disbursements, automatic transfers from the master account back to the operating account occur for the necessary amounts.

Deposit insurance through the Federal Deposit Insurance Corporation is a function of ownership of the funds on deposit. Each entity participating in the sweep master account is entitled to its own separate deposit insurance up to \$250,000. At times, the balances may exceed the insured amounts. The Company periodically reviews the financial condition of the institution and believes the risk of loss to be minimal.

NOTE D - ACCOUNTS RECEIVABLE - OTHER

At December 31, 2021 accounts receivable-other represented a reimbursement expected from the State of Connecticut for COVID-19 testing. In 2022, management determined that the reimbursement was not collectible and reclassified these costs to administration and overhead expenses.

NOTE E - DEFERRED COMMISSIONS

The Company pays commissions and other move-in incentives directly tied to occupancy agreements that are signed with independent living residents and that require occupancy fees to be paid in advance. Management believes these are recoverable costs. Therefore, the Company has capitalized them as deferred commissions in the accompanying balance sheets. These costs are amortized over the estimated period the Company will provide services to the residents and over which it earns the nonrefundable portion of occupancy fees received upon move-in. Based on the average residency of an independent living resident across all communities operated by the Company's parent, Senior Living Communities, LLC, the Company expects this to be five years from the date the resident moves in. The related costs are expensed on a straight-line basis over the same five-year amortization period and included in marketing expenses in the accompanying statements of operations. The Company expenses any unamortized costs related to a contract with a resident who moves out prior to the end of the five-year amortization period to marketing expense. Amortization of deferred commissions for the years ended December 31, 2022 and 2021 is \$549,010 and \$424,812, respectively.

The Company expenses as incurred all incremental costs related to acquiring healthcare rental agreements with residents who move into assisted living or skilled nursing under the practical expedient permitted under ASC 340, *Other Assets and Deferred Costs*, because these are considered rental agreements that are renewed monthly.

NOTE F - CONTINGENCIES

It is possible for the Company to incur claims in the normal course of its business. The Company maintains general liability and professional liability insurance policies with coverage and deductibles it believes are appropriate based on the nature of its business and its historical experience. The policies provide coverage on a claims-made basis and are subject to certain deductibles. Losses related to deductible amounts are accrued based on the Company's estimate of expected losses from both asserted and incurred but not reported claims. The Company routinely reviews the adequacy of its insurance coverage and its accruals for any losses not covered by insurance. As of December 31, 2022 and 2021, the Company accrued reserves of \$33,000 and \$51,000, respectively, under such insurance policies.

NOTE G - NOTE PAYABLE

The Company has the following note payable at December 31:

	<u>2022</u>	<u>2021</u>
A note payable to a bank, monthly payments of \$3,219, including interest at 4.20%, all outstanding principal and accrued interest due November 13, 2022, secured by vehicles.	\$ -	\$ 34,485

NOTE H - REFUNDABLE OCCUPANCY FEES

The Company recognizes a long-term liability for the unsecured refund obligations associated with occupancy fees received for independent living apartments. The Company offers three forms of occupancy agreements that are Type C contracts (see Note K): the “90% Minimum Refund Plan,” the “60% Minimum Refund Plan,” and the “Endowment Plan,” which the Company refers to as “unbundled,” and two Type A contracts (see Note K): the “Traditional Plan” and the “Tailored Plan.”

The “90% Minimum Refund Plan” occupancy agreements provide for repayment to the resident 90% of the original occupancy fee paid by the resident regardless of when the resident subsequently moves out of the home. The “60% Minimum Refund Plan” occupancy agreements provide for repayment to the resident 90%, 80%, or 70% of the original occupancy fee paid by the resident if the resident moves out of the home in the 1st, 2nd or 3rd year, respectively, after becoming a resident. In the 4th year or thereafter, the resident is entitled to a 60% refund of the occupancy fee paid. The “Endowment Plan” occupancy agreements provide for repayment to the resident of 90% of the original occupancy fee paid by the resident if the resident moves out of the home within the first six months of becoming a resident. After six months, the refundable portion is reduced each month by 2% of the total occupancy fee paid by the resident until the refundable portion is reduced to zero. For all of these plans, the refund is payable upon the earlier of securing a substitute resident who pays to the Company the then applicable occupancy fee or five years from the date the resident moves out.

The “Traditional Plan” occupancy agreements provide for a refund of 90% or 70% of the occupancy fee paid by the resident, regardless of when the resident moves out. The “Tailored Plan” occupancy agreements provide for a repayment to the resident starting at 90% less 2% per month for each calendar month or fraction of a month from the date the resident paid the occupancy fee until the resident moves out. After forty-five months the refundable portion for the “Tailored Plan” is reduced to zero. The refund obligation is usually due thirty days after a substitute resident has paid the Company the applicable occupancy fee. However, some of these occupancy agreements provide for the refund to be paid one year, eighteen months, or three years after the resident has moved out, even if the unit has not been reoccupied.

NOTE I - DEFERRED REVENUES

A portion of the occupancy fee received from residents represents payment for future services and therefore is nonrefundable. The nonrefundable portion is recorded as deferred revenue and recognized as earned revenue over a period of five years from the resident’s move-in date, which approximates the average residency of the residents in independent living across Senior Living Communities, LLC. For “Tailored Plan” occupancy agreements, the deferred revenue is adjusted as amounts become nonrefundable under the terms of the occupancy agreements. Total deferred revenue to be recognized under existing occupancy agreements as of December 31, 2022 and 2021 is \$4,777,817 and \$4,315,081, respectively.

Periodically, the Company re-evaluates the appropriate revenue recognition period for income earned from these contracts.

NOTE K - REVENUE

Significant Accounting Policies and Nature of Services

The Company derives all of its revenues from providing an array of services to residents over the period of their residency in its community in North Branford Connecticut. Such services include residential, social, wellness, dining, housekeeping, and healthcare in accordance with occupancy agreements which specify the obligations of the community to the resident. The community offers a continuum of level of care units available for residents to reside: independent living, assisted living, and skilled nursing.

The Company offers two types of contracts to residents for independent living: Type A – Life Care Contracts (“Traditional Plans”), which also require an entrance fee upon moving into the community but provide for skilled nursing services at the same rate that the resident would pay for independent living services plus fees for extra meals and other supplies and services, provided certain conditions are met, and Type C – Fee-for-Service Contracts, which also require an entrance fee, and for which market rates are charged for health care services on an “as needed” basis. As described in Note H, the Company offers three forms of Type C contracts (occupancy agreements) with independent living residents, the “90% Refund Agreement,” the “60% Refund Agreement,” and the “Endowment Plan.” Type A contracts are referred to as “bundled” plans, and Type C contracts are referred to as “unbundled” plans. The nonrefundable portion of the occupancy fee paid under both contract types represent contract revenue to be recognized over the expected length of time a resident will reside in the community’s independent living.

When a resident signs a Type A contract, the monthly service fee charged to the resident includes the same services as the Type C contract plus nursing care in the Health Center for ninety (90) cumulative days without relinquishing the independent living residence. Charges for nursing care beyond the ninety days are dependent upon relinquishing the independent living residence. Therapy, pharmaceutical and medical supplies, personal laundry, equipment rental and additional meals during the healthcare stay are not included, and additional charges at current market rates would be charged for these.

NOTE K – REVENUE (Continued)

For all Healthcare Rental Agreements, which are with residents who move into assisted living or skilled nursing, a monthly service fee is charged for use of the premises and for the programs, services, and healthcare provided by the community, including direct care, emergency call and fire alarm system monitoring, cable, utilities, daily meal services, housekeeping services, grounds keeping, social and wellness programming, and local transportation. The resident receives the services at a standalone selling price for the service.

The occupancy fee paid by independent living residents gives the resident initial right to the premises and access to additional goods or services through the monthly service fee. Monthly service fees charged to residents are higher on units with a higher percentage refund and on Type A contracts. The nonrefundable portion of the occupancy fee for these contracts is effectively an advance payment on those future services provided by the monthly service fees. As such, a portion should be recognized to revenue as those services are provided.

The Company charges the resident a monthly service fee at the billing rates that the Company establishes from time to time for the programs and services provided by the community, including emergency call and fire alarm system monitoring, cable, utilities, daily meal services, weekly housekeeping services, pest control, grounds keeping, social and wellness programming, parking, and priority admission status to healthcare units. Healthcare services generally are not included for independent living. Monthly service fees are a component of revenue associated with the contracts with residents. The Company recognizes revenue from monthly service fees as services are provided to residents under guidance that applies to contracts that are monthly with the option to renew. Revenue is recognized at the billing rates that the Company establishes from time to time or at the rates established by Medicare for providing services to residents whose costs of care are to be reimbursed under the various programs Medicare administers. Ancillary income is recognized from services provided to residents on an “as needed” basis and for which a separate charge is assessed.

The nonrefundable portion of the occupancy fees paid represents contract revenues to be recognized over the expected length of time a resident will reside in the community’s independent living. The Company recognizes revenue by amortizing a portion of the nonrefundable entrance fee paid in advance for services to be provided over the residents’ expected period of residency. The nonrefundable portion is recorded as deferred revenue and is adjusted as it becomes nonrefundable under the terms of the occupancy agreements. This revenue is earned over a period of five years from the resident’s move-in date, which approximates the average residency of the residents in independent living across Senior Living Communities, LLC.

Contract Balances

Invoices are sent to residents on the 20th of the month for the following month's monthly service fee and for the prior month's ancillary services that were provided. Medicare is billed in arrears. Amounts due from residents for the prior month's ancillary services, any unpaid monthly service fees for which services have been provided, and the amounts due from Medicare are included in accounts receivable in the accompanying balance sheets. The Company also records an allowance for doubtful accounts based on its analysis of collectability as the receivables age. The Company records deferred commissions for costs related to Type A and Type C contracts.

The Company records a liability for amounts paid in advance by residents for monthly services as well as for refundable occupancy fees and nonrefundable occupancy fees received in advance. Refundable occupancy fees represents amounts due to residents as of December 31 if the resident were to move out of the community. Deferred revenues represents the portion of the occupancy fees received from residents in advance that is nonrefundable as of December 31 that represents advanced payments for services to be provided over the full duration of their residency.

NOTE N - COVID-19 PANDEMIC

The World Health Organization declared the coronavirus (COVID-19) outbreak to be a pandemic on March 11, 2020. The pandemic has significantly disrupted, and likely will continue to disrupt for some time, the United States economy, the Company, and the senior living industry as a whole. Federal, state, and local governments have enacted certain safety measures to help minimize the spread of the virus. Such safety measures specific to the senior living industry and the Company have included, but not limited to, restrictions on admissions, visitation, and communal activities; personal protection equipment requirements; and testing requirements, among others. The Company has also implemented its own additional safety measures for the protection of its residents and team members. As a result of these factors, the Company has encountered significant challenges with occupancy levels while also incurring significant additional operating costs and expenses.

NOTE N - COVID-19 PANDEMIC (Continued)

In response to the economic effects of the pandemic, Congress enacted the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) on March 27, 2020 which, among other economic stimulus measures, established the Paycheck Protection Program (PPP). Administered by the Small Business Administration (SBA) with the assistance of participating lenders, this program provides loans to businesses and other entities to help them continue paying their workers. PPP loans are eligible for full or partial forgiveness if the funds were used for certain qualifying costs such as payroll, rent, mortgage, interest, and utilities within a specified frame.

In April 2020, the Company applied for and was approved for a PPP loan in the amount of \$1,221,600. GAAP does not include guidance that specifically addresses the accounting for a business entity that obtains a forgivable loan from a government entity.

In absence of explicit guidance, ASC 105, *Generally Accepted Accounting Principles*, provides a hierarchy for entities to use in determining the relevant accounting framework. The Company has elected to account for the PPP loan proceeds as a government grant pursuant to guidance in International Accounting Standards (IAS) 20, *Accounting for Government Grants and Disclosure of Government Assistance*, by analogy. The Company believed it used all of the proceeds from the PPP loan for qualifying expenses and has met all other criteria for forgiveness, and therefore, recognized the entire amount of the loan as other income for the year ended December 31, 2020. On March 12, 2021, the SBA approved the Company's request for full forgiveness of its PPP loan in the amount of \$1,221,600.

In addition, the CARES Act established the Provider Relief Fund, administered by the US Department of Health and Human Services (HHS), to assist healthcare providers in the battle against the pandemic. Grants received from the Provider Relief Fund are subject to the terms and conditions of the program. The funds may only be used to prevent, prepare for, and respond to COVID-19 by covering the costs of healthcare related expenses or reimbursing the Company for lost revenues that are attributable to COVID-19. The Company is required to report to the HHS on the use of the grants, which is subject to audit. During the years ended December 31, 2022, 2021 and 2020, the Company accepted \$0; \$49,550 and \$368,252, respectively, of cash for grants from the Provider Relief Fund, all of which has been recognized as other income based upon its estimates of its satisfaction of the underlying terms and conditions.

The Company cannot predict with reasonable certainty the impact that the COVID-19 pandemic ultimately will have on its business, results of operations, financial condition, and cash flows as it will be dependent on a variety of factors, including but not limited to, the duration and severity of the disease itself; the impact on national and local economies, including housing, equity, and labor markets; governmental financial and regulatory relief efforts; and general perception and demand for senior living communities.
