THE SERVICES

The decision to move into a *ContinuingCare* senior living community demands careful consideration of many factors, including the services to be provided. A description of the services provided by the Provider is attached as Exhibit B to this Disclosure Statement. Briefly, in accordance with the terms of the StoneRidge Residency Agreement, and in addition to providing a Residence and community amenities for lifetime use by the Resident, the Provider provides the following services: (1) maintenance and cleaning of the common areas; (2) weekly flat laundry service; (3) full maintenance inside and out, including provided appliances in each Residence; (4) weekly housekeeping of each Residence; (5) dining services for Residents and their guests; (6) planned activities; (7) security services; (8) scheduled local transportation services; (9) Health Center Care Services; (10) a residential health services program; (11) emergency call monitoring and responses; (12) water, sewer, air conditioning, heating and electricity; (13) standard cable; (14) trash removal; (15) room service for up to 14 days when ordered by the appropriate personnel; and (16) various administrative services. Also, additional services are available to the Residents for an extra charge, as outlined in the Residency Agreement.

The choices at StoneRidge support a healthy way to live. StoneRidge's innovative *HealthyLife™ Services* Program offers an all-encompassing commitment to Resident's healthy lifestyle...including spiritual, physical, emotional, social, environmental, intellectual, vocational and health services. This dynamic principle underscores the nature of StoneRidge's services which are designed to promote personal wellness.

The Provider offers three (3) levels of health services that include: (1) residential health services (home care services); (2) assisted living; (3) memory care; and (4) short- and long-term rehabilitative and nursing care services. As an option, should the Resident not desire to transfer to the Health Center, the Resident may elect to receive in his/her Residence, home care services as long as the Resident's health or safety or that of others is not jeopardized. Such services will be coordinated by StoneRidge's Health & Wellness Navigator. Services provided by StoneRidge Assistance In Living staff or a home care or home health care provider serving the area are at the Resident's expense.

The Health & Wellness Navigator ("Navigator") will assist the Resident in obtaining personal care services from StoneRidge Assistance In Living an outside agency of Resident's choice in accordance with StoneRidge's Personal Service Provider Policy. At the Resident's direction, the Navigator may guide preventative wellness oriented services such as fitness and exercise activities, as well as healthy food choices. Other services may include: wellness screenings such as blood pressure checks, health fairs and life-long learning seminars geared to health and wellness. Should health care needs arise, the Navigator may support Residents with health and medical related services, such as assistance with physician appointments, emergency medical management, physician ordered on-site laboratory screenings, physical and other therapies, as well as private home health services designed to provide care in Resident's Residence during spells of illness or post hospitalization. The goal is to provide as much support as the Resident desires to promote wellness and to avoid admission to a more acute level of health care. If more acute care is needed, the Navigator will coordinate admitting details.

Residents who do not require ongoing care in the Health Center, but who need limited additional personal services to continue residing in their Residence, may contract for those additional services through StoneRidge's *HealthyLife Services* Program. These services include, but are not limited to bathing, dressing, additional housekeeping, shopping, escort, and personal laundry. These services are provided by StoneRidge through StoneRidge Assistance In Living. Such services may also be provided by a home health services provider serving the area. See "Home Health Care" below regarding Residents' right to utilize outside providers for these services. The Provider has the right to adjust the level of personal care services and the charges for such services. The services furnished through this program are provided for an extra charge to the Resident and enable the Resident to remain in their Residence without transfer to the Health Center.

Health Center services are available to all Residents of StoneRidge. Residents, under the direction of their attending physician and the Health Center's medical director (after consultation with the Resident's responsible party, if any, and Residents to the extent possible), may be directly admitted to the Health Center from their Residences. Residents of StoneRidge have priority access to the Health Center over non-residents desiring admission. Residents who are able to do so will be encouraged to return to their Residences as soon as possible. Residents who are unable to return to their Residences, however, will have the benefit of care in the health center. For a more complete description of the Health Center see "Health Center" below and Section 4 of the Residency Agreement.

HEALTH CENTER

StoneRidge has a Medicare-certified on-site Health Center ("Avalon Health Care Center at StoneRidge" or "Health Center") licensed to provide Health Center Care Services to StoneRidge Residents under the licensure requirements of the State of Connecticut. Our philosophy is to foster an atmosphere and a culture that support independence, dignity, and choice for all Residents regardless of physical or mental abilities. This is achieved through a culture that enhances personal care based on individual choices and quality of life options.

The Provider delivers to Residents quality Health Center Care Services within the limits of its license and consistent with the approved budget. Licensure for hospital-level care cannot be

obtained, and hospital level services are not provided within the Health Center. Such level of care must be provided by a hospital, and the costs related to hospitalization are the responsibility of the Resident.

Care in the Health Center. Health Center Care Services are provided pursuant to the *ContinuingCare* Residency Agreement to Residents of StoneRidge. The Health Center offers private and semi-private suites with preferred access to Residents of StoneRidge, but also markets any available suites to non-residents. The goal of the Health Center is to provide the highest quality Health Center Care Services in a state-of-the-art Health Center with a focus on personal choice and within the limits of its license.

Priority Access Plan. If, in the opinion of the Resident's attending physician or StoneRidge's medical director (after consultation with the Resident to the extent possible, and Resident's responsible party, if any), it is determined that the Resident requires care outside the Residence, the Resident shall pay the per diem charge for care in the Health Center. Whether the Resident continues to pay the Monthly Fee for the Residence while a Resident in the Health Center depends upon whether the Resident chooses to **release** or **retain** the Resident's Residence.

Reduced Health Center Fees Plan and the First 90 Days in the Health Center. If a Resident has entered into a Residency Agreement including the Reduced Health Center Fees, Plan, and, in the opinion of the Resident's attending physician or StoneRidge's medical director (after consultation with the Resident to the extent possible, and Resident's responsible party, if any), it is determined that the Resident requires care outside the Residence, the Resident is provided Health Center Care Services in the Health Center for a discounted rate for 90 cumulative days. During the Resident's first 90 cumulative days of Health Center Care Services, the Resident receives a 50 percent discount from the per diem charge for care in the Health Center. After the Resident's first 90 cumulative days of Health Center Care Services, the Resident receives a 10 percent discount from the per diem charge for care in the Health Center. Whether the Resident continues to pay the Monthly Fee for the Residence while a Resident in the Health Center depends upon whether the Resident chooses to **release** or **retain** the Resident's Residence.

Medicare-Qualified Stay. If the Resident's stay in the Health Center is fully covered as a Medicare-qualified stay, the discount towards the per diem charge as described in the above paragraph will not take effect until the termination of the Resident's Medicare-qualified stay, providing that the Resident has Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage acceptable to StoneRidge. However, a Resident may choose to participate in a managed care program as an alternative to Medicare Part A, Medicare Part B, and supplemental insurance coverage. If the Provider is a participating provider with the Resident's managed care program and the Resident's stay is a Medicare-qualified stay, the Provider agrees to be reimbursed at the rate negotiated with Resident's managed care program. Such a managed care stay in the Health Center will not reduce the discount towards the per diem charge that the Resident is eligible for when receiving Health Center Care Services in the Health Center.

Resident Priority Over Non-Residents. A Resident will be given priority over non-residents for admission to the Health Center. In the unlikely event the Health Center is fully occupied, the Resident will be provided care in another health care facility or in his/her apartment with Stoneridge Assistance In Living, if applicable, until space becomes available at the Health

Center. To the extent the Provider is responsible for the Resident's care and accommodations in the Health Center under the Residency Agreement, the Provider will be responsible for the charges associated with the alternate Health Center Care Services so long as the Resident continues to pay the applicable per diem charge for Health Center Care Services and the Monthly Fee if the Resident retains his or her Residence. The Resident agrees to relocate to the Health Center when a suite is available.

Section 4 and Exhibit B of the Residency Agreements (see Exhibit C) set forth in greater detail the extent to which Health Center Care Services will be provided and the terms for providing this care. Physical, occupational, and speech therapy services are provided on a contract basis.

CONTRACTS AND FEES

The services to be performed under the Residency Agreement are furnished pursuant to a management agreement between the Provider and Life Care Services. Life Care Services is the day-to-day manager of StoneRidge pursuant to a Client Services Agreement between Life Care Services and the Provider. Under the management agreement, the Provider pays Life Care Services a management fee for management of the Community. Life Care Services will also be entitled to reimbursement of certain costs incurred by it in connection with providing management services, including reimbursement of on-site Life Care Services staff salaries.

III. THE PROPOSAL

THE *ContinuingCare*[™] CONCEPT

The *ContinuingCare* concept ensures an individual lifetime use of a Residence, support services, access to 6 assisted living apartments, 12 memory care suites in The Cottage at Avalon, and access to long-term nursing care in the on-site Health Center. This concept has grown as an increasing number of men and women reaching retirement age have sought better alternatives to traditional retirement living. For those services and accommodations, a Resident pays a First Person Fee, a one-time Working Capital Fee, and makes a Loan to the Provider in accordance with the terms of the Residency Agreement. The Resident begins to pay the Monthly Fee on the earlier of the date the Resident moves into StoneRidge, or within 90 days of the Provider's approval of the Residency Agreement. A Resident may relocate from his or her Residence to the on-site Health Center as provided in the Residency Agreement.

The Residents of StoneRidge will have, through their *ContinuingCare* arrangement, another way of paying for long-term care, although not underwritten by an insurance company. The Provider will provide Health Center Care Services in The Cottage at Avalon and Health Center for as long as required at a discounted rate to the Resident. The *ContinuingCare* arrangement will make Health Center Care Services available to the Resident for significantly less cost than the cost to obtain these services in a well-rated comparable facility.

LONG-TERM CARE INSURANCE

Some Residents may have obtained coverage under some form of long-term care insurance prior to moving to StoneRidge. These policies are typically purchased to cover home health, assisted living, memory care, and/or nursing care expenses which are not covered by Medicare or other insurance. The terms of coverage vary among insurers and policies. Some policies are purchased directly by individuals, while others are provided through former employers. Some will directly reimburse an individual for qualified expenses incurred, while others provide an indemnity amount with payment going directly to the provider of the service. Many also provide some coverage for qualified home health care and assisted living care at a lower rate than for memory care or nursing care.

StoneRidge does not provide advice to its Residents as to whether an existing long-term care insurance policy should be maintained in effect following occupancy. This decision is one which will vary by individual and type and cost of the policy. The Provider recommends that the decision be made in consultation with the Resident's financial advisor. If coverage is maintained, the Provider has agreed pursuant to paragraph 4.7 of the Residency Agreement, to use reasonable efforts to assist the Resident in working with his or her insurance company to obtain the insurance benefits to which the Resident may be entitled. In some cases, this will mean filing claims on behalf of the Resident with the insurance company for eligible benefits, while in others it will mean submitting bills to the Resident for services provided in the Health Center which, upon payment, can be used by the Resident to claim recovery of the charges covered by the policy. The Provider cannot undertake to represent a Resident in the event of a dispute with an insurer over the benefits payable under a policy.

The Residency Agreements are attached to this Disclosure Statement as Exhibit C.

THE RETURN-OF-CAPITAL™ PLAN

The *Continuing Care* concept has evolved over the years in many ways. Probably the most dramatic change is the handling of the historical, one-time "Entrance Payment." Originally, the Entrance Payment paid by a Resident became the property of the provider on the day the Resident assumed occupancy. This appeared to some to be inequitable for an individual who was a Resident for only a short time, despite the balancing effect for the long-term Resident. As a consequence, providers began offering partial repayments to the estates of Residents based on a Resident's term of residency. In other words, the provider "earned" the Entrance Payment over a period of time until the repayment became zero.

The Provider's Return-of-Capital™ Plan for Residency Agreement (the "Residency Agreement") provide an additional benefit. Under the Return-of-Capital Plan, an Entrance Payment consists of a First Person Fee and a Loan. The Loan constitutes a significant portion of the Entrance Payment and is repayable upon cancellation of the Residency Agreement according to the schedule below. If a Resident dies or decides to leave StoneRidge, the Entrance Payment is repayable to the Resident or Resident's estate net of amounts subject to offset pursuant to the Residency Agreement in the following manner:

- During the first four (4) months of occupancy, the Entrance Payment and Second Person Fee, if applicable, will be repayable.
- During months five (5) through 25 of occupancy the First Person Fee will be reduced by a total of 15 percent (15%) and 1 percent (1%) of the Entrance Payment per month of occupancy. The Loan, an amount equal to 65% of the Entrance Payment, will be repaid and the Second Person Fee, if there are two (2) Residents, will be non-repayable; and
- After 25 or more months of occupancy the Entrance Payment will be 65% repayable (i.e., the Loan) and the Second Person Fee, if there are two (2) Residents, will be non-repayable.

The Provider also offers a 50% Return-of-Capital™ Plan under its Residency Agreement for a limited number of Residences. The Provider may, at the Provider's sole discretion, offer the option of the 50% Return-of-Capital™ Plan for one or more Residences. The differences between these two Plans are the following:

- The Entrance Payment for the 65% Return-of-Capital™ Plan is greater than the Entrance Payment for the same residence under the 50% Return-of-Capital™ Plan;
- Under the 50% Return-of-Capital™ Plan, the Loan is 50% of the Entrance Payment and the First Person Fee is 50%; and
- Under the 50% Return-of-Capital™ Plan, during months five (5) through 25 of occupancy the First Person Fee will be reduced by a total of 10 percent (10%) and 2 percent (2%) of the Entrance Payment per month of occupancy.

In the event of death or cancellation of the Residency Agreement and removal of all property from the Residence, your Loan will be placed in a repayment queue. Loans are repaid in sequential order in the repayment queue as detailed in Loan Agreement attached as Exhibit A to the 65% Return-of-Capital™ Residency Agreement and 50% Return-of-Capital™ Residency Agreement. When your Loan is the first in the repayment queue, we will make a Loan payment to

you/your estate within 14 days of receipt of an eligible Entrance Payment(s) that include funds sufficient to repay your Loan in full. However, in no event shall such date be more than 36 months from the date of cancellation of the Residency Agreement. If the Residency Agreement is not cancelled within 30 years from the date of the Loan Agreement, the Loan shall be immediately due and payable by StoneRidge to the Resident or the Resident's estate.

In anticipation of meeting the needs of Residents over time, the Provider recognizes the need to be able to modify and develop new forms of residency agreements. To meet those needs, the Provider reserves the right to offer new prospective Residents alternative forms of residency agreements from time to time without said change being applied to existing Residents.

The Residency Agreements are attached to this Disclosure Statement as Exhibit C.

SUMMARY OF RESIDENCY AGREEMENT

Upon deciding to become a Resident of StoneRidge, a future Resident will execute a Residency Agreement to reserve the Residence selected. A prospective Resident will execute a Residency Agreement in one of the forms attached in Exhibit C. The current Entrance Payments, Monthly Fees, and Ancillary charges for Phases I, II, and III Residences are attached as Exhibit E.

Residency Agreements are subject to acceptance by the Provider. At the time of executing a Residency Agreement, a determination needs to be made as to whether a prospective Resident meets the residency criteria: age, financial qualifications, and the ability to live in a Residence with or without reasonable accommodation or reasonable modification. To determine if the prospective Resident meets the age and financial residency guidelines, a Confidential Data Application is completed. The Application requires the prospective Resident's birth date as well as a summary of assets and monthly income. The prospective Resident's signature on the Application is an acknowledgment that the information provided is correct and the prospective Resident agrees throughout his or her residency to maintain the minimum level of assets and income that initially qualified him or her for residency.

A summary of the Residency Agreement and terms of residency are set forth below. The summary explanation of the Residency Agreement contained in this Disclosure Statement is qualified by reference to the Residency Agreements (see Exhibit C) which shall prevail in the event of any conflict.

The basic terms and conditions of the Residency Agreement are summarized as follows:

1. **Payment of First Person Fee and Second Person Fee.** At the time the Residency Agreement is executed by a Resident, he or she will be required to pay a partial First Person Fee in an amount equal to ten percent (10%) of the Entrance Payment which will be deposited into an escrow account and will be released to the Provider pursuant to the escrow agreement. The balance of the First Person Fee will be paid at the time of the Loan payment and payment of the Working Capital Fee. If there are two (2) Residents, a Second Person Fee will be paid at the time of the Loan payment.

Before occupancy, the 10 percent will be fully repayable without interest if: (i) the Provider does not accept the prospective Resident for residency; (ii) the prospective Resident changes his or her mind within the 30 day rescission period; or (iii) due to death, illness, injury or incapacity, the prospective Resident will be unable to occupy a Residence. In all other cases, if a Resident changes his or her mind prior to occupancy, the Provider will retain the lesser of two percent (2%) of the Resident's Entrance Payment or \$1,000 from the First Person Fee Resident paid, plus an amount equal to any costs specifically incurred by the Provider at the Resident's request, and will repay the balance without interest to the Resident within 60 days of written notice of cancellation.

After occupancy, the Resident's First Person Fee may be partially repayable as outlined in the Residency Agreement. After occupancy, the Second Person Fee is not repayable. Any non-repayable First Person Fee or Second Person Fee may be used by the Provider for any purpose related or unrelated to StoneRidge. The Provider may distribute any non-repayable First Person Fee or Second Person Fee to its Member.

2. **Payment of Loan.** A Resident will be required to make a Loan to the Provider. On the earlier of the date the Resident moves into StoneRidge or within 90 days of the Provider's approval of the Residency Agreement, the Resident will be required to make a Loan to the Provider. The Loan will be fully repaid as set forth in the Residency Agreement and the Loan Agreement that is part of the Residency Agreement.
3. **Payment of a Working Capital Fee.** A Resident will be required to pay a one-time Working Capital Fee to the Provider at the time the Resident makes the Loan under the Residency Agreement. The Working Capital Fee will be an amount equal to two (2) times the then-current Monthly Fee, including the Second Person Monthly Fee if there are two (2) Residents for the Residence. The Working Capital Fee is intended to be used only for purposes related to StoneRidge and will be non-repayable.
4. **Payment of a Monthly Fee.** A Resident will be required to pay a Monthly Fee which is determined annually by the Provider. For a more complete description of the Monthly Fee, see the section titled "Monthly Fee" in this Disclosure Statement and Section 1 of the Residency Agreement.
5. **Miscellaneous Additional Services and Extra Charges.** Section 2 of the Residency Agreement describes certain items that may be available for an extra charge, including, but not limited to, additional meals beyond the meal plan included in the Monthly Fee, extended tray service beyond 14 days to Resident's Residence, Residential Health Services (home health care) provided in Resident's Residence, use of the beauty/barber shop, and additional housekeeping.
6. **Charges for Assisted Living, Memory Care, Rehabilitative Care and Nursing Care Services in the Avalon Health Care Center at StoneRidge.** Section 4 of the Residency Agreement establishes the basis for charges for Health Center Care Services in StoneRidge's Health Center. In general, during the first 90 cumulative days of private assisted living or memory care or private or semiprivate nursing care in the Health Center, the Resident will be provided with a 50 percent discount from the market rate established as the per diem charge. After the first 90 days of accumulated private assisted living or

memory care or private or semiprivate nursing care in the Health Center, the Resident will receive a 10 percent discount from the per diem charge for care in the Health Center. Whether the Monthly Fee for the Residence continues will be based on whether the Residence is released or retained and whether there is one (1) Resident or two (2) Residents.

7. **Cancellation.** The Provider may cancel a Residency Agreement after it has been accepted only for the reasons set forth in Section 9 of the Residency Agreement. Prior to occupancy, the Residency Agreement may be rescinded by the Resident giving the Provider written notice within 30 days from the date of the Residency Agreement being executed. In such event, the First Person Fee paid by the Resident will be returned in full, without interest, less those costs specifically incurred by the Provider at the Resident's request and described in the Residency Agreement executed by the Resident and the Provider.

During the right of rescission period the Resident is not required to move into StoneRidge. Should the Resident cancel the Residency Agreement during or after the 30-day right of rescission period, the timing and amount of repayment will depend upon the circumstances surrounding cancellation as set forth in Section 8 of the Residency Agreement. A Resident may cancel the Residency Agreement after occupancy in accordance with Section 8 of the Residency Agreement. Information regarding the disposition of a resident's personal property in the event of cancellation following occupancy is described in Section 8 of the Residency Agreement.

The Provider may not cancel the Residency Agreement after occupancy except for just cause as described under Section 9 of the Residency Agreement.

8. **Financial Assistance.** In cases where a Resident's financial resources prove inadequate, the Resident may apply for special financial consideration by the Provider. It is the policy of the Provider not to require a Resident to leave StoneRidge because of justifiable inability to pay the full Monthly Fees or Health Center per diem charges as long as it does not impair the Provider's ability to operate on a sound financial basis. If this occurs, any deferred charges will be offset against any Loan repayment due the Resident. The circumstances under which a Resident will be allowed to remain in StoneRidge in the event of financial difficulty are set forth in Section 9 of the Residency Agreement. Further, when the Resident initially applies for residency, the Resident agrees to maintain throughout his or her residency the minimum level of assets and income that initially qualified him or her for residency.

SUMMARY OF TRADITIONAL RESIDENCY AGREEMENT

The Community will be offering a Traditional Plan for Repayment to prospective residents on a limited basis, in addition to the Return-of-Capital™ Plans. The primary difference between the Return-of-Capital Plans and the Traditional Plan is that the Traditional Plan will continue to amortize until the Resident's entire Entrance Payment has been earned by the Provider. There is no loan made to the Provider.

Payment of Entrance Payment and Second Person Fee. At the time the Residency Agreement is executed by a Resident, he or she will be required to pay an amount equal to 10% of the Entrance

Payment, which will be deposited into an escrow account until it may be released to us pursuant to Connecticut law. The balance of the Entrance Payment will be paid on the earlier of the date the Resident moves into the Community or within 90 days of the Provider's approval of the Residency Agreement. If there are two (2) Residents, a Second Person Fee, if applicable, will be paid at the time of the balance of the Entrance Payment and payment of the Working Capital Fee.

Before occupancy, the 10% will be fully repayable without interest if: (i) the Provider does not accept the prospective Resident for residency, (ii) the prospective Resident changes his or her mind within the 30 day rescission period or (iii) due to death, illness, injury, or incapacity, the Resident will be unable to occupy a Residence. In all other cases, if a Resident changes his or her mind prior to occupancy, the Provider will retain \$1,000 of the Entrance Payment paid plus an amount equal to any costs specifically incurred by the Provider at the Resident's request, and will repay the balance, without interest, within 60 days of cancellation. After occupancy, the Resident's Entrance Payment and Second Person Fee may be fully repayable or non-repayable as outlined in the Residency Agreement and summarized below.

No Loan. As the entire Entrance Payment may become earned by the Provider, the Resident will not be required to make a Loan to the Provider. The Entrance Payment is instead earned by the Provider pursuant to the amortization schedule summarized below.

Repayment of Entrance Payment After Occupancy. If a Resident dies or decides to leave StoneRidge, the Entrance Payment is repayable to the Resident or Resident's estate net of amounts subject to offset, pursuant to the Residency Agreement in the following manner:

- During the first four (4) months of occupancy, the Entrance Payment and Second Person Fee, if applicable, will be repayable.
- During months five (5) through 45 of occupancy, the Entrance Payment will be reduced by the total of 20 percent (20%) plus two percent (2%) of the Entrance Payment per month of occupancy until the Entrance Payment has fully amortized down to zero. The Second Person fee is not repayable.
- After 45 months of occupancy, the Resident will not receive any repayment of their Entrance Payment.
- After you assume occupancy at StoneRidge, you may cancel your Residency Agreement at any time by giving us one hundred twenty (120) days' advance written notice signed by you (both of you if there are two (2) of you) and sent by registered or certified mail. You will continue to pay your Monthly Fee until the later of (i) the expiration of such one hundred twenty (120) day period or (ii) your vacancy of the Residence, and removal of all your furniture and other property.

TRANSFER TO ANOTHER STONERIDGE RESIDENCE

Residents may determine that a transfer to another Residence may better meet their needs. A transfer policy has been developed to support aging in place and to meet the financial needs of the Residents and StoneRidge. If so desired, Residents who have already taken occupancy of a Residence at StoneRidge may transfer to another available Residence in accordance with our then-current policy and practices. Any transfers to a new Residence are subject to management approval and will require an Amendment to a Resident's Residency Agreement. Based upon the two

apartments, a Resident desiring to transfer may be required to pay an additional Entrance Payment. A Resident may need to complete a new Confidential Data Application and meet StoneRidge's financial qualifications to occupy the new Residence. A Refurbishment Fee to restore the condition of the previous Residence will be charged for each transfer. The Monthly Fee will also be adjusted to the then-current Monthly Fee for the new Residence. The amortization of the new Residence's Entrance Payment shall be calculated based upon the date of initial occupancy at Stoneridge. All repayments of the any Entrance Payment paid by the Resident (previous or new Residence) will be repaid upon cancellation and pursuant to the terms of the Residency Agreement.

MANAGED CARE

The Resident may choose to participate in a managed care program as an alternative to Medicare Part A, Medicare Part B, and one supplemental insurance coverage. If the Provider is a participating provider with the Resident's managed care program and the Resident's stay is a Medicare-qualified stay, the Provider agrees to be reimbursed at the rate negotiated with the Resident's managed care program. Such a managed care stay in the Health Center will not reduce the discount towards the per diem charge that the Resident is eligible for when receiving Health Center Care Services in the Health Center.

If the Provider is not an approved participating provider with the Resident's managed care program and the Resident chooses to receive nursing care services at a managed care participating provider during a Medicare qualified stay, then the Resident understands and agrees that he or she must relocate for as long as necessary for those services, and will be responsible for all charges for those health care services. In addition, while receiving health care services at the managed care participating provider, the Resident understands and agrees that unless the Residency Agreement is canceled, he or she will continue to pay the Monthly Fee if the Resident chooses not to release his or her Residence. Such a Medicare-qualified stay at a managed care participating provider will not reduce the discount towards the per diem charge that the Resident is eligible for when receiving Health Center Care Services in the Health Center.

If the Provider is not a participating provider in the Resident's managed care program and the Resident would still like to receive nursing care in the Health Center during a Medicare-qualified stay, the Provider will attempt to negotiate an acceptable reimbursement rate with the Resident's managed care program. If the Provider is able to negotiate an acceptable rate, the Provider agrees to accept as full payment the rate provided by the Resident's managed care program. Such a managed care stay in the Health Center will not reduce by one day the discount towards the per diem charge that the Resident is eligible for when receiving Health Center Care Services in the Health Center. If a negotiated rate cannot be agreed upon and the Resident would still like to receive nursing care in the Health Center during a Medicare-qualified stay, then each day of the Resident's stay in the Health Center will reduce the discount towards the per diem charge that the Resident is eligible for when receiving Health Center Care Services in the Health Center. At the conclusion of each such Medicare-qualified stay, the Resident will be entitled to nursing care in the Health Center under the terms of the Residency Agreement, as adjusted to reflect any reduction during such stay in the number of discounted days of care the Resident is eligible to receive as provided in paragraph 4.2 of the Residency Agreement.

MONTHLY FEE

On the earlier of the date the Resident moves into StoneRidge or within 90 days of the date of the Provider's approval of the Residency Agreement, the Resident is required to pay the one-time Working Capital Fee, pay the balance of the First Person Fee, make the Loan, and begin paying the Monthly Fee (due upon receipt of a billing statement) as explained in Section 5 of the Residency Agreement.

The amount of the Monthly Fee in effect at the time the Residency Agreement is executed will be clearly stated in the Residency Agreement. The total Monthly Fee is higher when a second person also shares a Residence. The current Monthly Fees for Residences are attached as Exhibit E. The amount of the Monthly Fee is determined by the operating cash requirements for the preceding year, which shall mean all recurring and nonrecurring costs, expenses, and outlays incurred in connection with the operation and administration of StoneRidge. Operating cash requirements shall be determined by StoneRidge management and shall include, but not be limited to, salaries and wages and all fringe benefits paid to employees of StoneRidge and other persons stationed at StoneRidge and other persons having day-to-day administrative, marketing and/or management responsibilities; telephone; utilities; license fees; occupational taxes, payroll taxes, property taxes, sales taxes, permits, etc., associated with StoneRidge; lease payments, if any; legal and accounting services; bad debts and other losses; deductibles related to insurance claims; consulting fees for specialists such as dietitians and medical directors; food and supplies; marketing and sales expenses; capital improvements; costs of repair, maintenance, replacement and improvements to equipment, furniture, fixtures and buildings, except those costs paid from the Capital Asset Replacement Reserve Fund, management fees and other reimbursable costs, including costs of reasonable expenses incurred in performing management services for StoneRidge, such as transportation, living expenses, telephone expense, and photocopying expense; cost of maintenance and normal replacement of landscaping; principal and interest payments on all loans, including "permitted encumbrances, but excluding Loans under the Residency Agreement; and other similar items related to StoneRidge. Operating cash requirements shall not include income taxes.

The Monthly Fee is adjusted upon 30 days' written notice to the Residents. The Monthly Fee will be increased only if it is necessary to meet the operating cash requirements of StoneRidge. Adjustments are intended to reflect anticipated changes in operating cash requirements and anticipated inflation related to the operating cash requirements during the coming year. Each Resident's Monthly Fee increase will be computed by the Provider. Any adjustment to the Monthly Fee will take into account the amount of reserves and working capital necessary to assure StoneRidge's financial independence and the ability to deal with unforeseen circumstances.

FEE SCHEDULES

Limited historical Entrance Payments and Monthly Fees are available as the Provider began operating Stoneridge in 2016. Current Entrance Payments, Monthly Fees and Extra Charges are included as Exhibit F and G to this Disclosure Statement.

WORKING CAPITAL ACCOUNT

The Provider uses the one-time Working Capital Fees to maintain a Working Capital Account. The funds maintained in the Working Capital Account may be used for any purpose related to StoneRidge including the working capital needs of StoneRidge, for capital refurbishment needs of StoneRidge, and to make capital improvements, replacements, or additions at StoneRidge. The Working Capital Account is funded by Resident's payment of a one-time Working Capital Fee. The Working Capital Fees and the interest earned on the fees will be used by the Provider only for purposes related to StoneRidge.

ESTATE PLANNING

The 65% Return-of-Capital™ Plan provides for the payment of the Entrance Payment in two (2) parts: a First Person Fee and a Loan. The First Person Fee is an amount equal to 35% of the Entrance Payment. An amount equal to 10% of the Entrance Payment is paid upon execution of the Residency Agreement. A Resident is then required to pay the balance of the First Person Fee, the Second Person Fee, if applicable, a one-time Working Capital Fee, and make the Loan on the earlier of the date Resident moves into StoneRidge or within 90 days of the Provider's approval of the Residency Agreement. The Loan is repayable to the Resident's estate upon the death of the Resident, or in the case of a double-occupied Residence, upon the death of the surviving Resident, in accordance with the terms of the Loan Agreement.

In the absence of any agreement between the Residents of a double-occupied Residence which has been provided to the Provider, the Loan repayment or Entrance Payment will be paid to the estate of the surviving Resident. Residents of double-occupied Residences who wish to make other provisions as to whom the Loan repayment or portion of the Entrance Payment is to be repayable should consult their attorney for an appropriate agreement. It is the responsibility of the Resident to make the Provider aware of the existence of any such agreement and to provide a copy of the agreement to the Provider. No other rights under the Residency Agreement are assignable. Forms of Assignment of Rights to Repayments are available for review by the Resident or by the Resident's financial or legal advisor upon request.

IV. FINANCIAL

FINANCIAL PROJECTIONS

The following information is provided to future Residents, their families, and their advisors so that they may understand the financial basis on which StoneRidge is operated. The Provider's past experience regarding such items as wage rates, utilities, real estate taxes, supplies, etc., and the past experience of Life Care Services in successfully managing senior living communities, has been the basis for financial planning for StoneRidge.

CASH FLOW PROJECTION (PRO FORMA)

On the following pages are the January 1, 2024 through December 31, 2026 pro forma cash flow projection for the Provider. The pro forma projection is based on the assumptions stated in the notes attached thereto and are projections of future activity rather than historical financial statements. Such pro forma projection is based on cash flow concepts which make it unlike an income statement prepared in accordance with generally accepted accounting principles.

The pro forma cash flow projection is simply a projection of the estimated expenses and income of StoneRidge. The projected rates for income and expenses are not guaranteed. The percent of increase may be greater or lower based upon the increased cost to operate StoneRidge and other factors. Variances from these projections should be expected.

Description of the Services and Commonly Discussed Topics

DESCRIPTION OF THE SERVICES

The services available to Residents are listed in the Residency Agreement which governs all such obligations. To more fully explain the nature of these services, the following detailed description has been prepared. The procedures followed in furnishing these services may be modified by the Provider to allow the Provider to best meet the needs of StoneRidge Residents. Residents are advised of any changes in these services through StoneRidge's Residents Association.

Avalon Health Care Center at StoneRidge

A physician is retained on a consulting basis by the Provider to serve as the Health Center medical director. The Health Center medical director is responsible for medical supervision of Health Center operations, quality of care assurance, and Resident care planning. The Health Center medical director may also be called upon by StoneRidge staff to assist in determination of a Resident's health and whether or not the Resident requires additional care in the Health Center. The Resident is responsible for the services of his or her attending physician. In the event the Resident's attending physician or the Health Center medical director orders medication, therapy or various supplemental services for the Resident's care, the Resident will be responsible for the Extra Charge for such services and supplies.

Upon initial occupancy, a Resident will occupy a Residence. After occupancy, if a Resident requires Health Center Care Services, the Resident will be transferred to the Health Center. The Resident's attending physician or the Health Center medical director (after consultation with the Resident to the extent possible and Resident's responsible party, if any), will determine the appropriate level of Health Center services required by the Resident upon admission to the Health Center. As part of that determination, the Resident's long-term ability to return to his/her Residence will be evaluated. The nursing staff will provide an appropriate plan of care, the ultimate goal of which shall be, if at all possible, to return the Resident to his or her Residence as soon as possible. The Health Center is staffed to provide quality care to Residents of StoneRidge and to non-residents admitted from the surrounding area.

A Resident will receive nursing care services in a private or semiprivate suite in the Health Center. If a Resident desires an available private room, the Resident may obtain one upon agreement to pay the additional charge for the private room. Health center care includes basic nursing care services. The Health Center is not licensed to provide emergency medical care. However, if emergency medical care is needed, the Health Center staff will summon 911 services and the Resident's attending physician and the Resident's family or responsible party will be notified. Such emergency medical care will be at the Resident's expense. The Resident will be responsible for the services provided by his or her attending physician. In the event a Resident's attending physician or StoneRidge's medical director orders medication, therapy, or various supplemental services for the Resident's care, the Resident is responsible for the charges for such services and supplies.

Residents who are able to do so are encouraged to return to their Residences as soon as possible and may visit their Residences with the assistance of volunteers or home health aides as part of the rehabilitation process. Family, friends, and volunteers are encouraged to visit Residents in the Health Center. Friends, relatives, or spouses are able to eat meals with Health Center Residents upon advance notice.

Health Center Enrichment

The Provider provides a Therapeutic Recreation Director who is responsible for coordinating and directing the social and recreational activities for the Health Center Residents. The focus of these activities is to promote independence.

Cable Television

Each Residence has cable television jacks in various locations throughout the Residence. The Residents are provided with expanded basic cable service as part of the Monthly Fee. premium and digital are available to the Resident for an extra charge.

Community Life Services Coordinator

The Community Life Services Coordinator, with Resident input, is responsible for scheduling group events and transportation, preparing newsletters, conducting Resident orientation, and facilitating the cultural, social, physical, and recreational and education programs and activities of StoneRidge.

Dining Services

The Dining Program is a flexible meal plan where residents receive a number of points each month, which is designed to give them one meal a day equal to the number of days in the month. Residents also have the option to a reduced meal option of fewer points per month for a lower fee. The points provided for in the Monthly Fee may be taken at any scheduled time during the month and may be used for guest meals, to go meals, or dining room meals. The points can be used towards guest meals. Additional Resident and guest meals are to be available to Residents for an extra charge billed monthly. Monthly Service Fees are not reduced for points not used, and unused points do not roll over to the following month. However should the Resident notify StoneRidge that he or she will be absent from StoneRidge for more than 30 days, the Resident will receive a meal credit on his or her monthly billing statement. Meal plans can be changed once a year during enrollment period which usually takes place at the end of November.

Residents may dine in either the dining room or the Mariner Grille. The Dining Room and Mariner Grille are open for lunch and dinner Monday through Saturday, and the Dining Room is open for brunch on Sundays. There are service hours for meals offered in the dining venues. The usual form of food service in the dining room is waited-table service. The Mariner Grille serves a light lunch fare. A complimentary continental breakfast is served daily in the Jerry Browne Pub.

The Services of a dietician are available to Residents for a limited period of time when ordered by the Resident's attending physician. Upon request, the dietitian will assist the Resident in choosing menu items that will help the Resident meet his or her special diet needs. The services of the dietitian are also available to the Resident for an extra charge when not ordered by the attending physician or when extended dietitian services are necessary. Room service for up to 14 days is available to the Resident when ordered by the director of nursing services or the Health & Wellness Navigator. Room service beyond 14 days will be available for an extra charge.

If ancillary Health Center services will be provided to a Resident, they will be at an extra charge. A schedule of charges for ancillary Health Center services is available upon initial occupancy of the Health Center.

5.1 Entrance Payment. To assure you a Residence in StoneRidge in accordance with all the terms of this Agreement, you will pay to us an Entrance Payment of \$_____. Your Entrance Payment is comprised of two parts: (i) the First Person Fee; and (ii) the Loan (which is repayable as outlined in the Loan Agreement). Payment of 10% of your Entrance Payment at the time of executing this Agreement will reserve your Residence referenced on page 1 of this Agreement. This 10% amount will be held in escrow pursuant to Connecticut law. A copy of the Entrance Payment Escrow Agreement will be available for your review upon your request. The balance of the Entrance Payment (an amount equal to 90% of the Entrance Payment), or \$_____, will be paid to us on the earlier of (i) date of Occupancy or (ii) within 90 days of the date of our approval of this Agreement. Payment of your Entrance Payment, Second Person Fee (if applicable), Working Capital Fee, and Monthly Charges (described below), entitles you to live in a Residence at StoneRidge. You may live in a Residence for as long as you are capable of living in a Residence and in the Health Center when you are no longer capable of living in a Residence as defined in our current Aging-in-Community Policy, and you will receive services that we are licensed to provide or we have contracted with another party to provide, all in accordance with the terms of this Agreement.

If there are two of you, a Second Person Fee of \$_____ will be paid to SRSC on the earlier of (i) date of Occupancy or (ii) within 90 days of the date of our approval of this Agreement. Subject to the provisions of the Entrance Payment Escrow Agreement and our repayment obligations under Section 7 below, any non-repayable amounts paid to us as a First Person Fee and Second Person Fee (if applicable) will be the unrestricted property of the SRSC, once it is earned by the SRSC, and may be used by the SRSC for any purpose unrelated to StoneRidge, at SRSC's sole discretion. SRSC may distribute any such funds to its ownership.

5.3 Loan. Your Loan of \$_____, an amount equal to 65% of the Entrance Payment, will be made to SRSC on the earlier of (i) occupancy or (ii) within 90 days of the date of our approval of this Agreement and will be evidenced by the Loan Agreement attached to Exhibit A.

5.4 Working Capital Fee. At the same time you pay the balance of the Entrance Payment, make the Loan to SRSC, and commence paying your Monthly Fee for your Residence, you will pay to us a Working Capital Fee that is an amount equal to two (2) times the then-current Monthly Fee for your Residence (including a second person Monthly Fee if there are two of you). Adjustments to the Monthly Fee are intended to cover the current and anticipated changes in the community's costs or as may be required by local, state or federal laws and regulations. We may adjust your Monthly Fee for current and anticipated Community Related Costs upon 30 days' advance written notice.

6.3 Payment. You will pay a pro rata portion of the Monthly Fee commencing on the earlier of (i) date of Occupancy or (ii) within 90 days of the date of our approval of this Agreement. Thereafter, your Monthly Fee will be payable each month in advance, upon receipt of a billing statement, including any Extra Charges for the additional services obtained during the preceding month.

6.4 Late Payment. A late payment charge will be assessed 30 days from the date of the billing statement at the rate of 1% per month on the total delinquent amounts due. Late payment charges will not be compounded in the total delinquent amounts computed for determining any late payment charge assessed in any succeeding month. The late payment charge will cease on the date we receive payment of the total delinquent amount. The 1% late payment charge is waived if payment is delayed due to slow processing by your supplemental insurance carrier.

However, we do not waive our right to cancel this Agreement for nonpayment of fees subject to Section 9 of this Agreement.

6.5 Cease Payment of Monthly Fee for Residence. The Monthly Fee for your Residence will cease in accordance with Section 8 or 9 if you (or both of you if there are two of you) or we cancel this Agreement and in accordance with Section 8.4 if you die (or if there are two of you, the death of the survivor). In the event there are two of you who occupy the Residence and only one of you cancels this Agreement or dies, the second person Monthly Fee will cease and the remaining person will continue to pay the first person Monthly Fee.

7.1 Repayment of First Person Fee Prior to Assuming Occupancy.

7.1.2 Right of Rescission Period. If prior to assuming occupancy you change your mind and you give us written notice of cancellation by registered or certified mail within 30 days following the date this Agreement is executed by you and us, this Agreement will be automatically canceled. You shall not be required to move into StoneRidge before expiration of the 30 day rescission period.

7.1.3 Change in Condition. If prior to occupancy (i) you (or either of you if there are two of you) die or become unable to occupy your Residence because of illness, injury, or incapacity or (ii) you elect to cancel this Agreement because of a substantial change in your physical, mental, or financial condition, upon our receipt of your written notice to us by registered or certified mail this Agreement will be automatically canceled. In such event, we will repay to you or your legal representative, without interest, the amount of the First Person Fee you have paid to us within 60 days of our receipt of your written notice of cancellation, except that we will

retain an amount equal to any costs specifically incurred by us at your request, if any, and which are set forth in a separate addendum to this Agreement.

7.1.4 Cancellation for Reasons Other Than Set Forth in 7.1.1, 7.1.2, and 7.1.3. If prior to assuming occupancy you give us written notice of cancellation by registered or certified mail and neither Sections 7.1.1, 7.1.2, nor 7.1.3 are applicable, this Agreement will be canceled. In such event, we will retain the lesser of 2% of your First Person Fee or \$1,000 from the amount of the Entrance Payment you paid, plus an amount equal to any costs specifically incurred by us at your request, if any, and which are set forth in an addendum to this Agreement, and the balance will be repaid to you, without interest, within 60 days of our receipt of your written notice of cancellation.

7.2.2 Repayment After Four Months of Occupancy. After the first four months of your occupancy, should you or we cancel this Agreement pursuant to Section 8 or 9 of this Agreement, or in the event of the death of the surviving Resident, we will repay to you (or to your estate) the amount of the First Person Fee paid by you, reduced by 15 percent (15%) of the Entrance Payment earned by us upon the beginning of your fifth month of occupancy and one percent (1%) of the Entrance Payment per full month of your occupancy, until your First Person Fee is fully amortized, leaving a repayment equal to your Loan amount of \$_____. For purposes of calculating the repayment, amortization will begin on the fifth full month of occupancy and will end when this Agreement is cancelled pursuant to Section 8 or 9 of this Agreement. Such repayment will be paid without interest at the same time your Loan is repaid. The Second Person Fee (if applicable) is not repayable.

However, if you fail to vacate your Residence or the Health Center with 120 days, your First Person Fee will amortize as set forth in paragraph 7.2.2, and will stop amortizing when we remove and store your furniture and other property at the expense and risk of you or your estate. Your Loan will be repaid in accordance with Exhibit A.

8.4.2 Removal of Property. If removal of your furniture and other property is not accomplished within 30 days of your death (if there are two of you, the death of the survivor), we may continue to charge the Monthly Fee or we may

remove and store your furniture and other property at the expense and risk of you or your estate.

9. OUR CANCELLATION RIGHTS.

9.1 Just Cause. After we have accepted you for residency, we will not cancel this Agreement except for just cause. Just cause is defined as:

9.1.1 Nonpayment. Except as set forth below, nonpayment of fees or charges; or

9.1.2 Failure to Comply. You do not comply with the terms of this Agreement or the published operating procedures, covenants, rules, regulations, and policies now existing or later amended by us; or

9.1.3 Threat to Health or Safety. Health status or behavior which constitutes a substantial threat to the health or safety of yourself or others, including

your refusal to consent to relocation which presents a danger of physical damage to the property of others; or

9.1.4 Change in Condition. There is a major change in your physical or mental condition that would preclude caring for you in the Health Center within the limits of our license.

9.2 Financial Difficulty. If, after you have paid the Entrance Payment, you encounter financial difficulties making it impossible for you to pay the full Monthly Charges, then:

9.2.1 Permitted to Stay. You shall be permitted to remain at StoneRidge for 120 days after the date of failure to pay, during which time you shall continue to pay reduced Monthly Charges based on your current income. Pursuant to Section 7.4, any amounts owed by you to us will be payable with interest;

9.2.2 Terms of Stay. After the 120 days, you shall be permitted to remain at StoneRidge at reduced Monthly Charges based on your ability to pay for so long as you establish facts to justify deferral of such charges, and the deferral of such charges can, in our sole discretion, be granted without impairing our ability to operate on a sound financial basis. This provision shall not apply if you have impaired your ability to meet your financial obligations hereunder, assuming residency, other than to meet ordinary and customary living expenses, or by not maintaining Medicare Part A, Medicare Part B, and/or supplemental insurance coverages. To evidence these agreements based on the circumstances at the time, you agree to enter into a special Financial Assistance Amendment to Residency Agreement with us at the time of any such deferrals to reflect the deferred charges currently payable and the interest rate to be applied to the deferrals and to provide us with a perfected first security interest in your Loan repayment rights (if applicable). Any payments otherwise due to you from us, including the repayment of your Loan (if applicable), will be offset against any such deferred charges; and

9.2.3 Guarantor. Sections 9.2.1 and 9.2.2 are not applicable if, to initially qualify for residency at StoneRidge, a third party(ies) with adequate resources agreed in writing, prior to your acceptance for residency, to guarantee payment of your obligations and is fulfilling their obligations pursuant to a Guaranty of Fees and Other Payments under the Residency Agreement.

9.3 Notice of Cancellation. Prior to any cancellation of this Agreement by us, we will give you notice in writing of the reasons, and you will have 60 days thereafter to correct the problem. If we determine that the problem is corrected within such time, this Agreement shall remain in effect. If we determine that the problem is not corrected within such time, you must leave StoneRidge within 30 days after we notify you of our determination. You will continue to pay your Monthly Fee until removal of your furniture and other property has occurred. If removal of your furniture and other property is not accomplished, we may remove and store your furniture and other property at the expense and risk of you or your estate. This Agreement will cancel upon the removal of your furniture and other property. Your First Person Fee will amortize as set forth in section 7.2 and will stop amortizing on the date you vacate the Residence or the Health Center and remove all your furniture and other property. Your Loan will be repaid in accordance with Exhibit A.

9.4 Emergency Notice. Should your continued residency pose an imminent threat of serious harm to you or other residents, and the Medical Director determines that either the giving of notice or the waiting period described above might be detrimental to you or other residents, then such notice and/or waiting period shall not be required before relocation to a hospital or other appropriate facility. If there is one of you under this Agreement, we are expressly authorized to transfer you to such hospital or other facility, and we will promptly notify your responsible party and your attending physician. After transferring you to such hospital or other facility, we will provide you with a notice of cancellation if you will be unable to return to the Health Center or your Residence at StoneRidge. You will continue to pay the Monthly Fee until removal of your furniture and other property has occurred. If removal of your furniture and other property is not accomplished we may remove and store your furniture and other property at the expense and risk of you or your estate. This Agreement will cancel upon the removal of your furniture and other property. Your First Person Fee will amortize as set forth in section 7.2 and will stop amortizing on the date you vacate the Residence or the Health Center and remove all your furniture and other property. Your Loan will be repaid in accordance with Exhibit A. If there are two of you under this Agreement, and one of you is transferred to a hospital or other appropriate facility under the circumstances described in this section, the other person may continue to occupy the Residence or the Health Center under the terms of this Agreement as the first person. We are not responsible for any charges related to such transfer or relocation to a hospital or other appropriate facility.

10. MISCELLANEOUS PRO-VISIONS WITH RESPECT TO YOUR RESIDENCE.

10.1 Use of Residence. The Residence is for living only and shall not be used for carrying on any business or profession, nor in any manner in violation of zoning restrictions. This Agreement is not a lease, and entitles you only to the lifetime use of the Residence and other amenities of StoneRidge and to available services, subject to the terms and conditions of this Agreement.

10.2 Occupants of Residence. Except as hereinafter provided, no person other than you (or both of you if there are two of you) may occupy the Residence except with our express written approval. In the event that a second person who is not a party to this Agreement wishes to be accepted for residency under this Agreement, after the date we execute this Agreement, said second person's acceptance will be based upon our then-current Residency Policy. If accepted, payment of the then-current Second Person Fee (if applicable) as determined by us, and payment of the then-current additional Monthly Charges for second persons shall be due. If such second person does not meet the requirements for residency, such second person will not be permitted to occupy the Residence for more than 30 days (except with our express written approval).

10.3 Emergency Entry and Relocation. We may enter your Residence should it be necessary in an emergency to protect your health or safety or the health or safety of other residents. Should it be necessary to modify facilities to meet the requirements of any applicable law or regulation which necessitate temporarily vacating your Residence, we will provide alternate facilities for you without Extra Charge within or outside StoneRidge. Further, if relocation is recommended by the Medical Director or your attending physician, we will request that you relocate to another Residence within StoneRidge or to the Health Center for the protection of your health or safety or for the health or safety of the other residents of StoneRidge. SRSC recognizes your right to participate in making decisions about a permanent move to assisted living or skilled nursing.

10.4 Furnishings. Furnishings within the Residence will be provided by you except as listed in Sections 1.13, 1.14, and 1.15. Furnishings provided by you shall not interfere with the health or safety of you or other residents or others.

10.5 Alterations by You. You may undertake alterations to your Residence with our prior written approval as set forth in a separate Residence Modification Agreement.

10.6 Refurbishment. Customary and normal refurbishment costs of your Residence will be borne by all residents of StoneRidge as part of the Monthly Fee. Any necessary refurbishment costs beyond those which are customary and normal are your responsibility and will be offset against the Loan repayment. Further, should you relocate to another residence in StoneRidge, you may be subject to a transfer fee as set forth in our current Residence Transfer Policy.

10.7 Non-Smoking Policy. Smoking is prohibited everywhere on its campus. Smoking is not allowed in your Residence, or anywhere else in the building. Because smoking is not allowed in any interior spaces, including your Residence, damage to the Residence caused by smoking by you or your visitors is not considered normal wear and tear and will be charged for accordingly.

11. AMENDMENTS.

11.1 This Agreement. This Agreement may be amended by agreement of the parties to this Agreement (subject to any necessary regulatory approval). No amendment of this Agreement will be valid unless in writing and executed by you and us.

11.2.1 Reduce the aforesaid percentage of residences which is required to consent to any such amendment; or

11.2.2 Permit the preference or priority of any residence over any other residence without the consent of each residence.

Upon our approval and upon our receipt of evidence of the approval of at least 67% of the residences with one vote per residence, such amendment shall be effective and any designated residency agreements, which may include this Agree-

ment, shall automatically be amended. Accordingly, any of the terms of this Agreement may be amended, including the scope and type of services provided, upon our approval and approval of at least 67% of the residences with one vote per residence.

In such instances, we strongly advise you to obtain these needed services from a licensed and/or certified home health agency. In any event, you must comply with our policy regarding Personal Service Providers and ensure that he/she/they complies with our policies and rules of conduct as set forth in our Personal Service Provider Policy. If you fail to follow or enforce the rules set forth in the Personal Service Provider Policy, then we may elect at our sole option to cancel this Agreement.

12.3 Resident Representations. 12.9 Nature of Rights. You understand and agree that (i) this Agreement or your rights (including the use of the Residence) under it may not be assigned, and no rights or benefits under this Agreement shall inure to the benefit of your heirs, legatees, assignees, or representatives, except as to repayment of the amounts described in Section 7; (ii) this Agreement and your contractual right to occupy StoneRidge will exist and continue to exist during your lifetime unless canceled as provided herein; (iii) this Agreement grants you the right to occupy and use space in StoneRidge but does not give you exclusive possession of the Residence against us; (iv) you will not be entitled to any rights of specific performance but will be limited to such remedies as set forth herein and as provided by continuing care law; (v) this Agreement is not a lease or easement and does not transfer or grant you any interest in real property that comprises StoneRidge; and (vi) this Agreement grants to us complete decision-making authority regarding the management and operation of StoneRidge.

You may want to obtain, at your own expense, insurance to protect against such losses.

Community shall not be liable to Resident for any default, breach or damages arising out of or relating to the suspension or termination of any of its obligations or duties under this Agreement by reason of the occurrence of a Force Majeure Event, provided Community complies in all material respects with its obligations under this Section.

12.13 Entire Agreement. This Agreement and any addenda or exhibits hereto contain our entire understanding with respect to your residency.

12.14 Tax Considerations. Each person considering executing this Agreement should consult with his or her tax advisor regarding the tax considerations associated with this Agreement.

12.15 Intentionally omitted.

We may from time to time issue additional equity interests or sell or transfer interest in StoneRidge, provided that, in such later event, the buyer will agree to assume this Agreement and all other existing Residency Agreements. In addition, we may sell or otherwise transfer the land or other portions of StoneRidge. Your signature hereto constitutes your consent and approval to any such future transfer.

These documents should be drafted to remain effective notwithstanding your incompetence or disability and will be in a form acceptable to us. You agree to keep such documents in effect as long as this Agreement is in effect. The person(s) named as your responsible party will not be a person(s) employed by us or any other entity engaged in the management of StoneRidge.

12.18 Funeral and Burial Services. No funeral or burial services or expenses are provided by us pursuant to this Agreement.

12.19 Arbitration. It is understood that any and all disputes between the Resident and StoneRidge its owners, operators, officers, directors, administrators, staff, employees, agents, and any management and administrative services company, and all related entities and individuals, their staff, personnel, employees, owners, officers, directors, members, and agents that provide services to the Community that relates to the provision of care, treatment and services the Community provides to the Resident, including any action for injury or death arising from intentional torts, statutory causes of action, negligence, and medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered shall be determined by submission to binding arbitration and not by lawsuit or resort to court process. This provision shall be binding for any and all disputes arising out of the Resident's Residency Agreement and/or the Resident's residency at the Community, except for disputes pertaining to collections or evictions. This provision is binding on all parties hereto, including the Community, the Resident, the Resident's representatives, agents, responsible party, conservators, executors, family members, successors in interest and heirs, as well as anyone who may have a claim arising out of the Resident's Residency Agreement and/or the Resident's residency at the Community.

If this Agreement is signed by someone other than the Resident, including the Resident's representative, agent, responsible party, conservator, executor, family member, successor in interest and heir said person is doing so not only in their representative capacity for the Resident, but also in their individual capacity and thus agree that any and all claims brought individually by any such person(s) are also subject to binding arbitration.

The parties to this Agreement are giving up their Constitutional right to have any and all disputes decided in a court of law before a jury, and instead are accepting the use of binding arbitration. By signing this Agreement, the parties waive their right to commence and/or be a party to any class or collective action in any court against the other party relating in any manner to the Resident's residency at the Community. Further, the parties waive their right to commence or be a party to any group, class, or collective action claim in arbitration or any other forum.

Submitting to this provision is not a precondition to receiving medical treatment, care, services and/or for admission to the Community and is not a requirement to continue to receive medical treatment, care, and services at the Community. You may rescind your agreement to arbitrate by written notice to the Community within thirty (30) days of signature. This agreement to arbitrate shall not be discharged by the death of any party hereto, nor by the termination of the Residency Agreement, nor by the Resident ceasing to reside at the Community.

This provision shall have retroactive effect. It is agreed by and between the parties hereto that this provision covers services rendered before the date this contract is signed, thus making this provision effective as of the date of the Resident's first admission to the Community.

This Agreement relates to the Resident's admission to the Community and the Community participates in Medicare programs and/or procures supplies from out of state vendors. The parties, therefore, agree that the underlying admission to the Community involves interstate commerce. The parties further agree that this arbitration provision is to be governed by the Federal Arbitration Act and the procedural rules set forth in the Federal Arbitration Act (9 U.S.C. Sections 1-16) shall govern any petition to compel arbitration and shall preempt any inconsistent State law. While the parties agree that this provision shall be governed by the procedural rules set forth in the Federal Arbitration Act, the parties further agree that the substantive law of the State where the Community is located shall apply to any and all claims.

The parties desire to have any and all disputes submitted to binding arbitration and do not want any claims not subject to arbitration to impede any and all other claims from being ordered to binding arbitration.

The parties are to mutually agree on the appointment of a single neutral arbitrator who routinely conducts mediations and/or arbitrations in the State where the Community is located and agree that discovery will be conducted pursuant to the discovery rules set forth by the arbitrator. Should the parties be unable to mutually agree upon the appointment of a single neutral arbitrator the Federal Arbitration Act shall govern the appointment of the arbitrator. The arbitration shall be venued in a location convenient for all parties, normally the county or region where Community is located.

The expenses and fees of the arbitrator shall be apportioned equally among all parties except as otherwise permitted or required by law.

If any portion of this provision is held invalid, such holding shall not impact the validity of the remaining content of this provision. Any such invalid portion shall be severed from this provision.

The Resident and/or the person executing this Agreement certifies that he/she has read this provision, understands this provision, it has been explained to them in a manner he/she understands, has been given a copy of this provision, and affirmatively represents that he/she is duly authorized by virtue of the Resident's consent, instruction and/or durable power of attorney, to execute this Agreement and accept its terms on behalf of the Resident and acknowledges that the Community is relying on the aforementioned certification. Further, if the person executing this Agreement is someone other than the Resident, you knowingly do so not only in your representative capacity for the Resident, but also in your individual capacity and thus agree that any and all claims brought individually by you are also subject to binding arbitration.

12.20 Acknowledgment of Receipt of Documents. You hereby certify that you (i) received a copy of this Agreement, (ii) received a copy of our most current Disclosure Statement, and (iii) have been permitted to inspect any additional relevant materials requested to be reviewed by you or your representatives prior to executing this Agreement. EXHIBIT A
LOAN AGREEMENT
(TO BE EXECUTED AT OCCUPANCY)

Pursuant to your Return-of-Capital Residency Agreement with Stoneridge Senior Care, LLC ("SRSC," "we," "our," or "us"), you agreed to loan \$_____ to SRSC, and we hereby promise to repay your Loan upon the terms and conditions hereinafter set forth in this Loan Agreement ("Agreement"). Capitalized terms used herein shall have the same meanings as set forth in the Residency Agreement.

- 1. Making of Loan.** Your Loan shall be made to SRSC on the earlier of (i) occupancy or (ii) within 90 days of our approval of this Agreement.

- 2. Repayment.** In the event you or we cancel your Residency Agreement and remove your furniture and other property, your Loan shall become due and payable in accordance with Section 8 of your Residency Agreement and placed in a sequential queue for repayment upon the conclusion of (i) any cancellation notification period; (ii) receipt of your notice of vacancy from the Community; (iii) if any items have been left in the Community, the conclusion of our removal of all remaining items from the Residence.

We repay Loans when new residents move into a previously occupied Residence at the Community and the following criteria have been satisfied: (i) receipt of an Entrance Payment in full from the new resident to StoneRidge. If your Residence is reoccupied; (ii) the rescission period for that sale by the new resident has expired; and (iii) there are no contractual refund obligations uniquely bound to the resale of the residence being reoccupied.

There may be other Loans ahead of yours when your Loan is placed in the repayment queue. We repay Loans to the first person/estate in the repayment queue. After we have paid the first person/estate's Loan, we keep moving through the repayment queue in sequential order of when they were placed.

In the event your Loan is greater than the incoming eligible Entrance Payment collected, you shall remain at the top of the repayment queue and the balance shall be paid upon collection of the next collected eligible Entrance Payment received. Should the remaining balance exceed the second collected eligible Entrance Payment, this process shall continue until sufficient funds have been collected from Entrance Payments to fully repay your Loan

We will make a Loan payment to you/your estate within 14 days of receipt of an eligible Entrance Payment(s) that include funds sufficient to repay your Loan in full as described in this Section. At that time, we shall consider your repayment paid in full.

However, in no event shall such date be more than 36 months from the date of cancellation of your Residency Agreement, at which time your Loan shall become immediately due and payable to you or your estate. If your Residency Agreement is not cancelled within 30 years from the date of this Agreement, your Loan shall become immediately due and payable by us. You agree to look solely to the assets of SRSC for the repayment of your Loan. We may offset against any Loan repayment any amounts then due by you to us pursuant to Section 7.4 of your Residency Agreement.

3. Right of Offset. You agree that we have the right to offset against any First Person Fee, Second Person Fee (if applicable) or Loan repayment due you, any unpaid Monthly Charges owed by you, any unreimbursed Health Center expenses we have advanced on your behalf, any amounts deferred by us under Section 7.4 of the Residency Agreement, and any other sums owed by you to us with interest.

4. No Assignment of Loan; Successors and Assigns. Your rights under this Agreement may not be sold, assigned or otherwise transferred, except to your estate, another individual(s) or to certain trusts established for your benefit, subject to our prior approval in our sole discretion. All terms and provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

Beyond the 90 cumulative days, you shall receive a 10% discount on the per diem charges for your care in the Health Center. If removal of your furniture and other property is not accomplished within 30 days of your determination to release your Residence, we may remove and store your furniture and other property at the expense and risk of you or your estate.

2.2 Retain Residence When There is One of You. If you choose to retain your Residence, the Monthly Fee for your Residence will continue. You

will receive a meal credit for one meal per day. You will also pay the charges for your Health Center Care Services. Beyond the 90 cumulative days, you shall receive a 10% discount on the per diem charge for your care in the Health Center.

3. More than 90 Days of Health Center Care Services When There are Two of You. If there are two of you and one of you requires Health Center Care Services beyond the 90 cumulative days, your monthly fees will depend upon whether one or two of you require Health Center Care Services and whether you choose to release or retain your Residence.

3.1 Retain Residence When There are Two of You and Only One of You Requires Care. If there are two of you and one of you requires Health Center Care Service, you shall pay the Monthly Fee for the Residence and the charges for care in the Health Center. Beyond the 90 cumulative days, you will receive a 10% discount on the per diem charge for your care in the Health Center. The second person Monthly Fee for the Residence shall cease.

3.2 Retain Residence When Two of You Require Health Center Care Services. If there are two of you who require Health Center Care Services and you choose to retain your Residence, the then-current first person and second person Monthly Fees will continue. You will also pay the charges for care in the Health Center. Beyond the 90 cumulative days, you will receive a 10% discount on the per diem charge for your care in the Health Center. In addition, you shall receive a meal credit for your absence in the Residence.

3.3 Release Residence When Two of You Need Memory Care or Nursing Care. If you choose to release your Residence for occupancy by someone else, you will pay the charges for care in the Health Center. Beyond the 90 cumulative days, you will receive a 10% discount on the per diem charge for your care in the Health Center. The first and second person Monthly Fees for your Residence will cease upon the date all your furniture and other property have been removed from your Residence. If removal of your furniture and other property is not accomplished within 30 days of your determination to release your Residence, we may remove and store your furniture and other property at the expense and risk of you or your estate.

4. Alternate Accommodations. You shall be given priority over non-residents for admission to the Health Center. In the event you need memory care or nursing care and the Health Center is fully occupied, you will be provided care at another comparable health care facility. Upon your relocation, you shall continue to be responsible for the charges set forth in the Residency Agreement and this Exhibit B

herein. To the extent we would be liable for your care and accommodations in the Health Center under this Agreement, we will be responsible for the charges associated with alternate Health Center Care Services. Such accommodations will be comparable to that provided at the Health Center. You agree to relocate to the Health Center when a suite becomes available. However, should you need care which SRSC is not licensed to provide or which the Health Center does not have the appropriately trained staff to provide, or does not routinely provide, you agree to relocate to a facility that can provide you with the appropriate level of care. We will not be responsible for the charges for this higher level of care or private duty care.

5. Return to Residence. If you release your Residence because you have moved to the Health Center, and if later you are able, in the opinion of the Medical Director or your attending physician with the concurrence of the Medical Director, to return to a Residence, we will provide you a Residence of the same type as your previous Residence as soon as one becomes available. Upon reoccupying a Residence, your Monthly Fee will be based on the then-current Monthly Fee for the Residence.

6. Medical Director and Ancillary Services. A member in good standing of the New London County Medical Association will be designated to act as Medical Director for StoneRidge. You will be at liberty to engage the services of the Medical Director or the services of a physician of your choice at your own expense. We will not be responsible for the charges for medical treatment by the Medical Director, or any other physician, nor will we be responsible for the charges for medicine, drugs, prescribed therapy, and other similar services and supplies. In the event we incur or advance charges for your medical treatment or for medicine, drugs, prescribed therapy, pharmaceutical supplies, personal laundry, rental of equipment, and other similar services and supplies, you will reimburse us for such charges.

7. Non-Resident Use of the Health Center SRSC will offer Health Center Care Services in the Health Center to qualified non-residents for a fee, to the extent suites are available and as allowed by Connecticut law. However, Residents of StoneRidge will be given priority access to available suites.

8. Long-Term Care Insurance. We will use reasonable efforts to assist you in working with your long-term care insurance provider to obtain the benefits to which you may be entitled.

9. Health Care Outside StoneRidge. In the event you receive care, or choose to receive care at another health care facility not designated by us, we will not be responsible for the charges incurred there by you.

10. Memory Care Residency Agreement or Health Center Admission Agreement. If you require Health Center Care Services in the Health Center, you agree to enter into a separate Memory Care Residency Agreement or Health Center Admission Agreement based on the type of care needed. The Agreement to be executed by you or your designated party and SRSC will be available for your review prior to move-in.

11. Under Age 62. Pursuant to our Residency Policy, if you are under age 62 when you occupy a Residence under this Agreement, you shall be entitled to care in the Health Center. However, you will be charged the then-current per diem rate being charged to non-residents until you attain the age of 62.

[NOTE: Sections 12 through 13.5 are applicable only to rehabilitative care and nursing care offered in the Health Center.]

12. Supplemental Insurance. You are required to maintain Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage acceptable to us to assure your ability to fully cover a Medicare-qualified stay in the Health Center. Such supplemental insurance should cover Medicare co-insurance and deductibles. You shall furnish to us such evidence of coverage as we may from time to time request. Should your supplemental health insurance or equivalent coverage not fully cover a Medicare-qualified stay in the Health Center, or should you fail to purchase supplemental health insurance or equivalent coverage to fully cover a Medicare-qualified stay in the Health Center, you shall be financially responsible for paying to SRSC deductibles, co-insurance amounts, and any other charges for each Medicare-qualified stay in the Health Center. If you are eligible to receive the discount provided in Sections 1, 2 or 3 of this Exhibit B, as applicable, and your stay in the Health Center is a Medicare-qualified stay, such discount will be applied after the expiration of your Medicare-qualified stay providing you have Medicare Part A, Medicare Part B, and acceptable supplemental health insurance or equivalent insurance coverage. If failure to maintain Medicare Part A, Medicare Part B, or supplemental health insurance is causing depletion of your resources and impairs your ability to meet your financial obligations, we need not defer your financial obligations as provided in Section 9.2 of the Agreement, and we retain the right to revoke your entitlement to reside at

StoneRidge and we retain the right to cancel this Agreement as provided in Section 9 of the Agreement.

13. Managed Care. If you have chosen to participate in a managed care program as an alternative to Medicare Part A, Medicare Part B, and supplemental insurance coverage, the terms governing Health Center care will be as follows:

13.1 Participating Provider. If we are a participating provider with your managed care program and your stay is a Medicare-qualified stay, we will agree to accept, as full payment, reimbursement at the rate we negotiate with your managed care program. Such a managed care stay in the Health Center will not reduce the discounts that you are eligible to receive pursuant to Sections 1, 2 or 3 of this Exhibit B, as applicable.

13.2 Not a Participating Provider. If we are not a participating provider with your managed care program and you choose to receive health care services at a managed care participating provider during a Medicare-qualified stay, then you understand and agree that you must relocate for as long as necessary for those services, and be responsible for all charges for those health care services. In addition, while receiving health care services at the managed care participating provider, you understand and agree that unless this Agreement is cancelled, you will continue to pay the Monthly Fee for your Residence. Such a Medicare-qualified stay at a managed care participating provider other than StoneRidge will not reduce the discounts that you are eligible to receive pursuant to Sections 1, 2 or 3 of this Exhibit B, as applicable. If we are unable to negotiate an acceptable rate and you choose to receive Health Center Care Services in the Health Center, you agree to be responsible for all charges for care in the Health Center, as set forth in Section 13.4 of this Exhibit B.

13.3 Negotiated Managed Care Rate. If we are not a participating provider in your managed care program and you would still like to receive health care services in the Health Center during a Medicare-qualified stay, we will attempt to negotiate an acceptable reimbursement rate with your managed care program. If we are able to negotiate an acceptable rate, we will agree to accept as full payment the rate provided by your managed care program. Such a managed care stay in the Health Center will not reduce the discount towards the per diem charge that you are eligible to receive pursuant to Sections 1, 2 or 3 of this Exhibit B, as applicable.

13.4 No Negotiated Managed Care Rate. If we are not a participating provider in your managed care program and a negotiated rate is not agreed upon

between us and your managed care program and you would still desire to receive health care services in the Health Center during a Medicare-qualified stay, then each day of your stay in the Health Center will be paid pursuant to Sections 1, 2 or 3 of this Exhibit B, as applicable. If you choose to retain your Residence, the Monthly Fee for your Residence will continue. In addition, you will pay meal charges for meals that are in excess of those provided for by the Monthly Fees at the then-current charges for meals and any additional services as described in Section 6 of this Exhibit B.

13.5 Post Medicare-Qualified Stay. At the conclusion of each such Medicare-qualified stay, you will be entitled to health care services in the Health Center in accordance with the terms of this Agreement other than as set forth in this Section 13, as adjusted to reflect any reduction during such stay in the discounts that you are eligible to receive as provided in Sections 1, 2 or 3 of this Exhibit B, as applicable.

5.1 Entrance Payment. To assure you a Residence in StoneRidge in accordance with all the terms of this Agreement, you will pay to us an Entrance Payment of \$_____. Your Entrance Payment is comprised of two parts: (i) the First Person Fee; and (ii) the Loan (which is repayable as outlined in the Loan Agreement). The balance of the Entrance Payment (an amount equal to 90% of the Entrance Payment), or \$_____, will be paid to us on the earlier of (i) date of Occupancy or (ii) within 90 days of the date of our approval of this Agreement. Payment of your Entrance Payment, Second Person Fee (if applicable), Working Capital Fee, and Monthly Charges (described below), entitles you to live in a Residence at StoneRidge. If there are two of you, a Second Person Fee of \$_____ will be paid to SRSC on the earlier of (i) date of Occupancy or (ii) within 90 days of the date of our approval of this Agreement. Subject to the provisions of the Entrance Payment Escrow Agreement and our repayment obligations under Section 7 below, any non-repayable amounts paid to us as a First Person Fee and Second Person Fee (if applicable) will be the unrestricted property of the SRSC, once it is earned by the SRSC, and may be used by the SRSC for any purpose unrelated to StoneRidge, at SRSC's sole discretion. SRSC may distribute any such funds to its ownership.

5.3 Loan. Your Loan of \$_____, an amount equal to 50% of the Entrance Payment, will be made to SRSC on the earlier of (i) occupancy or (ii) within 90 days of the date of our approval of this Agreement and will be evidenced by the Loan Agreement attached to Exhibit A.

5.4 Working Capital Fee. At the same time you pay the balance of the Entrance Payment, make the Loan to SRSC, and commence paying your Monthly Fee for your Residence, you will pay to us a Working Capital Fee that is an amount equal to two (2) times the then-current Monthly Fee for your Residence (including a second person Monthly Fee if there are two of you). This is a one-time non-repayable charge.

6.2 Monthly Fee Changes. Adjustments to the Monthly Fee are intended to cover the current and anticipated changes in the community's costs or as may be required by local, state or federal laws and regulations. We may adjust your Monthly Fee for current and anticipated Community Related Costs upon 30 days' advance written notice.

6.3 Payment. You will pay a pro rata portion of the Monthly Fee commencing on the earlier of (i) date of Occupancy or (ii) within 90 days of the date of our approval of this Agreement. Thereafter, your Monthly Fee will be payable each month in advance, upon receipt of a billing statement, including any Extra Charges for the additional services obtained during the preceding month.

6.4 Late Payment. A late payment charge will be assessed 30 days from the date of the billing statement at the rate of 1% per month on the total delinquent amounts due. Late payment charges will not be compounded in the total delinquent amounts computed for determining any late payment charge assessed in any succeeding month. The late payment charge will cease on the date we receive payment of the total delinquent amount. The 1% late payment charge is waived if payment is delayed due to slow processing by your supplemental insurance carrier.

However, we do not waive our right to cancel this Agreement for nonpayment of fees subject to Section 9 of this Agreement.

6.5 Cease Payment of Monthly Fee for Residence. The Monthly Fee for your Residence will cease in accordance with Section 8 or 9 if you (or both of you if there are two of you) or we cancel this Agreement and in accordance with Section 8.4 if you die (or if there are two of you, the death of the survivor). In the event there are two of you who occupy the Residence and only one of you cancels this Agreement or dies, the second person Monthly Fee will cease and the remaining person will continue to pay the first person Monthly Fee.

7. REPAYMENT OF FIRST PERSON FEE OR LOAN.

7.1 Repayment of First Person Fee Prior to Assuming Occupancy.

7.1.1 Nonacceptance. If we do not accept you for residency, we will repay to you the amount of the First Person Fee you have paid, without interest, within 30 days of our notice to you of nonacceptance.

7.1.2 Right of Rescission Period. If prior to assuming occupancy you change your mind and you give us written notice of cancellation by registered or certified mail within 30 days following the date this Agreement is executed by you and us, this Agreement will be automatically canceled. In such event, we will repay to you the amount of the First Person Fee you have paid without interest within 30 days of notice, except that we will retain an amount equal to any costs specifically incurred by us at your request, if any, and which are set forth in a separate addendum to this Agreement. You shall not be required to move into StoneRidge before expiration of the 30 day rescission period.

7.1.3 Change in Condition. If prior to occupancy (i) you (or either of you if there are two of you) die or become unable to occupy your Residence because of illness, injury, or incapacity or (ii) you elect to cancel this Agreement because of a substantial change in your physical, mental, or financial condition, upon our receipt of your written notice to us by registered or certified mail this Agreement will be automatically canceled. In such event, we will repay to you or your legal representative, without interest, the amount of the First Person Fee you have paid to us within 60 days of our receipt of your written notice of cancellation, except that we will retain an amount equal to any costs specifically incurred by us at your request, if any, and which are set forth in a separate addendum to this Agreement.

7.1.4 Cancellation for Reasons Other Than Set Forth in 7.1.1, 7.1.2, and 7.1.3. If prior to assuming occupancy you give us written notice of cancellation by registered or certified mail and neither Sections 7.1.1, 7.1.2, nor 7.1.3 are applicable, this Agreement will be canceled. In such event, we will retain the lesser of 2% of your First Person Fee or \$1,000 from the amount of the Entrance Payment you paid, plus an amount equal to any costs specifically incurred by us at your request, if any, and which are set forth in an addendum to this Agreement, and the balance will be repaid to you, without interest, within 60 days of our receipt of your written notice of cancellation.

7.2 Repayment of First Person Fee and Second Person Fee Following Occupancy.

7.2.1 Repayment Within First Four Months of Occupancy. Within the first four months of your occupancy, except within the rescission period which will be handled according to Section 7.1.2 of this Agreement, should you or we cancel the Agreement pursuant to Section 8 or 9 of this Agreement, or in the event of the death of the surviving Resident within the first four months of occupancy, 100% of the Entrance Payment you have paid, and the Second Person Fee if there are two of you, will be repaid to you pursuant to Section 7.3.

7.2.2 Repayment After Four Months of Occupancy. After the first four months of your occupancy, should you or we cancel this Agreement pursuant to Section 8 or 9 of this Agreement, or in the event of the death of the surviving Resident, we will repay to you (or to your estate) the amount of the First Person Fee paid by you, reduced by 10 percent (10%) of the Entrance Payment earned by us upon the beginning of your fifth month of occupancy and two percent 2% of the Entrance Payment per full month of your occupancy, until your First Person Fee is fully amortized, leaving a repayment equal to your Loan amount of \$____. For purposes of calculating the repayment, amortization will begin on the fifth full month of occupancy and will end when this Agreement is cancelled pursuant to Section 8 or 9 of this Agreement. Such repayment will be paid without interest at the same time your Loan is repaid. The Second Person Fee (if applicable) is not repayable.

7.3 Repayment of Loan. The repayment of your Loan (if applicable) will be made in accordance with the Loan Agreement attached to Exhibit A.

7.4 Right of Offset. We have the right to offset against any amount of the First Person Fee and Loan that is repayable, any Second Person Fee (if applicable) that is repayable, any unpaid Monthly Charges owed by you, any unreimbursed Health Center charges we have advanced on your behalf, any amounts deferred by us under Section 9.2, and any other sums owed by you to us. Any amounts owed by you to us will be payable with interest.

7.5 Beneficiary Designation. You may designate a beneficiary for receipt of any repayable portion of the Entrance Payment if the designation is in writing, is witnessed, is noncontingent, is specified in percentages and accounts for 100%, and has received our approval. An Assignment of Rights to Repayment may be obtained from the StoneRidge business office.

8. YOUR CANCELLATION RIGHTS.

8.1 Prior to Occupancy. You may cancel this Agreement for any reason by giving us written notice executed by you (both of you, if there are two of you) and sent by registered or certified mail. If you give such notice, prior to your occupancy of StoneRidge, the cancellation will be effective as described in Section 7.

8.2 During First Four Months of Occupancy.

8.2.1 Written Notice. During your first four months of occupancy at StoneRidge, you may cancel this Agreement at any time by giving us 120 days' advance written notice executed by you (both of you if there are two of you) and sent by registered or certified mail.

8.2.3 Removal of Property. If removal of your furniture and other property is not accomplished within 120 days of your written notice of cancellation, we may continue to charge the Monthly Fee, or we may remove and store your furniture and other property at the expense and risk of you or your estate.

8.3.5 Remarketing of Residence. After our receipt of your notice of cancellation, we have the right to remarket your Residence to others for re-occupancy. 9. OUR CANCELLATION RIGHTS.

9.1 Just Cause. After we have accepted you for residency, we will not cancel this Agreement except for just cause. Just cause is defined as:

9.1.1 Nonpayment. Except as set forth below, nonpayment of fees or charges; or

9.1.2 Failure to Comply. You do not comply with the terms of this Agreement or the published operating procedures, covenants, rules, regulations, and policies now existing or later amended by us; or

9.1.3 Threat to Health or Safety. Health status or behavior which constitutes a substantial threat to the health or safety of yourself or others, your

refusal to consent to relocation which presents a danger of physical damage to the property of others; or

9.1.4 Change in Condition. There is a major change in your physical or mental condition that would preclude caring for you in the Health Center within the limits of our license.

9.2 Financial Difficulty. If, after you have paid the Entrance Payment, you encounter financial difficulties making it impossible for you to pay the full Monthly Charges, then:

9.2.1 Permitted to Stay. You shall be permitted to remain at StoneRidge for 120 days after the date of failure to pay, during which time you shall continue to pay reduced Monthly Charges based on your current income. Pursuant to Section 7.4, any amounts owed by you to us will be payable with interest;

9.2.2 Terms of Stay. After the 120 days, you shall be permitted to remain at StoneRidge at reduced Monthly Charges based on your ability to pay for so long as you establish facts to justify deferral of such charges, and the deferral of such charges can, in our sole discretion, be granted without impairing our ability to operate on a sound financial basis. This provision shall not apply if you have impaired your ability to meet your financial obligations hereunder, assuming residency, other than to meet ordinary and customary living expenses, or by not maintaining Medicare Part A, Medicare Part B, and/or supplemental insurance coverages. To evidence these agreements based on the circumstances at the time, you agree to enter into a special Financial Assistance Amendment to Residency Agreement with us at the time of any such deferrals to reflect the deferred charges currently payable and the interest rate to be applied to the deferrals and to provide us with a perfected first security interest in your Loan repayment rights (if applicable). Any payments otherwise due to you from us, including the repayment of your Loan (if applicable), will be offset against any such deferred charges; and

9.2.3 Guarantor. Sections 9.2.1 and 9.2.2 are not applicable if, to initially qualify for residency at StoneRidge, a third party(ies) with adequate resources agreed in writing, prior to your acceptance for residency, to guarantee payment of your obligations and is fulfilling their obligations pursuant to a Guaranty of Fees and Other Payments under the Residency Agreement.

9.3 Notice of Cancellation. Prior to any cancellation of this Agreement by us, we will give you notice in writing of the reasons, and you will have 60 days thereafter to correct the problem. If we determine that the problem is corrected within such time, this Agreement shall remain in effect. If we determine that the problem is not corrected within such time, you must leave StoneRidge within 30 days after we notify you of our determination. You will continue to pay your Monthly Fee until removal of your furniture and other property has occurred. If removal of your furniture and other property is not accomplished, we may remove and store your furniture and other property at the expense and risk of you or your estate. This Agreement will cancel upon the removal of your furniture and other property. Your First Person Fee will amortize as set forth in section 7.2 and will stop amortizing on the date you vacate the Residence or the Health Center and remove all your furniture and other property. Your Loan will be repaid in accordance with Exhibit A.

9.4 Emergency Notice. Should your continued residency pose an imminent threat of serious harm to you or other residents, and the Medical Director determines that either the giving of notice or the waiting period described above might be detrimental to you or other residents, then such notice and/or waiting period shall not be required before relocation to a hospital or other appropriate facility. If there is one of you under this Agreement, we are expressly authorized to transfer you to such hospital or other facility, and we will promptly notify your responsible party and your attending physician. After transferring you to such hospital or other facility, we will provide you with a notice of cancellation if you will be unable to return to the Health Center or your Residence at StoneRidge. You will continue to pay the Monthly Fee until removal of your furniture and other property has occurred. If removal of your furniture and other property is not accomplished we may remove and store your furniture and other property at the expense and risk of you or your estate. This Agreement will cancel upon the removal of your furniture and other property. Your First Person Fee will amortize as set forth in section 7.2 and will stop amortizing on the date you vacate the Residence or the Health Center and remove all your furniture and other property. Your Loan will be repaid in accordance with Exhibit A. If there are two of you under this Agreement, and one of you is transferred to a hospital or other appropriate facility under the circumstances described in this section, the other person may continue to occupy the Residence or the Health Center under the terms of this Agreement as the first person. We are not responsible for any charges related to such transfer or relocation to a hospital or other appropriate facility.

10. MISCELLANEOUS PRO-VISIONS WITH RESPECT TO YOUR RESIDENCE.

10.1 Use of Residence. The Residence is for living only and shall not be used for carrying on any business or profession, nor in any manner in violation of zoning restrictions. This Agreement is not a lease, and entitles you only to the lifetime use of the Residence and other amenities of StoneRidge and to available services, subject to the terms and conditions of this Agreement.

10.2 Occupants of Residence. Except as hereinafter provided, no person other than you (or both of you if there are two of you) may occupy the Residence except with our express written approval. In the event that a second person who is not a party to this Agreement wishes to be accepted for residency under this Agreement, after the date we execute this Agreement, said second person's acceptance will be based upon our then-current Residency Policy. If accepted, payment of the then-current Second Person Fee (if applicable) as determined by us, and payment of the then-current additional Monthly Charges for second persons shall be due. If such second person does not meet the requirements for residency, such second person will not be permitted to occupy the Residence for more than 30 days (except with our express written approval).

10.3 Emergency Entry and Relocation. We may enter your Residence should it be necessary in an emergency to protect your health or safety or the health or safety of other residents. Should it be necessary to modify facilities to meet the requirements of any applicable law or regulation which necessitate temporarily vacating your Residence, we will provide alternate facilities for you without Extra Charge within or outside StoneRidge. Further, if relocation is recommended by the Medical Director or your attending physician, we will request that you relocate to another Residence within StoneRidge or to the Health Center for the protection of your health or safety or for the health or safety of the other residents of StoneRidge. SRSC recognizes your right to participate in making decisions about a permanent move to assisted living or skilled nursing.

10.4 Furnishings. Furnishings within the Residence will be provided by you except as listed in Sections 1.13, 1.14, and 1.15. Furnishings provided by you shall not interfere with the health or safety of you or other residents or others.

10.5 Alterations by You. You may undertake alterations to your Residence with our prior written approval as set forth in a separate Residence Modification Agreement.

10.6 Refurbishment. Customary and normal refurbishment costs of your Residence will be borne by all residents of StoneRidge as part of the Monthly Fee. Any necessary refurbishment costs beyond those which are customary and normal are your responsibility and will be offset against the Loan repayment. Further, should you relocate to another residence in StoneRidge, you may be subject to a transfer fee as set forth in our current Residence Transfer Policy.

10.7 Non-Smoking Policy. Smoking is prohibited everywhere on its campus. Smoking is not allowed in your Residence, or anywhere else in the building. Because smoking is not allowed in any interior spaces, including your Residence, damage to the Residence caused by smoking by you or your visitors is not considered normal wear and tear and will be charged for accordingly.

11.2.1 Reduce the aforesaid percentage of residences which is required to consent to any such amendment; or

11.2.2 Permit the preference or priority of any residence over any other residence without the consent of each residence.

Upon our approval and upon our receipt of evidence of the approval of at least 67% of the residences with one vote per residence, such amendment shall be effective and any designated residency agreements, which may include this Agree-

ment, shall automatically be amended. Accordingly, any of the terms of this Agreement may be amended, including the scope and type of services provided, upon our approval and approval of at least 67% of the residences with one vote per residence.

In any event, you must comply with our policy regarding Personal Service Providers and ensure that he/she/they complies with our policies and rules of conduct as set forth in our Personal Service Provider Policy. If you fail to follow or enforce the rules set forth in the Personal Service Provider Policy, then we may elect at our sole option to cancel this Agreement.

12.14 Tax Considerations. Each person considering executing this Agreement should consult with his or her tax advisor regarding the tax considerations associated with this Agreement.

The person(s) named as your responsible party will not be a person(s) employed by us or any other entity engaged in the management of StoneRidge.

12.18 Funeral and Burial Services. No funeral or burial services or expenses are provided by us pursuant to this Agreement.

12.19 Arbitration. It is understood that any and all disputes between the Resident and StoneRidge its owners, operators, officers, directors, administrators, staff, employees, agents, and any management and administrative services company, and all related entities and individuals, their staff, personnel, employees, owners, officers, directors, members, and agents that provide services to the Community that relates to the provision of care, treatment and services the Community provides to the Resident, including any action for injury or death arising from intentional torts, statutory causes of action, negligence, and medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered shall be determined by submission to binding arbitration and not by lawsuit or resort to court process. This provision shall be binding for any and all disputes arising out of the Resident's Residency Agreement and/or the Resident's residency at the Community, except for disputes pertaining to collections or evictions. This provision is binding on all parties hereto, including the Community, the Resident, the Resident's representatives, agents, responsible party, conservators, executors, family members, successors in interest and heirs, as well as anyone who may have a claim arising out of the Resident's Residency Agreement and/or the Resident's residency at the Community.

If this Agreement is signed by someone other than the Resident, including the Resident's representative, agent, responsible party, conservator, executor, family member, successor in interest and heir said person is doing so not only in their representative capacity for the Resident, but also in their individual capacity and thus agree that any and all claims brought individually by any such person(s) are also subject to binding arbitration.

The parties to this Agreement are giving up their Constitutional right to have any and all disputes decided in a court of law before a jury, and instead are accepting the use of binding arbitration. By signing this Agreement, the parties waive their right to commence and/or be a party to any class or collective action in any court against the other party relating in any manner to the Resident's residency at the Community. Further, the parties waive their right to commence or be a party to any group, class, or collective action claim in arbitration or any other forum.

Submitting to this provision is not a precondition to receiving medical treatment, care, services and/or for admission to the Community and is not a requirement to continue to receive medical treatment, care, and services at the Community. You may rescind your agreement to arbitrate by written notice to the Community within thirty (30) days of signature. This agreement to arbitrate shall not be discharged by the death of any party hereto, nor by the termination of the Residency Agreement, nor by the Resident ceasing to reside at the Community.

This provision shall have retroactive effect. It is agreed by and between the parties hereto that this provision covers services rendered before the date this contract is signed, thus making this provision effective as of the date of the Resident's first admission to the Community.

This Agreement relates to the Resident's admission to the Community and the Community participates in Medicare programs and/or procures supplies from out of state vendors. The parties, therefore, agree that the underlying admission to the Community involves interstate commerce. The parties further agree that this arbitration provision is to be governed by the Federal Arbitration Act and the procedural rules set forth in the Federal Arbitration Act (9 U.S.C. Sections 1-16) shall govern any petition to compel arbitration and shall preempt any inconsistent State law. While the parties agree that this provision shall be governed by the procedural rules set forth in the Federal Arbitration Act, the parties further agree that the substantive law of the State where the Community is located shall apply to any and all claims.

The parties desire to have any and all disputes submitted to binding arbitration and do not want any claims not subject to arbitration to impede any and all other claims from being ordered to binding arbitration.

The parties are to mutually agree on the appointment of a single neutral arbitrator who routinely conducts mediations and/or arbitrations in the State where the Community is located and agree that discovery will be conducted pursuant to the discovery rules set forth by the arbitrator. Should the parties be unable to mutually agree upon the appointment of a single neutral arbitrator the Federal Arbitration Act shall govern the appointment of the arbitrator. The arbitration shall be venued in a location convenient for all parties, normally the county or region where Community is located.

The expenses and fees of the arbitrator shall be apportioned equally among all parties except as otherwise permitted or required by law.

If any portion of this provision is held invalid, such holding shall not impact the validity of the remaining content of this provision. Any such invalid portion shall be severed from this provision.

The Resident and/or the person executing this Agreement certifies that he/she has read this provision, understands this provision, it has been explained to them in a manner he/she understands, has been given a copy of this provision, and affirmatively represents that he/she is duly authorized by virtue of the Resident's consent, instruction and/or durable power of attorney, to execute this Agreement and accept its terms on behalf of the Resident and acknowledges that the Community is relying on the aforementioned certification. Further, if the person executing this Agreement is someone other than the Resident, you knowingly do so not only in your representative capacity for the Resident, but also in your individual capacity and thus agree that any and all claims brought individually by you are also subject to binding arbitration.

12.20 Acknowledgment of Receipt of Documents. You hereby certify that you (i) received a copy of this Agreement, (ii) received a copy of our most current Disclosure Statement, and (iii) have been permitted to inspect any additional relevant materials requested to be reviewed by you or your representatives prior to executing this Agreement. LOAN AGREEMENT

(TO BE EXECUTED AT OCCUPANCY)

Pursuant to your Return-of-Capital Residency Agreement with Stoneridge Senior Care, LLC ("SRSC," "we," "our," or "us"), you agreed to loan \$_____ to SRSC, and we hereby promise to repay your Loan upon the terms and conditions hereinafter set forth in this Loan Agreement ("Agreement"). Capitalized terms used herein shall have the same meanings as set forth in the Residency Agreement.

- 1. Making of Loan.** Your Loan shall be made to SRSC on the earlier of (i) occupancy or (ii) within 90 days of our approval of this Agreement.

- 2. Repayment.** In the event you or we cancel your Residency Agreement and remove your furniture and other property, your Loan shall become due and payable in accordance with Section 8 of your Residency Agreement and placed in a sequential queue for repayment upon the conclusion of (i) any cancellation notification period; (ii) receipt of your notice of vacancy from the Community; (iii) if any items have been left in the Community, the conclusion of our removal of all remaining items from the Residence.

We repay Loans when new residents move into a previously occupied Residence at the Community and the following criteria have been satisfied: (i) receipt of an Entrance Payment in full from the new resident to StoneRidge. If your Residence is reoccupied; (ii) the rescission period for that sale by the new resident has expired; and (iii) there are no contractual refund obligations uniquely bound to the resale of the residence being reoccupied.

There may be other Loans ahead of yours when your Loan is placed in the repayment queue. We repay Loans to the first person/estate in the repayment queue. After we have paid the first person/estate's Loan, we keep moving through the repayment queue in sequential order of when they were placed.

In the event your Loan is greater than the incoming eligible Entrance Payment collected, you shall remain at the top of the repayment queue and the balance shall be paid upon collection of the next collected eligible Entrance Payment received. Should the remaining balance exceed the second collected eligible Entrance Payment, this

process shall continue until sufficient funds have been collected from Entrance Payments to fully repay your Loan.

We will make a Loan payment to you/your estate within 14 days of receipt of an eligible Entrance Payment(s) that include funds sufficient to repay your Loan in full as described in this Section. At that time, we shall consider your repayment paid in full.

However, in no event shall such date be more than 36 months from the date of cancellation of your Residency Agreement, at which time your Loan shall become immediately due and payable to you or your estate. If your Residency Agreement is not cancelled within 30 years from the date of this Agreement, your Loan shall become immediately due and payable by us. You agree to look solely to the assets of SRSC for the repayment of your Loan. We may offset against any Loan repayment any amounts then due by you to us pursuant to Section 7.4 of your Residency Agreement.

3. Right of Offset. You agree that we have the right to offset against any First Person Fee, Second Person Fee (if applicable) or Loan repayment due you, any unpaid Monthly Charges owed by you, any unreimbursed Health Center expenses we have advanced on your behalf, any amounts deferred by us under Section 7.4 of the Residency Agreement, and any other sums owed by you to us with interest.

4. No Assignment of Loan; Successors and Assigns. Your rights under this Agreement may not be sold, assigned or otherwise transferred, except to your estate, another individual(s) or to certain trusts established for your benefit, subject to our prior approval in our sole discretion. All terms and provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

1. First 90 Days of Health Center Care Services. Health Center Care Services will be provided in a private or semi-private nursing care in the Health Center at a discounted rate for 90 cumulative days for you (90 days for each of you if there are two of you) but the allowance for one Resident cannot be used by the other. During your first 90 cumulative days of Health Center Care Services, you shall receive a 50% discount from the per diem charge for care in the Health Center. If your stay in the Health Center is fully covered as a Medicare-qualified stay, the discounted 90 cumulative days offered per Resident in this paragraph will not take effect until the termination of your Medicare-qualified stay. While in the Health Center the Monthly Fee for your Residence will continue as before. Further, whether you release or retain your Residence while you are in the Health Center, you will not be entitled to repayment of your Entrance Payment.

[NOTE: The (90) cumulative days at 50% is the total number of days allowed per Resident during your lifetime for a combined total for memory care, rehabilitative care and nursing care in the Health Center. After the (90) cumulative days are exhausted, your care will be in accordance with Sections 2 or 3 below, as applicable.]

2. More Than 90 Days of Health Center Care Services When There is One of You. If you require Health Center Care Services beyond the 90 cumulative days, your monthly fees will depend upon whether you choose to release or retain your Residence.

2.1 Release Residence When There is One of You. If you choose to release your Residence for occupancy by someone else, the Monthly Fee for your Residence will cease upon the date all of your furniture and other property have been removed from your Residence. Beyond the 90 cumulative days, you shall receive a 10% discount on the per diem charges for your care in the Health Center. If removal of your furniture and other property is not accomplished within 30 days of your determination to release your Residence, we may remove and store your furniture and other property at the expense and risk of you or your estate.

2.2 Retain Residence When There is One of You. If you choose to retain your Residence, the Monthly Fee for your Residence will continue. You

will receive a meal credit for one meal per day. You will also pay the charges for your Health Center Care Services. Beyond the 90 cumulative days, you shall receive a 10% discount on the per diem charge for your care in the Health Center.

3. More than 90 Days of Health Center Care Services When There are Two of You. If there are two of you and one of you requires Health Center Care Services beyond the 90 cumulative days, your monthly fees will depend upon whether one or two of you require Health Center Care Services and whether you choose to release or retain your Residence.

3.1 Retain Residence When There are Two of You and Only One of You Requires Care. If there are two of you and one of you requires Health Center Care Service, you shall pay the Monthly Fee for the Residence and the charges for care in the Health Center. Beyond the 90 cumulative days, you will receive a 10% discount on the per diem charge for your care in the Health Center. The second person Monthly Fee for the Residence shall cease.

3.2 Retain Residence When Two of You Require Health Center Care Services. If there are two of you who require Health Center Care Services and you choose to retain your Residence, the then-current first person and second person Monthly Fees will continue. You will also pay the charges for care in the Health Center. Beyond the 90 cumulative days, you will receive a 10% discount on the per diem charge for your care in the Health Center. In addition, you shall receive a meal credit for your absence in the Residence.

3.3 Release Residence When Two of You Need Memory Care or Nursing Care. If you choose to release your Residence for occupancy by someone else, you will pay the charges for care in the Health Center. Beyond the 90 cumulative days, you will receive a 10% discount on the per diem charge for your care in the Health Center. The first and second person Monthly Fees for your Residence will cease upon the date all your furniture and other property have been removed from your Residence. If removal of your furniture and other property is not accomplished within 30 days of your determination to release your Residence, we may remove and store your furniture and other property at the expense and risk of you or your estate.

4. Alternate Accommodations. You shall be given priority over non-residents for admission to the Health Center. In the event you need memory care or nursing care and the Health Center is fully occupied, you will be provided care at another comparable health care facility. Upon your relocation, you shall continue to be responsible for the charges set forth in the Residency Agreement and this Exhibit B

herein. To the extent we would be liable for your care and accommodations in the Health Center under this Agreement, we will be responsible for the charges associated with alternate Health Center Care Services. Such accommodations will be comparable to that provided at the Health Center. You agree to relocate to the Health Center when a suite becomes available. However, should you need care which SRSC is not licensed to provide or which the Health Center does not have the appropriately trained staff to provide, or does not routinely provide, you agree to relocate to a facility that can provide you with the appropriate level of care. We will not be responsible for the charges for this higher level of care or private duty care.

5. Return to Residence. If you release your Residence because you have moved to the Health Center, and if later you are able, in the opinion of the Medical Director or your attending physician with the concurrence of the Medical Director, to return to a Residence, we will provide you a Residence of the same type as your previous Residence as soon as one becomes available. Upon reoccupying a Residence, your Monthly Fee will be based on the then-current Monthly Fee for the Residence.

6. Medical Director and Ancillary Services. A member in good standing of the New London County Medical Association will be designated to act as Medical Director for StoneRidge. You will be at liberty to engage the services of the Medical Director or the services of a physician of your choice at your own expense. We will not be responsible for the charges for medical treatment by the Medical Director, or any other physician, nor will we be responsible for the charges for medicine, drugs, prescribed therapy, and other similar services and supplies. In the event we incur or advance charges for your medical treatment or for medicine, drugs, prescribed therapy, pharmaceutical supplies, personal laundry, rental of equipment, and other similar services and supplies, you will reimburse us for such charges.

7. Non-Resident Use of the Health Center SRSC will offer Health Center Care Services in the Health Center to qualified non-residents for a fee, to the extent suites are available and as allowed by Connecticut law. However, Residents of StoneRidge will be given priority access to available suites.

8. Long-Term Care Insurance. We will use reasonable efforts to assist you in working with your long-term care insurance provider to obtain the benefits to which you may be entitled.

9. Health Care Outside StoneRidge. In the event you receive care, or choose to receive care at another health care facility not designated by us, we will not be responsible for the charges incurred there by you.

10. Memory Care Residency Agreement or Health Center Admission Agreement. If you require Health Center Care Services in the Health Center, you agree to enter into a separate Memory Care Residency Agreement or Health Center Admission Agreement based on the type of care needed. The Agreement to be executed by you or your designated party and SRSC will be available for your review prior to move-in.

11. Under Age 62. Pursuant to our Residency Policy, if you are under age 62 when you occupy a Residence under this Agreement, you shall be entitled to care in the Health Center. However, you will be charged the then-current per diem rate being charged to non-residents until you attain the age of 62.

[NOTE: Sections 12 through 13.5 are applicable only to rehabilitative care and nursing care offered in the Health Center.]

12. Supplemental Insurance. You are required to maintain Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage acceptable to us to assure your ability to fully cover a Medicare-qualified stay in the Health Center. Such supplemental insurance should cover Medicare co-insurance and deductibles. You shall furnish to us such evidence of coverage as we may from time to time request. Should your supplemental health insurance or equivalent coverage not fully cover a Medicare-qualified stay in the Health Center, or should you fail to purchase supplemental health insurance or equivalent coverage to fully cover a Medicare-qualified stay in the Health Center, you shall be financially responsible for paying to SRSC deductibles, co-insurance amounts, and any other charges for each Medicare-qualified stay in the Health Center. If you are eligible to receive the discount provided in Sections 1, 2 or 3 of this Exhibit B, as applicable, and your stay in the Health Center is a Medicare-qualified stay, such discount will be applied after the expiration of your Medicare-qualified stay providing you have Medicare Part A, Medicare Part B, and acceptable supplemental health insurance or equivalent insurance coverage. If failure to maintain Medicare Part A, Medicare Part B, or supplemental health insurance is causing depletion of your resources and impairs your ability to meet your financial obligations, we need not defer your financial obligations as provided in Section 9.2 of the Agreement, and we retain the right to revoke your entitlement to reside at

StoneRidge and we retain the right to cancel this Agreement as provided in Section 9 of the Agreement.

13. Managed Care. If you have chosen to participate in a managed care program as an alternative to Medicare Part A, Medicare Part B, and supplemental insurance coverage, the terms governing Health Center care will be as follows:

13.1 Participating Provider. If we are a participating provider with your managed care program and your stay is a Medicare-qualified stay, we will agree to accept, as full payment, reimbursement at the rate we negotiate with your managed care program. Such a managed care stay in the Health Center will not reduce the discounts that you are eligible to receive pursuant to Sections 1, 2 or 3 of this Exhibit B, as applicable.

13.2 Not a Participating Provider. If we are not a participating provider with your managed care program and you choose to receive health care services at a managed care participating provider during a Medicare-qualified stay, then you understand and agree that you must relocate for as long as necessary for those services, and be responsible for all charges for those health care services. In addition, while receiving health care services at the managed care participating provider, you understand and agree that unless this Agreement is cancelled, you will continue to pay the Monthly Fee for your Residence. Such a Medicare-qualified stay at a managed care participating provider other than StoneRidge will not reduce the discounts that you are eligible to receive pursuant to Sections 1, 2 or 3 of this Exhibit B, as applicable. If we are unable to negotiate an acceptable rate and you choose to receive Health Center Care Services in the Health Center, you agree to be responsible for all charges for care in the Health Center, as set forth in Section 13.4 of this Exhibit B.

13.3 Negotiated Managed Care Rate. If we are not a participating provider in your managed care program and you would still like to receive health care services in the Health Center during a Medicare-qualified stay, we will attempt to negotiate an acceptable reimbursement rate with your managed care program. If we are able to negotiate an acceptable rate, we will agree to accept as full payment the rate provided by your managed care program. Such a managed care stay in the Health Center will not reduce the discount towards the per diem charge that you are eligible to receive pursuant to Sections 1, 2 or 3 of this Exhibit B, as applicable.

13.4 No Negotiated Managed Care Rate. If we are not a participating provider in your managed care program and a negotiated rate is not agreed upon

between us and your managed care program and you would still desire to receive health care services in the Health Center during a Medicare-qualified stay, then each day of your stay in the Health Center will be paid pursuant to Sections 1, 2 or 3 of this Exhibit B, as applicable. If you choose to retain your Residence, the Monthly Fee for your Residence will continue. In addition, you will pay meal charges for meals that are in excess of those provided for by the Monthly Fees at the then-current charges for meals and any additional services as described in Section 6 of this Exhibit B.

13.5 Post Medicare-Qualified Stay. At the conclusion of each such Medicare-qualified stay, you will be entitled to health care services in the Health Center in accordance with the terms of this Agreement other than as set forth in this Section 13, as adjusted to reflect any reduction during such stay in the discounts that you are eligible to receive as provided in Sections 1, 2 or 3 of this Exhibit B, as applicable.

5. ENTRANCE PAYMENT AND WORKING CAPITAL FEE.

5.1 Entrance Payment. To assure you a Residence in StoneRidge in accordance with all the terms of this Agreement, you will pay to us an Entrance Payment of \$_____. The balance of the Entrance Payment (an amount equal to 90% of the Entrance Payment), or \$_____, will be paid to us on the earlier of (i) date of Occupancy or (ii) within 90 days of the date of our approval of this Agreement. Payment of your Entrance Payment, Second Person Fee (if applicable), Working Capital Fee, and Monthly Charges (described below), entitles you to live in a Residence at StoneRidge. You may live in a Residence for as long as you are capable of living in a Residence and in the Health Center when you are no longer capable of living in a Residence as defined in our current Aging-in-Community Policy, and you will receive services that we are licensed to provide or we have contracted with another party to provide, all in accordance with the terms of this Agreement. Subject to the provisions of the Entrance Payment Escrow Agreement and our repayment obligations under Section 7 below, any non-repayable amounts paid to us as an Entrance Payment and Second Person Fee (if applicable) will be the unrestricted property of the SRSC, once it is earned by the SRSC, and may be used by the SRSC for any purpose unrelated to StoneRidge, at SRSC's sole discretion. SRSC may distribute any such funds to its ownership.

5.2 Second Person Fee. If there are two of you, a Second Person Fee of \$_____ will be paid to SRSC on the earlier of (i) date of Occupancy or (ii) within 90 days of the date of our approval of this Agreement.

5.3 Working Capital Fee. At the same time you pay the balance of the Entrance Payment and commence paying your Monthly Fee for your Residence, you will pay to us a Working Capital Fee that is an amount equal to two (2) times the

then-current Monthly Fee for your Residence (including a second person Monthly Fee if there are two of you). This is a one-time non-repayable charge.

6. MONTHLY CHARGES

6.1 Monthly Fee. You will pay a Monthly Fee for accommodations, services and amenities provided under Section 1. The current Monthly Fee is \$_____ per month for one person and an additional \$_____ per month if there are two of you.

6.2 Monthly Fee Changes. Adjustments to the Monthly Fee are intended to cover the current and anticipated changes in the community's costs or as may be required by local, state or federal laws and regulations. We may adjust your Monthly Fee for current and anticipated Community Related Costs upon 30 days' advance written notice.

6.3 Payment. You will pay a pro rata portion of the Monthly Fee commencing on the earlier of (i) date of Occupancy or (ii) within 90 days of the date of our approval of this Agreement. Thereafter, your Monthly Fee will be payable each month in advance, upon receipt of a billing statement, including any Extra Charges for the additional services obtained during the preceding month.

6.4 Late Payment. A late payment charge will be assessed 30 days from the date of the billing statement at the rate of 1% per month on the total delinquent amounts due. Late payment charges will not be compounded in the total delinquent amounts computed for determining any late payment charge assessed in any succeeding month. The late payment charge will cease on the date we receive payment of the total delinquent amount. The 1% late payment charge is waived if payment is delayed due to slow processing by your supplemental insurance carrier. However, we do not waive our right to cancel this Agreement for nonpayment of fees subject to Section 9 of this Agreement.

6.5 Cease Payment of Monthly Fee for Residence. The Monthly Fee for your Residence will cease in accordance with Section 8 or 9 if you (or both of you if there are two of you) or we cancel this Agreement and in accordance with Section 8.4 if you die (or if there are two of you, the death of the survivor). In the event there are two of you who occupy the Residence and only one of you cancels this Agreement or dies, the second person Monthly Fee will cease and the remaining person will continue to pay the first person Monthly Fee.

7. REPAYMENT OF ENTRANCE PAYMENT.

7.1 Repayment of Entrance Payment Prior to Assuming Occupancy.

7.1.1 Nonacceptance. If we do not accept you for residency, we will repay to you the amount of the Entrance Payment you have paid, without interest, within 30 days of our notice to you of nonacceptance.

7.1.2 Right of Rescission Period. If prior to assuming occupancy you change your mind and you give us written notice of cancellation by registered or certified mail within 30 days following the date this Agreement is executed by you and us, this Agreement will be automatically canceled. In such event, we will repay to you the amount of the Entrance Payment you have paid without interest within 30 days of notice, except that we will retain an amount equal to any costs specifically incurred by us at your request, if any, and which are set forth in a separate addendum to this Agreement. You shall not be required to move into StoneRidge before expiration of the 30 day rescission period.

7.1.3 Change in Condition. If prior to occupancy (i) you (or either of you if there are two of you) die or become unable to occupy your Residence because of illness, injury, or incapacity or (ii) you elect to cancel this Agreement because of a substantial change in your physical, mental, or financial condition, upon our receipt of your written notice to us by registered or certified mail this Agreement will be automatically canceled. In such event, we will repay to you or your legal representative, without interest, the amount of the Entrance Payment you have paid to us within 60 days of our receipt of your written notice of cancellation, except that we will retain an amount equal to any costs specifically incurred by us at your request, if any, and which are set forth in a separate addendum to this Agreement.

7.1.4 Cancellation for Reasons Other Than Set Forth in 7.1.1, 7.1.2, and 7.1.3. If prior to assuming occupancy you give us written notice of cancellation by registered or certified mail and neither Sections 7.1.1, 7.1.2, nor 7.1.3 are applicable, this Agreement will be canceled. In such event, we will retain the lesser of 2% of your Entrance Payment or \$1,000 from the amount of the Entrance Payment you paid, plus an amount equal to any costs specifically incurred by us at your request, if any, and which are set forth in an addendum to this Agreement, and the balance will be repaid to you, without interest, within 60 days of our receipt of your written notice of cancellation.

7.2 Repayment of Entrance Payment and Second Person Fee Following Occupancy.

7.2.1 Repayment Within First Four Months of Occupancy. Within the first four months of your occupancy, except within the rescission period which will be handled according to Section 7.1.2 of this Agreement, should you or we cancel the Agreement pursuant to Section 8 or 9 of this Agreement, or in the event of the death of the surviving Resident within the first four months of occupancy, 100% of the Entrance Payment you have paid, and the Second Person Fee if there are two of you, will be repaid to you pursuant to Section 7.3.

7.2.2 Repayment After Four Months of Occupancy. After the first four months of your occupancy, should you or we cancel this Agreement pursuant to Section 8 or 9 of this Agreement, or in the event of the death of the surviving Resident, we will repay to you (or to your estate) the amount of the Entrance Payment paid by you, reduced by 20 percent (20%) earned by us upon the beginning of your fifth month of occupancy and two percent (2%) per full month of occupancy until the Entrance Payment is fully amortized. For purposes of calculating the repayment, amortization will begin on the fifth month of occupancy and will end when this Agreement is cancelled pursuant to Section 8 or 9 of this Agreement. The Second Person Fee (if applicable) is not repayable.

7.3 Timing of Repayment. Your repayment obligation shall be placed in a sequential queue for repayment upon the conclusion of (i) any cancellation notification period; (ii) receipt of your notice of vacancy from the Community; (iii) if any items have been left in the Community, the conclusion of our removal of all remaining items from the Residence.

We repay repayment obligations when new residents move into a previously occupied Residence at StoneRidge and the following criteria have been satisfied: (i) receipt of an Entrance Payment in full from the new resident; (ii) the 30-day rescission period for that sale by the new resident has expired; and (iii) there are no contractual refund obligations uniquely bound to the resale of the residence being reoccupied.

There may be other repayment obligations ahead of you when your repayment obligation is placed in the repayment queue. We repay repayment obligations to the first person/estate in the repayment queue. After we have paid the first

person/estate's repayment obligation, we keep moving through the repayment queue in sequential order of when they were placed.

We will make a repayment to you/your estate, if applicable, within 14 days of receipt of an Entrance Payment(s) that include funds sufficient to repay your repayment obligation in full from the new residents as described above. At that time, we shall consider your repayment paid in full.

In the event your repayment obligation is greater than the incoming Entrance Payment collected, you shall remain at the top of the repayment queue and the balance shall be paid upon collection of the next collected eligible Entrance Payment received. Should the remaining balance exceed the second collected eligible Entrance Payment, this process shall continue until sufficient funds have been collected from Entrance Payments to fully repay your repayment obligation except that in no case shall the refund be delivered later than 36 months from the date this Agreement is terminated or the conditions set forth herein for releasing the refund have been met, whichever occurs first. We may offset against any repayment any amounts then due by you to us pursuant to Section 7.4.

7.4 Right of Offset. We have the right to offset against any amount of the Entrance Payment that is repayable, any Second Person Fee (if applicable) that is repayable, any unpaid Monthly Charges owed by you, any unreimbursed Health Center charges we have advanced on your behalf, any amounts deferred by us under Section 9.2, and any other sums owed by you to us. Any amounts owed by you to us will be payable with interest.

7.5 Beneficiary Designation. You may designate a beneficiary for receipt of any repayable portion of the Entrance Payment if the designation is in writing, is witnessed, is noncontingent, is specified in percentages and accounts for 100%, and has received our approval. An Assignment of Rights to Repayment may be obtained from the StoneRidge business office.

8. YOUR CANCELLATION RIGHTS.

8.1 Prior to Occupancy. You may cancel this Agreement for any reason by giving us written notice executed by you (both of you, if there are two of you) and sent by registered or certified mail. If you give such notice, prior to your occupancy of StoneRidge, the cancellation will be effective as described in Section 7.

8.2 During First Four Months of Occupancy.

9. OUR CANCELLATION RIGHTS.

9.1 Just Cause. After we have accepted you for residency, we will not cancel this Agreement except for just cause. Just cause is defined as:

9.1.1 Nonpayment. Except as set forth below, nonpayment of fees or charges; or

9.1.2 Failure to Comply. You do not comply with the terms of this Agreement or the published operating procedures, covenants, rules, regulations, and policies now existing or later amended by us; or

9.1.3 Threat to Health or Safety. Health status or behavior which constitutes a substantial threat to the health or safety of yourself or others, including your refusal to consent to relocation which presents a danger of physical damage to the property of others; or

9.1.4 Change in Condition. There is a major change in your physical or mental condition that would preclude caring for you in the Health Center within the limits of our license.

9.2 Financial Difficulty. If, after you have paid the Entrance Payment, you encounter financial difficulties making it impossible for you to pay the full Monthly Charges, then:

9.2.1 Permitted to Stay. You shall be permitted to remain at StoneRidge for 120 days after the date of failure to pay, during which time you shall continue to pay reduced Monthly Charges based on your current income. Pursuant to Section 7.4, any amounts owed by you to us will be payable with interest;

9.2.2 Terms of Stay. After the 120 days, you shall be permitted to remain at StoneRidge at reduced Monthly Charges based on your ability to pay for so long as you establish facts to justify deferral of such charges, and the deferral of such charges can, in our sole discretion, be granted without impairing our ability to operate on a sound financial basis. This provision shall not apply if you have impaired your ability to meet your financial obligations hereunder, after assuming

residency, other than to meet ordinary and customary living expenses, or by not maintaining Medicare Part A, Medicare Part B, and/or supplemental insurance coverages. To evidence these agreements based on the circumstances at the time, you agree to enter into a special Financial Assistance Amendment to Residency Agreement with us at the time of any such deferrals to reflect the deferred charges currently payable and the interest rate to be applied to the deferrals and to provide us with a perfected first security interest in your Entrance Payment repayment rights (if applicable). Any payments otherwise due to you from us, including the repayment of your Entrance Payment (if applicable), will be offset against any such deferred charges; and

9.2.3 Guarantor. Sections 9.2.1 and 9.2.2 are not applicable if, to initially qualify for residency at StoneRidge, a third party(ies) with adequate resources agreed in writing, prior to your acceptance for residency, to guarantee payment of your obligations and is fulfilling their obligations pursuant to a Guaranty of Fees and Other Payments under the Residency Agreement.

9.3 Notice of Cancellation. Prior to any cancellation of this Agreement by us, we will give you notice in writing of the reasons, and you will have 60 days thereafter to correct the problem. If we determine that the problem is corrected within such time, this Agreement shall remain in effect. If we determine that the problem is not corrected within such time, you must leave StoneRidge within 30 days after we notify you of our determination. You will continue to pay your Monthly Fee until removal of your furniture and other property has occurred. If removal of your furniture and other property is not accomplished, we may remove and store your furniture and other property at the expense and risk of you or your estate. This Agreement will cancel upon the removal of your furniture and other property. Your Entrance Payment will amortize as set forth in section 7.2 and will stop amortizing on the date you vacate the Residence or the Health Center and remove all your furniture and other property. Your Entrance Payment will be repaid in accordance with paragraph 7.3.

9.4 Emergency Notice. Should your continued residency pose an imminent threat of serious harm to you or other residents, and the Medical Director determines that either the giving of notice or the waiting period described above might be detrimental to you or other residents, then such notice and/or waiting period shall not be required before relocation to a hospital or other appropriate facility. If there is one of you under this Agreement, we are expressly authorized to transfer you to such hospital or other facility, and we will promptly notify your responsible

party and your attending physician. After transferring you to such hospital or other facility, we will provide you with a notice of cancellation if you will be unable to return to the Health Center or your Residence at StoneRidge. You will continue to pay the Monthly Fee until removal of your furniture and other property has occurred. If removal of your furniture and other property is not accomplished we may remove and store your furniture and other property at the expense and risk of you or your estate. This Agreement will cancel upon the removal of your furniture and other property. Your Entrance Payment will amortize as set forth in section 7.2 and will stop amortizing on the date you vacate the Residence or the Health Center and remove all your furniture and other property. Your Entrance Payment will be repaid in accordance with paragraph 7.3. If there are two of you under this Agreement, and one of you is transferred to a hospital or other appropriate facility under the circumstances described in this section, the other person may continue to occupy the Residence or the Health Center under the terms of this Agreement as the first person. We are not responsible for any charges related to such transfer or relocation to a hospital or other appropriate facility.

10. MISCELLANEOUS PRO-VISIONS WITH RESPECT TO YOUR RESIDENCE.

10.1 Use of Residence. The Residence is for living only and shall not be used for carrying on any business or profession, nor in any manner in violation of zoning restrictions. This Agreement is not a lease, and entitles you only to the lifetime use of the Residence and other amenities of StoneRidge and to available services, subject to the terms and conditions of this Agreement.

10.2 Occupants of Residence. Except as hereinafter provided, no person other than you (or both of you if there are two of you) may occupy the Residence except with our express written approval. In the event that a second person who is not a party to this Agreement wishes to be accepted for residency under this Agreement, after the date we execute this Agreement, said second person's acceptance will be based upon our then-current Residency Policy. If accepted, payment of the then-current Second Person Fee (if applicable) as determined by us, and payment of the then-current additional Monthly Charges for second persons shall be due. If such second person does not meet the requirements for residency, such second person will not be permitted to occupy the Residence for more than 30 days (except with our express written approval).

10.3 Emergency Entry and Relocation. We may enter your Residence should it be necessary in an emergency to protect your health or safety or the health or safety of other residents. Should it be necessary to modify facilities to meet the requirements of any applicable law or regulation which necessitate temporarily vacating your Residence, we will provide alternate facilities for you without Extra Charge within or outside StoneRidge. Further, if relocation is recommended by the Medical Director or your attending physician, we will request that you relocate to another Residence within StoneRidge or to the Health Center for the protection of your health or safety or for the health or safety of the other residents of StoneRidge. SRSC recognizes your right to participate in making decisions about a permanent move to assisted living or skilled nursing.

10.4 Furnishings. Furnishings within the Residence will be provided by you except as listed in Sections 1.13, 1.14, and 1.15. Furnishings provided by you shall not interfere with the health or safety of you or other residents or others.

10.5 Alterations by You. You may undertake alterations to your Residence with our prior written approval as set forth in a separate Residence Modification Agreement.

10.6 Refurbishment. Customary and normal refurbishment costs of your Residence will be borne by all residents of StoneRidge as part of the Monthly Fee. Any necessary refurbishment costs beyond those which are customary and normal are your responsibility and will be offset against any amount of the Entrance Payment that is repayable. Further, should you relocate to another residence in StoneRidge, you may be subject to a transfer fee as set forth in our current Residence Transfer Policy.

10.7 Non-Smoking Policy. Smoking is prohibited everywhere on its campus. Smoking is not allowed in your Residence, or anywhere else in the building. Because smoking is not allowed in any interior spaces, including your Residence, damage to the Residence caused by smoking by you or your visitors is not considered normal wear and tear and will be charged for accordingly.

11. AMENDMENTS.

11.1 This Agreement. This Agreement may be amended by agreement of the parties to this Agreement (subject to any necessary regulatory approval). No

amendment of this Agreement will be valid unless in writing and executed by you and us.

11.2 All Agreements. In addition, with the approval of (i) at least 67% of the residences with one vote per residence who have this type of residency agreement in StoneRidge, and (ii) us, all residency agreements of this type, may be amended in any respect; provided, however, that no such amendment shall:

11.2.1 Reduce the aforesaid percentage of residences which is required to consent to any such amendment; or

11.2.2 Permit the preference or priority of any residence over any other residence without the consent of each residence.

Upon our approval and upon our receipt of evidence of the approval of at least 67% of the residences with one vote per residence, such amendment shall be effective and any designated residency agreements, which may include this Agreement, shall automatically be amended. Accordingly, any of the terms of this Agreement may be amended, including the scope and type of services provided, upon our approval and approval of at least 67% of the residences with one vote per residence.

11.3 Law Changes. This Agreement may be modified by us at any time in order to comply with applicable federal or state laws or regulations.

If you need additional services, you can obtain these needed services from a private employee, an independent contractor, or through an agency ("Personal Service Provider"). In such instances, we strongly advise you to obtain these needed services from a licensed and/or certified home health agency. In any event, you must comply with our policy regarding Personal Service Providers and ensure that he/she/they complies with our policies and rules of conduct as set forth in our Personal Service Provider Policy. If you fail

to follow or enforce the rules set forth in the Personal Service Provider Policy, then we may elect at our sole option to cancel this Agreement.

12.3 Resident Representations. By executing this Agreement, you represent and warrant that: (i) you will be least 62 years of age or older at the time of residency or you will share your Residence with another person who will be 62 years of age or older at the time of residency; (ii) you are capable of living in your Residence in accordance with StoneRidge Residency Policy; (iii) you have assets and income which are sufficient under foreseeable circumstances and after provision for payment of your obligations under this Agreement to meet your ordinary and customary living expenses after assuming occupancy; and (iv) all written representations made to us with respect to such matters by you or on your behalf during the residency process are true.

The Glossary which sets forth the definitions of certain terms used in this Agreement is by this reference incorporated herein and made a part of this Agreement.

12.7 Capacity. This Agreement has been executed by our duly authorized agent, and no member, officer, director, agent, or employee of ours shall have any personal liability to you hereunder under any circumstances. This Agreement will become effective upon acceptance and execution by us.

12.8 Residents. When Resident consists of more than one person, the rights and obligations of each are joint and several, except as the context of this Agreement otherwise requires.

12.9 Nature of Rights. You understand and agree that (i) this Agreement or your rights (including the use of the Residence) under it may not be assigned, and no rights or benefits under this Agreement shall inure to the benefit of your heirs, legatees, assignees, or representatives, except as to repayment of the amounts described in Section 7; (ii) this Agreement and your contractual right to occupy StoneRidge will exist and continue to exist during your lifetime unless canceled as provided herein; (iii) this Agreement grants you the right to occupy and use space in StoneRidge but does not give you exclusive possession of the Residence against us; (iv) you will not be entitled to any rights of specific performance but will be limited to such remedies as set forth herein and as provided by continuing care law; (v) this Agreement is not a lease or easement and does not transfer or grant you any interest in real property that comprises StoneRidge; and (vi) this Agreement grants to us complete decision-making authority regarding the management and operation of StoneRidge.

12.10 Release. We are not responsible for loss of or damage to your personal property, unless such loss or damage is caused by our negligence or the negligence of our agents or employees, and you hereby release us from any such liability. You may want to obtain, at your own expense, insurance to protect against such losses.

12.12 Force Majeure. The occurrence of an event which materially interferes with the ability of Community to perform its obligations or duties hereunder which is not within the reasonable control of Community or any of its Affiliates, and which could not with the exercise of diligent efforts have been avoided ("Force Majeure Event"), including, but not limited to, war, rebellion, natural disasters (including floods, earthquake, fire, hurricanes, windstorms, tornadoes), accident, strike, riot, civil commotion, act of God, pandemic, epidemic, outbreak of infectious diseases or other public health crisis, including quarantine or other employee restrictions, acts of authority or change in Law, shall suspend such performance during the Force Majeure Event. notice of the termination thereof. Community shall use diligent efforts to avoid or remove such causes of non-performance as soon as it is reasonably practicable, in compliance with all applicable law and consistent with reasonably prudent business practice. Community shall not be liable to Resident for any default, breach or damages arising out of or relating to the suspension or termination of any of its obligations or duties under this Agreement by reason of the occurrence of a Force Majeure Event, provided Community complies in all material respects with its obligations under this Section.

12.13 Entire Agreement. This Agreement and any addenda or exhibits hereto contain our entire understanding with respect to your residency.

12.14 Tax Considerations. Each person considering executing this Agreement should consult with his or her tax advisor regarding the tax considerations associated with this Agreement.

12.15 Intentionally omitted.

12.16 Transfers. We may from time to time issue additional equity interests or sell or transfer interest in StoneRidge, provided that, in such later event, the buyer will agree to assume this Agreement and all other existing Residency Agreements. In addition, we may sell or otherwise transfer the land or other portions of StoneRidge. Your signature hereto constitutes your consent and approval to any such future transfer.

12.17 Responsible Party. You agree to execute and deliver to us within 60 days after assuming occupancy in your Residence, a Durable Power of Attorney, trust documents, or other documentation naming a responsible party for business and financial decision-making. These documents should be drafted to remain effective notwithstanding your incompetence or disability and will be in a form acceptable to us. You agree to keep such documents in effect as long as this Agreement is in effect. The person(s) named as your responsible party will not be a person(s) employed by us or any other entity engaged in the management of StoneRidge.

12.18 Funeral and Burial Services. No funeral or burial services or expenses are provided by us pursuant to this Agreement.

12.19 Arbitration. It is understood that any and all disputes between the Resident and StoneRidge, its owners, operators, officers, directors, administrators,

staff, employees, agents, and any management and administrative services company, and all related entities and individuals, their staff, personnel, employees, owners, officers, directors, members, and agents that provide services to the Community that relates to the provision of care, treatment and services the Community provides to the Resident, including any action for injury or death arising from intentional torts, statutory causes of action, negligence, and medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered shall be determined by submission to binding arbitration and not by lawsuit or resort to court process. This provision shall be binding for any and all disputes arising out of the Resident's Residency Agreement and/or the Resident's residency at the Community, except for disputes pertaining to collections or evictions. This provision is binding on all parties hereto, including the Community, the Resident, the Resident's representatives, agents, responsible party, conservators, executors, family members, successors in interest and heirs, as well as anyone who may have a claim arising out of the Resident's Residency Agreement and/or the Resident's residency at the Community.

If this Agreement is signed by someone other the Resident, including the Resident's representative, agent, responsible party, conservator, executor, family member, successor in interest and heir said person is doing so not only in their representative capacity for the Resident, but also in their individual capacity and thus agree that any and all claims brought individually by any such person(s) are also subject to binding arbitration.

The parties to this Agreement are giving up their Constitutional right to have any and all disputes decided in a court of law before a jury, and instead are accepting the use of binding arbitration. By signing this Agreement, the parties waive their right to commence and/or be a party to any class or collective action in any court against the other party relating in any manner to the Resident's residency at the Community. Further, the parties waive their right to commence or be a party to any group, class, or collective action claim in arbitration or any other forum.

Submitting to this provision is not a precondition to receiving medical treatment, care, services and/or for admission to the Community and is not a requirement to continue to receive medical treatment, care, and services at the Community. You may rescind your agreement to arbitrate by written notice to the Community within thirty (30) days of signature. This agreement to arbitrate shall not

be discharged by the death of any party hereto, nor by the termination of the Residency Agreement, nor by the Resident ceasing to reside at the Community.

This provision shall have retroactive effect. It is agreed by and between the parties hereto that this provision covers services rendered before the date this contract is signed, thus making this provision effective as of the date of the Resident's first admission to the Community.

This Agreement relates to the Resident's admission to the Community and the Community participates in Medicare programs and/or procures supplies from out of state vendors. The parties, therefore, agree that the underlying admission to the Community involves interstate commerce. The parties further agree that this arbitration provision is to be governed by the Federal Arbitration Act and the procedural rules set forth in the Federal Arbitration Act (9 U.S.C. Sections 1-16) shall govern any petition to compel arbitration and shall preempt any inconsistent State law. While the parties agree that this provision shall be governed by the procedural rules set forth in the Federal Arbitration Act, the parties further agree that the substantive law of the State where the Community is located shall apply to any and all claims.

The parties desire to have any and all disputes submitted to binding arbitration and do not want any claims not subject to arbitration to impede any and all other claims from being ordered to binding arbitration.

The parties are to mutually agree on the appointment of a single neutral arbitrator who routinely conducts mediations and/or arbitrations in the State where the Community is located and agree that discovery will be conducted pursuant to the discovery rules set forth by the arbitrator. Should the parties be unable to mutually agree upon the appointment of a single neutral arbitrator the Federal Arbitration Act shall govern the appointment of the arbitrator. The arbitration shall be venued in a location convenient for all parties, normally the county or region where Community is located.

The expenses and fees of the arbitrator shall be apportioned equally among all parties except as otherwise permitted or required by law.

If any portion of this provision is held invalid, such holding shall not impact the validity of the remaining content of this provision. Any such invalid portion shall be severed from this provision.

The Resident and/or the person executing this Agreement certifies that he/she has read this provision, understands this provision, it has been explained to them in a manner he/she understands, has been given a copy of this provision, and affirmatively represents that he/she is duly authorized by virtue of the Resident's consent, instruction and/or durable power of attorney, to execute this Agreement and accept its terms on behalf of the Resident and acknowledges that the Community is relying on the aforementioned certification. Further, if the person executing this Agreement is someone other than the Resident, you knowingly do so not only in your representative capacity for the Resident, but also in your individual capacity and thus agree that any and all claims brought individually by you are also subject to binding arbitration.

12.20 Acknowledgment of Receipt of Documents. You hereby certify that you (i) received a copy of this Agreement, (ii) received a copy of our most current Disclosure Statement, and (iii) have been permitted to inspect any additional relevant materials requested to be reviewed by you or your representatives prior to executing this Agreement. If there are two of you and one of you requires Health Center Care Services beyond the 90 cumulative days, your monthly fees will depend upon whether one or two of you require Health Center Care Services and whether you choose to release or retain your Residence.

3.1 Retain Residence When There are Two of You and Only One of You Requires Care. If there are two of you and one of you requires Health Center Care Service, you shall pay the Monthly Fee for the Residence and the charges for care in the Health Center. Beyond the 90 cumulative days, you will receive a 10% discount on the per diem charge for your care in the Health Center. The second person Monthly Fee for the Residence shall cease.

3.2 Retain Residence When Two of You Require Health Center Care Services. If there are two of you who require Health Center Care Services and you choose to retain your Residence, the then-current first person and second person Monthly Fees will continue. You will also pay the charges for care in the Health Center. Beyond the 90 cumulative days, you will receive a 10% discount on the per diem charge for your care in the Health Center. In addition, you shall receive a meal credit for your absence in the Residence.

3.3 Release Residence When Two of You Need Assisted Living Memory Care or Nursing Care. If you choose to release your Residence for occupancy by someone else, you will pay the charges for care in the Health Center. Beyond the 90 cumulative days, you will receive a 10% discount on the per diem charge for your care in the Health Center. The first and second person Monthly Fees for your Residence will cease upon the date all your furniture and other property have been removed from your Residence. If removal of your furniture and other property is not accomplished within 30 days of your determination to release your Residence, we may remove and store your furniture and other property at the expense and risk of you or your estate.

4. Alternate Accommodations. You shall be given priority over non-residents for admission to the Health Center. In the event you need assisted living memory care or nursing care and the Health Center is fully occupied, you will be provided care at another comparable health care facility. Upon your relocation, you shall

continue to be responsible for the charges set forth in the Residency Agreement and this Exhibit B herein. To the extent we would be liable for your care and accommodations in the Health Center under this Agreement, we will be responsible for the charges associated with alternate Health Center Care Services. Such accommodations will be comparable to that provided at the Health Center. You agree to relocate to the Health Center when a suite becomes available. However, should you need care which SRSC is not licensed to provide or which the Health Center does not have the appropriately trained staff to provide, or does not routinely provide, you agree to relocate to a facility that can provide you with the appropriate level of care. We will not be responsible for the charges for this higher level of care or private duty care.

5. Return to Residence. If you release your Residence because you have moved to the Health Center, and if later you are able, in the opinion of the Medical Director or your attending physician with the concurrence of the Medical Director, to return to a Residence, we will provide you a Residence of the same type as your previous Residence as soon as one becomes available. Upon reoccupying a Residence, your Monthly Fee will be based on the then-current Monthly Fee for the Residence.

6. Medical Director and Ancillary Services. A member in good standing of the New London County Medical Association will be designated to act as Medical Director for StoneRidge. You will be at liberty to engage the services of the Medical Director or the services of a physician of your choice at your own expense. We will not be responsible for the charges for medical treatment by the Medical Director, or any other physician, nor will we be responsible for the charges for medicine, drugs, prescribed therapy, and other similar services and supplies. In the event we incur or advance charges for your medical treatment or for medicine, drugs, prescribed therapy, pharmaceutical supplies, personal laundry, rental of equipment, and other similar services and supplies, you will reimburse us for such charges.

7. Non-Resident Use of the Health Center SRSC will offer Health Center Care Services in the Health Center to qualified non-residents for a fee, to the extent suites are available and as allowed by Connecticut law. However, Residents of StoneRidge will be given priority access to available suites.

8. Long-Term Care Insurance. We will use reasonable efforts to assist you in working with your long-term care insurance provider to obtain the benefits to which you may be entitled.

9. Health Care Outside StoneRidge. In the event you receive care, or choose to receive care at another health care facility not designated by us, we will not be responsible for the charges incurred there by you.

10. Assisted Living Residency Agreement or Health Center Admission Agreement. If you require Health Center Care Services in the Health Center, you agree to enter into a separate Assisted Living Residency Agreement or Health Center Admission Agreement based on the type of care needed. The Agreement to be executed by you or your designated party and SRSC will be available for your review prior to move-in.

11. Under Age 62. Pursuant to our Residency Policy, if you are under age 62 when you occupy a Residence under this Agreement, you shall be entitled to care in the Health Center. However, you will be charged the then-current per diem rate being charged to non-residents until you attain the age of 62.

[NOTE: Sections 12 through 13.5 are applicable only to rehabilitative care and nursing care offered in the Health Center.]

12. Supplemental Insurance. You are required to maintain Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage acceptable to us to assure your ability to fully cover a Medicare-qualified stay in the Health Center. Such supplemental insurance should cover Medicare co-insurance and deductibles. You shall furnish to us such evidence of coverage as we may from time to time request. Should your supplemental health insurance or equivalent coverage not fully cover a Medicare-qualified stay in the Health Center, or should you fail to purchase supplemental health insurance or equivalent coverage to fully cover a Medicare-qualified stay in the Health Center, you shall be financially responsible for paying to SRSC deductibles, co-insurance amounts, and any other charges for each Medicare-qualified stay in the Health Center. If you are eligible to receive the discount provided in Sections 1, 2 or 3 of this Exhibit B, as applicable, and your stay in the Health Center is a Medicare-qualified stay, such discount will be applied after the expiration of your Medicare-qualified stay providing you have Medicare Part A, Medicare Part B, and acceptable supplemental health insurance or equivalent insurance coverage. If failure to maintain Medicare Part A, Medicare Part B, or supplemental health insurance is causing depletion of your resources and impairs your ability to meet your financial obligations, we need not defer your financial obligations as provided in Section 9.2 of the Agreement, and we retain the right to revoke your entitlement to reside at

StoneRidge and we retain the right to cancel this Agreement as provided in Section 9 of the Agreement.

13. Managed Care. If you have chosen to participate in a managed care program as an alternative to Medicare Part A, Medicare Part B, and supplemental insurance coverage, the terms governing Health Center care will be as follows:

13.1 Participating Provider. If we are a participating provider with your managed care program and your stay is a Medicare-qualified stay, we will agree to accept, as full payment, reimbursement at the rate we negotiate with your managed care program. Such a managed care stay in the Health Center will not reduce the discounts that you are eligible to receive pursuant to Sections 1, 2 or 3 of this Exhibit B, as applicable.

13.2 Not a Participating Provider. If we are not a participating provider with your managed care program and you choose to receive health care services at a managed care participating provider during a Medicare-qualified stay, then you understand and agree that you must relocate for as long as necessary for those services, and be responsible for all charges for those health care services. In addition, while receiving health care services at the managed care participating provider, you understand and agree that unless this Agreement is cancelled, you will continue to pay the Monthly Fee for your Residence. Such a Medicare-qualified stay at a managed care participating provider other than StoneRidge will not reduce the discounts that you are eligible to receive pursuant to Sections 1, 2 or 3 of this Exhibit B, as applicable. If we are unable to negotiate an acceptable rate and you choose to receive Health Center Care Services in the Health Center, you agree to be responsible for all charges for care in the Health Center, as set forth in Section 13.4 of this Exhibit B.

13.3 Negotiated Managed Care Rate. If we are not a participating provider in your managed care program and you would still like to receive health care services in the Health Center during a Medicare-qualified stay, we will attempt to negotiate an acceptable reimbursement rate with your managed care program. If we are able to negotiate an acceptable rate, we will agree to accept as full payment the rate provided by your managed care program. Such a managed care stay in the Health Center will not reduce the discount towards the per diem charge that you are eligible to receive pursuant to Sections 1, 2 or 3 of this Exhibit B, as applicable.

13.4 No Negotiated Managed Care Rate. If we are not a participating provider in your managed care program and a negotiated rate is not agreed upon

between us and your managed care program and you would still desire to receive health care services in the Health Center during a Medicare-qualified stay, then each day of your stay in the Health Center will be paid pursuant to Sections 1, 2 or 3 of this Exhibit B, as applicable. If you choose to retain your Residence, the Monthly Fee for your Residence will continue. In addition, you will pay meal charges for meals that are in excess of those provided for by the Monthly Fees at the then-current charges for meals and any additional services as described in Section 6 of this Exhibit B.

13.5 Post Medicare-Qualified Stay. At the conclusion of each such Medicare-qualified stay, you will be entitled to health care services in the Health Center in accordance with the terms of this Agreement other than as set forth in this Section 13, as adjusted to reflect any reduction during such stay in the discounts that you are eligible to receive as provided in Sections 1, 2 or 3 of this Exhibit B, as applicable.

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Mystic CT Senior Holdings, LLC, which comprise the consolidated balance sheets as of December 31, 2023 and 2022, and the related consolidated statements of operations, member's equity, and cash flows for the year and period then ended, and the related consolidated notes to the financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Mystic CT Senior Holdings, LLC, as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the year and period then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Mystic CT Senior Holdings, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mystic CT Senior Holdings, LLC's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mystic CT Senior Holdings, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mystic CT Senior Holdings, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

YEAR ENDED DECEMBER 31, 2023 AND PERIOD FROM

NOTE 1 ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Organization

Mystic CT Senior Holdings, LLC (HoldCo), a Delaware limited liability company, was formed on March 9, 2016. HoldCo owns a 100% interest in Stoneridge Senior Care, LLC (OpCo), a Delaware limited liability company, and Mystic CT Senior Property, LLC (PropCo), a Delaware limited liability company. StoneRidge JV LLC (the Parent), a Delaware limited liability company formed on March 15, 2022, owns a 100% interest in HoldCo. LCS Milwaukee I LLC (LCSM), an Iowa limited liability company (the Managing Member), owns a 10% interest, RCI Senior Living Real Estate, LLC owns a 75% interest, and MPM StoneRidge JV Investors, LLC owns 15% interest in the Parent, collectively the Capital Balance Members. The Company holds title to and operates a continuing care retirement community (dba: StoneRidge) in Mystic, Connecticut (the Community).

Use of Estimates

Due to normal business uncertainties, management must estimate some information included in the consolidated financial statements presented in conformity with accounting principles generally accepted in the United States of America. Actual results could, and probably will, differ from those estimates. Due to the uncertainties inherent in such estimates, it is at least reasonably possible that the estimates could change materially in the near term.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of HoldCo, PropCo, and OpCo, collectively, the Company. Intercompany transactions and balances have been eliminated in the preparation of the accompanying consolidated financial statements.

Cash and Cash Equivalents

The Company considers investments with maturities of three months or less when purchased to be cash equivalents.

Accounts Receivable

Accounts receivable are reported net of an allowance for credit losses to represent the Company's estimate of expected losses at the consolidated balance sheet date. The adequacy of the Company's allowance for credit losses is reviewed on an ongoing basis using analyses of receivable portfolios by payor source and receivable aging, a review of specific accounts, as well as expected future economic conditions and market trends. Adjustments are made to the allowance as necessary.

Assets Limited as to Use or Restricted

Entrance Payments, prior to occupancy, are held in escrow and invested in shares of a money market fund. These funds remain the property of the prospective residents unless and until available to be released to the Company as provided for in the escrow agreement. The amount of the escrowed Entrance Payments at December 31, 2023 and 2022 was \$2,016,393 and \$901,327, respectively, and is classified as current assets.

YEAR ENDED DECEMBER 31, 2023 AND PERIOD FROM
JUNE 15, 2022 (INCEPTION) TO DECEMBER 31, 2022

NOTE 1 ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Assets Limited as to Use or Restricted (Continued)

The Reserve Fund Escrow, as required by the state of Connecticut, is to be equal to at least one month's cash operating costs of the Community, plus six month's debt service. To satisfy this reserve requirement, the state of Connecticut allows for an alternative approach if a community has to comply with days cash on hand (DCOH) covenant on any outstanding loan obligations. The Company has a DCOH covenant requirement in the Term Loan Agreement and is in compliance with the covenant as of December 31, 2023 and 2022. Therefore, the Company meets the state requirement for the reserve fund escrow through this alternative approach. The Company still maintains a Reserve Fund Escrow with restricted funds in the amount of \$2,359,251 and \$2,257,865 at December 31, 2023 and 2022, respectively.

The Health Center Reserve, voluntarily established by OpCo in the amount of \$500,000, is to secure a portion of the loans of the residents who are permanently assigned to the health center. In 2023 the Company determined the reserve was no longer necessary, and all funds in the account were released from restrictions to be used in operations. The amount of the Health Center Reserve at December 31, 2023 and 2022 was \$-0- and \$500,000, respectively.

Assets limited as to use or restricted are all invested in cash and cash equivalents.

Operating Property

Operating property acquired was accounted for at fair value in accordance with accounting guidance for purchase accounting. Operating property acquired after inception is carried at cost. Depreciation is being computed by the straight-line method over the estimated useful lives of the respective assets.

Goodwill

Goodwill represents the excess of purchase price over the underlying assets acquired. Goodwill of \$29,412,161 as of December 31, 2023 and 2022 is being amortized over ten years. Accumulated amortization related to goodwill was \$4,647,141 and \$1,704,763 as of December 31, 2023 and 2022, respectively. Amortization expense was \$2,942,378 and \$1,704,763 for the year and period ended December 31, 2023 and 2022, respectively.

Intangible Asset

As part of the Acquisition, an intangible asset with a value of \$14,540,000 related to in-place resident relationships was recorded. The balance is being amortized on a straight-line basis over a 94-month period, which is the average estimated remaining life of the acquired resident contracts. Amortization expense for the in-place resident contracts was \$1,856,170 and \$1,082,766 for the year and period ended December 31, 2023 and 2022, respectively. Future amortization expense is \$1,856,170 for each of the years ended December 31, 2024 through 2029, and \$464,044 for the year ended December 31, 2030.

NOTE 1 ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cost of Acquiring Contracts

Cost of acquiring contracts are incremental costs incurred in obtaining a Residency Agreement that would not have been incurred had the Residency Agreement not been obtained. Costs are associated with individual agreements and amortized based on the remaining life expectancy of those residents. Cost of acquiring contracts were \$463,176 and \$182,183 as of December 31, 2023 and 2022, respectively. Accumulated amortization was \$40,102 and \$4,940 as of December 31, 2023 and 2022, respectively. Amortization expense was \$52,963 and \$4,940 for the year and period ended December 31, 2023 and 2022, respectively.

Income Taxes

The Company is not subject to income taxes. Each Capital Balance Member is taxed on its share of the Company's taxable income, whether or not distributed, and reports on its tax return, its share of any net income or loss of the Company. As a consequence, no provision is made in these consolidated financial statements for income taxes, or penalties and interest thereon.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Company and recognize a tax liability (or asset) for an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has evaluated their material tax positions and determined there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in these consolidated financial statements. The Company is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Revenues

The resident pays an Entrance Payment, net of funds previously escrowed, consisting of a First Person Fee (and Second Person Fee, if applicable) and a Loan. The First Person Fee is recorded as deferred revenue and is amortized into income over the estimated life expectancy of the residents, adjusted annually based on the actuarially determined life expectancy of the individuals occupying the unit.

The resident pays a working capital fee equal to the then-current monthly fee (described below). When the right to access a residential unit is established, this one-time nonrefundable fee is recognized as income. Its use is restricted for purposes specified in the Residency Agreements.

Residents pay a monthly fee, determined annually. The Residency Agreements provide that residents pay the funds required to operate the Community, which includes all operating expenses, debt service for nonresident debt, repairs and replacements, capital improvements, and working capital. The monthly fee may only be used for purposes specified in the Residency Agreements.

NOTE 1 ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenues (Continued)

Resident revenue is reported at the amount that reflects the consideration to which the Company expects to be entitled in exchange for providing resident services. These amounts are due from residents, third-party payors (including health insurers and government programs), and others and includes variable consideration for retroactive revenue adjustments due to settlement of audits, reviews, and investigations. Revenue is recognized as performance obligations are satisfied, and the resident receives and controls the good or service.

Performance obligations are determined based on the nature of the services provided by the Company. Revenue for performance obligations satisfied over time is recognized based on actual charges incurred in relation to total expected (or actual) charges. The Company believes that this method provides a faithful depiction of the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligation. Generally, performance obligations satisfied over time relate to residents in the community. The Company measures the performance obligation from admission into the community, to the point when it is no longer required to provide services to the resident, which is generally at the time of death or move-out.

Health Care Revenues

The Company has agreements with third-party payors that provide for payments to the Company at amounts different from the Company's established rates. Payment arrangements include prospectively determined per diem payments. Revenue is recognized as performance obligations are satisfied. Health care revenues are reported at the transaction price based on standard charges for goods and services provided, reduced by contractual adjustments provided to third-party payors and implicit price concessions provided to residents. See Note 7 for additional information on health care revenues.

The opening and closing balances were as follows:

	<u>Accounts Receivable</u>	<u>Deferred Revenue</u>
Balance as of January 1, 2022	\$ -	\$ -
Balance as of December 31, 2022	672,682	28,871,489
Balance as of December 31, 2023	486,180	33,016,157

Obligation to Provide Future Services

The Company periodically calculates the present value of the net cost of future services and use of facilities to be provided to current residents, which is compared to the balance of deferred entrance fees and estimated future monthly service fees. If the present value of the net cost of future services and use of facilities exceeds the deferred entrance fees and estimated monthly service fees, a liability is recorded (obligation to provide future services and use of facilities) with the corresponding charge to income. As of December 31, 2023 and 2022, there was no need to record a liability for an obligation to provide future services and use of facilities.

Recent Accounting Pronouncements

In June 2016, the Financial Accounting Standards Board issued ASU 2016-13, *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments* which replaces the current incurred loss impairment methodology for credit losses with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates. The Company adopted this standard effective January 1, 2023, with no material effect on the consolidated financial statements.

NOTE 2 ACQUISITION

Effective June 15, 2022, StoneRidge JV LLC acquired the Company. The operating results of the acquired business are reflected in the Company's consolidated statements of operations from the acquisition date forward.

The transaction was accounted for under acquisition method of accounting with the individual assets acquired and liabilities recorded at their fair value as of the date of the acquisition. The fair value of goodwill and intangible assets was determined by an external valuation process. The discount rate used on the resident contract liability was 5.5%.

The purchase price amounts were allocated as follows:

NOTE 4 RESIDENCY AGREEMENTS

As part of the acquisition of operations of the Community on June 15, 2022, the Company acquired existing resident contracts. Included in resident contracts are multiple contract types with repayment of the Entrance Payments made in accordance with the terms of the loan agreements. The resident contract liability has been recorded at fair value at the time of the acquisition. Interest accretion on acquired contracts is recorded over the average remaining life expectancy of the residents or until repaid, if sooner.

After June 15, 2022, the Company has entered into Residency Agreements (Agreements) with residents and prospective residents of the Community. The Agreements provide for the lifetime use, under certain conditions, of a living unit upon receipt of an Entrance Payment consisting of a First Person Fee (and Second Person Fee, if applicable) and a Loan. The Entrance Payment is deposited in an escrow account and will be released to the Company only after the occurrence of certain events as described in the Agreements. Prior to occupancy, Entrance Payments are refundable, subject to limitations in the Agreements. The amount of Entrance Payments that were escrowed and refundable at December 31, 2023 and 2022 was \$2,016,393 and \$901,327, respectively.

At the time of occupancy, the portion of the Entrance Payment that is ultimately nonrefundable is recorded as deferred revenue and is amortized to revenue as described in Note 1.

The Agreements also provide for the occupants to pay a monthly fee.

Performance obligations are determined based on the nature of the services provided by the Company. Performance obligations satisfied over time can vary throughout the life of the Residency Agreement depending on the resident's care setting. Generally, performance obligations to residents in independent living can include housing and other services, such as access to common areas, meals at dining venues, planned activities and events, housekeeping, and security.

NOTE 4 RESIDENCY AGREEMENTS (CONTINUED)

Performance obligations for all other care settings have a component of health care, which is discussed in more detail in Note 1. The Company measures the performance obligation from admission into the community, to the point when it is no longer required to provide services to that resident, which is generally at the time of death or move-out.

The Agreements also provide that at occupancy or within a period of time as defined in the Agreements, the resident will make a Loan to the Company. The Loans bear no interest and shall be repaid 36 months from the vacancy date or upon re-occupancy, whichever occurs first. If internal transfers occur the repayment is tied to the last vacant unit. The Loans of all residents will be secured by a mortgage on the real estate owned by the Company and will be subject to certain permitted encumbrances.

NOTE 6 TERM LOAN PAYABLE, NET OF UNAMORTIZED FINANCING COSTS (CONTINUED)

As of December 31, 2023, approximate aggregate maturities of the Term Loan Payable are as follows:

<u>Year Ending December 31,</u>	<u>Amount</u>
2024	\$ -

Total	<u>59,512,500</u>
Less: Unamortized Financing Costs	(241,010)
Total	<u><u>\$ 59,271,490</u></u>

Financing costs represent expenses incurred in obtaining long-term financing. These costs are being amortized over the term of the agreement by the straight-line method as an approximation of the effective interest method. Financing costs of \$311,460 as of December 31, 2023 and 2022 are being amortized over the life of the loan. Accumulated amortization related to the financing costs was \$70,450 and \$25,956 as of December 31, 2023 and 2022, respectively. Interest expense related to the amortization was \$44,494 and \$25,956 for the year and period ended December 31, 2023 and 2022, respectively.

The Term Loan Agreement is secured by substantially all assets of the Company, including all entrance payments without limitation. The Term Loan Agreement includes various restrictive covenants requiring adherence to be in compliance with its terms.

NOTE 7 HEALTH CARE REVENUES

Agreements with third-party payors typically provide for payments at amounts less than established charges. A summary of the payment arrangements with major third-party payors follows:

Medicare

The Company participates in the Medicare program. This federal program is administered by the Centers for Medicare and Medicaid Services (CMS). The Company is paid under the Patient Driven Payment Model (PDPM) for residents who are Medicare Part A eligible and meet the coverage guidelines for skilled nursing services. Under PDPM, the basis for reimbursement is determined by the underlying complexity and clinic needs of a patient. In addition, PDPM utilizes variable adjustment factors that change reimbursement rates during the resident's length of stay.

NOTE 7 HEALTH CARE REVENUES (CONTINUED)

Other

Payment agreements with certain commercial insurance carriers, health maintenance organizations, and preferred provider organizations provide for payment using prospectively determined daily rates.

Laws and regulations concerning government programs, including Medicare, are complex and subject to varying interpretation. As a result of investigations by governmental agencies, various health care organizations have received requests for information and notices regarding alleged noncompliance with those laws and regulations, which, in some instances, have resulted in organizations entering into significant settlement agreements. Compliance with such laws and regulations may also be subject to future government review and interpretation as well as significant regulatory action, including fines, penalties, and potential exclusion from the related programs. There can be no assurance that regulatory authorities will not challenge the Company's compliance with these laws and regulations, and it is not possible to determine the impact (if any) such claims or penalties would have upon the Company. In addition, the contracts the Company has with commercial payors also provide for retroactive audit and review of claims.

Settlements with third-party payors for retroactive adjustments due to audits, reviews or investigations are considered variable consideration and are included in the determination of the estimated transaction price for providing patient care. These settlements are estimated based on the terms of the payment agreement with the payor, correspondence from the payor and the Company's historical settlement activity, including an assessment to ensure that it is probable that a significant reversal in the amount of cumulative revenue recognized will not occur when the uncertainty associated with the retroactive adjustment is subsequently resolved. Estimated settlements are adjusted in future periods as adjustments become known (that is, new information becomes available), or as years are settled or are no longer subject to such audits, reviews, and investigations. Adjustments arising from a change in an implicit price concession impacting transaction price, were not significant in 2023 or 2022.

Generally, residents who are covered by third-party payors are responsible for related deductibles and coinsurance, which vary in amount. The Company estimates the transaction price for residents with deductibles and coinsurance based on historical experience and current market conditions. The initial estimate of the transaction price is determined by reducing the standard charge by any contractual adjustments and implicit price concessions. Subsequent changes to the estimate of the transaction price are generally recorded as adjustments to health care revenue in the period of the change.

Subsequent changes that are determined to be the result of an adverse change in the Resident's ability to pay are recorded as bad debt expense.

Health care revenues from the Medicare program accounted for approximately 26% and 24% of the total health care revenues in 2023 and 2022, respectively. Revenues from the Medicare program accounted for approximately 7% and 8% of total revenues in 2023 and 2022, respectively.

NOTE 8 EMPLOYEE RETIREMENT BENEFIT PLAN

Available to all eligible employees of LCE, is a defined contribution employee retirement benefit plan (the Plan). The Company accrued matching contributions of \$191,722 and \$88,311 for the year and period ended December 31, 2023 and 2022 to be remitted to the Plan in 2024 and 2023, respectively. The Plan matches 100% of the first 3% of the participant's eligible contributions plus 50% of the next 2% of eligible contributions.

NOTE 9 COMMITMENTS AND CONTINGENCIES

The Company, in the normal course of operations, is exposed to risk and involvement in legal actions and proceedings. To the extent available at costs believed reasonable by the Company, it maintains insurance coverages for various types of risk. Based on the Company's past experience, management believes that any legal actions or proceedings will not have a material effect on the financial position of the Company.

Because of the various regulations surrounding government reimbursed medical costs, there can be no assurance that the reimbursements will be equal to or exceed costs to provide such services.

NOTE 10 SUBSEQUENT EVENTS

The Company has evaluated subsequent events through March 5, 2024, the date which the consolidated financial statements were available to be issued. There were no subsequent events requiring accrual or disclosure.
