

Doula Outcoming Reporting Form & Invoice Attachment

Developed for the HUSKY Health Maternity Bundle Payment Doula Integration Toolkit

Background for this document

The Connecticut Department of Social Services (DSS) plans to implement a Maternity Bundle Payment program (called “the bundle” for the remainder of this document) for the HUSKY Health program beginning January 2024 pending federal approval. The bundle is part of DSS’ overarching goal to move toward paying for equitable care in a value-based way. In addition to providing a new payment structure, DSS has allocated additional funds for doula and lactation services as an integral component of the bundle. Doula and lactation support services will be rendered and reimbursed under the medical provider through the

How to use this tool

This outcome reporting form can be used as an attachment to the invoice to indicate specific members the doula has worked with and specific outcomes providers and doulas mutually agree to track. Potential data reporting elements have been listed. Please note a separate sheet should be generated for each member to adhere to the privacy and confidentiality requirements. This data should be transmitted in a secure manner in compliance with HIPAA.

Patient MRN*	Patient Name*	Patient DOB*	HUSKY Health Member number*	Patient primary language spoken	Doula/doula organization official business name	Doula individual name	Doula provider number**	Date of Service	Type of Service***	Place of Service	Other****

Notes

*Medical practice and doula to determine best combination of identifying information to provide; not all fields may be necessary.

** NPI if available.

***Use service description provided in fee schedule, such as "prenatal visit," "postpartum visit," "attendance at birth."

****Additional outcomes such as epidural use, birth outcome, gestational age at time of birth, breastfeeding support, as mutually agreed to be tracked by doula and provider.
