Dear Provider:

Effective July 1, 2023 through June 30, 2024, the following reimbursement rate for State-aided residents in your facility has been determined pursuant to Section 17b-340 of the Connecticut General Statutes, as amended, and the regulations promulgated pursuant thereto:

<u>Rate Period</u>	<u>Licensure</u>	<u>Per Diem</u>
7/1/2023– 6/30/2024	ICF/IID	\$501.00

July 1, 2023 rates include fair rent increases based on fair rental additions reported in the 2022 Annual Report of Long Term Care Facility. Pursuant to Public Act 23-204, rates are increased by 4.5% for the purpose of employee wage and benefit enhancement pursuant to 17b-340(h) and also includes a 2% Legislative adjustment factor. Public Act 22-118, established a minimum per diem rate of \$501, which remains in effect. Facilities under the \$501 minimum per diem rate will receive an increase to the \$501 minimum per diem rate.

Please note, rates are subject to future adjustment for after-discovered differences in cost data which may take place, particularly as the result of field audit. Also please note, as detailed in Public Act 22-118, facilities that receive a rate adjustment for the purpose of wage and benefit enhancements but do not provide increases in employee salaries or benefits on or before July 31, 2022 may be subject to a rate decrease in the same as the amount as the adjustment. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim rate replacement, or other reasons could result in a revision to the rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- (1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email, or delivery of the request; AND
- (2) Send a detailed, written description of all items of grievance **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email, or delivery of the detailed, written description of each specific item of grievance.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of grievance to Theresa.Messner@ct.gov and Paula.Pfistner@ct.gov.

Any questions or correspondence concerning this rate should be directed to Paula J. Pfistner, Principal Cost Analyst, Reimbursement and CON, Department of Social Services at Paula.Pfistner@ct.gov or David.Dettore@ct.gov

Dear Provider:

Effective July 1, 2023 through June 30, 2024, the following reimbursement rate for State-aided residents in your facility has been determined pursuant to Section 17b-340 of the Connecticut General Statutes, as amended, and the regulations promulgated pursuant thereto:

<u>Rate Period</u>	<u>Licensure</u>	<u>Per Diem</u>
7/1/2023– 6/30/2024	ICF/IID	\$528.64

July 1, 2023 rates include fair rent increases based on fair rental additions reported in the 2022 Annual Report of Long Term Care Facility. Pursuant to Public Act 23-204, rates are increased by 4.5% for the purpose of employee wage and benefit enhancement pursuant to 17b-340(h) and also includes a 2% Legislative adjustment factor. Public Act 22-118, established a minimum per diem rate of \$501, which remains in effect. Facilities under the \$501 minimum per diem rate will receive an increase to the \$501 minimum per diem rate.

Please note, rates are subject to future adjustment for after-discovered differences in cost data which may take place, particularly as the result of field audit. Also please note, as detailed in Public Act 22-118, facilities that receive a rate adjustment for the purpose of wage and benefit enhancements but do not provide increases in employee salaries or benefits on or before July 31, 2022 may be subject to a rate decrease in the same as the amount as the adjustment. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim rate replacement, or other reasons could result in a revision to the rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- (1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email, or delivery of the request; AND
- (2) Send a detailed, written description of all items of grievance **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email, or delivery of the detailed, written description of each specific item of grievance.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of grievance to Theresa.Messner@ct.gov and Paula.Pfistner@ct.gov.

Any questions or correspondence concerning this rate should be directed to Paula J. Pfistner, Principal Cost Analyst, Reimbursement and CON, Department of Social Services at Paula.Pfistner@ct.gov or David.Dettore@ct.gov

Dear Provider:

Effective July 1, 2023 through June 30, 2024, the following reimbursement rate for State-aided residents in your facility has been determined pursuant to Section 17b-340 of the Connecticut General Statutes, as amended, and the regulations promulgated pursuant thereto:

<u>Rate Period</u>	<u>Licensure</u>	<u>Per Diem</u>
7/1/2023– 6/30/2024	ICF/IID	\$573.31

July 1, 2023 rates include fair rent increases based on fair rental additions reported in the 2022 Annual Report of Long Term Care Facility. Pursuant to Public Act 23-204, rates are increased by 4.5% for the purpose of employee wage and benefit enhancement pursuant to 17b-340(h) and also includes a 2% Legislative adjustment factor. Public Act 22-118, established a minimum per diem rate of \$501, which remains in effect. Facilities under the \$501 minimum per diem rate will receive an increase to the \$501 minimum per diem rate.

Please note, rates are subject to future adjustment for after-discovered differences in cost data which may take place, particularly as the result of field audit. Also please note, as detailed in Public Act 22-118, facilities that receive a rate adjustment for the purpose of wage and benefit enhancements but do not provide increases in employee salaries or benefits on or before July 31, 2022 may be subject to a rate decrease in the same as the amount as the adjustment. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim rate replacement, or other reasons could result in a revision to the rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- (1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email, or delivery of the request; AND
- (2) Send a detailed, written description of all items of grievance **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email, or delivery of the detailed, written description of each specific item of grievance.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of grievance to Theresa.Messner@ct.gov and Paula.Pfistner@ct.gov.

Any questions or correspondence concerning this rate should be directed to Paula J. Pfistner, Principal Cost Analyst, Reimbursement and CON, Department of Social Services at Paula.Pfistner@ct.gov or David.Dettore@ct.gov

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- (1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email, or delivery of the request; AND

Dear Provider:

Effective July 1, 2023 through June 30, 2024, the following reimbursement rate for State-aided residents in your facility has been determined pursuant to Section 17b-340 of the Connecticut General Statutes, as amended, and the regulations promulgated pursuant thereto:

<u>Rate Period</u>	<u>Licensure</u>	<u>Per Diem</u>
7/1/2023– 6/30/2024	ICF/IID	\$685.85

July 1, 2023 rates include fair rent increases based on fair rental additions reported in the 2022 Annual Report of Long Term Care Facility. Pursuant to Public Act 23-204, rates are increased by 4.5% for the purpose of employee wage and benefit enhancement pursuant to 17b-340(h) and also includes a 2% Legislative adjustment factor. Public Act 22-118, established a minimum per diem rate of \$501, which remains in effect. Facilities under the \$501 minimum per diem rate will receive an increase to the \$501 minimum per diem rate.

Please note, rates are subject to future adjustment for after-discovered differences in cost data which may take place, particularly as the result of field audit. Also please note, as detailed in Public Act 22-118, facilities that receive a rate adjustment for the purpose of wage and benefit enhancements but do not provide increases in employee salaries or benefits on or before July 31, 2022 may be subject to a rate decrease in the same as the amount as the adjustment. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim rate replacement, or other reasons could result in a revision to the rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- (1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email, or delivery of the request; AND
- (2) Send a detailed, written description of all items of grievance **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email, or delivery of the detailed, written description of each specific item of grievance.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of grievance to Theresa.Messner@ct.gov and Paula.Pfistner@ct.gov.

Any questions or correspondence concerning this rate should be directed to Paula J. Pfistner, Principal Cost Analyst, Reimbursement and CON, Department of Social Services at Paula.Pfistner@ct.gov or David.Dettore@ct.gov

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- (1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email, or delivery of the request; AND
