Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$52.56	Per Month:	\$1,598.70
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of aggrievement **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of aggrievement.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of aggrievement to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Any questions or correspondence concerning this rate should be directed to the Department of Social Services, Reimbursement and CON at cida.dss@ct.gov.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of aggrievement **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of aggrievement.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of aggrievement to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Any questions or correspondence concerning this rate should be directed to the Department of Social Services, Reimbursement and CON at cida.dss@ct.gov.

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$34.72	Per Month:	\$1,056.07
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of aggrievement **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of aggrievement.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of aggrievement to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Any questions or correspondence concerning this rate should be directed to the Department of Social Services, Reimbursement and CON at cida.dss@ct.gov.

Sincerely,

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$33.89	Per Month:	\$1,030.82
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of aggrievement **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of aggrievement.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of aggrievement to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Any questions or correspondence concerning this rate should be directed to the Department of Social Services, Reimbursement and CON at cida.dss@ct.gov.

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$53.67	Per Month:	\$1,632.46
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of grievance **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of grievance.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of grievance to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Any questions or correspondence concerning this rate should be directed to the Department of Social Services, Reimbursement and CON at cida.dss@ct.gov.

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$62.71	Per Month:	\$1,907.43
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$27.69	Per Month:	\$ 842.24
-----------	---------	------------	-----------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of aggrievement **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of aggrievement.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of aggrievement to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Any questions or correspondence concerning this rate should be directed to the Department of Social Services, Reimbursement and CON at cida.dss@ct.gov.

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$49.25	Per Month:	\$1,498.02
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of grievance **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of grievance.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of grievance to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Any questions or correspondence concerning this rate should be directed to the Department of Social Services, Reimbursement and CON at cida.dss@ct.gov.

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$37.70	Per Month:	\$1,146.71
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of aggrievement **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of aggrievement.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of aggrievement to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Any questions or correspondence concerning this rate should be directed to the Department of Social Services, Reimbursement and CON at cida.dss@ct.gov.

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$38.86	Per Month:	\$1,181.99
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$89.00	Per Month:	\$2,707.08
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of aggrievement **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of aggrievement.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of aggrievement to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of aggrievement **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of aggrievement.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of aggrievement to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$62.47	Per Month:	\$1,900.13
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of aggrievement **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of aggrievement.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of aggrievement to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Any questions or correspondence concerning this rate should be directed to the Department of Social Services, Reimbursement and CON at cida.dss@ct.gov.

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$36.52	Per Month:	\$1,110.82
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of aggrievement **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of aggrievement.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of aggrievement to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$40.27	Per Month:	\$1,224.88
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of grievance **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of grievance.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of grievance to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Any questions or correspondence concerning this rate should be directed to the Department of Social Services, Reimbursement and CON at cida.dss@ct.gov.

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$59.05	Per Month:	\$1,796.10
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of aggrievement **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of aggrievement.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of aggrievement to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Any questions or correspondence concerning this rate should be directed to the Department of Social Services, Reimbursement and CON at cida.dss@ct.gov.

Sincerely,

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$57.44	Per Month:	\$1,747.13
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of aggrievement **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of aggrievement.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of aggrievement to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of aggrievement **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of aggrievement.

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$42.44	Per Month:	\$1,290.88
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$58.51	Per Month:	\$1,779.68
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of aggrievement **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of aggrievement.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of aggrievement to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Any questions or correspondence concerning this rate should be directed to the Department of Social Services, Reimbursement and CON at cida.dss@ct.gov.

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$41.77	Per Month:	\$1,270.50
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of grievance **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of grievance.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of grievance to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$99.87	Per Month:	\$3,037.71
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$23.85	Per Month:	\$ 725.44
-----------	---------	------------	-----------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of aggrievement **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of aggrievement.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of aggrievement to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$36.69	Per Month:	\$1,115.99
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of aggrievement **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of aggrievement.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of aggrievement to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Any questions or correspondence concerning this rate should be directed to the Department of Social Services, Reimbursement and CON at cida.dss@ct.gov.

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$48.22	Per Month:	\$1,466.69
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of aggrievement **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of aggrievement.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of aggrievement to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Dear Provider:

Effective July 1, 2024 through June 30, 2025, the following reimbursement rate for State-aided residents in your Community Living Arrangement (CLA) has been determined pursuant to Section 17b-244 of the Connecticut General Statutes and the regulations promulgated pursuant thereto:

Per Diem:	\$41.69	Per Month:	\$1,268.07
-----------	---------	------------	------------

The July 1, 2024 rate has been determined pursuant to Public Act 23-204, rates reflect the application of inflationary adjustment and allowable fair rent add-on. If applicable, rates reflect adjustments for property taxes in accordance with Public Act 22-73. Please refer to the May 14, 2024, memo issued by the Department for further information regarding property tax exemptions.

The rate is subject to further adjustment for after-discovered differences in cost filing data which may take place, generally as a result of field audit. In addition, due to year-to-year rate increase limitations in statute, changes to rates issued for prior rate periods due to audit, interim replacement, or other reasons could result in a revision to the rate or rates issued herein.

Please be advised that, pursuant to section 17b-238(b) of the Connecticut General Statutes, if you are aggrieved by this rate decision and you want to have a hearing, you must:

- 1) Send a written request to the Department of Social Services **within 10 days of the date of this letter**. The 10 days are measured from the date of this letter to the date of the postmark, email or delivery of the request; **AND**
- 2) Send a detailed, written description of all items of aggrievement **within 90 days of the date of this letter**. The 90 days are measured from the date of this letter to the date of the postmark, email or delivery of the detailed, written description of each specific item of aggrievement.

You must comply with both of these requirements in order to have a hearing. Please send both the 10-day letter and the detailed items of aggrievement to con-ratesetting.dss@ct.gov and cida.dss@ct.gov.

Any questions or correspondence concerning this rate should be directed to the Department of Social Services, Reimbursement and CON at cida.dss@ct.gov.

Sincerely,
