Ms. Kathleen Shaughnessy
Department of Social Services
55 Farmington Avenue
Hartford, CT 06105
Attention: Office of Reimbursement and CON

Dear Ms. Shaughnessy:

Enclosed please find the 2019 Medicaid Cost Report for The Bradley Home (the Home).

In preparing this cost report, we did not perform any disallowances for the administrator or assistant administrator salary expense or dues expense in excess of the limits for each prescribed by your department. We also did not perform any disallowances related to physical therapy and speech therapy for the SNF, which were paid for by entities other than the Medicaid Program. We believe that these disallowances are performed by the software used by your department in the preparation of the facility's rate computation report, and we do not want to create an inadvertent duplication of disallowance by calculating these adjustments. We did reduce RN and LPN salary cost in the RCH down to the CNA rate and believe this reduced amount is reimbursable. Certain asset additions on the attachments to page 23 are noted as disallowed and should not be considered for reimbursement. Also on page 29C, depreciation expense for these and similar assets are disallowed. When completing the rate computation please make sure that no duplicate depreciation disallowance occurs. There were also current year purchases for rental property included in land in the amount of \$49,449 that should be considered unallowable for fair rental purposes. We believe this preparation methodology is in compliance with any rules and regulations of your department and the Federal government.
