Items Needed for Your Long-Term Medical Care / Home Care Application

KEEP PAGES 1 and 2 FOR YOUR RECORDS

If you do not already get Long-Term Care Medical Assistance or Home Care Assistance from the Department of Social Services, we need the items listed below to process your application. Send copies, **do not send originals.** In some cases, we may request more documents than those listed below. If we do, we will give you time to send us them. If you do not have, or if you need help getting the needed documents, contact DSS for help.

DO NOT WAIT TO APPLY

If you do not have copies of all the documents listed, send us what you have when you apply. It is important that you apply as soon as possible. We will give you more time to send the other documents we need.

Each month you will need to pay a portion of your income to the nursing home; this is called applied income. A married applicant may be able to give a part of their income to their spouse in the community. The following is needed to make this determination:

The following documents are needed from you and your spouse to determine if you are eligible for Long-Term Care Medical Assistance or Home Care Assistance from DSS:

☐ Federal law requires DSS to review 5 years of bank and financial statements on all accounts owned and co-owned by you and your spouse. DSS does this by reviewing 2 full years of statements from the date of application including the current month and statements for December of the remaining 3 years showing the year to date interest. If you cannot provide the statements for the 3 remaining years you can provide your federal tax returns. You must also explain any deposits or withdrawals of $5,000.00 or more.

- ☐ Stocks
- ☐ Bonds
- ☐ Money Market Funds
- ☐ Certificates of Deposit
- ☐ Mutual Funds, Treasury and other notes
- ☐ Retirement Accounts
- ☐ IRA and Keogh Accounts
- ☐ Annuities (a copy of the original annuity contract in addition to the statements)

- ☐ Burial Contracts (Irrevocable and Revocable)
- ☐ Burial Plot Deeds
- ☐ Life Use documents
- ☐ Privately held Promissory Notes
- ☐ Reverse Mortgage Documents - monthly/quarterly statements are required for the 60 month look back
- ☐ Real Estate Purchase/Warranty Deeds
- ☐ Quit Claim Documents
- ☐ Trusts and Annuities (including appendices, schedules, annual accountings, and amendments for the past 5 years)
- ☐ Private Health Insurance Cards including Medicare (copy of both sides)
- ☐ Health Insurance Premium Amounts
- ☐ A copy of your spouse's death certificate, Will and Probate Inventory Document if your spouse died in the past 5 years.
- ☐ A copy of your divorce decree if you were divorced in the past 5 years.
- ☐ Power of Attorney or Conservator Documents (if any)

The asset limit for Long-Term Care and Home Care Medicaid is $1600.00. You will not qualify for assistance in any month in which your assets exceed $1600.00.

If you are in a nursing facility you should be paying the nursing facility during the application process. Contact the business office of your facility to find out what is due to the facility during this time frame.

Continue by completely answering every question on the attached application.
Attach additional sheets if you need more space to complete the application. Please be sure to include your name, DSS client ID number or your social security number on each additional sheet.

Any transfer or assignment of assets made in the past five years may result in the imposition of a penalty period. Any such transfer is presumed to be made with the intent, by the transferor or the person accepting the transfer (the transferee), to qualify for Medicaid payment of long-term care benefits. Such transfer creates a debt due and owing by the transferor or transferee to DSS in the amount of assistance provided to or on behalf of the transferor. DSS and the Attorney General may seek relief as permitted by law to recover such amounts.

It is a fraudulent conveyance against the state to assign, transfer or otherwise dispose of property, for less than fair market value, to someone who knows (1) that the purpose of the transfer is to qualify for public assistance; or (2) that the transfer will leave the person making it without enough means to support himself or healthy in a decent way. DSS may go to court to set aside the transfer and recover the cost of any assistance that was provided to the person making the transfer or to recover.

I have disclosed all transfers or assignments made in the past five years and understand that, if any such transfers were or are made, even in part, for the purpose of qualifying for Medicaid long-term care benefits, the state has the right to seek repayment of the debt should any benefits be paid by the state on my behalf.
