**Classifying**-Determining the correct UCR Part I or Part II offense category based on the facts contained in the police investigation report.

**Clearance Rate (% Cleared; % Clr)**-The percentage of offenses cleared which is obtained by dividing the number of clearances made in any particular offense category by the number of offenses reported in that category.

**Cleared by Arrest**-For UCR purposes, an offense is considered cleared (solved) by arrest when at least one person involved in the commission of the offense is: arrested; charged with the commission of the offense; turned over for prosecution.

**Cleared by Exceptional Means**-For UCR purposes, an offense is considered exceptionally cleared (solved) in those instances in which law enforcement has: definitely established the identity of the offender; enough information to support an arrest, charge, and turn over to the court for prosecution; knowledge of the exact location of the offender so that the subject could be taken into custody; some factor outside their control precludes arresting, charging, and prosecuting the offender.

**Crime Factor**-Any condition which may affect the amount and type of crime that occurs in a geographical area.

**Crime Index**-The sum total of seven major offenses used to measure the extent, fluctuation and distribution of crime in a given geographical area. Crime classifications presently used in the index are: murder; rape; robbery; aggravated assault; burglary; larceny; motor vehicle theft. Note that although arson is considered an Index Crime, the number of these offenses reported is not included in the calculation of the Crime Index.

**Crime Rate**-Crime rates are indicators of reported crime activity standardized by population.

**FBI**-Federal Bureau of Investigation, a division of the U.S. Department of Justice and administrators of the National Uniform Crime Reporting Program.

**Hierarchy Rule**-A standard UCR scoring practice in which only the most serious offense is counted in a multiple offense situation. For the Index Crime hierarchical order, see the Index Crime entry.

**Hotel Rule**-Burglaries of multiple hotel rooms, and other buildings intended to house transients are counted as a single incident.

**Incident Based Reporting**-A less restrictive and more expansive method of collecting crime data (as opposed to Summary Reporting) in which all the analytical elements associated with an offense or arrest are compiled on an incident by incident basis, also referred to as NIBRS - National Incident Based Reporting System.

**Index Crime**-Any one of eight major offenses used to measure the extent, fluctuation, and distribution of crime in a given geographical area. The seven index crimes are: murder, rape, robbery, aggravated assault, burglary, larceny, motor vehicle theft. When the crime of arson is included, it is referred to as the Modified Crime Index.

**Justifiable Homicide**-The killing of a felon (while the subject is in the act of committing a felony) by a private citizen or police officer in the line of duty. Justifiable homicides are unfounded murders and are not counted as part of the sum total of murders reported in the Crime Index.

**Law Enforcement Employee Rate**-The number of full-time personnel (sworn and civilian) employed for each unit of population (per 1,000 in this publication).

**Part I Offenses**-The first of two main groupings of UCR crime classifications consisting of the seven Index Crimes, arson, manslaughter by negligence and human trafficking. Part I offenses are by their nature generally more serious and/or occur more frequently than do Part II offenses.

**Part II Offenses**-The second of the two main groupings of crime classifications consisting of all other crime categories not already designated as Part I, excluding minor traffic violations. Part II offenses are generally less serious in nature and/or occur less frequently than the Part I offenses. Monthly tabulation of Part II offenses is limited to arrest information only in the Summary Reporting System, with the exception of simple assault.

**Property Crime**-Any one or the sum total (less arson) of the following offenses: burglary; larceny; motor vehicle theft; and arson.

**Scoring**-Counting the number of offenses committed after the police investigation report has been classified.
