

Connecticut 9-1-1 Public Safety Answering Points

9-1-1 Call Counts, 2022

Map note: All Connecticut State Police Troops, except for H (Bradley International Airport), primarily handle wireless 9-1-1 calls on limited access highways and thus have their call volumes represented as circles on this map. Secondary PSAP call volumes are transferred 9-1-1 calls from Primary PSAPs and are, thus, duplicate counts.
