Topic	Discussion	Action
Introductions		Completed
Review of Minutes		Approved
Project MOHRE	Spoke about presentation from last month and the group agreed that when things are more progressed and in the implementation stage, bring them back for another presentation and an update.	Sandra Violette would be in contact with them and giving the group feedback as to when to do the presentation.
Police Workgroup Update	Regarding the DMHAS \$150,000 grant –still pending. DMHAS ACTION line- 211 access for adults in crisis: both mental health and substance use	Chris Burke to determine how police were notified, recommendation to send a DMHAS statement directly to law enforcement
ATM Recommendation Update	Next steps: the agencies that we work for might want to have presentations of the ATM program. The group was asked is there interest among the group members to have ATM come and present. Interested individuals informed Ines of need for presentation, other interested parties will email her.	Ines to set up ATM presentations

<p>Training Discussion/Exploration</p>	<p>Discussed whether subcommittee would like to address training curriculums across the state for different agencies to ensure there are specific Substance Use trainings - group agreed to create a workgroup.</p> <p>The group discussed the need for another workgroup to address community programming needs and the exploration of out of state programs.</p>	<p>Chair: Bobby Lawlor</p> <p>Chairs: Dr. Puglisi and Dr. Tek</p>
