## **Newly approved OSAC project: Helping Youth and Parents Enter (HYPE) Recovery**

- Expand access to opioid treatment for adolescents and transitional age youth up to age 21 in Connecticut through statewide expansion of Multidimensional Family Therapy (MDFT) for opioid use disorders, known locally as HYPE Recovery
- Expansion from six teams currently to a total of 14 teams resulting in statewide access
- Includes training MDFT Therapist Assistants to deliver post-treatment recovery supports using the evidence-based Recovery Monitoring and Support (RMS) model
- Total funding amount (2 years): \$873,352.18
