2. COVID Related Issues
  - a. The “system is open” - getting the message out; last month Alliance appealed to governor with no action; Ben Shaiken and Maria will develop a memo that will go to? For the general public  
DCF staff having trouble accessing residential care  
Beacon has established a warm-line for members  
Hartford HealthCare also rolled out a warm line
  - b. Access to acute care
  - c. Strategies for outreach – who’s doing what?: mostly telephonic; Mark Jenkins still doing real outreach. We need to re-define outreach as COVID is not going away.
  - d. Strategies for workforce support-who’s doing what? Increased supervision and financial incentives for coming into office (Lib); EAP; DCF discussed workforce

Telephonic inductions on buprenorphine/Rod Marriott: discussed risks and advantages of telephonic inductions for DSS and DCP.

How do this in formation get shared??
