EQMI Data Quality

- GAF Replacement implementation and updates - This measure will be returning to the Report Cards in the 3rd quarter of FY23
 - DLA-20 - Train the trainer - One session has been completed and EQMI will offer another training if there is more interest.
- Non-funded substance abuse programs - Per statute, all substance abuse programs should be reporting data to DMHAS, regardless of funding. The goal is to start reporting into DDAP as of this Fiscal Year. Most of those programs are already set up in DDAP and data can be uploaded. This applies to all programs that hold a license from DPH for SA. Report cards for non-funded programs will be generated for each agency to provide them a visual resource on how those programs are performing, however these report cards will not be posted to the DMHAS website, rather made available to respective agencies for their own use.
- DDAP user registration process - Please use the new form and remind staff that they have 10 calendar days to activate the passwords once they are sent out by the help desk.
 - Inactive users: Individuals, who do not use DDAP for one full year, will be removed as active users from the system.
- Data Corrections - EQMI:
 - Wei - Wei.Weil@ct.gov
 - Jordon - Jordon.Vassell@ct.gov
- Contact sheet - Please update who should be receiving communication from EQMI.
- Duplicate admissions/Deceased clients - Emails were sent out about duplicate admission and deceased clients, please look through your lists and let us know which admissions should be removed.
- Updates to Diagnosis in DDAP - We are currently updating the list of diagnosis in DDAP. All new diagnosis will be added.
- New code for Mobile MAT- H0022 - Alcohol and/or drug intervention service (planned facilitation). - New code is being added as of 4/1 for Mobile Mat. This is a DSS code that will be eligible for reimbursement. An alert from DSS will be coming shortly about specifics and what conditions must be met in order to bill.
- Consumer Satisfaction Surveys updates for FY23 - The deadline for surveys is June 30th. Please make sure you are distributing, collecting and entering the surveys.

Training Tips

- Discharge reasons – Please refrain from using “other” or “unknown” as discharge reasons. There is an extensive list of discharge reasons that should be used. If a discharge reason is missing please let us know. We are not able to evaluate outcome measures with other/unknown. Please use the report in EDW, Program Completion to see if your discharges should be corrected.
